Letter No. 639 /SEIAA

Dated- 02 March, 2021

**Minutes of the 32<sup>nd</sup> Meeting of SEIAA held on 23<sup>rd</sup> -24<sup>th</sup> February, 2021**

The meeting was chaired by Dr S.S. Negi Chairman SEIAA Uttarakhand and was attended by the following:

- (i) ShriSushanta Kumar Pattnaik, Member Secretary, SEIAAUttarakhand.
- (ii) ShriShailendra Singh Bist, Member, SEIAA Uttarakhand.

The meeting started with welcome note by the Chairman. The Member Secretary informed that total 16 proposals (B1 & B2) and 13 other proposals under miscellaneous items are under consideration for grant of EC. Most of these proposals pertains to capacity expansion of industrial units, soapstone mining and establishment/expansion of hotel projects. The MS enlisted the points for soapstone mining project based on which project proponent should focus during the presentation/deliberation. These points include no of experimental/explorable pits, issues raised during public hearing & addressing those issues in EMP, nearest water source from mining site & impact of mining on its discharge, landslide vulnerability of these area, site of plantation, welfare activity for the labour, arrangement of fuel wood, conservation plan for endangered species, CER etc. Similarly in the housing/hotel project proposals the points earmarked for presentation/deliberation include water reuse/recycle mechanism, rooftop rainwater harvesting, extent of use of solar energy, air conditioning & cooling system adopted, disposal of excavated earth, water requirement sources, parking facilities designed, food waste disposal etc. In the capacity expansion of industrial unit proposals, the proponent were asked to focus on the issues of hazardous waste management, compliance of safety guidelines, use of non-conventional energy resources, green belt development etc. during the presentation. After detailed discussion and deliberation on each of the proposal as per agenda item, decision taken by the Authority is as under -

- 1) Environmental Clearance for Manufacturing of Pharmaceutical Formulations at F-60 UPSIDC Industrial area Selaqui, Mauza Central Hope Town Doon, Selaqui, Dehradun by M/s Niharith Pharma Pvt.Ltd.

The Authority observed that the proposed manufacturing unit is to be set up in leased land 800 Sq.mt. It has existing building which was under use by some industrial unit earlier. The PP should submit the EC compliance status of the earlier industrial unit on above said land. The PP should also submit the compliance status of previous CTE and CTO (granted by PCB). Further Layout plan including use of existing buildings, revised cost of EMP, details of CER, MoU with TSD for handling hazardous waste, onsite emergency plan and detailed plan for use of 1/5<sup>th</sup> energy requirement from solar power shall be should be submitted. The authority decided to reconsider the proposal after submission of above documents.
