

Application of Environmental Clearance for "Balance Area Construction in 'Godrej Garden City' at Jagatpur, Ahmedabad, Gujarat"

6th February, 2017

Applicability of Certified Monitoring

GODREJ GARDEN CITY is a Residential Township, which is developed by Godrej Properties Limited. The Group provides the finest, most professional real estate services to their clients, exceeding their expectations and bringing about total satisfaction.

As this is a Category 8(b) Townships and Area Development Project (Construction Project), thus Certified Monitoring is applicable to the Project. Details of Certified Monitoring are given in EIA document, Chapter 3 Description of Environment (Section 3.2).
