Sub : Extension of Runway With Blast Pad, RESA, Taxiway, Apron, GSE area, Isolation Bay, Construction of New Domestic Terminal Building, ATC Tower cum Technical Block cum Fire Station and Other Miscellaneous Works at Kolhapur Airport (Maharashtra) by M/s Airports Authority of India

Dear Sir,

Airports Authority of India has planned for Extension of Runway with Blast Pad, RESA, Taxiway, Apron, GSE area, Isolation Bay, Construction of New Domestic Terminal Building, ATC Tower cum Technical Block cum Fire Station and Other Miscellaneous Works at Kolhapur Airport (Maharashtra). In this regard, we obtained TOR for preparation of EIA report vide referred letter dated 12th April, 2018 and prepared the draft EIA report accordingly. Maharashtra Pollution Control Board has conducted public hearing on 28/09/2018. Accordingly, we have finalized the EIA report based on the proceedings of public hearing and herewith submitting the same to obtain Environmental Clearance.

We request to schedule above project for appraisal by Expert Appraisal Committee to issue Environmental Clearance.

Thanking you,

Yours faithfully,

विमानपत्तन निदेशक
