

**MINUTES of 209th (Day-1) MEETING OF STATELEVEL ENVIRONMENT
IMPACT ASSESSMENT AUTHORITY (SEIAA) A.P., MEETING HELD
ON 23.02.2023 AT VIJAYAWADA A.P.**

209th SEIAA

23.02.2023

Day - 1.

**MINUTES OF THE 209th MEETING OF STATELEVEL ENVIRONMENT IMPACT
ASSESSMENT AUTHORITY (SEIAA) A.P., MEETING HELD ON
23.02.2023 AT VIJAYAWADA A.P.**

Present:

The following members were present. (Through Video Conference)

1.	Sri P.Venkata Rami Reddy, I.A.S, (Retired).	Chairman
2.	Dr.Thatiparthi Byragi Reddy Professor. Department of Environmental Sciences, Andhra University, Visakhapatnam	Member
3.	Dr.P.V.Chalapathi Rao, I.F.S Special Secretary to Govt., Environment, Forests, Sciences and Technology Department, Govt. of Andhra Pradesh & Member Secretary, SEIAA, A.P.	Member Secretary

26/02/2023

<p>Agenda Item: 212.01 & 209.01</p>	<p>5.714 Ha Mining of Road metal & Building stone of M/s Prince Mines & Minerals at Sy. No. 1505, Kummaravandlapalli Village, Kadiri Mandal, Sri Satya Sai District Andhra Pradesh– Environmental Clearance – Reg. SIA/AP/MIN/413237/2023</p>
	<p>Recommendations of the SEAC on 08.02.2023.</p> <p>The proposed project is for mining of Road Metal & Building Stone in an area of 5.714 Ha. with a proposed of production quantity of Road metal & Building stone – 3,29,246 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant M/s. VVN Technologies Pvt., Ltd., have attended the meeting.</p> <p>The project proponent has obtained TOR with public hearing on 29.10.2021 and public hearing was held on 07.11.2022.</p> <p style="text-align: center;">Public hearing details Employment and crop damages are the main issues raised in the public hearing.</p> <p>The reply by the proponent for the issues raised in the PH is as follows: Response of the Management:</p> <p>Sri Athiq, Representative of M/s Prince Mines & Minerals He informed that they will adopt all the norms / guidelines stipulated by the Govt. while operating the mine. He also assured that they will adopt latest technology to carry-out the mining activity to avoid the impacts on the nearby agricultural crops. He assured they will provide local employment opportunities to the local villagers and also informed that they will develop greenbelt along the boundary to control dust emissions.</p> <p>The base line data was collected from Nov, 2021 to Jan, 2022 .The predominant wind direction is observed to be North East to South West.</p> <p>The maximum concentration of SPM is observed to be 58.2 $\mu\text{g}/\text{m}^3$. The incremental concentration is 7.01 $\mu\text{g}/\text{m}^3$. The GLC of SPM will fall at 0.4 Km in West direction of the mine.</p> <p>The proponent volunteered to provide Water treatment plant to Karadikonda Village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of mine is 9.71 years.</p>

	<p>The Committee after examining the project proposals, presentations, mining plan, MoEF&CC' Notifications & OMs, EIA Report, PH minutes and detailed deliberations, recommended to issue Environmental Clearance with following conditions:</p> <ol style="list-style-type: none"> 1. The proponent shall comply with the proposals furnished in Environmental management plan. 2. The project proponent shall develop greenbelt of 1km along approach roads & village Road sides. 3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed. 4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time. 5. The project proponent shall give compensation to farmers whose agricultural lands are affected due to the proposed mine in consultation with Agriculture Department. 6. The proponent shall carryout suppression of dust generated due to transport vehicles by water spraying with tankers continuously. 7. The project proponent shall adopt for controlled blasting as the habitation is at a distance of 421m. 8. The project proponent shall comply other assurances given in the public hearing. <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
<p>Agenda Item: 212.02 & 209.02</p>	<p>8.499 Ha Mining of Road metal, Building stone & M.Sand of M/s Prince Mines & Minerals at Sy. No. 58, Godduvelagala Village, Gandlapenta Mandal, Sri Satya Sai District, Andhra Pradesh – Environmental Clearance - Reg. SIA/AP/MIN/413283/2023</p>
	<p>Recommendations of the SEAC on 08.02.2023.</p> <p>The proposed project is for mining of Road metal, Building stone & M.Sand in an area of 8.499 Ha. with a proposed of production quantity of Road metal & Building stone – 3,72,438 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant M/s. VVN Technologies Pvt., Ltd., have attended the meeting.</p> <p>The project proponent has obtained TOR with public hearing on 29.10.2021 and public hearing was held on 29.10.2022.</p> <p style="text-align: center;">Public hearing details</p>

Employment, grazing land and crop damages are the main issues raised in the public hearing.

The reply by the proponent for the issues raised in the PH is as follows:

Response of the Management:

Sri Athiq, Representative of M/s Prince Mines & Minerals

He informed that the proposed mine lease area is about 21.0 acres and also informed that they will carry out the mining activity in phased manner in small extent 02-04 acres only and assured that the remaining land can be utilized for cattle grazing purpose. He assured that they will develop greenbelt along the boundary to control dust emissions.

The base line data was collected from Nov, 2021 to Jan, 2022 .The predominant wind direction is observed to be North East to South West.

The maximum concentration of SPM is observed to be 58.2 $\mu\text{g}/\text{m}^3$. The incremental concentration is 7.01 $\mu\text{g}/\text{m}^3$. The GLC of SPM will fall at 0.4 Km in West direction of the mine.

The proponent volunteered to provide Water treatment plant to Karadikonda Village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of mine is 12.97 years.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC' Notifications & OMs, EIA Report, PH minutes and detailed deliberations, recommended to issue **Environmental Clearance** with following conditions:

1. The proponent shall comply with the proposals furnished in Environmental management plan.
2. The project proponent shall develop greenbelt of 1km along approach roads & village Road sides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The project proponent shall give compensation to farmers whose agricultural lands are affected due to the proposed mine in consultation with Agriculture Department
6. The proponent shall carryout suppression of dust generated due to transport vehicles by water spraying with tankers continuously.
7. The project proponent shall adopt for controlled blasting as the habitation is at a distance of 265m.
8. The project proponent shall provide 300m trench on western side (i.e., Boundary point C1 to C7) to prevent surface runoff.
9. The project proponent shall maintain nearby check dam on Western side.
- 10.The project proponent shall comply other assurances given in the public hearing.

	Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance.
Agenda Item No: 212.03 & 209.03	2.0 Ha Mining of Quartz of M/s Sujatha Mines and Minerals at Sy.No.462 of Ayyavaripalli Village, Pamuru Mandal, Prakasam District, Andhra Pradesh State – Environmental Clearance - Reg. SIA/AP/MIN/402282/2022
	<p>Recommendations of the SEAC on 08.02.2023.</p> <p>The proposed project is for mining of Quartz in an area of 2.0 Ha. with a proposed production quantity of Quartz – 12,000 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the proponent and their consultant M/s. Ecomen Laboratories Pvt., Ltd., have attended the meeting and presented the case.</p> <p>The Committee noted that as per cluster letter issued by Asst. Director of Mines & Geology, Markapur, vide Lr. dated: 21.09.2022, there are no existing quarry leases within the radius of 500 mts area and this is a standalone mining unit and obtained LOI on 15/102/2022 for 20 years.</p> <p>The decision in 201st SEAC meeting:</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to raise ADS for Forest NOC as the Inimerla Reserved Forest is at a distance of 470m from proposed mining unit.</p> <p>Accordingly, proponent submitted forest NOC vide letter dt.03.12.2022.</p> <p>The project proponent shall comply following conditions as stipulated in the forest NOC dt.03.12.2022.</p> <ol style="list-style-type: none"> 1. The user agency shall safeguard the boundary of Compartment No.438 of Inimerla RF as per the Board of Revenue Standing Orders as mentioned in BSO.No. 15(35)(i)(iii). 2. The proposed area should maintain a Safety Zone as per BSO.No. 15(35)(i)(iii) from the boundary of Inimerla Reserve Forest. If mining/quarry operations cross the above said Safety Zone and overlaps with forest boundary, the Forest Department has the right to get the mining/quarry operations stopped and recommend for cancellation of the above mining/quarry lease.

3. The user agency should not use the any Reserve Forest land for any purpose including the dumping of waste etc.,
4. The user agency should carry out the Chain Link fence around the actual mining area to avoid wild animal accidents and also boundary pillars are to be fixed all along the proposed area.
5. The user agency should ensure that they shall abide by the provisions of AP Forest Act, 1967, Forest (Conservation) Act, 1980 and Environmental Protection Act, 1986.
6. The user agency should adhere to the Rules and Guidelines issued by the Government from time to time.
7. The user agency should not go for Blasting during night times as it may be disturb the wildlife.
8. The user agency should not use the right of way / cart track within the Inimerla Reserve Forest for the purpose of transport of mined mineral.
9. The user agency should not destroy the continuity of the Right of Way which is outside the Reserve Forest.
10. The user agency / their representative should not enter into Inimerla Reserve Forest without prior permission from the competent authority.
11. The user agency / their representative should not Indulge in any kind of Forest Offences and they should always abide by the provisions of AP Forest Act, 1967, Forest (Conservation) Act, 1980, Wild Life Protection Act, 1972 and all other acts / rules relating to environment.
12. The Forest Department Reserves right to include ant new condition / conditions at any point of time in the interest of protection of adjoining Forest.
13. The NOC issued by the Forest Department is liable for cancellation at any point of time/ complications/ allegations/ legal disputes/ any kind of Forest Offences involved by the user agency etc arise in future without any prior intimation or notice.
14. Any violations are noticed at a later date, the NOC issued shall be summarily cancelled without assigning any reasons thereof and action will be initiated against the applicant according to the AP Forest Act, 1967, Forest (Conservation) Act, 1980 as deemed fit.
15. The area of mining lease for Quartz may be verified as per the request of the applicant in the field and the proposed exact mining area (2.0Ha) is not related to the Forest Department. NOC is issued in favor of the applicant for the area of 2.0Ha Non Forest Land with the following Geo-Coordinates.

SI.No.	Latitude	Longitude
1.	15.14221	79.51135
2.	15.14143	79.51144
3.	15.14075	79.51204
4.	15.14046	79.51128
5.	15.14095	79.51078
6.	15.14230	79.51016

16. Basing on this No Objection issued, the authorities of any department shall not issue any additional (NOCs) "No Objection Certificates" in favor of any individual or person in the above said Sy.No. without the consent and

	<p>knowledge of the Forest Department.</p> <p>17.The user agency should provide necessary undertaking on Rs.100/- non judicial Bond Paper in token of the above facts.</p> <p>The proponent volunteered to provide Water treatment plant to Kodeganepalli village and Digital class rooms to primary school in Kodeganepalli Village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of mine is 16 years.</p> <p>The Committee after examining the project proposals, presentations, mining plan, MoEF&CC' Notifications & OMs, and detailed deliberations, recommended to issue Environmental Clearance with following conditions:</p> <ol style="list-style-type: none"> 1. The proponent shall comply with the proposals furnished in Environmental management plan. 2. The project proponent shall develop greenbelt of 1km along approach roads & village Road sides. 3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed. 4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time. 5. The project proponent shall adopt controlled blasting as the habitation is at a distance of 440m. 6. The project proponent shall provide 130m on Northern side and 90m trench on Southern side to prevent surface runoff. 7. The project proponent shall comply conditions stipulated in the forest NOC dt.03.12.2022. <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
<p>Agenda Item No: 212.04 & 209.04</p>	<p>4.396 Ha. Mining of Silica sand of M/s PPN Mining Company at Sy.No. 34-2 of Addepalli Village, Chillakur Mandal, SPSR Nellore District – Environmental Clearance - Reg. SIA/AP/MIN/404690/2022</p>
	<p>Recommendations of the SEAC on 08.02.2023.</p> <p>The proposed project is for mining of Silica sand in an area of 4.396 Ha. with a proposed of production quantity of Silica sand – 21,524 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project and their RQP, K.Santosh Kumar, have attended the meeting.</p>

	<p>The Committee noted that as per the cluster letter issued by the Asst., Director of Mines & Geology, Nellore, vide Letter dated: 21.10.2022, there are 07 existing quarry leases within the radius of 500 mtrs area. The total cluster area is < 5.0 Ha.</p> <p>The proponent volunteered to provide water treatment plant to the Addepalli Village and Medical equipment's to Chillakur as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of mine is 9.92 years.</p> <p>The Committee after examining the project proposals, presentations, mining plan, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue Environmental Clearance and with following conditions:</p> <ol style="list-style-type: none"> 1. The proponent shall comply with the proposals furnished in Environmental management plan. 2. The project proponent shall develop greenbelt of 1000 plants along approach roads & village Road sides. 3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed. 4. The project proponent shall carry out mining duly maintaining proper benches. 5. The project proponent shall not disturb existing adjacent water bodies. 6. The project proponent shall comply with the SEAC sub-committee recommendations on Nellore district silica sand mines, and guidelines as mentioned in the approved mining plan and sand monitoring and enforcement guidelines 2020. <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
<p>Agenda Item: 212.05 & 209.05</p>	<p>3.33 Ha Mining of Road Metal and Building Stone of Smt. D. Krishna Veni, at Sy.No.365, Dharmavaram Village, S. Kota Mandal, Vizianagaram District, Andhra Pradesh – Environmental Clearance – Reg. SIA/AP/MIN/413362/2023</p>
	<p>Recommendations of the SEAC on 08.02.2023</p> <p>The proposed project is for mining of Road Metal and Building Stone in an area of 3.33 Ha. with a proposed of production quantity of Road Metal & Building Stone : 30118 m3 /Annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their M/s. SV Enviro Labs & Consultants, have attended the meeting.</p> <p>The project proponent has obtained violation TOR with public hearing on 03.02.2022 and public hearing was held on 17.09.2022.</p>

Public hearing details

Proponent informed that they are operating the mines since 15 years, but has mined only 2000m³ they will operate as per the norms only, he had a crusher at Jami Village and also having 4 quarries. He carried out tom-tom at Sanyasipalem, Pothavanipalem, Dharmavaram & having photographic evidence and suggested the villagers to question the management, who is causing problems to them. He stated that he won't carry out rig blasting and will operate as per the norms only.

The base line data was collected from Jan, 2022 to March, 2022.

The predominant wind direction is observed to be South East to North West.

The maximum concentration of SPM is observed to be 63.5 µg/m³. The incremental concentration is 4.95 µg/m³. The GLC of SPM will fall at 0.3 Km in West direction of the mine.

SO No 804 dt.14.03.2017 compliance:

1.Credible action was initiated vide CC No 418/2022 dt: 24.11.2022 in the court of Hon'ble Jr. Civil Court,**S Kota**.

2.Submitted undertaking on 19.01.2021 stating that the violation will not be repeated.

3. Remediation and resource augmentation plan with a cost of **Rs.2,75,514/-** . proof of submission of BG is to be submitted.

The project proponent has submitted production dispatch letter from ADMG, Vizainagaram vide letter dt. 29.12.2022.

Penalty is calculated and recommended to take further action in complying with OM 07.07.2021 SoP.

SNo	Name of the mine	Project cost in Rs	Total production during violation period as reported by mining department letter dt. 29.12.2022	Cost of the mineral as reported by the mining department letter dt. 29.12.2022	Turnover during violation period in Rs as reported by the mining department vide letter dt. 29.12.2022	1% of project cost in Rs	0.50% of turnover during violation in period in Rs	Total penalty amount to be levied as per OM 07.07.2021 in Rs
1.	Smt D. Krishna Veni, Quarry lease for Road	Rs. 68,00,000/-	13,322 m ³	Rs.37,48,550/-	Rs.37,48,550/-	Rs. 68,000/-	Rs. 18,745/-	Rs. 86,745/-

	Metal and Building Stone. (SIA/AP/MIN/413362/2023)						
	<p>The proponent volunteered to provide water treatment plant, health camps and strengthen of Dharmavaram PHC by providing surgical beds in Dharmavaram PHC as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of mine is 37 years.</p> <p>The Committee after examining the project proposals, presentations, mining plan, MoEF&CC' Notifications & OMs, EIA Report, PH minutes and detailed deliberations, decided to constitute a sub committee with the following members to verify the facts/objections in public hearing.</p> <ol style="list-style-type: none"> 1. Prof. G. Gnana Mani 2. Dr.M. Sunandana Reddy 3. Sri. K. Venkata Ramana <p>Decision of SEIAA:- Agreed with the recommendations of SEAC.</p>						
Agenda Item: 212.08 & 209.06	<p>18.412 Ha Mining of Quartzite of M/s Aruna Balaji Mines and Minerals at Sy.No. 362(P), of Arikathota Village, Ramabhadrapuram Mandal, Vizianagaram District, Andhra Pradesh – Environmental Clearance – Reg. SIA/AP/MIN/413153/2023</p>						
	<p>Recommendations of the SEAC on 08.02.2023</p> <p>The proposed project is for mining of Quartzite in an area of 18.412. with a proposed of production quantity of Quartzite – 1,28,700 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant Hubert Enviro Care Systems have attended the meeting.</p> <p>The project proponent has obtained TOR with public hearing on 07.07.2021 and public hearing was held on 30.04. 2022.</p> <p align="center">Public hearing details There is no specific issues raised in the public hearing.</p> <p>The reply by the proponent for the issues raised in the PH is as follows:</p>						

	<p>Sri D.Chinna Rao, Partner. Stated that they will carryout mining as per the norms, provide medical camps on half yearly basis and will give 100jobs to the villagers for manual segregation. He stated that Rompilivalasa (V), Duppalapadu (P) is at 1Km distance with 70 houses and will not cause any problem to them and will be as a model quarry by developing plantation.</p> <p>The base line data was collected from Oct,2021 to Dec, 2021.</p> <p>The predominant wind direction is observed to be West to East.</p> <p>The maximum concentration of SPM is observed to be 61 µg/m³. The incremental concentration is 4.791 µg/m³. The GLC of SPM will fall at 0.31 Km in Eastern direction of the mine.</p> <p>The proponent volunteered to provide health camps and water treatment plant Arikathota as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of mine is 50 years.</p> <p>The Committee after examining the project proposals, presentations, mining plan, MoEF&CC' Notifications & Oms, EIA Report, PH minutes and detailed deliberations, recommended to issue Environmental Clearance with following conditions:</p> <ol style="list-style-type: none"> 1. The proponent shall comply with the proposals furnished in Environmental management plan. 2. The project proponent shall develop greenbelt of 1km along approach roads & village Road sides. 3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed. 4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time. 5. The project proponent shall adopt for controlled blasting as the main road is at a distance of 250m 6. The project proponent shall develop 1000 medicinal plants and fruit plants in surrounding villages. 7. The project proponent shall conduct health camps at least every 6 months with help of local PHC. 8. The project proponent shall provide 2km length of trench all along the boundary lease area. 9. The project proponent shall take care of nearby high voltage power line. 10. The project proponent shall comply other assurances given in the public hearing. <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
<p>Agenda Item: 212.12 &</p>	<p>0.328 Ha Mining of Road Metal of Sri Shaik Rahamthulla at Survey No 232/6B2 of Vemuluripadu village, Phirangipuram Mandal, Guntur District, Andhra Pradesh State – Environmental Clearance – Reg. SIA/AP/MIN/410394/2022</p>

209.07	
	<p>Recommendations of the SEAC on 08.02.2023</p> <p>The proposed project is for mining of Road Metal in an area of 0.328 Ha. with a proposed production quantity of Mining of Road metal – 2871 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of the project and their RQP, M/s. NVSPL Ravikanth, have attended the meeting.</p> <p>The decision of 207th SEAC meeting: The Committee after examining the project proposals, presentations, mining plan, MoEF&CC' Notifications & Oms, and detailed deliberations, recommended to raise ADS for revised cluster letter. Accordingly the proponent submitted revised cluster letter.</p> <p>The proponent has submitted modified mining plan as per NGT norms.</p> <p>The Committee noted that as per the cluster letter issued by the Asst., Director of Mines & Geology, Guntur, vide Letter dated: 24.12.2022, there are 10 existing quarry leases within the radius of 500 mtrs area. The total cluster area is 4.637 Ha and obtained LOI on 19.12.2020.</p> <p>Habitation is at a distance of 145m.</p> <p>The proponent volunteered to provide water treatment plant to Vemuluripadu as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of mine is 10 years.</p> <p>The Committee after examining the project proposals, presentations, mining plan, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue Environmental Clearance <u>without drilling and blasting</u> and with following conditions:</p> <ol style="list-style-type: none"> 1. The proponent shall comply with the proposals furnished in Environmental management plan. 2. The project proponent shall develop greenbelt of 1000 plants along approach roads & village Road sides. 3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed. 4. The project proponent shall carry out mining duly maintaining proper benches. 5. As per the modified mining plan No drilling and blasting is allowed. <p>Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
Agenda	0.728 Ha Mining of Road metal of M/s. The Hanuman Nagar Vaddera Labour Contract Co-Operative Society Limited at Sy. No. 155/A1 Plot No.13(P),

<p>Item: 212.13 & 209.08</p>	<p>Chinapalikaluru Village, Guntur Rural Mandal, Guntur District, Andhra Pradesh – Environmental Clearance– Reg. SIA/AP/MIN/408824/2022</p>
	<p>Recommendations of the SEAC on 08.02.2023</p> <p>The proposed project is for mining of Road metal in an area of 0.728 Ha. with a proposed of production quantity of Road metal – 8,350 m3/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their Consultant, Prudhiv Enviro Tech have attended the meeting.</p> <p>The Committee noted that as per the cluster letter issued by the Asst., Director of Mines & Geology, Guntur, vide Letter dated: 07.11.2022, there are 07 existing quarry leases within the radius of 500mtrs area. The total cluster area is 23.58 Ha and obtained LOI on 13.12.2021.</p> <p>The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to reject the Environmental Clearance application with a direction to apply for TOR as the total cluster area is >5.0 Ha as per the cluster letter.</p> <p>Decision of SEIAA:- Refer to SEAC to examine the Cluster Letter dated.07.11.2022 of Mines & Geology Dept.,</p>
<p>Agenda Item: 212.15 & 209.09</p>	<p>8.50 Ha Mining of M-Sand, Road Metal & Building Stone of M/s. Manikanta Metal Stone Crusher at Sy. No. 378/Part, Karadikonda Village Gooty Mandal, Ananthapuramu District Andhra Pradesh – Environmental Clearance - Reg. SIA/AP/MIN/405080/2022</p>
	<p>Recommendations of the SEAC on 08.02.2023</p> <p>The proposed project is for mining of M-Sand, Road Metal & Building Stone in an area of 8.50 Ha. with a proposed production quantity of Mining of Road Metal & Building Stone – 4,00,082 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The Committee after examining the project proposals, presentations, mining plan,</p>

MoEF&CC' Notifications & OMs and detailed deliberations, recommended to raise ADS for following.

1. The project proponent shall submit compliance for Public hearing minutes.
2. The project proponent shall upload change of consultancy letter.

The proponent has issued TOR with public hearing on 25/06/2020 and Public hearing was held 03/05/2022.

Public hearing details

There is no specific issues raised in the public hearing.

The reply by the consultant on behalf of proponent for the issues raised in the PH is as follows:

Response of the Management:

Sri MS. Aswartha Narayana, Environment Consultant. M/s. Global Environment & Mining Services: Hospet informed that they will construct check dams at low lying areas to store rain water and informed that they take water from existing borewell and as well as from check dams for dust suppression, greenbelt & Domestic purposes. He informed that the wastewater generated from the domestic activities will be disposed to septic tank followed by soak pit. He assured on behalf of management that they will provide local employment opportunities. He also assured to provide medical camps for at least twice in a year for the surrounding villagers. He assured to plant about 3000 to 4000 saplings within the mine lease areas and also along haul roads as a greenbelt by including local medicinal & fruit spices and maintained. He informed regarding Jala dhoopidi in executive summary, during translation from English to Telugu the word over exploited came as Jala dhoopidi by oversight.

The base line data was collected from Oct, 2020 to Dec, 2020.

The predominant wind direction is observed to be East to West.

The maximum concentration of SPM is observed to be 68.9 µg/m³. The incremental concentration is 6.791 µg/m³. The GLC of SPM will fall within the mine lease area.

The proponent volunteered to provide health camps and water treatment plant **karadikonda** as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of mine is 50 years.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC' Notifications & Oms, EIA Report, PH minutes and detailed deliberations, recommended to issue **Environmental Clearance** with following conditions:

1. The proponent shall comply with the proposals furnished in Environmental management plan.
2. The project proponent shall develop greenbelt of 1km along approach roads

	<p>& village Road sides.</p> <ol style="list-style-type: none"> 3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed. 4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time. 5. The project proponent shall protect adjacent natural stream. 6. The project proponent shall allocate Rs.2.0 Lakhs for construction of check dam to store rainwater. 7. The project proponent shall develop 3000 to 4000 plants and fruit plants in surrounding villages. 8. The project proponent shall conduct health camps at least every 6 months with help of local PHC. 9. The project proponent shall conduct local grama sabha for solving local village problems viz., roads, drinking water facilities etc., 10. The project proponent shall provide skill development center for the educated youth in the surrounding areas. 11. The project proponent shall comply other assurances given in the public hearing. <p>Decision of SEIAA:-Agreed with the recommendations of SEAC to issue Environmental Clearance.</p>
<p>Agenda Item: 212.17 & 209.10</p>	<p>12.14 Ha Mining of Quartzite of Smt. M.A.R. Kumari at Sy.No: 182 of Dalivalasa, 01 of Marrivalasa & Sy.No. 284 & 298 of Pindrangi Village, K. Kotapadu Mandal Visakhapatnam District, Andhra Pradesh – Environmental Clearance - Reg. SIA/AP/MIN/403815/2022</p>
	<p>Recommendations of the SEAC on 08.02.2023</p> <p>The proposed project is for mining of Quartzite in an area of 12.14 Ha. with a proposed production quantity of Quartzite – 1,40,000 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant M/s. SV EnviroLabs& Consultants have attended the meeting.</p> <p>Violation TOR with public hearing was issued on 03.02.2022. public hearing was held on 18.08.2022.</p> <p>SO No 804 dt 14.03.2017 compliance :</p> <ol style="list-style-type: none"> 1. Credible action was initiated vide CC No 44/2017 dt 08.04.2017 in the court of additional judicial magistrate of first class, chodavaram and paid amount of Rs. 10,000/. 2. Submitted undertaking on 09.11.2020 stating that the violation will not be repeated. 3. Remediation and resource augmentation plan with a cost of Rs.895641.00 submitted . BG is to be submitted.

Public hearing details

Damage to roads, earlier violation & penalty paid by the proponent, mining impact on surrounding cultivation, mango & cashew orchards, health problems, dust pollution, skin diseases, villagers dependence on proposed mining hillock etc., were raised in the public hearing. Majority are not in favor of the project.

The reply by the proponent for the issues raised in the PH is as follows:

Sri. Capt. Jyotish Kumar on behalf of Smt. M.A.R. Kumari, project proponent who is authorized person attended the public hearing welcomed the gathering and could not reply owing to opposing of the project.

While concluding proceedings of the public hearing, The District Revenue officer & Additional District Magistrate, Anakapalli District has informed that 11 people have submitted representations and further informed that proceedings of the public hearing in the form of audio and visual recording along with the written minutes of the public hearing will be sent to SEIAA, Vijayawada govt. of India for taking further necessary action in respect of EC.

The base line data was collected from Feb,2022 to April,2022.

The predominant wind direction is observed to be South to North. The maximum concentration of SPM is observed to be 81.23 µg/m³. The incremental concentration is 3.23 µg/m³. The GLC of SPM will fall at 0.49Km in Northern direction of the mine.

EMP Budget Details:

Capital costs: 13.7 Lakh
Recurring cost: 10.5 Lakhs

The proponent volunteered to provide Health camps and digital class rooms to **Pindrangi** Village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of the mine is 27 years.

The decision of 203rd SEAC meeting:

The Committee after examining the project proposals, presentations, EIA appraisal, mining plan, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to raise ADS for:

1. Submission of Penalties letter from ADMG and proof of submission of BG as per SO No 804 notification and paying of penalties as per clause No 12 of SOP dated 07-07-2021
2. The proponent shall submit proposals for reduction in production in view of the objections raised in the public hearing.

The proponent has reduced production quantity from **Quartzite – 1,80,000 TPA to Quartzite – 1,40,000 TPA as per** objections raised in the public hearing.

The project proponent has submitted production dispatch letter from

<p>ADMG, Visakhapatnam vide letter dt.23.12.2022.</p> <p>Penalty is calculated and recommended to take further action in complying with OM 07.07.2021 SoP.</p>

Prof. G. Gnana Mani 2. Dr. M. Sunandana Reddy 3. Sri. K. Venkata Ramana <p>Decision of SEIAA:- Agreed with the recommendations of SEAC.</p>								
Agenda Item: 212.18 & 209.11	<p>6.0 Ha, Road Metal, Building Stone, Gravel Quarry of Sri. S. Sankara Rao, in Sy No.: 293 of Reddipalli Village Padmanabham (M) & Visakhapatnam District, Andhra Pradesh – Environmental Clearance - Reg. SIA/AP/MIN/76327/2018</p>							
<p>Recommendations of the SEAC on 08.02.2023</p> <p>The proposed project is for mining of Road Metal, Building Stone, Gravel in an area of 6.0 Ha. with a proposed production quantity of Gravel – 72,000 m³/annum, Road metal and building stone – 48,000 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p>								

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<250 ha of mining lease area in respect of non-coal mine lease).

The project proponent and their consultant M/s. GEMS have attended the meeting. The proponent obtained TOR on 03.05.2019 Public hearing was held on 17.09.2021.

The decision of 202nd SEAC meeting:

The Committee after examining the project proposals, presentations, MoEF&CC' Notifications & OMs and detailed deliberations, **recommended to raise ADS for properly corrected EIA Report and modified mining plan as per NGT directions.**

And accordingly proponent submitted modified mining plan by leaving 3.3206__ Ha as non-mining zone.

The proponent has obtained TOR with public hearing on 03.05.2019 and public hearing was held on 17.09.2021.

Public hearing details

There are no specific issues raised in the public hearing.

The base line data was collected from October,2021 to December,2021.

The predominant wind direction is observed to be East to West.

The maximum concentration of SPM is observed to be 61.80 µg/m³. The incremental concentration is 4.70 µg/m³. The GLC of SPM will fall at 0.91 Km in North- East side direction of the mine.

The proponent volunteered to provide 2 Digital class rooms to the Govt Schools in Reddipalli Village & Archkunipalem village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of the mine is 7 years.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC' Notifications & Oms, EIA Report, PH minutes and detailed deliberations, recommended to issue **Environmental Clearance** with following conditions:

1. The proponent shall comply with the proposals furnished in Environmental management plan.
2. The project proponent shall develop greenbelt of 1km along approach roads & village Road sides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The project proponent shall take all surface runoff prevention measures.
6. The project proponent shall conduct health camps at least every 6 months with help of local PHC.
7. The project proponent shall provide skill development center for the educated youth in the surrounding areas.
8. The project proponent shall comply other assurances given in the public hearing.

	Decision of SEIAA:- Agreed with the recommendations of SEAC to issue Environmental Clearance.
Agenda Item: 210.15 & 207.13, 209.12	12.226 Ha Mining of Gravel of M/s Prudhvi Mineral Corporation at Sy.No: 57, Kandalapadu Village, Venkatachalam Mandal, SPSR Nellore District, Andhra Pradesh – Environmental Clearance - Reg. SIA/AP/MIN/408153/2022
	<p>Recommendations of the SEAC on 18.01.2023</p> <p>The proposed project is for mining Gravel in an area of 12.226 Ha. with a proposed production quantity of Gravel- 4,14,855 m3 /Annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The representative of proponent and their consultant M/s. SV Enviro Labs & Consultants., have attended the meeting and presented the case.</p> <p>SO No 804 dt 14.03.2017 compliance :</p> <ol style="list-style-type: none"> 1. Credible action was initiated vide CC No 2050/2022 dt 24.09. 2022 in the court of Junior Civil Court, Nellore. 2. Submitted undertaking stating that the violation will not be repeated. 3. Remediation and resource augmentation plan with a cost of Rs, 4,45,299- submitted . BG is to be submitted. <p>The SEIAA has issued TOR with public hearing on 04.08.2022 and public hearing was held on 13.10.2022.</p> <p align="center">Public hearing details</p> <p align="center">Plantation, Employment, health issues due to pollution , Land issues, Are the specific issues raised in the public hearing.</p> <p>The committee noted that most of the people opposed the proposed quarry lease due to land issues as raised in the public hearing.</p> <p>The project proponent shall leave land about 3.0 Ha (Existing Agricultural fields in the quarry lease) of land for formers to carry out their cultivation in the proposed mine area and to earn their livelihood.</p> <p align="center">The reply by the proponent for the issues raised in the PH is as follows:</p> <p>Sri Mahesh, Project Incharge, While responding to the issues, he has given assurance that the management will carry out mining activity with all the measures duly complying with Government norms. He informed that the management has obtained</p>

permission for the transportation of mineral through the forest area, and hence there will be no dust pollution because of vehicular movement in the village and moreover, there will be no blasting operations in the proposed mining activity: gravel will be collected through excavators and transported; there is no big trees in the hillock area, as it is very small having an extent of about 30 acres. Mining will be carried out without any problems to the villagers.

The base line data was collected from March, 2022 to June,2022.

The predominant wind direction is observed to be South to North .

The maximum concentration of SPM is observed to be 58.6 µg/m³. The incremental concentration is 5.71 µg/m³. The GLC of SPM will fall at 0.96 Km in Northern side direction of the mine.

The proponent volunteered to provide **Health camps will be conducted and** 6 No of Hospital beds with oxygen concentrators to PHC **VenkatachalamMandal and** as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of the mine is 1.0 year and lease is valid up to 31.03.2023.

The Committee after examining the project proposals, presentations, EIA appraisal, mining plan, MoEF&CC' Notifications & OMs and detailed deliberations, recommended to issue **Environmental Clearance** after submission of proof of submission of BG as per SO No 804 notification and paying of penalties as per clause No 12 of SOP dated07-07-2021 with following additional conditions:

1. The proponent shall comply with the proposals furnished in Environmental management plan.
2. The project proponent shall develop greenbelt along approach roads & village Road sides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The project proponent shall comply with the assurances given to the public in the public hearing.
5. The project proponent shall comply conditions stipulated in the Forest NOC dt 22.03.2021.

The project proponent shall delineate the land under cultivation over an extent of about 3.0 Ha (Existing Agricultural fields in the quarry lease) for farmers to carry out their cultivation in the proposed mine lease area as the proponent has allowed the cultivation after grant of lease.

Penalty amounts to be collected for violation period as per OM dt 07.07.2021:

Vide letter dated 26.09.2022 the SEEIA chairman has requested the SEAC chairman to calculate the penalty amount as per the SoP dated 07.07.2021 and OM dated 28.07.2022 issued by MoEF&CC after receiving the information pertaining to the project cost and total turnover of mines during period of violation for violation cases from mines and geology department , records and other sources. After estimation of penalty amount the SEAC may recommend to SEEIA for further course of action. accordingly the following units penalty is calculated and recommended to take further action in complying with OM 07.07.2021 SoP.

SN	Name of	Proje	Total	Cost of the	Turnover	1%	0.25 %	Total
----	---------	-------	-------	-------------	----------	----	--------	-------

	No of the mine	Total cost in Rs	Production during violation period as reported by mining department letter dated 17.11.2022	Mineral as reported by the mining department letter dated 17.11.2022	Production during violation period in Rs as reported by the mining department vide letter dated 17.11.2022	Project cost in Rs	Overturn during violation period in Rs	Penalty amount to be levied as per OM dated 07.07.2021 in Rs
	1. M/s Prudhvi Mineral Corporation- 12.226 Ha (SIA/AP/MIN/408153/2022)	Rs.580 Lakh	26000 Cum	Rs,11,30,000/-	Rs,11,30,000/-	Rs.58,000/-	Rs.2825/-	Rs.60,825/-

Life of the mine is 4 years</p> <p>The Committee after examining the project proposals, presentations, ,MoEF&CC’ Notifications & OMs and detailed deliberations, EIA reports and recommended to issue Environmental Clearance with the following conditions:</p> <ol style="list-style-type: none"> 1. The proponent shall comply with the proposals furnished in Environmental management plan. 2. The project proponent shall develop greenbelt of 1km along approach roads & village Road sides. 3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed. 4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time. 5. The project proponent shall carryout mining with proper benches. 6. The project proponent shall submit bank guarantee for Rs.1, 86,460.00/-as a part of Remediation and resource augmentation plan. <p>Decision of SEIAA:- The proponent shall submit lease details.</p>								
Agenda Item No: 209.19 & 206.12, 209.16	1.0 Ha. Road Metal & Building stone of Sri N. Pedda Veeraiah, at Sy. No.394 Jami Village & Jami Mandal Vizianagaram District, Andhra Pradesh – Environmental Clearance – Reg. SIA/AP/MIN/71931/2021							
Recommendations of the SEAC on 18.01.2023								

The proposed project is for mining of Road Metal & Building stone in an area of 1.0 Ha. with a proposed production quantity of Road Metal & Building stone - 85500 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The project proponent and their consultant SV Enviro Labs & Consultants have attended the meeting.

The project proponent has obtained violation TOR without Public hearing on 21.01.2022.

The Committee noted that the extent of proposed mine lease area is 1.0 Ha. The project falls under B2 category. Mine life is 4 years.

In 179th SEAC meeting recommended to raise ADS for want of credible action and accordingly project proponent submitted that the APPCB has filed a criminal case under section 15 of E(P) act 1986 before the Hon'ble Jr. Civil Court, Shrugvarapukot vide C.C no. 242/2022.

The Committee after examining the project proposals, presentations, 'MoEF&CC' Notifications & OMs and detailed deliberations, recommended to raise ADS for following.

1. The project proponent shall submit revised remedial plan including restoration of benches plan.
2. The project proponent shall submit additional Bank Guarantee based on revised remedial plan.

Proponent submitted ADS replied on 28.12.2022.

SO No 804 dt 14.03.2017 compliance:

1. Credible action was initiated vide CC No 242/2022 dt: 20.09.2016 in the court of Hon'ble Jr. Civil Court, Shrugvarapukota.
2. Submitted undertaking on 16.12.2021 stating that the violation will not be repeated.
3. Remediation and resource augmentation plan with a cost of **Rs. 1,56,100.00/-** proof of submission of BG is to be submitted.

The base line data was collected from Oct, 2021 to Dec, 2021.

The predominant wind direction is observed to be East to West.

The maximum concentration of SPM is observed to be 60.40 $\mu\text{g}/\text{m}^3$. The incremental concentration is 1.74 $\mu\text{g}/\text{m}^3$. The GLC of SPM will fall within mine lease area.

The project proponent has submitted production dispatch letter from ADMG,

Vizainagaram vide letter dt. 27.12.2022								
Penalty is calculated and recommended to take further action in complying with OM 07.07.2021 SoP.								
SNo	Name of the mine	Project cost in Rs	Total production during violation period as reported by mining department (letter dated)	Cost of the mineral as reported by the mining department (letter dated)	Turnover during violation period in Rs	1% of project cost in Rs	0.25 % of turnover during violation period in Rs	Total penalty amount to be levied as per OM 07.07.2021 in Rs
1.	Sri N. Pedda Veeraiah (SIA/AP/MIN/71931/2021)	Rs. 54,00,000/-	8379 Cum Dt.27.12.2022	Rs. 614355/-	Rs. 614355/-	Rs.54,000/-	Rs.1536/-	Rs.55,536/-
<p>The proponent volunteered to provide Water treatment plant to Jami Mandal as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Life of the mine is 4 years</p> <p>The Committee after examining the project proposals, presentations, ,MoEF&CC' Notifications & OMs and detailed deliberations, EIA report and recommended to issue Environmental Clearance with the following conditions:</p> <ol style="list-style-type: none"> 1.
