Sub: Certified Monitoring Report by RO, MoEF&CC for Online EC submission.

Ref: File no. 1. J-1302/01/2013-IA. II (T) 12th December 2014
2. MOM of the 55th Meeting (5th & 6th May 2016) of the re-constituted Expert Appraisal Committee (EAC) on EIA of Thermal Power & Coal Mining Project.
3. ToR validity extension letter no- J-13012/01/2013-IA. II (T) dated: 08.11.2016

Dear Sir,

Reference to the above subject, We M/s Assam Power Generation Corporation Limited, project proponent for the proposed project- **1X660 MW Super Critical Margherita Coal based Thermal Power Project of Assam Power Generation Corporation Limited (APGCL)** would like to inform you that public hearing was conducted on 22nd March 2015. According to MoEF&CC notification, it is treated as Category 'A' project as the capacity of the proposed project is above 500 MW. As suggested vide Ref-2 & 3, we have collected post monsoon data for 2016(September-November) and compared with summer 2013 data respectively and hereby declare that regular periodic monitoring will be carried out twice in year.

Thanking you,

Yours Faithfully

13/12/16
