	<p>The project proponent has applied for Environmental Clearance for the proposed quarrying of Gravel over an extent of 6.71.5 Ha at S.F.No. 248/2 of VEDIYARENDRAI Village, Manamadurai Taluk, Sivagangai District on 19.09.2017.</p> <p>The project proposal was placed in the 96th meeting of the SEAC held on 31.10.2017. Based on the presentation made by the proponent and the documents furnished, the SEAC decided to recommend the proposal for the grant of Environmental Clearance subject to the following specific conditions in addition to the normal conditions.</p> <ol style="list-style-type: none">1. The proponent has proposed a budget of Rs. 80,000 for CSR activities. This is too low. The proponent should allocate a minimum of Rs. 10 lakhs towards CSR activities to carry out infrastructure development at the Government School, Keelapasalai. Out of Rs. 10 Lakhs, an amount of Rs. 4 Lakhs has to be contributed before the commencement of mining activities and the remaining Rs. 6 Lakhs has to be paid (Rs. 1 Lakh paid every month for 6 months).2. It is proposed to run 141 lorry loads/ day to transport gravel from the project site via a village road. The intensity of lorry operation is very heavy , which would damage the village road frequently and also disturb surrounding environment & local transportation. Hence, the Proponent is permitted to transport only 70 lorry loads/day. The proponent should carefully monitor the conditions of the village road and carry out maintenance measures to keep the village road in good condition all the time.
