4.16 With effect from the Appointed Date and upto the Effective Date :

- (i) The Transferor Companies shall carry on and shall be deemed to have carried on all their respective businesses and activities as hitherto for the benefit of and in trust for, the Transferee Company and shall hold and stand possessed of all their businesses including assets on account of, and for the benefit of and in trust for, the Transferee Company;
- (ii) The Board of Directors of the Transferor Companies shall continue to exercise their powers to carry on the business of their respective Companies in the manner they deem fit and they shall, inter alia, be entitled to take up new projects if the opportunities so arise, raise funds whether by way of long term loans, bonds or debentures, or by issuing further share capital, create further security in favour of the lenders by charge or mortgage of properties ;
- (iii) The Board of Directors of the Transferor Companies shall continue to exercise their powers to alienate or dispose of any assets, whether movable or immovable ;
- (iv) All the profits or incomes accruing or arising to the Transferor Companies or expenditure or losses arising or incurred (including the effect of taxes, if any, thereon) by the Transferor Companies, pursuant to the carrying on of business after the Appointed Date and upto the Effective Date, shall, for all purposes, be treated and be deemed to be and accrue as the profits or incomes or expenditure or losses or taxes of the Transferee Company, as the case may be.
- (v) The right of the Transferor Companies and the Transferee Company to declare and pay dividends, whether interim or final, to their respective equity shareholders shall remain unaffected. It is clarified that this is only an enabling provision and shall not be deemed to confer any right on the shareholders to demand or claim any dividends which, subject to the provisions of the Act, shall be entirely at the discretion of the respective Board of Directors of the Company concerned and subject, wherever necessary, to the approval of the shareholders of the respective companies.
- (vi) The shareholders of the Transferor Companies and the Transferee Company shall, save as expressly provided otherwise in the Scheme, continue to enjoy their existing rights under their respective Articles of Association including the right to receive dividends.

4.17 (a) The Transferee Company has plans/commitments of making investments in various Projects implemented/being implemented by it directly or through its subsidiary/ Joint Venture companies besides its obligations in respect of its own loans and other liabilities incurred in connection with various projects as detailed in para 2.03 above. The Transferee Company intends to raise funds to make such investments/service the said liabilities by sale of shares

held by it in the two Transferor Companies at the appropriate time. Since, presently the projects undertaken by the two Transferor Companies are under implementation, it is felt by the Transferee Company that sale of the said shares immediately or in short term may not fetch reasonable price and hence it would be desirable to sell the shares at a later stage when projects become operative so as to have access to the true price potential. With that object, it is considered prudent that suitable provision be made in the Scheme clarifying that the said shares will not stand cancelled upon the Scheme coming into effect and the right of the Transferee Company to dispose of the said shares later on through some Trusts will not be affected in any way by anything contained in the Scheme.

- (b) Accordingly, it is provided that nothing contained in this Scheme shall be construed to restrict the right of the Transferee Company to sell or otherwise dispose of any of the shares held by it in the Transferor Companies before the Effective Date. Instead of making direct sale in the market, the Transferee Company may, if thought fit, transfer the said shares or any part thereof, before the Effective Date, in favour of one or more Trusts, to be created for that purpose and this power of the Transferee Company shall not be deemed to have been fettered or otherwise affected by anything contained in this Scheme. Upon such transfer of shares whether by direct sale in the market or by transfer in favour of the Trustees before the Effective Date, the Transferee Company shall cease to be member in respect of such shares and the names of such transferees [including the Trustees] shall be entered in the Register of Members of the Transferor Companies concerned or in the records of the Depositories, as the case may be, in place of the Transferee Company. The transferees [including the Trustees], as members in respect of the shares so transferred in their names, shall be entitled to allotment of shares in the Transferee Company in terms of Clause 5.01 of this Scheme. It is, however, made clear that the Trusts so created will be for a specified period not exceeding 5 years and shall be for the sole benefit of the Transferee Company. The Trust Deed shall also provide for appointment of independent trustees unrelated to the promoters of the Transferee Company. The Trusts shall be governed by the Indian Trusts Act, 1882. If the Transferee Company decides not to sell or transfer the aforesaid shares or any part thereof before the Effective Date, then the shares not sold/transferred shall stand cancelled upon the Scheme coming into effect and no allotment of shares in lieu thereof shall be made under Clause 5.01 of this Scheme.
