Expansion of  
Sub: Environmental Clearance of Action Cancer Hospital at Facility Centre no. 34, Paschim  
Vihar, New Delhi to be developed by Manav Sevarth Trust

Dear Sir,

This is in reference to our Project- Action Cancer Hospital at Facility Centre no. 34, Paschim Vihar, New Delhi to be developed by Manav Sevarth Trust.

The hospital is an already operational project. Since, the hospital complex was constructed before EIA Notification, 2006. Hence, Environmental Clearance was not taken for the existing part.

Now, due to change in planning there has been increase in number of beds and area details. The number of beds is increasing from 100 to 120. However, the plot area of the project remains the same i.e. 10000 m<sup>2</sup> while the built-up area of the project is increasing from 9623.550 m<sup>2</sup> to 33021.717 m<sup>2</sup>.

As the built-up area of the Project is less than 1,50,000 m<sup>2</sup> thus, the project falls under Category 'B' Item 8(a) of schedule of EIA notification, 2006 and amendments. Therefore, we are applying for Environmental Clearance for Expansion. Since, the tenure of SEAC (Delhi) is completed. Hence, we are applying for the same in MOEF&CC along with the following documents-

1. Form i
2. Form 1A
3. Environment Report with Annexures.

We shall be thankful if the process of Environmental Clearance is initiated at the earliest.

Thanking you,

Yours faithfully,

  
(Authorized Signatory)
