Minutes of Meeting

A meeting of SEAC was convened on 10<sup>th</sup> August 2022 at 11.00 AM in presence of Member Secretary, SEAC-1 and SEAC-2 at the SEAC Meeting Hall of the Rajasthan State Pollution Control Board, 4 institutional Area Jhalana Doongri Jaipur for discussion and standardization of practice of documents/appraisal of proposals. List of participants is available in Annexure A.

At the outset of the meeting Member Secretary, SEAC welcomed all the participants and summarized the procedure adopted by the SEAC office for disposal of the received proposal from SEIAA for appraisal.

After deliberation, the following was decided. -

1. Projects falling in the TTZ as per Hon'ble Supreme Court order dated 08.12.2021 must be clearly mentioned in Environment Sensitivity of FORM-1 (i.e. matters related to national legislation).
2. A brief of Air modeling methodology considering the worst scenario, probable environment accidents, the highest peak of pollutants, etc. along with all the input files, and output files of the modeling shall be submitted.
3. All mining proposals where blasting is proposed in the Approved Mining Plan must be accomplished with a Vibration Study conducted/approved by a competent agency or authority. The report must contain the effect of vibration due to blasting on nearby structures, waterbodies, habitation, etc. and mitigation measures
4. All the filter papers, used during the air monitoring conducted in support of the EIA study, shall be submitted to the SEAC office within 07 days from the issuance of the Agenda notice.
5. The Certified Compliance Report must contain clear information regarding the status of the compliance of the condition in terms of complied, not complied, or under process (details shall be shared in the case where conditions are being reported to be under process).
6. Compliance Report with valid documents/clarifications as per appraisal of the project by SEAC must be submitted with the proposal.
7. Compliance of specific/additional conditions of LOI letter issued by the Mining Department must be submitted at the time of final presentation.
8. It was intimated that many SEACs, EAC, and Ministry are accepting the proposals where the date of monitoring is before the date of submission of application for ToR/ EC. It was

decided that some of such cases may be examined by SEAC for deciding the further course of action.

9. The existing DCF certificate being submitted in respect of protected areas (Wild life sanctuary, national park, critical tiger habitats, etc) must also contain information regarding the distance of the project site from the nearest forest area/land.
10. The information regarding the number of cases processed/presented by each Environment Consultant/Environment Coordinator during the surveillance year (as per the NABET certificate) under B1 and B2 category must also be submitted along with circulated information and also be displayed during the presentation.
11. PP must submit sanctioned order issued from Mining Department for clarification of validity of LOI for the cases where EC has been granted by SELAA under B2 category and before registration the mining lease is considered under the purview of B1 category as per EIA notification 2006 and PP have to apply for EC under B1 category.
12. Relevant information to all the members along with SEAC office shall be circulated within 07 days from the issuance of agenda notice.
13. ADS (Additional Information Sought) shall be issued for any additional information or explanation or query raised during the appraisal of the project. ADS/reply shall ONLY BE submitted online through the PARIVESH portal. Appraisal of such cases/proposals shall be strictly on the priority of the date of uploading the reply/ ADS.
14. Relevant documents in support of exemption from the Public Hearing shall be provided (if applicable)
15. The proposal related to the industries proposed in the notified industrial area, details pertaining to the date of notification, copy of EC of that industrial area, etc., shall also be provided to conclude whether public hearing is required.
16. The presentation (PPT) for appraisal by the committee shall strictly be in accordance to the format prescribed by MoEF & CC. The presentation shall also be circulated within 07 days from the issuance of the Agenda notice.
17. The Form-1 submitted on the PARIVESH portal shall be considered the final document. No change in Form-1 shall be accepted. If Form-1 requires a change in the basic project profile, then it will be accepted through only the PARIVESH portal.

Meeting ended with a vote of thanks to all the participants.
