4. EAC (**NON-COAL MINING**) meeting on 24/10/2016 - **Agenda no: 2.1**

Dear Sir,

The above proposal was discussed in EAC (**NON-COAL MINING**) meeting held on 24/10/2016 at MoEFCC for appraisal of EIA/EMP report for issue of Environmental Clearance for the above project proposal.

The committee deliberated at length and noted that the proposal does not involve the mining component therefore, the committee was of view that the proposal shall be referred to the Industry-1 EAC for further consideration as per EIA notification, 2006 as it is a stand-alone screening and beneficiation plant project.

In view of the above, necessary action in this regard may kindly be taken so that the proposal will be placed before EAC (Ind-1) meeting scheduled in November 2016.

Thanking you

Yours faithfully
