Dear Sir,

Sub: M/S RL Fine Chem private Limited – Expansion of API's and Drug intermediates manufacturing unit at plot No. 165 to 182 APIIC, IDA Thumukunta (V), Hindupur (M) Anantapur (D), Andhra Pradesh state – submission of EIA for appraisal- reg.

Ref: 1. TOR granted to our proposal by MOEF&C vide letter No: J-11011/180/2016-IA II(I) dated 31st January 2018
2. Amendment for TOR for exemption of public hearing- Minutes of 36th EAC meeting held during 24th to 26th April 2018 exempting public hearing for our unit.

We are operating our unit at plot No. 165 to 182 APIIC, IDA Thumukunta (V), Hindupur (M) Anantapur (D), Andhra Pradesh state. Now we are proposing to expand the production capacity of our unit from current 7.2 TPM to 48.6 TPM.

As per the EIA notification 2006, the project category comes under Category-A project, due to applicability of general condition i.e., the interstate boundary is 1.2 Km distance from the site and comes under Schedule Sl. No. Item 5(f) which mandates obtaining prior Environmental Clearance from MOEF & CC, Govt. of India. The unit is located in Notified Industrial Area of IDA Thumukunta which is notified prior to 2006 EIA Notification and public hearing is exempted.

Now we are herewith submitting EIA Report with a request to take necessary action for grant of Environmental clearance.

With Kind regards,

For , RL Fine Chem private Limited
