To,

**Sri R K Pathak  
Senior Technical Director  
Environment, Forests and Climate Change Informatics Division  
National Informatics Centre  
New Delhi-110003**

Dear Sir,

An application for Expansion of Existing Cement Grinding Unit From 2.0 MTPA to 4.0 MTPA has been received from Ultratech Cement Ltd. The proponent applied for ToR (file No SIA/BR/IND/18914/2017). During presentation before the Committee, the proponent submitted that they want to go for expansion and that more than 90% raw material is transported through Railways. He also gave an undertaking in this regard. As such, the committee directed the Project proponent to apply for Environmental Clearance. Subsequently unit has applied for Environmental clearance (file no SIA/BR/IND/64983/2017).

Considering the above facts, the application may be treated for EC vide (file no SIA/BR/IND/64983/2017) instead of (file No SIA/BR/IND/18914/2017) for issuance as ToR.

Sincerely Yours

(Alok Kumar)  
Secretary, SEAC
