**Sub.: Application for Environmental Clearance for Telangana STPP,
Stage-I (2 x 800) MW – Reg.
Ref.:- J-13012/112/2010– IA.II (T)**

Dear Sir,

NTPC Ltd. is proposing to set up Telangana Super Thermal Power Project, Stage-I (2x800 MW) in Karimnagar District of Telangana State. After expiry of initial validity of TOR, NTPC approached MOEF for revalidation of TOR. MOEF vide letter no J-13012/112/2010 dated 16.09.2014 (Copy enclosed as **Annexure-I**) accorded a fresh TOR with fresh one season baseline environmental data Generation. Accordingly NTPC has prepared **EIA report** with fresh one season baseline environmental data monitored from December 2014 to February 2015. The Public Hearing for the project was conducted on 23.05.2015 by Telangana State Pollution Control Board (TSPCB). Accordingly, the following documents are attached:

- Final Environmental Impact Assessment (EIA) Report including the Public Hearing detail along with a soft copy.
- Environmental Questionnaire.
- Feasibility Report.
- Minutes of the Public Hearing along with CD.

It is now requested to kindly consider the proposal for accord of Environmental Clearance (EC) at the earliest.

Looking forward for kind consideration

Thanking you.

Yours faithfully

(R.K. Baderia)
HOD (Environmental Engineering)

Encls: As above.
