Respected Sir,

Earlier we have submitted Final EIA report to the honourable ministry on 5th November, 2018 vide proposal no. IA/AP/IND/3712/2012. Accordingly honourable ministry has considered the proposal in EAC meeting held on 11th December, 2018. We couldn't to attend the EAC presentation, as we are in the process of complying with certain observations of R.O., MoEF&CC, Chennai on the Earlier E.C. conditions. As per our request the committee advised us to submit the application after fulfilling the compliance of earlier EC.

Now, we have received the closure report from Regional Office on the observed non-compliances. Hence we are herewith Re-submitting the **Final EIA report** enclosing closure report from Regional Office for your kind perusal.

In this regard, we request your good selves to kindly process our application and place our proposal before the Hon'ble Expert Appraisal Committee (EAC) for issue of Environmental Clearance at the earliest.

Thanking you,
Regards

Yours sincerely
