Indira Paryavaran Bhavan,

Aliganj, Jor Bag Raod,

New Delhi – 110 003.

Sub.: Submission of final Environmental Impact Assessment (EIA) report to grant Environmental Clearance for our proposed project to manufacture Agro Chemicals products (890 TPA) at plot no. C-195 & 196, Sayakha Industrial Estate, Ta: Vagra, Di: Bharuch, Gujarat by M/S Heranba Industries Limited.

REF: 1. Our proposal no. IA/GJ/IND2/35427/2015 and file no. J -11011/14/2016-IA.II (I)
2. Our Public Hearing Conducted on 02/06/2017

Dear Sir,

We, Heranba Industries Limited(HIL) is planning to setup an agrochemicals plant of capacity 890 MTPA at Plot no. C-195 & 196, Sayakha Industrial estate, Village Sayakha, Taluka: Vagra, District: Bharuch, Gujarat. Our project falls under Category 5(b) “A” as per Environmental Impact Assessment (EIA) notification. Thus, the proposed project is to be considered and appraised at the Central level and requires EIA study. The proposed project conducted public hearing on 02/06/2017.

Fresh water requirement for domestic and industrial activities will be fulfilled through GIDC water supply. Effluent will be segregated stream-wise and treated stream-wise in adequately sized ETP. The final treated effluent from the ETP will be reused in process. Sewage generated from the industry will be treated in septic tank /soak pit facility. Adequate Air pollution Control device will be installed with all the Flue Gas stacks and Process stacks. Hazardous waste generated will be collected, stored and disposed as per Hazardous Waste Management Rules, 2016.

Plot No. C – 195 & 196, Sayakha Industrial Estate, Survey No. 343/P, 344/P, 346/P, 347/P, 350/P,
Village – Sayakha, Tal – Vagra, Dist – Bharuch, Gujarat

As a part of Environmental Clearance procedure, the project also needs to conduct public hearing, which was undertaken at proposed project site on date 02/06/2017. All the comments/queries and questions of the stakeholders have been covered up and addressed in the Public Hearing MOM. A detailed final EIA/EMP report has been prepared which covers all the ToR points awarded, public hearing documents. We are submitting herewith our final EIA/EMP report along with relevant annexures and necessary documents asked in the ToRs.

You are therefore, kindly requested to consider our application and call us for the EC presentation.

Kindly do the needful and oblige.

Thanking you.

Yours truly,

For, HERANBA INDUSTRIES LIMITED
