Revised Project Cost & Proposed CER Cost

S. No.	Description	Unit	Total (Rs.)
A. Project Operation Cost			
1.	**Manpower Cost:** Geologist - 01 Foreman -01 EnvironmentSupervisor -01 Office staff -3 Machine operator-2 Piece of rated workers-36	(Total Man power 44) Assuming 240days Rs. 25,000/ month= 2,00,000 Rs. 20,000/ month= 1,60,000 Rs. 20000/ month= 20,000 x 1=1,60,000 Rs.15000 / month= 15,000x8 x 3= 3,60,000 Rs.22000/month=44000x8=352000 Rs.550 / day=550*36*240=4752000	59,84,000
2	**Highest bid Amount**		12501000
2.	**Expenditure on Occupational Health:** PPE & hand sanitizer ,thermal scanner , mask (due to covid -19 epadmic)with first aid kit Medical checkup and Medicine (Once in a month)	4000/worker (4000 x 44)= 176000 *Doctor's visit*: 10,000/ month (8 working months) =80,000 *Medicines* (Assuming 500/worker/month) 500 x 44 = 22,000 (Mine operation Month: 8) = 1,76,000	4,32,000
3.	**Equipment's/Tools/Machineries**	240 days Assuming Rs.5000/day	12,00,000
4.	**Drinking and Sanitary Facilities**	➢ Rs. 1000/day for drinking/domestic (240 days)=2,40,000 ➢ Rs. 30,000/ Bio-toilets x	3,00,000

Revised Project Cost & Proposed CER Cost

		2=60,000	
	Total Project Operation Cost (A)		**Rs. 20,417,000 (204.17Lakhs)**

B. Break-up of Expenditure on Environment Protection & Environment Management			
5.	Haulage Road Repair & Maintenance • Filling, Leveling and widening of the road up to width of 6m and length of 200 m. • Setting & Fixing of Cut Stone on the leveled road.	Annual 3600 m (L) x 6 m (W)	1,50,000
6.	Water Sprinkling on Haulage Road for Dust Suppression	Assuming Rs.1000/day for 240 days of working Tanker Cost: Rs. 1000/Tanker Tanker Capacity: 5000 liter, No. of Tankers required: 1	2,40,000
7.	Plantation along the road side & post plantation care	Plantation with post plantaion care @125/sapling (2000 sapling/Year) Toal plantation with in 5 year =10000 So total cost =10000 x 125= ***Note: Annual cost will increase with increase in no. of sapling.***	12,50,000
8.	Environmental Monitoring & Compliances.	➢ **Half Yearly Monitoring of Environmental Parameters viz. Air, water, Noise & Soil.** ➢ Half Yearly Submission of Compliances.	2,00,000
	Total Environment Protection & Management Cost (B)		**Rs. 18,40,000 (18.40 Lakhs)**
	Total Project Cost (A+B)		**Rs. 204.17 + 18.40 (222.57Lakhs)**

Revised Project Cost & Proposed CER Cost

Corporate Environment Responsibility:

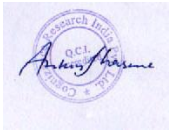
CER (Corporate Environment Responsibility) details for the Project

CER plan is given below:

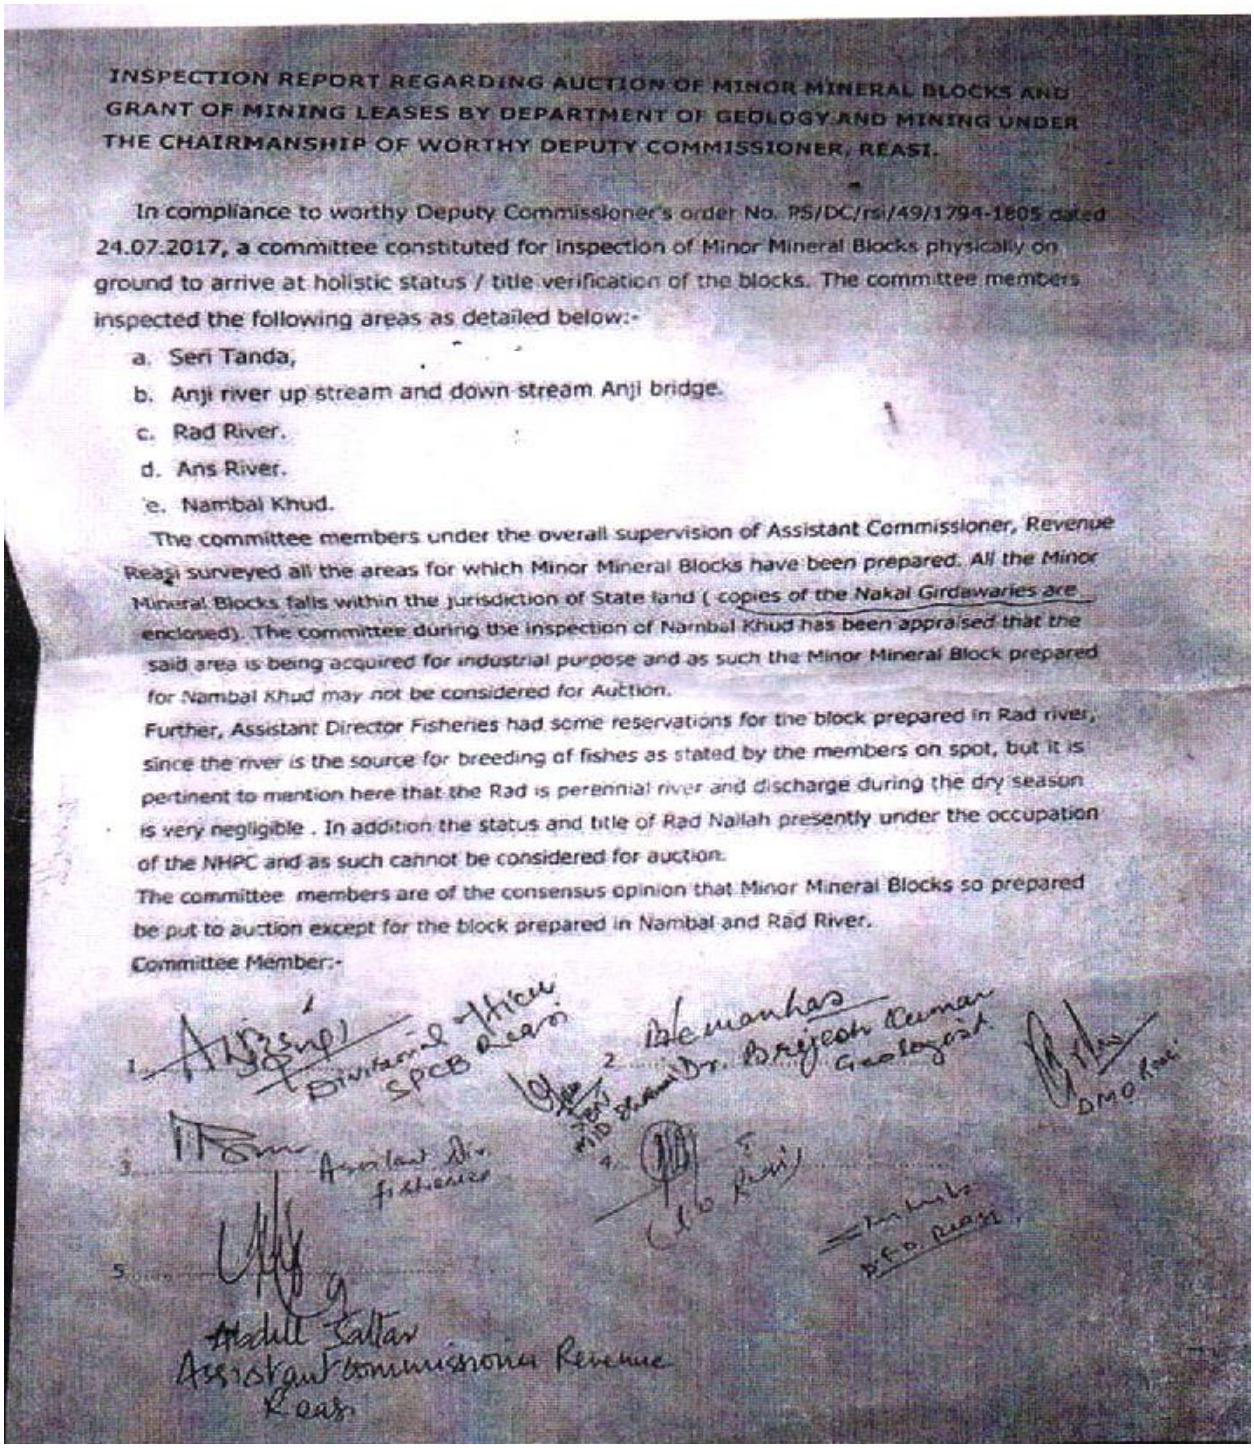
- Total working Cost of the Project = **222.57Lakhs**
- Yearly CER cost for the project, i.e. 2% of the total Working project cost

Rs. 222.57Lakhsx 0.02 = Rs. (4.4514Lakhs)

S. No.	Activity	Cost per Unit (Rs)	Quantity	Total (Rs.)
1.	Installation of Deep Drilled handpump in vill -Arnas	1,00,000	**2**	2,00,000
2.	Installation of Solar street light in vill - Arnas	15,000	06	90,000
3.	Construction of Toilets for Women in vill - Arnas	60,000	02	1,20,000
4.	Distribute Stationary nearby School	35140	-	35,140
	Total Proposed CER Cost			**4,45,140**



Joint NOC form Various Dept



INSPECTION REPORT REGARDING AUCTION OF MINOR MINERAL BLOCKS AND GRANT OF MINING LEASES BY DEPARTMENT OF GEOLOGY AND MINING UNDER THE CHAIRMANSHIP OF WORTHY DEPUTY COMMISSIONER, REASI.

In compliance to worthy Deputy Commissioner's order No. PS/DC/rsi/49/1794-1805 dated 24.07.2017, a committee constituted for inspection of Minor Mineral Blocks physically on ground to arrive at holistic status / title verification of the blocks. The committee members inspected the following areas as detailed below:-

a. Seri Tanda,
b. Anji river up stream and down stream Anji bridge.
c. Rad River.
d. Ans River.
e. Nambal Khud.

The committee members under the overall supervision of Assistant Commissioner, Revenue Reasi surveyed all the areas for which Minor Mineral Blocks have been prepared. All the Minor Mineral Blocks falls within the jurisdiction of State land (copies of the Nakal Girdawaries are enclosed). The committee during the inspection of Nambal Khud has been appraised that the said area is being acquired for industrial purpose and as such the Minor Mineral Block prepared for Nambal Khud may not be considered for Auction.

Further, Assistant Director Fisheries had some reservations for the block prepared in Rad river, since the river is the source for breeding of fishes as stated by the members on spot, but it is pertinent to mention here that the Rad is perennial river and discharge during the dry season is very negligible . In addition the status and title of Rad Nallah presently under the occupation of the NHPC and as such cannot be considered for auction.

The committee members are of the consensus opinion that Minor Mineral Blocks so prepared be put to auction except for the block prepared in Nambal and Rad River.

Committee Member:-

1. ..... Divisional Officer SPCB Reasi
2. ..... Dr. Brijesh Kumar Geologist
3. ..... Assistant Director Fisheries
4. .....

OFFICE OF THE ASSISTANT DIRECTOR FISHERIES, REASI

email: assistantdirectorreasi@gmail.com

Subject: Issuance of NOC for grant of Mining lease for Minor Mineral Block No: 14 in Ans River, Downstream Narloo Bridge, District Reasi (Plan-V).

In reference to the instructions issued by the Additional Deputy Commissioner, Reasi during the meeting held in his office Chamber on 08.04.2021 regarding the issuance of NOC for grant of Mining lease for Minor Mineral Block No: 14 in Ans River, Downstream Narloo Bridge, District Reasi. This office vide No: ADF/R/2021-22/38-42, dated: 08.04.2021, constituted a committee to survey/inspect the site at the said Minor Mineral Block in River Ans with Geo-coordinates of the corner points (**A**=33°10'51.2" N 74°48'36.76" E, **B**=33°10'50.81"N 74°48'44.45"E, **C**= 33°10'39.19"N 74°48'51.46"E, **D**= 33°10'40.65"N 74°48'36.35"E).

Based on the recommendations of the Committee the **No Objection Certificate** for grant of mining lease for Minor Mineral Block No: 14 with above coordinates is hereby accorded subject to following terms and conditions which shall form an integral part of this NOC.

1. That the agency shall carry out extraction of minor minerals exclusively in the dry patches at the highest flood level (HFL) and in no case the extraction shall be allowed below the HFL of the main river.
2. That no mining activity will be carried out in flowing water channel area even if it falls within the mining block and adequate measures shall be taken to safeguard water quality and aquatic life (fisheries).
3. That the agency shall be under legal obligations to ensure that there is no collateral damage to the environment, ecosystem, hydrobiology and Ichthyofauna of the Nallah/river downstream Narloo Bridge as a result of extraction. For any damage/negligence voluntary or otherwise this NOC shall liable for cancellation besides legal action shall be initiated against the defaulter in the appropriate forum.
4. That mechanical extraction by use of bulldozers, JCB etc is not permitted in the water course and the creation of trenches/ditches/pits for minor mineral extraction is strictly prohibited. The mining shall be done strictly as per mining plan and there shall be no damage to the bed sediment of the stream as it serves the breeding/feeding grounds of the fish.
5. That extraction should not disturb/change any water course of the nallah/River and the alignment of the bank. The water way of the nallah/river shall not be changed/ restricted in any case.
6. That no vehicle deployed for the transportation of minor mineral shall follow the route through the River/Nallah course.
7. That the Agency should comply with other locational statutory requirements in force as per law.

8. That the agency shall abide by the Rules and Regulations as laid down in the existing Fisheries Act and Amendments, Notifications etc to be issued from time to time in this regard and the NOC is liable to cancel in case of violation of any terms and conditions as laid down above or violation of any provision of Fisheries Act, 2018 or any Notification without prior notice.
9. That the Lease holder or the authorized officer in case of firm shall have to submit an affidavit duly attested by the 1st Class Judicial Magistrate that they shall abide by the terms and conditions as laid down in SRO-105 of 2016 and Fisheries Act, Rules, Notifications Orders/Circulars issued by the Government in this regard from time to time.

The certificate issued shall have the applicability with respect to Fisheries Act, Rules, Regulations, Notifications, Orders, Circulars issued by the Government from time to time for safeguarding and development of Fisheries in the Union Territory of Jammu and Kashmir and shall in no case be taken as a legitimate document and subsequent right with respect to other stakeholders involved in such establishment.

No: ADF/R/2021-22/ 61-65 Dated: 16.04.2021

Assistant Director Fisheries,
Reasi

1. The Director Fisheries, J&K Govt., Jammu for kind information.
2. The District Development Commissioner, Reasi for kind information.
3. The Additional Deputy Commissioner, Reasi for kind information.
4. The Joint Director Fisheries (CV), Jammu for kind information.
5. The Inspector Fisheries, Reasi for information and necessary action. He is directed to seek affidavit from the agency for adhering to the term and conditions laid down as above.

Sub:- NOC regarding E-auction of minor mineral blocks of District –Reasi

Ref:- District Development Commissioner Reasi Letter No:- DDCR/2019-20/74/1113-21 dated 19/06/2019

Apropos to the meeting held in the office of Deputy Commissioner Reasi regarding the above cited reference wherein, objection has been raised regarding 3(three) minor mineral blocks viz Hemna, Kanthan and Gujar Kothi. Subsequently a meeting was convened in the office of Chief General Manager, NHPC Jyotipuram Dist-Reasi along with joint Director Geology and Mining Department Jammu besides District mineral officer Reasi today dated 08/07/2019. Thread ware discussion was held wherein it has been deliberated in details along with maps and other related documents and concluded that NHPC has no objection for 2(two) minor mineral blocks i.e. Hemna, downstream kanthan bridge & upstream Kanthan bridge subject to the conditions that the department of Geology and Mining shall carry out extraction in the scientific manner as provided in the mining rules, and moreover it would be beneficial to the power station being desilting carried out. However, in respect Gujar kothi minor mineral blocks, NHPC stands remain same as earlier keeping in view the safety aspects involved in it.
