Industrial Project - 3

Kind Attn.: **Dr. R . B . Lal,**
Member Secretary.

Sub : Addition of Plot No. 124 of admeasuring 0.59 ha., & Plot No. CP 173 of admeasuring 0.28 ha to the Land Area of 2.32 ha., (Plot No. 125 & 126) of Existing Environmental Clearance at Hosur, Krishnagiri District, Tamil Nadu - Reg.

Ref : 1.Environmental Clearance No.-J-11011/411/2006-IA-II (I) dated 16/08/2016
2.Proposal Submitted Vide **IA/TN/IND3/255576/2022**
3. **27TH EAC – 07/03/2022 AGENDA # - 27.5**

Dear Sir,

The proposal was earlier submitted with respect to the subject matter vide the Reference "2" cited above, and was also taken up in the EAC Meeting vide the Reference "3" cited above, however, the EAC deliberated & noted the following.

"The Committee was informed that PP has uploaded the EIA report of 2015 on Parivesh portal. Present status of the project has not been submitted. The Committee deliberated on the compliance status of the project and found that some major conditions related to environmental conservation were partially complied.

Also, the PP requested to the Committee that they will revise the application and will apply under para 7 (ii) of the EIA Notification, 2006 (modernization). The proposal was accordingly returned in its present form for revision of the application for the needful."

We Herewith **RE-SUBMIT UNDER PARA 7 (ii)** of EIA Notification with the following uploaded

- Application Form fully filled up under PARA 7 (ii)
- Original EIA Report as was submitted during the obtaining of Environmental Clearance
- **ADDENDUM TO THE ABOVE EIA REPORT**
- **ADDENDUM FORM I & Also copy of FORM I Submitted Earlier**
- **ADDENDUM PFR & Also copy of PFR Submitted Earlier**
- Copy of **CERTAINED COMPLIANCE** FROM REGIONAL OFFICE, MOEFCC – **RECENTLY OBTAINED**
- Copy of Power Point Presentation to be Made at EAC

We had obtained Environmental Clearance vide the above reference cited in "1" above with the following Plot Nos. & Land Area

Plot #	Land Area (in ha.)
125	1.06
126	1.26
Total Area	2.32

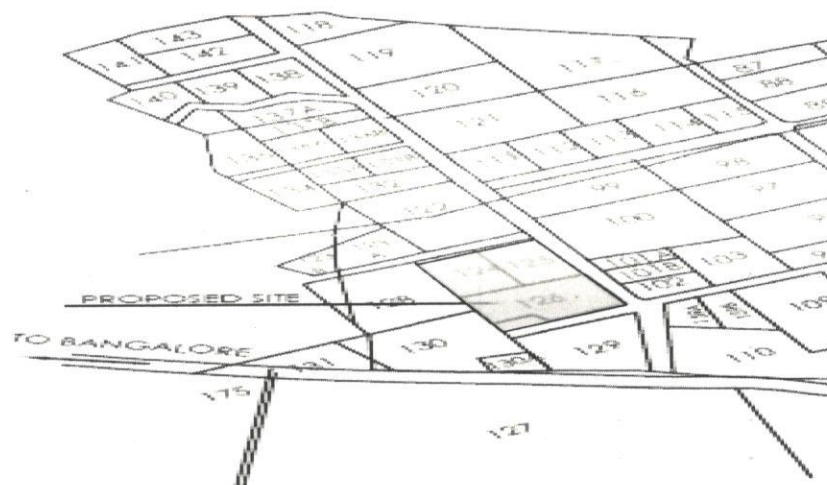

The Land Usage Break-up then was as follows

SI No	Particulars	Land usage (in ha.)
1	Building Foot Print	1.48
2	Green Belt	0.60
4	Vacant	--
	Total Area	2.32

We have now purchased the following Plot No. Contiguous to the Land Area as was in EC

Plot #	Area (in ha.)
124	0.59

The SIPCOT Layout showing the Land Area is as follows

A full SIPCOT Layout is Enclosed for your reference.

Further, the said plot was also included in the Consent to operate, copy of which is enclosed, and Reference is drawn to Point # 2 of Page # 7 in said CTO which states as follows

"The unit shall obtain necessary amendment in EC from MOEF for additional plot of Plot No. 124"

And hence the land usage break-up upon this addition will be as follows.

Sl No	Particulars	Existing (in ha.)	Addition (in ha.)	Total (in ha.)
1	Building Foot Print	1.48	--	1.48
2	Green Belt	0.60	0.12	0.72
3	Utilities	0.24	--	0.24
4	Vacant	--	0.47	0.47
	Total Area	2.32	0.59	2.91

We also have lease agreement with SIPCOT Plot # **CP 173**, which is 0.28 ha. exclusively and entirely for greenbelt, thus the total green belt area upon this addition will be

1.00 ha.

ie Total Green belt area will be 31% of the total land area ie 3.19 ha.

Copy of land ownership / lease document for Plot No. 124 & CP 173 is also uploaded.

THE PROPOSED CHANGE WILL ENABLE INCREASE IN GREEN BELT AREA COMPARED TO THE EXISTING ENVIRONMENTL CLEARANCE.

We will be pleased if necessary APPROVAL could be provided for ADDITION of land area to the land area as per existing EC.

Thanking You
For Global Calcium Private Limited.,

H. Sathish
Sathish Hebbar,
Director - Operation.
