Sub: Submission of final EIA-EMP report for the proposed expansion of Rajiv Gandhi International Airport from 25 MPPA to 50 MPPA, Shamshabad village, Hyderabad, Telangana for Environmental Clearance.

Dear Sir,

GMR Hyderabad International Airport Limited proposes for expansion of Rajiv Gandhi International airport limited from 25 MTPPA to 50 MPPA in the existing airport premises.

The Terms of Reference (TOR) for carrying out the EIA studies has been issued by MoEF&CC vide F.No. 10-71/2018-IA-III dated 15th October, 2018. The baseline studies were conducted during the period 1st October 2016 to 31st December 2016 as a part of the EIA report for 25 MPPA airport expansion project and environmental clearance has been issued vide letter F.No. 10-35/2016-IA.III dated 28th July, 2017. For the current expansion proposal an additional baseline study was conducted from 1st October 2018 to 31st October 2018 representing partly post monsoon season.

The public hearing was conducted by the Telangana State Pollution Control Board on 28.02.2017 for the same nature of airport expansion similar to the current proposal and hence a request was made to the committee to exempt the instant project from conducting public hearing. The committee exempted public hearing as per para 7(ii) of EIA the Notification, 2006.

Environmental Management Plan, Risk Assessment, Disaster Management Plan and compliance to the TOR conditions are enclosed herewith in the Final EIA report.

We request you to kindly consider our proposal for grant of Environmental Clearance (EC) in the next Expert Appraisal Committee (EAC) meeting.

Thanking you,

Yours Faithfully,
For GMR Hyderabad International Airport Limited

A. Lakshmi Reddy
