Subject: Submission of Final EIA report for Enhancement in capacity change in configuration of the incinerator at Common Hazardous Waste Treatment, Storage and Disposal Facilities (TSDF) at plot number 9601-9604, 10001-10003, G-7 & 8, 7924-7927, 9401-9412, 9501-9506, 7905 E to H adjoining to the present at GIDC Ankleshwar, Dist. Bharuch, Gujarat. **M/s Bharuch Enviro Infrastructure Limited.**

Ref: - F.No.10-10/2014-IA.1I dated 26th March 2016

Dear Sir,

With reference to above subject we are submitting the Final EIA report with relevant Annexures for Enhancement in capacity change in configuration of the incinerator at Common Hazardous Waste Treatment, Storage and Disposal Facilities (CTSDf).

We have received EC of phase – II Landfill Facility with second incinerator of capacity 25 Million Kcal/hr with heat recovery system (i.e. 6-10 MT/hr). As against this capacity, we have installed first incinerator of 6.5 Million Kcal/hr. due to insufficient availability of Hazardous Waste. Since, more waste is now available, and therefore, we would like to add third incinerator of 12 Million Kcal/hr. such.

The TOR was approved by MoEF & CC vide Letter no F.No.10-10/2014-IA.1I dated 26th March 2016. The baseline monitoring was done after approval of TOR from March 2016 –May 2016. According to the TOR public hearing was exempted as the project is located in the Notified GIDC industrial area, Ankleshwar.

We would like to request you to kindly consider our project for Environmental Clearance.

Thanking You,

For Bharuch Enviro Infrastructure limited

**B.D. Dalwadi
Chief Executive Officer**
