Dated, 16-05-2015

From,

Prof. R.C. Sinha,
Chairman, SEIAA Bihar

To,

M/s Shree Cement Ltd.,
Aurangabad Industrial Growth Centre (Industrial Area),
Tehsil & Distract Aurangabad, Bihar

16.5.15
Sub.: Proposal for amendment in the existing environmental clearance for the change in configuration of Clinker Grinding Unit from 2x1.8 million TPA to 3.6 million TPA Cement by M/s Bangur Cement (A unit of Shree Cement Ltd.) located at plot no. NS-24, NS-29 and NS-28 (P), Aurangabad, Industrial Growth Area (BIADA), District Aurangabad, Bihar

Sir,

With reference to your letter no SCL/BGU/ENV/2014-15/53 dated 18/3/2015 for the amendment in the Environmental Clearance which was issued vide letter no. 52 dated 18/5/2012 by SEIAA, Bihar, your proposal has been approved by SEIAA in the meeting held on 28/4/15 on the recommendation of SEIAA in accordance with the EIA Notification, 2006 and to amendment thereof for the installation of one unit of installed capacity of 3.6 million TPA instead of 2x1.8 unit with exactly the same specific and general conditions granted to you earlier on 18/5/2012.

However, it is made clear that no further expansion or modification in the plant should be carried out without the permission of the State Environment Impact Assessment Authority, Bihar. In case of any change in the scope of the project, it would require a fresh appraisal by SEIAA, Bihar.
