Jor Bagh Road, Aliganj, New Delhi-110003

**Sub:** Submission of Final EIA, EMP reports of Environment and Ecological Studies for  
Proposed Kalisindh Major Multipurpose Irrigation Project in Jhalawar (Rajasthan).  
**Ref:** MoEFCC File No J-12011 /25/ 2015-IA-1.

Respected Sir,

In reference to the subject cited above it is submitted that TOR for the cited project was issued by referred letter on dated 09.12.2015 for issuing of prior environmental clearance for the aforesaid project.

The QCI/NABET accredited M/S Mantec Consultants Private limited New Delhi is engaged for conducting studies as per TOR. The EIA, EMP reports of Environment and Ecological Studies for aforesaid project has been conducted by the engaged consultant and enclosed herewith.

The consultant has collected required three season baseline data for the project from March 2016 to December 2016. The public hearing of the project was conducted by Rajasthan State Pollution Control Board, Kota on 18.08.2017 at office of the Tehsiladar, Tehsil Jhalalapatin District Jhalawar. The minutes /summary record of discussions etc of the public consultation has been submitted by Rajasthan State Pollution Control Board, Kota to Member Secretary State Pollution Control Board Rajasthan vide their letter no. 1895 dated 10.10.2017.

The final reports of the EIA /EMP, R&R plan etc are enclosed herewith for kind consideration and placing the same before upcoming EAC for issuing of prior environmental clearance for the project.

With regards

Encl: As above

yours sincerely

(Dheeraj Johari)
