The Director,  
Impact Assessment (Thermal)  
Ministry of Environment & Forests & Climate Change.  
Govt. of India,  
Indira Paryavaran Bhavan,  
Jorbagh Road,  
NEW DELHI – 110 003.

Sir,

Sub: Proposed 2 x 800 MW Super critical Thermal Plant near Godhna in  
Chhattisgarh State –Environmental Clearance-Uploading in MoEF Portal- Reg.

- Ref: 1) Our ltr.No.CE(EI&TA)/Env/GTPS .27-03-2009.  
2) Your. ltr. No.J-13012/17/2009-IA-III(T)GoI, MoEF dt.20-07-2009.  
3) Our ltr.No.CE(EI&TA)/Env/GTPS/935 dt.04/06-09-2010.  
4) Our ltr.No CE(EI&TA)/Env/GTPS/09 dt. 05-04-2011.

Karnataka Power Corporation proposes to implement 2 x 800 MW Super critical Thermal Power Project near Godhna village in Chhattisgarh state.

In this connection MoEF has issued TOR for the project vide ref-2 on 20-07-2009.

The EIA studies were completed and all the documents mentioned below were submitted vide ref.3 & 4.

- 1) Rapid Environmental Impact Assessment (one hard copy and soft copy in CD)
- 2) The filled up questionnaire for Environmental Appraisal (One hard copy and soft copy in CD).
- 3) Copy of Proceedings of Public hearing (Hard copy & CD)

Since the project is not yet considered for according EC to the project till date, we are uploading the documents again to MoEF & Climate Change portal.

We request your kind self to accord Environmental Clearance for our proposed 2 x800 MW coal based thermal project near Godhna village in Chhattisgarh state.

Thanking you,

Yours faithfully,  
For Karnataka Power Corporation Ltd.,

*U. N. Singh*  
Chief Operating Officer
