Ref. :- Proposal no. IA/KL/NCP/72004/2018 dt. 02-01-2018
File No. 21-12-2018/-IA-III

Sub.:- Environment Clearance - Proposed Expansion of existing hospital cum residential project at Sy. Nos. 2140/73, 936/1/46, 939/1/45 (New Re-survey no. 134) of Edathala Village, Aluva Taluk, Ernakulam District, Kerala – Submission of EIA Report – Reg.

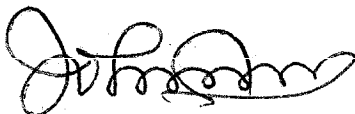

Respected Sir,

For the purposes of obtaining Environmental Clearance for the above mentioned project, we submitted application along with draft ToR at MoEF on 02-01-2018, since the project is with built-up area of 4,20,309.25 sq.m. which is more than 3,00,000 sq.m. The draft ToR was considered and approved in 30th EAC meeting held on 18th – 20th April, 2018. The copy of the approved ToR letter is attached.

The EIA study was conducted in November, December, 2017 & January, 2018. Now, we hereby submit the EIA report and all other relevant documents for obtaining Environmental Clearance **since the tenure of SEIAA/SEAC, Kerala expired on 18-03-2018 and there is no duly constituted SEIAA/SEAC, Kerala now. In view of this situation, the instant project being Category B project is now uploaded in the portal of MoEF.**

In view of the above submissions, we humbly request you to consider our application at MoEF and accord Environmental Clearance to our project at the earliest.

Thanking you,
Yours respectfully,
For Rajagiri Healthcare and Education Trust

Fr. Johnson Vazhappilly CMI
(Executive Director)

Encl. :- As above
