**Ref:** TOR dated: 22<sup>nd</sup> July, 2018

Dear Sir,

We, Integrated ChemisolPvt. Ltd located at Plot No. 4924, Notified Industrial Area, GIDC Sarigam, District - Valsad, Gujarat are proposed for the manufacturing of pesticides. The project falls under 5(B)-Pesticide Industry and Pesticide Specific Intermediates (Excluding Formulation) as per the EIA notification- 2006, as amended till date. Thus, the project is to be considered and appraised at the Ministry of Environment, Forest and Climate Change, New Delhi and requires EIA study. Fresh water requirement for domestic and industrial activities shall be fulfilled through GIDC water supply. Generated wastewater will be treated into in-house ETP and utilized for scrubber.

The company proposes to install steam boiler, two stage water scrubber and dust collector for the requirement of fuel and process steam. The unit shall use natural gas as a fuel. The company shall install one number of new D G Set, as standby. It will be used only during power failure. HSD will be used as a fuel. Adequate height to stack will be provided. All the hazardous waste generated is/will be disposed as per Hazardous waste disposal rules 2016.

A detailed Environmental Impact Assessment (EIA) report has been prepared which covers all the ToR points. We are submitting herewith our EIA report in hard as well as soft copy.

We request you to consider our submission and call us for presentation at the earliest and oblige.

Thanking You,  
Yours Faithfully,

For: Integrated ChemisolPvt. Ltd.
