

EDS 19/01/2019

Query 1: How the present proposal has been assigned different No. (IA/GJ/IND2/28061/2008) from that of the ToR dated 13/10/2015 (IA/GJ/IND2/28063/2015).

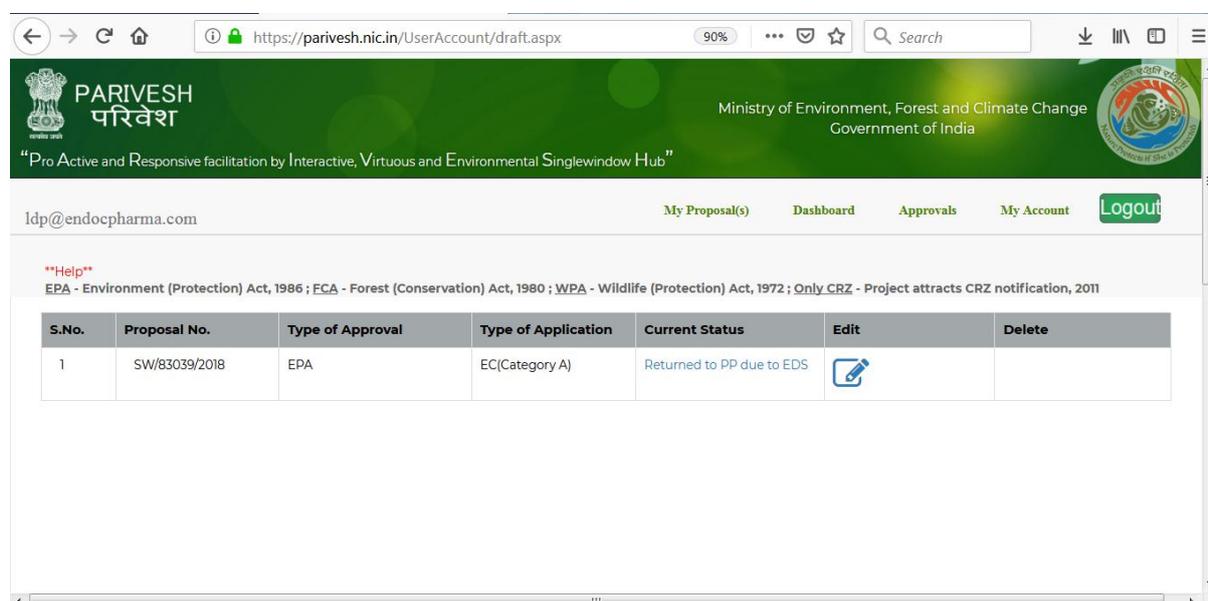

Respected sir,

We have no control over how the Parivesh system assigns these file nos.

IA/GJ/IND2/28063/2015 was assigned to us when the application was submitted on the old MOEF portal / before the Parivesh.

On 23/09/2018, we were asked to submit the proposal for EC online in Form-2, and at that time system assigned IA/GJ/IND2/28061/2008.

Currently on portal we see as below and we can only continue on this link.

The screenshot shows the Parivesh portal interface. The header includes the Parivesh logo, the Ministry of Environment, Forest and Climate Change, Government of India, and the tagline "Pro Active and Responsive facilitation by Interactive, Virtuous and Environmental Singlewindow Hub". The user is logged in as ldp@endocpharma.com. The main content area displays a table with the following data:

S.No.	Proposal No.	Type of Approval	Type of Application	Current Status	Edit	Delete
1	SW/83039/2018	EPA	EC(Category A)	Returned to PP due to EDS		

Query 2: Proposal for EC, complying with the ToR (including condition for the requirement of CCR), was not submitted within the validity period of 3 years of the ToR dated 13/10/2015.

We applied for TOR extension dated 04/02/2019 and it got accepted dated 05/03/2019. See below.

We humbly request you to accept our application. Thanks.
