Subject: Environmental Clearance forModernization & Reconstruction ofExisting Institutional BuildingatPlot no. - 10196, Keshav Kunj,Jhandewalan, New Delhi being developed by Shree Keshav Smarak Samiti.

Reference : Environmental Clearance vide DPCC/SEIAA-D-III-C240/2016/3337 -3341 dated 12.04.2016

Dear Sir,

We had been granted Environmental Clearance earlier for construction of our Institutional building however due to change in planning, we are applying for Modernization of existing Institutional Building at Plot no. 10196, Keshav Kunj, Jhandewalan, New Delhi. The building was constructed before 2006. At that time Environmental Clearance was not applicable. Later on,Environmental clearance was granted to the project vide DPCC/SEIAA-D-III-C240/2016/3337 -3341 dated 12.04.2016 for plot area 17309.52 sqm and built up area 24779.922 sqm but construction work has not started at site till date.

Now due to change in planning we are reducing the Ground coverage and vertical expansion is proposed hence built up area of the project will increase from 24779.922 sqm to 46888.901 sqm howeverthere will be no increase in pollution load.

However, built up area isless than 1,50,000 sq m, thus the project falls under the category 8 (a) in accordance with the EIA Notification dated 14th September 2006.

Since, the tenure of Delhi SEAC has been completed and the committee has dissolved, we are now applying for Environment Clearance in MoEF&CC.

We are submitting herewith the following documents:

1. Form I &IA
2. Environment Management Plan
3. Other requisite annexure

We shall be obliged if issuing of Environmental Clearance process be initiated at the earliest.

Thanking you,
Yours faithfully,

Authorized signatory
(Shree Keshav Smarak Samiti)
