

Agenda notes for SEIAA meeting dated 16.02.2022 etc. and minutes of the meeting

Online Proposals

71st Meeting of SEIAA, Odisha dated 16.02.2022, 17.02.2022, at 11.00 a.m.

Sl. No.	Proposal Category (B1,B2) and Proposal type (TOR/EC/MO/DIEC/MODIT OR/Transfer of EC)	Project Sector and EIA notification Schedule.	Auto generated File No.	Name of the Applicant/ Project Proponent	Title of the proposal	Date of receipt of the proposal online	Status indicated in the PARIVESH portal	Decisions of SEIAA in the previous meeting	Current Status and Agenda Note	Observations / Decisions of SEIAA Meeting
1.	B2, EC	1(a) Mining of minerals	245641/176-MINB2/01-2022	Tahasildar, Chikiti	Proposal of Tahasildar, Chikiti for EC of Chiladi River Sand Bed- II over an area of 11.786 Acres or 4.770 Ha. In Khata No: 462, Plot No: 15/2957, at Village- Chiladi, Tahasil- Chikiti, Dist- Ganjam	07.01.2022	Under examination of SEIAA after SEAC	The proposal was placed in the 62 nd Meeting of SEIAA and was decided that "EC be given with usual conditions . Maximum depth of extraction to be 0.5 meter.	This is regarding a new proposal for mining of minor mineral Sand . The project has submitted at SEIAA under Category ' B2 ' as the lease area is ≤ 5 Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl. No-1(a) – "Mining of Mineral" of non-coal mining sector. The project proponent has submitted proposal for grant of EC for Chilladi River Sand Bed over a lease area 4.77Ha/11.786 acre at village-Chilladi, Tahasil-Chikiti and District-Ganjam and the project proponent is Tahasildar, Chikiti . The following documents have been received Checklist, form-1, DSR, PFR, EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification. The following deficiencies/omission have been noticed in the above documents.	If the river is Bahuda, how is the proposal named Chiladi Sand Bed-II. Where is Chiladi Sand Bed-I? Is it part of a cluster? These points need to be clarified by Tahasildar promptly. He has to submit

							Maximum quantity per year tentatively is 5000 cum. Rate of replenishment study be done".	<ul style="list-style-type: none"> Nil <p>Distance from nearest sanctuary/ESZ- 62km Whether the lease area coming in D.L.C. report-No Whether the proposal reflect in the DSR- Yes Method of mining-Manual River-Bahuda, depth of sand deposition-2.0m Distance from Nearest Road/railway Bridge- 2.7 km Whether it is part of cluster –No Whether EC obtained earlier – Yes, submitted earlier EC compliance Production capacity per annum- 5001 cum/ annum(max.) This is a B2 category project. <u>Other points</u> SEIAA offline file No.1799/08 received on dated 09.08.2021 The SEAC in its meeting held on 01.11.2021 and recommended the proposal to grant of EC valid from the date of EC accorded upto the lease period and submitted the appraisal report to SEIAA vide letter no. 765/SEAC, dtd.03.11.2021. The proposal was placed in the 62nd meeting of SEIAA and decided for issue of EC after PP submits the EC application Online. Accordingly, the PP has applied online application for EC. In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p>	detailed procedure to be adopted for carrying out the rate of replenishment study at the site.	
2.	B2, EC	1(a) Mining of minerals	2447 47/20 1-MINB 2/01-2022	Tahasilidar, Kashipur	Proposal of Tahasilidar, Kashipur for EC of Sargiguda Stone Quarry Over an area of 1.89 Acres or 0.764Ha in Village-Sargiguda, Tahasil-	19.01.2022	Under examination of SEIAA after SEAC	The proposal was placed in the 62 nd Meeting of SEIAA and was decided that "EC be given with usual	This is regarding a new proposal for mining of minor mineral Stone . The project has submitted at SEIAA under Category ' B2 ' as the lease area is ≤5 Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No.1(a) – "Mining of Mineral" of non-coal mining sector. The project proponent has submitted proposal for grant of EC for Sargiguda Stone Quarry over a lease area 0.764Ha/1.89 acre at village-Sargiguda, Tahasil-Kashipur and District-Rayagada and the project proponent Tahasilidar, Kashipur.	As per sustainable sand mining guidelines, railway line should not be within a distance of 500m, on similar

					Kashipur, District -Rayagada		conditions".	<p>The proponent has submitted the hard copy of the Checklist, Form-I, Pre-feasibility Report, DSR, D.L.C. report, E.M.P, village sheet, Toposheet of the project, Approved Mining Plan and As per Notification N-701/Dtd-11.01.2016 the scrutiny fee is exempted for the Project Proponent, Tahasildar, Kashipur.</p> <p>Now the proposal is complete in all respect. Hence, it may be place in the next meeting of SEIAA, Odisha.</p> <p>The following documents have been received Checklist, form-1, DSR, PFR, D.L.C, EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification.</p> <p>The following deficiencies/omission have been noticed in the above documents.</p> <ul style="list-style-type: none"> • Nil <p>Distance from nearest sanctuary/ESZ-Karlapat WLS-52km</p> <p>Whether the lease area coming in D.L.C. report-No</p> <p>Whether the proposal reflect in the DSR- Yes</p> <p>Whether the lease area is reflecting in DSR-Yes</p> <p>Method of mining-Semi-mechanized</p> <p>Distance from Nearest Road Bridge-7.7km, railway line-0.3km, SH-44 is 0.3km</p> <p>Whether it is part of cluster –No</p> <p>Whether EC obtained earlier – No</p> <p>Production capacity per annum-4,050cum/annum(max.)</p> <p>This is a B2 category project.</p> <p>Other points SEIAA offline file No.1799/08 received on dated 09.08.2021 The SEAC in its meeting held on 01.11.2021 and recommended the proposal to grant of EC valid from the date of EC accorded upto the lease period and submitted the appraisal report to SEIAA vide letter no. 765/SEAC, dtd.03.11.2021.</p>	<p>parlance the quarry site here is prima facie objectionable as the railway line and road are situated less than 500 meters away. Put up appropriate safe guards from SEAC report as conditions precedent for grant of EC.</p>

									<p>The proposal was placed in the 62nd meeting of SEIAA and decided for issue of EC after PP submits the EC application Online. Accordingly, the PP has applied online application for EC.</p> <p>In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p>	
3.	B2, EC	1(a) Mining of minerals	2534 35/21 3-MINB 2/01-2022	Tahasildar, Chikiti	Proposal of Tahasildar Chikiti for EC of Sundarada Bira Chaitanyapur River Sabd Bed, over an area of 5.00 Ha. bearing Khata No: 223, Plot No: 1059, At village-Sundarada Bira Chaitanyapur, Tahasil- Chikiti, Dist- Ganjam	26.01.2022	Under examination of SEIAA after SEAC	<p>The proposal was placed in the 62nd Meeting of SEIAA and was decided that "EC be given with usual conditions . Maximum depth of extraction to be 0.5 meter. Maximum quantity per year tentatively is 5000 cum. Rate of replenishment study be done".</p>	<p>This is regarding a new proposal for mining of minor mineral sand. The project has submitted at SEIAA under Category 'B2' as the lease area is ≤ 5 Ha. As per the EIA Notification, 2006, this project falls in the schedule under SI.No-1(a) –"Mining of Mineral" of non-coal mining sector. The project proponent has submitted proposal for grant of EC for Sundarada Bira Chaitanyapur River Sand Bed over a lease area 5.00Ha/12.355 acre at village-Sundarada Bira Chaitanyapur, Tahasil-Chikiti and District-Ganjam and the project proponent is Tahasildar, Chikiti.</p> <p>The following documents have been received Checklist, form-1, DSR, PFR, EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification.</p> <p>The following deficiencies/omission have been noticed in the above documents.</p> <ul style="list-style-type: none"> • Nil <p>Distance from nearest sanctuary/ESZ-Lakhari valley WLS-73km</p> <p>Whether the lease area coming in D.L.C. report-No</p> <p>Method of mining-Manual River-Bahuda, depth of sand deposition-1.5m</p> <p>Distance from Nearest Road/railway Bridge-0.55km</p> <p>Whether it is part of cluster –No</p> <p>Whether EC obtained earlier – Yes</p> <p>Production capacity per annum-7005cum/annum(max.)</p> <p>This is a B2 category project.</p> <p>Other points SEIAA offline file No.1799/08 received on dated 09.08.2021 The SEAC in its meeting held on 01.11.2021 and recommended the proposal to grant of EC valid from the date of EC accorded</p>	<p>Since so many quarries are proposed on Bahuda river, a clear map may be furnished to justify that these quarries are not in a cluster. Also, whether these quarry sites are part of CRZ area may be clarified by referring to ICZMA project. Compliance report on previous EC may be submitted by PP immediately.</p>

									upto the lease period and submitted the appraisal report to SEIAA vide letter no. 765/SEAC , dtd. 03.11.2021 . The proposal was placed in the 62 nd meeting of SEIAA and decided for issue of EC after PP submits the EC application Online. Accordingly, the PP has applied online application for EC. In view of the above the proposal may be placed in the SEIAA meeting for consideration.	
4.	B2, EC	1(a) Mining of minerals	2445 80/53 6-MINB 2/01-2022	Sri Umashankar Gouda	Proposal for EC of Dhougam Stone Quarry over an area of 0.885 Acres or 0.358 hectares in village Dhougam under Dharakote Tahasil, District-Ganjam, Odisha of Sri Uma Sankar Gouda	28.01.2022	Under examination of SEIAA after SEAC	The proposal was placed in the 62 nd Meeting of SEIAA and was decided that "EC be given with usual conditions".	This is regarding a new proposal for mining of minor mineral Stone . The project has submitted at SEIAA under Category ' B2 ' as the lease area is ≤ 5 Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) – "Mining of Mineral" of non-coal mining sector. The project proponent has submitted proposal for grant of EC for Dhougam Stone Quarry over a lease area 0.358Ha/0.885 acre at village-Dhougam, Tahasil-Dharakote and District-Ganjam and the project proponent is Sri Uma Sankar Gouda . The following documents have been received Checklist, form-1, DSR, PFR, D.L.C, EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification. The following deficiencies/omission have been noticed in the above documents. • Nil Distance from nearest sanctuary/ESZ-LakhariVally WLS-44.0km Whether the lease area coming in D.L.C. report-No Method of mining-Semi-mechanized Distance from Nearest Road Bridge-1.0km Whether it is part of cluster –No Whether EC obtained earlier –Yes Production capacity per annum-1296cum/annum(max.) This is a B2 category project.	EC may be given with usual stipulations. Maximum depth of quarrying is 6m from the top surface at any point.

									<p>Other points SEIAA offline file No.1799/08 received on dated 09.08.2021 The SEAC in its meeting held on 01.11.2021 and recommended the proposal to grant of EC valid from the date of EC accorded upto the lease period and submitted the appraisal report to SEIAA vide letter no. 765/SEAC, dtd.03.11.2021. The proposal was placed in the 62nd meeting of SEIAA and decided for issue of EC after PP submits the EC application Online. Accordingly, the PP has applied online application for EC. In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p>	
5.	B2, MOD IEC	1(a) Mining of minerals	SIA/ OR/ MIN/ 2335 56/20 21	Rajgangpur Tahasil	Proposal for Bhagattola Stone Quarry over an area of 5.00 acres or 2.023 ha.at village Bhagattola, Tahasil-Rajgangpur, Dist-Sundargarh of Sri Nomi Sanyasi – Extension of EC	27.10.2021	Under examination of SEIAA after SEAC	This is a Extension / Modification proposal for online EC.	<p>This is regarding a Old proposal for mining of minor mineral Stone. The project has submitted at SEIAA under Category 'B2' as the lease area is ≤5.0 Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) –“Mining of Mineral” of non-coal mining sector. The project proponent has submitted proposal for Expansion of validity of EC for Bhagattola Stone Quarry over a total lease area 2.023Ha/5.00acre at Village-Bhagattola, Tahasil-Rajgangpur and District-Sundargarh and the project proponent is Tahasilidar, Rajgangpur.</p> <p>The following documents have been received Checklist, form-1, DSR, PFR, EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification. The following deficiencies/omission have been noticed in the above documents.</p> <ul style="list-style-type: none"> • Nil <p>Distance from nearest sanctuary/ESZ-Usakothi WLS-65.0km Whether the lease area coming in D.L.C. report-No Whether the lease area reflecting in DSR-Yes Method of mining- Semi-mechanized Distance from Nearest Road Bridge-6.0km, village road-0.21km Whether it is part of cluster – No Whether EC obtained earlier- Yes, submitted EC compliance Production capacity per annum-2520 cum/annum(max.), Geological reserve-224775 cum, Mineable reserve-118800 cum This is a B2 category project. Whether SEAC recommended the proposal -Yes</p> <p>Other Points This is an old proposal and EC was granted by DEIAA, Sundargarh vide letter no.204 dt.10.05.2017 for a period of four (04) years. Now, PP has</p>	Revised terms in line with the standard conditions imposed by us for stone quarries may be applied, and extension of EC proposed till expiry of the 5 years lease period may be given.

									submitted the proposal for extension of validity of EC for the remaining lease period of one year with the same production capacity of 2520 cum/annum. In view of the above the proposal may be placed in the SEIAA meeting for consideration for extension of EC for the remaining lease period.	
6.	B2, MOD IEC	1(a) Mining of minerals	SIA/OR/MIN/2381/18/2021	Bheden Tahasil, Bargarh	Proposal for correction in EC letter of Achhandpali-A Sand Quarry over an area 12.00Acre or 4.856 Hectare in village Achhandpali, Tahasil-Bheden, District-Bargarh	11.11.2021	Under examination of SEIAA after SEAC	This is a Extension / Modification proposal for online EC.	<p>This is regarding a Old proposal for mining of minor mineral sand. The project has submitted at SEIAA under Category 'B2' as the lease area is ≤5.0 Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) –“Mining of Mineral” of non-coal mining sector. The project proponent has submitted proposal for correction in EC letter of Achhandpali-A sand quarry over an area 12.00Acre or 4.856 Hectare in Achhandpali village of Bheden tahasil in Bargarh District, Odisha and project proponent is Tahasildar, Bheden.</p> <p>The following documents have been received Checklist, form-1, DSR, PFR, EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification. The following deficiencies/omission have been noticed in the above documents.</p> <ul style="list-style-type: none"> • Nil <p>Distance from nearest sanctuary/ESZ-Debrigarh WLS-33.0km Whether the lease area coming in D.L.C. report-No Whether the lease area reflecting in DSR-Yes Method of mining- Manual River-Jira, depth of sand deposit-1.0m Distance from Nearest Road Bridge-0.35km, village road-0.35km Whether it is part of cluster – No Whether EC obtained earlier- Yes Production capacity per annum-2000 cum/annum(max.), Geological reserve-31812 cum, Mineable reserve-24058 cum This is a B2 category project. Whether SEAC recommended the proposal -Yes</p> <p>Other Points</p> <ol style="list-style-type: none"> 1. This is regarding a old proposal had obtained EC from SEIAA, Odisha, vide letter no.70/SEIAA dt.18.01.2021 for a period of five(05) years for production of sand 2000 cum/annum with depth 0.5m. 2. Reasons for Amendment: Due to typological error in Tahasildar letter, GPS Co-ordinates of different place has been mentioned in previously approved Mining Plan. Subsequently those co-ordinates are written in Approved EC. Hence we again modified the Mining Plan and right GPS co-ordinates have been mentioned in Modified Mining Plan. So we are requesting 	Subject to changing the locational details, as now corrected, in the PARIVESH portal, this corrigendum to EC may be issued.

									SEIAA, Odisha to consider the Approved Modified Mining Plan and mention the right GPS co-ordinates of in EC grant letter. 3. The Correct of the proposed site is- Latitude-21° 10' 49.14" N to 21° 11' 00.66" and Longitude-83° 44' 52.06" E to 83° 45' 06.47" In view of the above the proposal may be placed in the SEIAA meeting for consideration for correction in the GPS coordinated in the EC letter.	
7.	B2, MOD IEC	1(a) Mining of minerals	SIA/OR/MIN/2443 09/20 21	Sunny Chhabra	Proposal for extension of validity of EC of Kansbahal Stone Quarry over an area 7.69 acres or 3.112ha at village- Kansbahal, Tahasil-Rajgangpur, Dist-Sundargarh (EC granted earlier by DEIAA for 4 years vide letter no.489/Mining dated 07.11.2017)- PP/Tahasildar has request for extension of validity for 1 year as per the lease period.	11.12.2021	Under examination of SEIAA after SEAC	This is a Extension / Modification proposal for online EC.	This is regarding a Old proposal for mining of minor mineral Stone . The project has submitted at SEIAA under Category ' B2 ' as the lease area is ≤5.0 Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) –"Mining of Mineral" of non-coal mining sector. The project proponent has submitted proposal for extension of EC and increasing production capacity and of Kansbahal Stone quarry over an area 7.69Acre or 3.112 Hectare in Kansbahal village of Rajgangpur Tahasil in Sundargarh District, Odisha and project proponent is Sri Sunny Chhabra . The following documents have been received Checklist, form-1, DSR, D.L.C, PFR, EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification. The following deficiencies/omission have been noticed in the above documents. • Not submitted earlier compliance Distance from nearest sanctuary/ESZ-Usthakothi WLS-83.0km Whether the lease area coming in D.L.C. report-No Whether the lease area reflecting in DSR-Yes Method of mining- Semi-mechanized Distance from Nearest Road Bridge-0.5km, village road-0.30km Whether it is part of cluster – No Whether EC obtained earlier- Yes Production capacity per annum-50000 cum/annum(max.), Geological reserve-347478.3 cum, Mineable reserve-138942 cum This is a B2 category project. Whether SEAC recommended the proposal -Yes Other Points 1. This is a proposal for increasing production capacity and extend the lease validity for one year period. 2. This is an old proposal and EC has been granted by DEIAA, Sundargarh, vide letter no.484 dt.07.11.2017 for a period of four(04) years and accordingly obtained CTO from SPCB vide letter no. 232 dt. 22.01.2019. Now, the PP have submitted the proposal for extension of validity of EC for the remaining lease period of one year for the enhanced production-50000 cum/year.	Modification of EC may be allowed, subject to submission of compliance report on previous EC. The modified EC will have conditionalities as are being imposed presently by SEIAA. Compliance of earlier EC may be submitted first.

									In view of the above the proposal may be placed in the SEIAA meeting for consideration	
8.	B2, EC	1(a) Mining of minerals	SIA/OR/MIN/2463/14/2021	Mirza Abrarul Haque Baig	Proposal of EC of Koliála Sand Quarry over an area of 12.355 acres or 5.00 Hectares bearing khata No. 530, Plot No. 1444 in the village Koliála, Tahasil Patrapur, District Ganjam	20.12.2021	Under examination of SEIAA after SEAC	This is a fresh online proposal for EC.	<p>This is regarding a New proposal for mining of minor mineral Sand. The project has submitted at SEIAA under Category 'B2' as the lease area is ≤5.0 Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) –“Mining of Mineral” of non-coal mining sector. The project proponent has submitted proposal for prior EC of Koliála Sand Quarry over an area of 12.355 acres or 5.00 Hectares bearing khata No. 530, Plot No. 1444 in the village Koliála, Tahasil Patrapur, District Ganjam, State Odisha and the project proponent is Sri Mirza Abrarul Haque Baig.</p> <p>The following documents have been received Checklist, form-1, DSR, PFR, EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification.</p> <p>The following deficiencies/omission have been noticed in the above documents.</p> <ul style="list-style-type: none"> • Nil <p>Distance from nearest sanctuary/ESZ-Lakhari Valley WLS-23.0km Whether the lease area coming in D.L.C. report-No Whether the lease area reflecting in DSR-Yes Method of mining- Manual River- Bahuda, depth of sand deposit-1.5m Distance from Nearest Road Bridge-1.25km, village road-0.20km Whether it is part of cluster – No Whether EC obtained earlier- Yes, submitted earlier EC compliance Production capacity per annum-4000 cum/annum(max.) with depth 1.0m, Geological reserve-64138 cum, Mineable reserve-52558 cum This is a B2 category project. Whether SEAC recommended the proposal -Yes In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p>	Since so many quarries are proposed on Bahuda river, a clear map may be furnished to justify that these quarries are not in a cluster. Also, whether these quarry sites are part of CRZ area may be clarified by referring to ICZMA project. Compliance report on previous EC may be submitted immediately.
9.	B2, EC	1(a) Mining of minerals	SIA/OR/MIN/2461/35/2021	Tahasil Dar, Deogaon	Proposal of EC of Sarasmal-Siletkani Sand Quarry over an area of 12.35 Acres or 5.00 Hectares in village Sarasmal-Siletkani under	20.12.2021	Under examination of SEIAA after SEAC	This is a fresh online proposal for EC.	<p>This is regarding a New proposal for mining of minor mineral Sand. The project has submitted at SEIAA under Category 'B2' as the lease area is ≤5.0 Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) –“Mining of Mineral” of non-coal mining sector. The project proponent has submitted Proposal for grant of Environmental Clearance of Sarasmal-Siletkani Sand Quarry over an area of 12.35 Acres or 5.00 Hectares in village Sarasmal-Siletkani under Deogaon Tahasil of Balangir District and the project proponent is Tahasil Dar, Deogaon.</p> <p>The following documents have been received Checklist, form-1, DSR, PFR, EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification.</p>	EC be given, Maximum depth of extraction shall be 0.5m. No mechanisation.

					Deogaon Tahasil of Balangir District				<p>The following deficiencies/omission have been noticed in the above documents.</p> <ul style="list-style-type: none"> • Nil <p>Distance from nearest sanctuary/ESZ-Sunabeda WLS-88.0km Whether the lease area coming in D.L.C. report-No Whether the lease area reflecting in DSR-Yes Method of mining- Manual River- Songad, depth of sand deposit-1.0m Distance from Nearest Road Bridge-1.6km, village road-0.70km Whether it is part of cluster – No Whether EC obtained earlier- Yes, from DEIAA and submitted earlier EC compliance. Production capacity per annum-1181 cum/annum(max.) with depth 0.5m, Geological reserve-36940 cum, Mineable reserve-22496 cum This is a B2 category project. Whether SEAC recommended the proposal -Yes</p> <p>In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p>	
10.	B2, EC	1(a) Mining of minerals	SIA/ OR/ MIN/ 2461 30/20 21	Rabindra Gouda	Gamundi Jamapalli Sand Quarry over an area of 12.2 acres or 4.937 Hectares bearing khata No. 999 & 339, Plot No. 203/A & 703/A in the village Gamundi Jampalli, Tahasil Bhanjanagar, District Ganjam	20.12.2021	Under examination of SEIAA after SEAC	This is a fresh online proposal for EC.	<p>This is regarding a New proposal for mining of minor mineral Sand. The project has submitted at SEIAA under Category 'B2' as the lease area is ≤5.0 Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) –“Mining of Mineral” of non-coal mining sector. The project proponent has submitted Proposal for grant of Environmental Clearance of Gamundi Jamapalli Sand Quarry over an area of 12.2 acres or 4.937 Hectares bearing khata No. 999 & 339, Plot No. 203/A & 703/A in the village-Gamundi Jampalli, Tahasil Bhanjanagar, District Ganjam, State Odisha and the PP is Sri Rabindra Gouda..</p> <p>The following documents have been received Checklist, form-1, DSR, PFR, EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification.</p> <p>The following deficiencies/omission have been noticed in the above documents.</p> <ul style="list-style-type: none"> • Nil <p>Distance from nearest sanctuary/ESZ-Lakahri Valley WLS-56.0km Whether the lease area coming in D.L.C. report-No Whether the lease area reflecting in DSR-Yes Method of mining- Manual River- Loharakhandi, depth of sand deposit-1.0m Distance from Nearest Road Bridge-0.80km, village road-0.20km Whether it is part of cluster – No Whether EC obtained earlier- Yes, from SEIAA, Odisha vide letter no.2481/SEIAA dated 30.01.2017 and but the quarry is not operated till</p>	EC may be given. Maximum depth of quarry shall be 0.5m. No mechanisation, safety and maintenance of village road which is close by has to be ensured. Usual conditions shall be imposed as at present. EC shall be coterminous

									dated due to selection bidder as per the submission of Tahasildar, Bhanjanagar. Production capacity per annum-3300 cum/annum(max.) with depth 1.0m, Geological reserve-68040 cum, Mineable reserve-54000 cum This is a B2 category project. Whether SEAC recommended the proposal -Yes In view of the above the proposal may be placed in the SEIAA meeting for consideration.	with the lease period.
11.	B2, EC	1(a) Mining of minerals	SIA/OR/MIN/246098/2021	Panchanan Pal	Proposal of EC of Kharasrota River Sand Bed, Oleichandrapurn over an area of 11.70 Acres or 4.73 Hectares in village Oleichandrapur under Binjharpur Tahasil of Jajpur district	20.12.2021	Under examination of SEIAA after SEAC	This is a fresh online proposal for EC.	This is regarding a New proposal for mining of minor mineral Sand . The project has submitted at SEIAA under Category ' B2 ' as the lease area is ≤5.0 Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) –“Mining of Mineral” of non-coal mining sector. The project proponent has submitted Proposal for Fresh EC of Kharasrota River Sand Bed, Oleichandrapurn over an area of 11.70 Acres or 4.73 Hectares in village Oleichandrapur under Binjharpur Tahasil of Jajpur district, Odisha of Applicant-Sri Panchanan Pal and the PP is Sri Panchanan Pal . The following documents have been received Checklist, form-1, DSR, PFR, EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification. The following deficiencies/omission have been noticed in the above documents. • Two pages is missing in the mining plan(page no. 9 and 10) of geological reserve & mineable reserve. Distance from nearest sanctuary/ESZ-Bhitrakanika WLS-35.0km Whether the lease area coming in D.L.C. report-No Whether the lease area reflecting in DSR-Yes Method of mining- Manual River- Kharasrota, depth of sand deposit-2.0m Distance from Nearest Road Bridge-0.77km, village road-0.50km Whether it is part of cluster – No Whether EC obtained earlier- No Production capacity per annum-13812 cum/annum(max.) This is a B2 category project. Whether SEAC recommended the proposal -Yes In view of the above, the PP may be requested to submit the complete copy of approved mining plan. In view of the above the proposal may be placed in the SEIAA meeting for consideration.	Let him submit the missing pages of the approved mining plan. Let him also describe the method to be applied for study of the rate of replenishment of sand at the site. Let him also undertake that there shall be no mechanisation of sand mining, and proper maintenance of the village road which is close by.

31.	B1, ToR	1(a) Mining of minerals	SIA/ OR/ MIS/ 6677 7/202 1	M/s Utkal Enviro care	Proposal for Common Bio- Medical Waste Treatment Facility Project at Khata no. 81/17, Plot No. 15, Mouza- Balibad, Tehsil- Soro, District- Balasore, Odisha	19.08.2 021	Under exami nation of SEIAA after SEAC	This is a fresh online proposal for TOR.	<p>This is regarding a Common Bio-Medical Waste treatment Facility Project. The project is submitted at SEIAA under Category 'B' as per the EIA Notification, 2006 it's falls in the schedule Sl.No. 7(d) –“Common hazardous waste treatment, storage and disposal facilities (TSDFs)”. The present proposal is submitted for Environmental Clearance for Common Bio - Medical Waste Treatment facility project over an area 0.60ha. at khata no. 81/17, plot no. 15, mouza – Balibad, Tahasil – Soro, Dist – Balasore, Odisha of Sri Ganesh Prasad Swain (proprietor) of M/s. Utkal Envirocare</p> <p>The following documents have been received Checklist, form-1, Form 1A, PFR and scrutiny fee etc. The following deficiencies/omission have been noticed in the above documents.</p> <ul style="list-style-type: none"> • Nil <p>Other Points</p> <ol style="list-style-type: none"> 1. This is regarding proposal for ToR for construction of Common Bio - Medical Waste Treatment facility plant. 2. The project is located away from Soro Railway station – 26 km. NH-16 – 2.2km and metal road at 0.2km. Biju Pattanaik International Airport-148 Km. Nearest river – Pitakalia at 8km. Nearest sanctuary is Kuldih Wildlife Sanctuary at 5.5km. Nearest habitation are Balibad – 1.2 km. 3. The proposed CBWTF unit consist of Incinerator (3.2TPD) - 1no, Autoclave (2TPD) - 1no., Shredder (2-3TPD) - 1 no. and ETP (10KLD) – 1 no. 4. Water requirement- 21 KLD and daily fresh water requirement-16 KLD and source from supply water. 5. Power requirement-100KW and DG capacity-100 KVA 6. Waste water management-ETP capacity-10 KLD and the ETP treated water will be used for APCDs connected to incinerator and will be continuously re-circulated to meet the requirement. No treated water will be discharge to outside of the plant. 7. Solid Waste- Wastes will be generated in the form of ash and other residues. Ash will be generated approx. 100 Kg to 150 Kg per day and Quantity of other residues generated will be approx. 10 Kg to 20 Kg per day. Ash residue from high temperature incineration and other material residues shall be collected into containers / bags and stored at temporary ash storage shed and shall be disposed into the secured landfill periodically after sufficient accumulation. 8. Green Belt- The green belt will cover 33.19% of the total project area i.e. 2015.28 sqm. About 504 number of saplings. 9. Solid waste generation -. During operation of the unit main waste will be Ash from incinerator and Sludge from ETP. Total 100-150 kg/day of Incineration Ash and 10-20 kg/day of Residues shall be generated from the Treatment Unit. 10. Parking Details - Total parking area will be 303.6 sqm./13 ECS. 	ToR may be issued (Standard + Specific). Detailed process description and disposal of all products and by products of the process have to be furnished.
-----	-------------------	----------------------------------	---	--------------------------------	--	----------------	--	--	---	---

									<p>11. The SEAC appraised the proposal on its meeting held on 28.01.2022 with view of the following:</p> <ol style="list-style-type: none"> CPCB guidelines 2016 for CBWTDF stipulates that the coverage area of a CBWTDF located within the respective state/UT shall be allowed to cater healthcare units situated at a radial distance of 75 KMs. However, in a coverage area where 10.000 beds are not available within a radial distance of 75 KMs existing CBWTDF may be allowed to cater the healthcare units situated upto 150 KMs radius w.r.t its location. Another proposal of Common Bio-medical Waste Treatment Facility in the name of M/s Ecokart Technology Private Limited has proposed for setting up a Common Bio-Medical Waste Treatment Facility over an area 0.918 Ac./0.3715Ha. located at - Plot No.- D1/54,55,56 Somnathpur Industrial Estate, Tahasil – Remuna, Dist – Balasore, Odisha of Sri Debasis Suara. The SEAC has already recommended for issue of ToRs to this Common Bio-Medical Waste Treatment Facility. The distance between these two Common Bio-Medical Waste Treatment Facility may less than 75 kms. The SEAC has no power to take any decision to allow this unit violating the guidelines of CPCB issued in this regards. However, the SEIAA may consider to take a decision on the matter to allow such unit and issue ToRs for EIA study after obtaining views from CPCB and / or MoEF&CC, Govt. of India and also obtaining information from other States. Moreover, the SEAC has no objection from technical point of view if such unit is allowed in that area. <p>In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p>
