SEAC**

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZIANAGARAM, A.P.**

- Vehicles by continuous water spraying using tankers.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
  7. The project proponent shall not use Village road for mineral transportation purpose.
  8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
  9. The project proponent shall not cause any damage to the nearby agricultural lands.
  10. The project proponent shall comply other assurances given in the public hearing.
  11. This proposal was placed in 220<sup>th</sup> SEIAA meeting and the decision of SEIAA is as follows: Refer to SEAC to examine the mining plan for production details and google map for broken area, to ascertain the violation status. A committee may be constituted with two SEAC members and NO, PCB to examine the related issue.
  12. Again this proposal was placed in 227<sup>th</sup> SEAC meeting and observed that the project proponent has obtained Standard TOR with public hearing on 25.06.2021 and it is also noted that some workings are present as per the google map. Hence, committee recommended to constitute a subcommittee as per the recommendations of SEIAA.
  - ① This proposal was earlier apprised in the 220<sup>th</sup> SEAC meeting and the Committee recommended to constitute a subcommittee with the following members 1) Prof. K. Matali Chandra Sekhar and 2) Dr. M. Sumandala Reddy to verify the objections/facts as per public hearing minutes.
  - ② The project proposal along with recommendation of SEAC was placed in 224<sup>th</sup> SEIAA meeting and the decision of the SEIAA is as follows  
*"Agreed with the recommendations of the SEAC to constitute a subcommittee to verify the objections/facts as per public hearing minutes and recommendations may be forwarded to SEIAA within a month"*
  - ③ Accordingly, the SEAC has constituted Subcommittee and the subcommittee inspected site on 27.11.2023. The summary of the subcommittee report is as follows:
    - As the proponent operated mine without prior EC, it is to be treated as violation case.
    - It is recommended to maintain mine boundaries with proper boundary pillars.
    - It is suggested to plant trees all along the approach road.
    - Proponent is suggested to implement dust suppression measures.
  - ④ Again, this proposal was placed in 240<sup>th</sup> day 1 SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt. 28th January 2022 vide Writ Petition (s) Civil No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil No(s). 1394/2023.

The Committee after examining the project proposals, presentations, mining plan, MoEFCC Notifications & OM's and detailed deliberations, recommended to defer for ADS in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt. 28th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2023.

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZAYAWADA, A.P.**

SIA/AP/MIN/  
201321/2022

Category: II at par with II

The proposed project is for mining of Road metal & Building stone in an area of 2.50Ha with a proposed production capacity of 81906 m3/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. I(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<250 Ha of mining lease area in respect of non-coal mine lease).

The representative of proponent and their consultant, Hubert Enviro Care Systems have attended the meeting and presented their proposal. The SEAC committee noted that:

- a) The Department of Mines and Geology submitted DSR of erstwhile Visanagaram District and the same is reviewed in the SEAC meeting. The present mine lease details are mentioned in the DSR at S.No.320 in Page No.116 of DSR.
- b) As per the approved mining plan, the total provided mineral reserves are 619235 M3. The proponent proposed to excavate 81906m3/annum and Life of the mine is 7.54 years.
- c) The project proponent has obtained Standard TOR with Public hearing on 25.06.2021. The public hearing was held on 20.04.2022.
- d) Public Hearing Details: No specific issues raised during the public hearing.
- e) Reply of the proponent during the public hearing is as follows: The consultant, in response on behalf of the management the villagers suggestions has informed that the blasting would be carried out with wet drilling operations and controlled sequential blasting by forming 10 to 12 no of holes, due to which the vibrations will be reduced. He also stated that the load trucks will be covered with tarpaulin and they will carry out sprinkling. He also stated that will provide drinking water facility in consultation with village sarpanch and will inform the timings of the blasting and will consider all the remaining suggestions given by the participants and requested the villagers to support them.
- f) The base line data was collected from Oct, 2021 to Dec, 2021 and the predominant wind direction is observed to be West to East. The maximum concentration of SPM is observed to be 59.89 µg/m3. The incremental concentration is 1.34 µg/m3 and GLC of SPM(PPM10) will fall at a distance of 2.0Km towards Eastern direction from the mine lease area.
- g) The proponent volunteered to provide medical equipment's to the Peddindugada PHC as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- h) The Committee after examining the project proposals, presentation, MoEFCC Notifications & GMC and detailed deliberations, recommended to issue Environmental Clearance with following additional conditions:
  1. The proponent shall comply with the proposals furnished in the environmental management plan and EIA report.
  2. The project proponent shall develop greenbelt of 2 km along approach roads & village boundaries.
  3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
  4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standard at any point of time.
  5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
  6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
  7. The project proponent shall not use village road for mineral transportation purpose.
  8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VELLORE, A.P.**

- 9. The project proponent shall not cause any damage to the nearby agricultural lands.
- 10. The project proponent shall comply other assurances given in the public hearing.
- 11. This proposal was placed in 229<sup>th</sup> SEAA meeting and decision of the SEAA is as follows: Refer to SEAC to examine the mining plan for production details and google map for broken area to ascertain the violation status. A committee may be constituted with two SEAC members and RO, PGR to examine the related issue.
- 12. Again, this proposal was placed in 229<sup>th</sup> SEAC meeting and observed that the project proponent has obtained Standard 'YOM' with public hearing on 25.06.2023 and it is also noted that some workings are in progress as per the google map. Hence, committee recommended to constitute a subcommittee as per the recommendations of SEAA.
- i) This proposal was earlier applied in the 227<sup>th</sup> SEAC meeting and the Committee recommendation to constitute a subcommittee with the following members 1) Prof. K. Matidi Chandra Sekhar and 2) Dr. M. Sonandara Reddy to verify the objections/facts as per public hearing minutes.
- j) The project proposed along with recommendation of SEAC was placed in 224<sup>th</sup> SEAA meeting and the decision of the SEAA is as follows:  
*"Agree with the recommendation of the SEAC to constitute a subcommittee to verify the objections/facts as per public hearing minutes and recommendation may be forwarded to SEAA within a month"*
- k) Accordingly, the SEAC has constituted Subcommittee and the subcommittee inspected site on 27.11.2023. The summary of the subcommittee report is as follows:
  - > As the proponent operated mine without prior EC, it is to be treated as violation case.
  - > It is recommended to maintain mine boundaries with proper boundary pillars.
  - > It is suggested to plant trees all along the approach road.
  - > Proponent is suggested to implement dust suppression measures.
- l) Again, this proposal was placed in 240<sup>th</sup> day 1 SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the S.O.P dt. 07.01. July 2021 and OM dt 28th January 2022 vide Writ Petition (s) Civil No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil No(s). 1394/2023.

The Committee after examining the project proponent presentations, mining plan, MoFAME Notifications & OM's and detailed deliberations, recommended to deferred for ADS in light of stay imposed by Hon'ble Supreme Court on implementation of S.O.P dt. 07th July 2021 and OM dt 28th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2023.

**Agenda Item:** 0.728 Ha Mining of Road metal of M/s. The Hanuman Nagar Vaddera Labour Contract Co-Operative Society Limited at Sy. No. 155/A1 Plot No.13(P), Chinapatukaluru Village, Guntur Rural Mandal, Guntur District, Andhra Pradesh – Environmental Clearance – Reg.

**SIA/AP/MIN/400024/2922:** The proposed project is for mining of Road metal in an area of 0.728 Ha with a proposed of production quantity of Road metal – 8,350 m<sup>3</sup>/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i) Mining of minerals (0.1250 ha of mining lease area in

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIJAYAWADA, A.P.**

respect of non-coal mine lease).

The project proponent and their Consultant, Prudhvi Enviro Tech have attended the meeting and the committee noted that:

- a) The Committee noted that as per the cluster letter issued by the Addt. Director of Mines & Geology, Guntur, vide Letter dated 07.11.2022, there are 07 existing quarry leases within the radius of 500 meters area. The total cluster area is 23.56 Ha and obtained LOI, on 13.12.2021.
- b) This proposal was placed in 207<sup>th</sup> SEAC meeting and The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations, recommended to reject the Environmental Clearance application with a direction to apply for TOR as the total cluster area is >5.0 Ha as per the cluster letter.
- c) The proposal was placed in 209<sup>th</sup> SEAA meeting and Decision of SEAA: - Refer to SEAC to examine the Cluster Letter dated 07.11.2022 of Mines & Geology Dept.
- d) The proposal is placed in 217<sup>th</sup> SEAC meeting. The committee verified cluster letter dt. 07.11.2022 and recommended to issue ADG for submission of clarification letter from the ADMG, regarding the mine leases in the cluster, i.e., whether to consider the renewal of a minor mineral lease as fresh lease or as an existing lease as per minor minerals act and whether to consider the date of initial grant as the date of execution in case of renewal also.
- e) Accordingly, the project proponent has furnished ADG reply vide letter dt. 03.07.2023 which lacks clarity. Again, this proposal was placed in 227<sup>th</sup> SEAC meeting and the committee recommended to revise ADG for submission of clarification letter from the ADMG, regarding the mine leases in the cluster, i.e., 1. whether to consider the renewal of a minor mineral lease as fresh lease or as an existing lease as per minor minerals act and 2. whether to consider the date of initial grant as the date of execution in case of renewal also.
- f) Accordingly, the project proponent has submitted ADG reply by furnishing RTI letter dt. 07.10.2023 from Mines and Geology department.
- g) The Department of Mines and Geology submitted DSR of erstwhile Guntur District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine in page of 93 of DSR report.
- h) The project proponent allocated Rs. 6.5 Lakhs as capital cost and Rs. 4.5 Lakhs as a recurring cost budget for the EMP. The proponent volunteered to provide water treatment plant, Road maintenance to the Chinapetukuruvur village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- i) The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended to Issue Environmental Clearance for mining of Road metal - 8,350 m<sup>3</sup>/annum with following conditions:
  - 1) The proponent shall comply with the proposals furnished in the Environmental management plan.
  - 2) The project proponent shall develop greenbelt of 1km along approach road & village boundaries.
  - 3) The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
  - 4) The proponent shall take dust suppression measures to meet the CPCB

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIJAYAWADA, A.P.**

- stipulated ambient air quality standards at any point of time.
- 5) The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
  - 6) The vehicles carrying the mineral material shall be covered with tarpaulin during vehicular movement.
  - 7) The project proponent shall not use village road/ local build roads for mineral transportation purpose.
  - 8) The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
  - 9) The project proponent shall maintain village road along with the cluster partners.
- i) The project proposal along with recommendation of SEAC was placed in 232<sup>nd</sup> SEIAA meeting and the decision of the SEIAA is as follows:  
*"A court case civil Appeal No (S) 3869/2022 is pending in supreme court on the Chinnapakkalur Village in Sy. No 155/A1. Refer to SEAC to examine with reference to supreme court case."*
- ii) Again, this proposal was placed before 240<sup>th</sup> SEAC meeting and the committee verified 44 No of road areas quarters mentioned civil Appeal No (S) 3869/2022 pending in supreme court on the Chinnapakkalur Village in Sy. No 155/A1 and observed that the subject mine is not listed in the case. Hence committee recommended that earlier meeting minutes holds good.

Agenda Item No: 213.33 & 233.41 & 240.P04	181.03 Ha. Mining of Limestone of M/s. Sree Jayayothi Cement Private Limited (SJCPPL) at Gorlagutta Village, Betamcherla Mandal, Nandyal District, Andhra Pradesh- Environmental Clearance - Reg.
--	---

SIA/AP/MIN/ 407059/2022	<b>Category: B1 (Major Mineral)</b> The proposed project is for mining of Limestone in area of 181.03 Ha. with a proposed of production quantity of Limestone production - 1.2 million TPA (with 1.2 million TPA over burden) with a condition that the total production during a lifetime should be limited to the approved quantity as per Mining scheme/ plan.
----------------------------	--

The proposed project falls under Item No. I(a) of the schedule of the EIA Notification 2006 and its amendments thereto - (i). Mining of minerals (<250 ha of mining lease area in respect of non-coal mines).

- a) The project proponent has obtained TOR from MoEFCC vide order dt.13.04.2-2022 and public hearing was held on 24.06.2022.
- b) Major issues raised in the public hearing: Road damage issues, transportation of mineral through village due nuisance, surrounding crop damages and water treatment issues & Employment issues are the main issues raised during the public hearing.
- c) Response of the management during the public hearing: Sri B.C. Guruv Reddy, Vice President, M/s. Sree Jayayothi Cement Pvt Ltd informed that around 700 people are working in our company till date. The proposed mining will employ another 68 people directly and 70 persons will be employed indirectly in the form of transport, contractual jobs, business opportunities, service facilities etc. He informed that they will not install any fencing around the hill area which is used for grazing purpose of village animals, villagers can use it as it used to. He informed that blasting operations will be carried out with care and skilled people. He informed that the management will do CSR activities in surrounding villages like development of schools, merit scholarships to the students, conducting medical camps, drinking water facilities,

drainage facilities by coordinating villagers and public representatives. He informed that they will develop greenbelt and carryout operations without pollution. The mining operations will be carried out in the presence of qualified mines manager. Water sprinkling will be done during mining operations. All Pollution control measures will be taken during mining operations. He stated that management will extend the support for the development of Gorlagutta village.

- d) The Baseline data was collected from October, 2021 to December, 2021 and the predominant wind direction is observed to be South West to North East. The maximum concentration of SPM(PPM10) is observed to be 53.0  $\mu\text{g}/\text{m}^3$  and the incremental concentration is 2.0  $\mu\text{g}/\text{m}^3$  and G/C of SPM will fall within the mine lease area.
- e) It is observed that there was a habitation viz. Gorlagutta at about 100M from the proposed site of the mine in the Eastern direction. Also, the subject mine lease area is adjacent to Gummabudhi RP and Rengapuram Block A RP is at a distance of 300 meters.
- f) As per the Hon'ble NGT order in O. A No. 304/2019 the minimum distances to be considered for stone quarrying units while appraising for environmental clearance are as below:

Mining Type	Minimum Distance	Location	
A.	When Blasting involved	100m	Residential/Public buildings, Inhabited sites, Protected monuments, Heritage sites
B.	When Blasting involved	200m	National/ State Highway, District roads, public road, railway line/area, runway, ropeway trestle or station, Bridges, tanks, Reservoir, River, Canals or lakes, Tanks or any other location to be considered by States

- g) The issue was earlier appraised in the 213th SEAC meeting and the decision of SEAC is as follows:  
 "The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's, and detailed deliberations, recommended to raise ADS for submission of Modified mining plan as per NGT orders and also submission of NOC from Forest department."
- h) The project proponent has submitted reply to the ADS on 21.10.2023 furnishing Modified mining plan dt 05.09.2023 duly maintaining a distance of 200m towards village side (13.034Ha) as non-mining zone and also furnished Forest NOC from District Forest officer, Nachiyal vidi order dated dt 17.10.2023.
- i) The SEAC noted that IIM Approved the modified mining plan vide order dated 05.09.2023 where in an extent of 13.034 Ha is marked non-mining zone so as to leave 200 mts safety buffer zone as per Hon'ble NGT orders.
- j) As per the approved mining plan it is noted that "project proponent proposed to leave 10 mts of buffer zone from the Forest boundary and an extent of 0.515 Ha will be falling under the Forest buffer (safety) zone. There will not be any mining activities in this area and above safety zone are demarcated in all the plans. There is no change in the proposed production of 1.2 million TPA of Limestone and overburden/waste removal of 1.2 MTPA from this area."
- k) The project proponent allocated Rs. 209.42 Lakhs as capital cost and Rs. 10.65 Lakhs as

a recurring cost budget for the EMP. The proponent volunteered to provide Water Treatment Plant, Skill development programme and Health Camps to the Gorlagatta village as a part of Corporate Social Responsibility (CSR) activity and shall maintain the same till the life of the mine.

- i) The Committee after examining the project proposals, presentations, Modified mining plan, MoEFCC Notifications & OMIs, EIA report, PII minutes, reply to the ADR and detailed deliberations, recommended to issue Environmental Clearance for initiating of Limestone production - 1.2 million TPA (with 1.2 million TPA overburden) with following additional conditions:
  - 1) The proponent shall comply with the proposals furnished in the Environmental management plan and EIA report.
  - 2) The project proponent shall maintain a distance of 200m towards village side (13.034 Ha) as non-mining zone as mentioned in the modified mining plan and shall provide grazing land in non-mining zone (13.034) for cattle feeding.
  - 3) The project proponent shall leave 10 mts (0.515 Ha) of Forest buffer (safety) zone from the Forest boundary as mentioned in the IIM Approved the modified mining plan.
  - 4) The project proponent shall develop greenbelt of 1km along approach roads & village boundaries.
  - 5) The project proponent shall maintain greenbelt in 7.500t buffer zone and existing buffer zone plantation should not be disturbed.
  - 6) The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
  - 7) The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
  - 8) The vehicles carrying the mineral material shall be covered with tarpaulin during vehicular movement.
  - 9) The project proponent shall not use village road for mineral transportation purpose.
  - 10) The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
  - 11) The project proponent shall adopt controlled blasting.
  - 12) The project proponent shall comply with conditions stipulated in the Forest NUC dt. 17.10.2023.
  - 13) The project proponent shall comply ~~assurance~~/ promises given in the public hearing.

- ii) The project proposal along with recommendation of SEAC was placed in 232<sup>nd</sup> SEAA meeting and the decision of the SEAA is as follows:

*"Refer to SEAE to examine the distance of temple from the Mine boundary and the KML file uploaded in PARIVESH portal as the Mine area is blurred in KML file".*

- iii) The proposal was again apprised in 240<sup>th</sup> SEAC meeting and the committee observed that as per the KML file Jaugary dt 21/01/2024, the distance of the temple from the boundary of the mine is 125 meters and the industry is maintaining non-mining zone of 13.034 Ha to maintain 200 meters from the temple as per the orders of the Hon'ble NGT. Hence the committee reiterated that earlier meeting minutes holds good.

**Agenda

**Category: B2 at par with B1 (Minor Mineral).**

The proposed project for mining of Colour Granite in an area of 6.19 Ha with a production capacity - 1,000 m<sup>3</sup>/annum with a condition that total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<250 ha of mining lease area in respect of non-coal mine lease).

The representation of the project and their consultant, M/s. S.V Enviro Limited attended the meeting and presented the proposal. The committee noted that:

- a) The Department of Mines and Geology submitted DMR of within Srikrishna District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine.
- b) The Department of Mines and Geology vide order dt. 22.06.2023 issued 1<sup>st</sup> renewal of Letter of Intent (LOI) for a period of 10 years w.e.f. 01.04.2023.
- c) As per the approved mining plan dt. 22.06.2023, the total provided mineral reserves are 83,600 m<sup>3</sup> of Colour Granite. The proponent proposed to excavate Colour Granite - 1,000 m<sup>3</sup>/annum and life of the mine is 03 years.
- d) The project proponent has obtained violation TOR with public hearing on 13.07.2022 and the Public hearing was held on 17.02.2023.
- e) Public Hearing issues: Over loading of trucks, road damages, water spritckling issues, dust pollution issues and high-speed issues are the main issues raised.
- f) Response of the proponent during the PH: Sri. D.V.R.S. Malikkarjuna representative of Lease Holder He thanked all the participants and the surrounding villagers for expressing their views and supporting for their quarry lease, and gave clarifications on issues raised by the public as follows:
  - i. He clarified that management had already financially supported the physical handicapped rally, provided CC cameras at the request of the police department, and donated funds for the development of the Ravivalasa temple.
  - ii. He assured the villagers that they would address all of their concerns and would develop the surrounding villages using a CSR budget. He assured that locals will be given jobs based on their skills, and those development activities in response to the request for village roads and health clinics will be carried out. They would follow all government regulations while operating the quarry.
- g) The base line data was collected from Feb. 2022 to April, 2022. The predominant wind direction is observed to be Southwest to Northeast and the maximum concentration of SPM(PM<sub>10</sub>) is observed to be 65.8 µg/m<sup>3</sup>. The incremental concentration is 3.74 µg/m<sup>3</sup>. The GIC of SPM will fall within mine lease area.
- h) The project proponent allocated Rs. 9.5 Lakhs as capital cost and Rs. 534 Lakhs as a recurring cost budget for the EMP. The proponent volunteered to provide water treatment plant/ Health camps to the Meghuvaranam village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- i) S.O No 804 dt 14.03.2023 compliance:
  - i. Credible action was initiated vide CC No.71/2023 in the court of Jr Civil Court Telcath.
  - ii. The project proponent has submitted affidavit dt 12.04.2022 stating that they will not to repeat violation in future.
  - iii. The project proponent submitted recompilation and resource augmentation plan with a cost of Rs.5,30,340/- and also submitted the acknowledged BG submitted at APFCC, Regional office, Srikrishna on 16.05.2023.
  - iv. The project proponent has submitted production dispatch letter issued by Divl. MG, Tekkali, Srikrishna vide letter dt 17.05.2023.
  - v. The Penalty was calculated in compliance with SOP issued by MoEFCCGAI vide OM dt. 07.07.2021 and details are as follows:

Member Secretary  
SEAC

Chairman  
SEAC

Project cost in Rs.	Total production during violation period as reported by mining department letter dt.17.05.2023	Turnover during violation period in Rs as reported by the mining department vide letter dt.17.05.2023	1% of project cost in Rs	0.25 % of turn over during violation period in Rs.	Total penalty amount to be levied as per 07.07.22 21 in Rs.
Rs. 55,00,000/-	2679.502 Cum	Rs. 4,42,90,746/-	Rs. 55,000/-	Rs. 1,10,727/-	Rs. 1,65,727/-

- v) The project proponent has submitted the acknowledged payment of penalty amount of Rs 1,65,727/- at APCC Board Office Vijayawada on 10.07.2023.
- i) The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's EIA Report, PH minutes, and detailed deliberations recommended to issue Environmental Clearance for mining of Mining of Colour Granite - 1,000 m<sup>3</sup>/annum with following conditions-
  1. The proponent shall comply with the proposals furnished in the Environmental Management Plan and EIA.
  2. The project proponent shall develop native plants along approach roads & village Road sides.
  3. This EC recommended for issue of mining of Hard Metal Building Stone & Gravel only.
  4. The project proponent shall maintain 7.5m green belt in buffer zone and existing buffer zone plantation should not be disturbed.
  5. The proponent shall take due suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
  6. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
  7. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
  8. The project proponent shall not use Village road/ canal bank roads for mineral transportation purpose.
  9. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
  10. The project proponent shall pay suitable compensations for surrounding agricultural lands as per the norms.
  11. The project proponent shall maintain village roads along with the cluster partners.
  12. The project proponent shall provide 500m trench on Southern side to prevent surface runoff.
- ii) Decision of SEAC- Refer to SEAC to examine with respect to the OM dated 01.01.2024 issued by MoEF&CC on violation cases.
- iii) Again, this proposal was placed in 240<sup>th</sup> day SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with

**MINUTES OF THE 240<sup>th</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>th</sup>, 14<sup>th</sup> & 15<sup>th</sup> February 2024 AT VELAYAWADA, A.P.**

reference to the SOP dt. 07th July 2021 and OM dt. 28th January 2022 vide Writ Petition (s) Civil) No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil) No(s). 1394/2023.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt. 28th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil) No(s). 1394/2023.

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VILJAYAWADA, A.P.**

- 2. The project proponent shall not use village road/ civil band roads for mineral transportation purpose.
  - 3. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
  - 4. The project proponent shall pay suitable compensations for surrounding agricultural lands as per the norms.
  - 5. The project proponent shall maintain village roads along with the cluster partners.
  - 6. The project proponent shall provide 500m trench on Northern side to prevent surface runoff.
- b) The project proposal along with recommendation of SEAC was placed in SEAA meeting and Decisions of SEAA is as follows:-  
 "Refer to SEAC to examine with respect to the OM dated 08.01.2024 issued by MoEFCC on violation cases".
- c) Again, this proposal was placed in 240<sup>th</sup> day1 SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt 29th January 2022 vide Writ Petition (s) Civil No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil No(s). 1394/2023.

The Committee After examining the project proposals, presentations, mining plan, MoEFCC Notifications & OM's and detailed deliberations, recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt 29th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2023.

<b>Agenda Item No:</b> 226.27 & 233.10 & 240.PO7	<b>2.644 Ha. of Gravel Quarry of M/s. Gokuls World Minerals, at Sy. No: 180 Thondaludi Village, Satyavedu Mandal, Chittoor District, Andhra Pradesh – Environmental Clearance – ADS Reply – Reg.</b>
--	--

<b>SIA/AP/MIN/ A39510/2023</b>	Category: B2 or par with B1 (Minor minerals)
--------------------------------	--

The proposed project is for mining of Gravel in an area of 2.644Ha. with a proposed production quantity of 41,948 m<sup>3</sup>/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<250 ha of mining lease area in respect of non-civil mine lease).

The Project of proponent and their consultant, M/s. SV Enviro Labs & Consultants have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a) The Department of Mines and Geology submitted DSIR of erstwhile Chittoor District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine.
- b) As per the approved mining plan dt.01.07.2023, the total provided mineral reserves are 2,07,520 m<sup>3</sup>. The proponent proposed to excavate 41948 m<sup>3</sup>/Annum and Life of the mine is 9.45 years.
- c) The Department of Mines and Geology issued Letter of Intent (LOI) vide order dt.

**Member Secretary  
SEAC**

**Chairman  
SEAC**

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIJAYAWADA, A.P.**

- 17.01.2023 for a period of 5 years subject to submission of Approved Mining Plan, EC and CPE within a period of 3 years from the date of issue of LoI.
- (i) The Department of Mines and Geology issued Letter of Intent (LoI) vide order dt. 17.01.2023 for a period of 20 years subject to submission of Approved Mining Plan, EC and CPE within a period of 3 years from the date of issue of LoI.
- (ii) The Committee noted that as per the charter letter issued by the District Mines & Geology Officer, Tirupathi, vide Letter dated 31.07.2023, there are no existing quarry leases within the radius of 500 mtrs area. The total cluster area is c 5.0 Ha.
- (iii) The proponent volunteered to provide Water Treatment Plant to the Tamizhaluppan village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- (iv) The project proposal was earlier appraised in 226<sup>th</sup> SEAC meeting and the Committee observed that the proposed mine overlapped with Tamilnadu state boundary as per the KML file uploaded in the parivesh portal and also Toposheet. Hence, the committee directed the project proponent to reduce / modified the area overlapped with Tamilnadu state boundary. Accordingly, ADS was raised in the Parivesh portal for the reduction / modification of the mining area, as proposed mine area is overlapping with Tamil Nadu state boundary.
- (v) Accordingly, the project proponent has furnished joint inspection report dt.20.05.2023 and also furnished FMB drawing along with limits of Geo-coordinates in Andhra Pradesh. The SEAC considered the FMB drawings, Joint inspection report dt. 20.05.2023 and noted that the mine lease area is falling within the Andhra Pradesh State.
- (vi) The project proponent allocated Rs. 4.75 Lakhs as capital cost and Rs. 4.53 Lakhs as a recurring cost budget for the EM\*. The proponent volunteered to provide Water Treatment Plant to Thondalukkivilages as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine. Also, the project proponent has proposed to provide scholarships to students of Thondalukkivilage.
- (vii) The Committee after examining the project proposals, presentations, mining plan, MoF&CL Notifications & OM's and detailed deliberations, recommended to issue Environmental Clearance for mining of Gravel - 41,846 m<sup>3</sup>/Annum with following conditions:
1. The project proponent shall comply with the proposals furnished in the Environmental management plan.
  2. The project proponent shall develop greenbelt of 1km along approach roads & village boundaries.
  3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
  4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
  5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
  6. The vehicles carrying the mine material shall be covered with tarpaulin during vehicular movement.
  7. The project proponent shall not use village roads/ canal bank roads for mineral transportation purpose.
  8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
- (viii) The project proposal along with recommendation of SEAC was placed in 561AA meeting and Decision of SEAC is as follows:-
- \*Refer to SEAC to re-examine the proposal w.r.t. overlapping of the inter-state boundary to the Mine lease area.
- (ix) Again, this proposal was placed in 240<sup>th</sup> day SEAC meeting and the project proponent has furnished joint inspection report dt.20.05.2023 and also furnished FMB drawing along with limits of Geo-coordinates in Andhra Pradesh. The SEAC considered the FMB drawings, Joint inspection report dt. 20.05.2023 and noted

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZIANAGAR, A.P.**

- 13,216 T of China clay during this period and at an average production of 3,353 TPA as against the permitted quantity of 15,000 TPA.
- i) The committee observed that the Polavaram left Canal is existing at about 150m towards Southern side and also proponent has proposed to use Canal bank road for mineral transportation purpose.
- ii) This proposal was earlier apprised in 239<sup>th</sup> SEAC meeting and the committee recommended to issue ADs for submission following:
- The project proponent shall submit NOC from Irrigation Department for the use Canal road for Mineral transportation purpose.
  - The project proponent shall submit compliance along with photographic evidence for the non-compliances (11 nos.) reported by IRO, MoEF&CC, Vijayawada in its report dated 07.08.2023.
- iii) The project proponent has furnished ADs reply with NOC from Irrigation Department and the compliance report along with photographic evidences on the non-compliances reported by IRO, Vijayawada.
- iv) Again, this proposal was apprised in 239<sup>th</sup> SEAC meeting and the committee verified NOC dt. 10.11.2023 issued by the Chief Executive Engineer, Polavaram Irrigation Project Right Channel, Unit-2, Dewaswaram. The project proponent also submitted an undertaking stating that they will follow conditions stipulated in the NOC dt.10.11.2023 and also submitted compliance along with photographic evidence for the non-compliances (11 nos.) reported by IRO, MoEF&CC, Vijayawada in its report dated 07.08.2023.
- v) The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM and detailed deliberations, recommended to issue Environmental Clearance for mining of China Clay -15,000 TPA with following conditions:
- The project proponent shall comply with the proposals furnished in the Environmental management plan.
  - The project proponent shall develop green belt of 10m along approach roads & village Roadsides.
  - The project proponent shall maintain 7.5mt green belt in buffer zone and existing buffer zone plantation should not be disturbed.
  - The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
  - The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
  - The vehicles carrying the mining material shall be covered with tarpaulin during vehicular movement.
  - The project proponent shall not use village road/ canal bank roads for mineral transportation purpose.
  - The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
  - The project proponent shall maintain village road along with the cluster partners.
  - The project proponent shall avoid over loading of material in trucks.
  - The project proponent shall comply conditions stipulated in the NOC issued by the Irrigation department.
  - The project proponent shall comply with non-compliances (11 nos.) reported by IRO, Vijayawada, MoEF&CC vide report dt. 07.08.2023 and shall submit compliance to the APFOB, Regional Office, Kakinada.
- vi) The project proposal along with recommendation of SEAC was placed in SEIAA meeting and Decision of SEIAA is as follows:  
"Refer to SEAC to examine with respect to the OM dated 15.01.2024 issued by MoEF&CC on DEIAA cases".
- vii) Again, this proposal was placed in 240<sup>th</sup> day 1 SEAC meeting and committee noted that:
- The project proponent applied for re-appraisal as per OM dt. 28.04.2023.
  - Meanwhile, the MoEF&CC, GOI issued OM dt. 15.01.2024 with regard to Standard

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZHAWADA, A.P.**

Operating Procedure (SOP) for dealing mining proposals under Ministry's OM dt. 28.04.2021 on Parivesh portal. As per the work flow mentioned in the SOP, the District Collector Office (DCO) shall scan all the EC files and upload on the Parivesh Portal through their respective logins, for further consideration by the SEIAA.

- c. The committee noted that the project proponent has applied for re-appraisal without following the SOP. Hence, the committee recommended to reject the proposal and directed to apply for re-appraisal, as per the SOP mentioned in the OM dt. 15.01.2024 issued by MoF&CC, Govt.

The Committee after examining the project proposals, presentations, mining plan, MoF&CC Notifications & OM, recommended SEIAA to reject the proposal and directed to apply for re-appraisal, as per the SOP mentioned in the OM dt. 15.01.2024 issued by MoF&CC, Govt.

<b>Agenda item No:</b> <b>234-29</b> <b>249-P 09</b> <b>SIA/AP/MIN /442384/20 23</b>	<p><b>1.50 Ha. Road Metal &amp; Building stone of M/s Rockline Mining Products Pvt. Ltd. at Sy. No. 1, Marthuru Village, Anakapalli Mandal, Visakhapatnam District, Andhra Pradesh – EC-EIA – Reg.</b></p> <p><b>Category: B2 as per with B1 (Minor minerals):</b></p> <p>The proposed project is for mining of Road Metal &amp; Building stone in an area of 1.50 Ha. with a proposed production quantity of Road Metal &amp; Building stone – 30,000 m<sup>3</sup>/ annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). **MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VELAYAWADA, A.P.**

- 10. The project proponent shall maintain village roads along with the cluster partners.
- 11. The project proponent shall obtain traffic zone removal permission.
- (i) The project proposal along with recommendation of SEAC was placed in SEIAN meeting and Decision of SEIAN is as follows:  
"Refer to SEAC to examine with respect to the OM dated 01/01/2024 issued by MoEF&CC on violation cases"
- (ii) Again, this proposal was placed in 240<sup>th</sup> day's SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02/01/2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt 28th January 2022 vide Writ Petition (s) Civil) No(s). 1394/2022. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil) No(s). 1394/2022.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt 28th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil) No(s). 1394/2022.

**Agenda Item: 234.42 & 240.P.12** **4.459 Ha, Mining of Quartz of M/s Arundathi Mines Private Ltd., at Sy.No.1322/P & 1314/P of Burukayalakota Village, Mulakalacheruvu Mandal, Chittoor District, Andhra Pradesh - Environmental Clearance - Reg.**

**SIA/AP/MIN /450900/2023** Category: B2 (Minor mineral).  
The proposed project is for mining of Quartz in an area of 4.459 Ha with a proposed production capacity - 58.653 TPA with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(i) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals ( $\leq 250$  ha of mining lease area in respect of non-coal mine lease).

The project of proponent and their consultant, M/s. VVN Technologies Pvt. Ltd., have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a) The project proponent earlier applied for EC on 05/03/2023 vide proposal no. SIA/AP/MIN/420064/2023 and same was appraised in 216<sup>th</sup> SEAC meeting. The SEAC committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Palamuru, dated: 04/07/2023 there are no existing quarry leases within the radius from 500 mtrs area. The total cluster area is  $< 5.0$  Ha and proponent has obtained LOI on 25/01/2023. This is LOI stage.
- b) The 216<sup>th</sup> SEAC committee after examining the project proposals, presentations, mining plan, MoEF&CC notifications, & OM's and detailed deliberations, recommended to issue Environmental Clearance with following conditions:
  - 1. The proponent shall comply with the proposals furnished in Environmental management plan.
  - 2. The project proponent shall develop greenbelt of 1km along approach roads & village Road sides.
  - 3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
  - 4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
  - 5. The proponent shall carryout suppression of dust generated due to transport vehicles by water spraying with tankers continuously.
  - 6. The vehicles carrying the mine material shall be covered with tarpaulin during vehicular movement.
  - 7. The project proponent shall develop native species plants and fruit plants in

SEAC**

  
**Chairman  
SEAC**

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIJAYAWADA, A.P.**

- surrounding villages.
- b) The project proponent shall construct retaining wall for the waste dumps.
  - c) The proponent shall provide 300m trench on both Eastern and Western boundary lease area side to prevent surface runoff.
  - d) The project proponent shall not use village road for mineral transportation purpose.
  - e) The project proponent shall adopt the controlled blasting.
  - f) The recommendations of SEAC was placed in 213<sup>th</sup> SEIAA meeting and decision of SEIAA is as follows:  
"Refer to SEAC to examine the cluster issue as the agenda No 213.20 (SEAC 216.35,) 213.21 (SEAC 216.36) & 213.22(SEAC 216.37) are appearing side by side in KML file".
  - g) Again this proposal along with recommendation of the SEIAA meeting were placed in 227<sup>th</sup> SEAC meeting and the committee observed that the proposed 3 mines mentioned by SEIAA, AP belongs to same proponent namely M/s Arundathi Mines Private Ltd. and are under LOP's stage. Therefore these 3 mines does not come under the cluster and hence, committee recommends that the earlier recommendations of the SEAC in this regard holds good.
  - h) The recommendation of SEAC was placed before the 229<sup>th</sup> SEIAA meeting and SEIAA decided that "the 3 mines 4.911ha of M/s Arundathi Mines Private Ltd, 4.459 ha of M/S Arundathi Mines Private Ltd, & 2.528 ha of M/S Arundathi Mines Private Ltd, are existing side by side in the same cluster. The SEIAA decided to issue EC to 4.911ha of M/s Arundathi Mines Private Ltd, as it is applied prior to other two mines. If one mine is issued with EC among three mines in the cluster, as per the notification issued by MoEF&CC dated 01.07.2016 the leases which have got environmental clearance shall be counted for calculating the area of cluster. Hence, the application for EC is rejected as the cluster area is more than 5.0 ha (i.e., 4.911ha + 4.459 ha)".
  - i) The SEIAA vide letter dt. 11.10.2023 rejected the EC application. Now, again the project proponent applied for EC (proposal no. 450900) in the Parkadh portal on 01.11.2023 for the same extent of the lease and quantity rejected by SEIAA vide letter dt. 11.10.2023. After scrutiny, the SEIAA of AP has forwarded the application to SEAC for examination.
  - j) The consultant & the project proponent presented the case and have not presented the details of the rejection of the earlier proposal to the SEAC committee.
  - k) As the proposal (proposal no. 450900 dt. 01.11.2023) submitted now is same as the proposal (proposal no. 420984 dt. 05.03.2023) which was rejected by the SEIAA.
  - l) The Committee after examining the project proposal, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, SEAC brings it to the notice of SEIAA that the same project has been rejected by SEIAA earlier. The committee obeys the earlier decision of SEIAA and also recommended to initiate necessary action on consultant for hiding the facts.
  - m) The project proposal along with recommendation of SEAC was placed in SEIAA meeting and Decision of SEIAA is as follows:  
"Refer to SEAC to submit a detailed report on the matter".
  - n) Again, this proposal was placed in 240<sup>th</sup> day1 SEAC meeting and the project proponent earlier applied for EC on 05.03.2023 vide proposal no. SIA/AP/MIN/420984/2023 and same was appraised in 216th SEAC meeting. The SEAC committee noted that as per cluster letter issued by the Asst. Director of Mines & Geology, Palamancher, dated: 04.02.2023 there are no existing quarry leases within the radius from 500 mtrs area. The total cluster area is < 5.0 Ha and proponent has obtained LDI on 25/01/2023. This is LOP stage.
  - o) The recommendations of SEAC was placed in 213<sup>th</sup> SEIAA meeting and decision of SEIAA is as follows:  
"Refer to SEAC to examine the cluster issue as the agenda No 213.20 (SEAC 216.35,) 213.21 (SEAC 216.36) & 213.22(SEAC 216.37) are appearing side by side in KML file".
  - p) Again this proposal along with recommendation of the SEIAA meeting were placed in 227<sup>th</sup> SEAC meeting and the committee observed that the proposed 3 mines mentioned by SEIAA, AP belongs to same proponent namely M/s Arundathi Mines Private Ltd.

HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZIANAGAR, A.P.**

- and are under 1.01% stage. Therefore these 3 mines does not come under the cluster and hence, committee recommends that the earlier recommendations of the SEAC in this regard holds good.
- n) The recommendation of SEAC was placed before the 225<sup>th</sup> SEIAA meeting and SEIAA decided that "the 3 mines 4.911ha of M/c Arundhati Mines Private Ltd, 4.459 ha of M/S Arundhati Mines Private Ltd, & 2.528 ha of M/S Arundhati Mines Private Ltd are existing side by side in the same cluster. The SEIAA decided to issue EC to 4.911ha of M/s Arundhati Mines Private Ltd, as it is applied prior to other two mines. If one mine is issued with EC among three mines in the cluster, as per the notification issued by MoEF&CC dated 01.07.2016 the leases which have got environmental clearance shall be counted for calculating the area of cluster. Hence, the application for EC is rejected as the cluster area is more than 5.0 Ha (i.e., 4.911ha + 4.459 ha)".
  - o) The SEIAA vide letter dt: 11.10.2023 rejected the EC application. Now, again the project proponent applied for EC (proposal no. 450900) in the Parivash portal on 01.11.2023 for the same extent of the lease and quantity rejected by SEIAA vide letter dt: 11.10.2023. After scrutiny, the SEIAA of AP has forwarded the application to SEAC for examination.
  - p) The consultant & the project proponent presented the case and have not presented the details of the rejection of the earlier proposal to the SEAC committee. The SEAC recommended to initiate necessary action on consultant for hiding the facts.

control measures for mining activity:

- Wet drilling will be adopted and controlled sequential blasting will be carried out. Due to controlled sequential blasting, the vibrations in the surrounding areas will be minimal.
  - The dust may get generated due to transport vehicles that carry the mined mineral. It will be suppressed by water spraying with tankers continuously.
  - The vehicles carrying the mines material will be covered with tarpaulin to prevent dust.
  - It is proposed to take-up plantation of 1000 medicinal trees in the vacant mine land and government land and also on both sides of the approach road. The protection and maintenance of these trees will be responsibility of the quarry management.
  - Once the mining operations gets started, half-yearly monitoring of Ambient Air Quality, Noise Levels, water quality testing etc. will be carried out and the reports will be submitted to MoEPCC Regional office, APPCB and SEIAA.
  - In the proposed mine, around 30 people will get direct employment and another 45 persons get indirect employment. In addition, opportunities will be given to locals, in various supporting indirect activities like transportation of mined materials, water spraying on the approach roads, tree plantation and their maintenance etc.
  - The proponent is proposed to provide tables-2Nas, Chairs-2 Nas & Fans - 04 Nos to Gram Panchayat Office at Diddikuru and also proposed to arrange annual health camps for the benefit of the people from surrounding villages under CSR funds.
  - All pre-cautionary measures will take-up for Environment Protection.
- (g) The base line data was collected from Dec, 2021 to Feb, 2022 and the predominant wind direction is observed to be North East to South West. The maximum concentration of SPM ( $PM_{10}$ ) is observed to be  $67.5 \mu\text{g}/\text{m}^3$ . The incremental concentration is  $2.78 \mu\text{g}/\text{m}^3$  and GLC of SPM will fall at a distance about 1.01 towards south west direction.
- (h) The committee directed the project proponent to develop thick greenbelt on western side of the boundary line area as the approach road is adjacent to the subject mine.
- (i) The committee directed the project proponent to dump 5% of red metal waste in buffer zone area to recover the 2.5 mts buffer zone area.
- (j) SID No 604 dt 14.03.2017 compliance:
  - i. Civililie action was initiated vide CC No 623/2923 in the court of Justice Civil courts of West Godavari.
  - ii. The project proponent submitted undertaking on 1.1.1.2022 stating that the violation will not be repeated.
  - iii. The project proponent has submitted remediation and resource augmentation plan with a cost of Rs 2,70,214/- and also uploaded the acknowledged BG submitted at APPCB, Regional office, Kakinada on 04.08.2023.
  - iv. The project proponent has submitted production dispatch letter issued by ADMS Ehsu vide letter dt 15.02.2023.
  - v. The Penalty was calculated in compliance with SOP issued by MoEPCC, GOI vide OM dt 07.07.2021 and the details is as follows:

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZAYAWADA, A.P.**

Project cost in Rs.	Total production during violation period reported by mining department letter dt. 15.02.2023	Turnover during violation period in Rs as reported by the mining department vide letter dt. 15.02.2023	1% of project cost in Rs	0.25 % of turnover during violation period in Rs.	Total penalty amount to be levied per 07.07.2023 in Rs.
Rs 90 lakhs	Mining Road metal & Building stone 18,923 tonn	Rs. 46,66,450/-	Rs 90,000/-	Rs. 11,666/-	Rs. 1,01,666/-

- vi. The project proponent has uploaded the acknowledged payment of penalty amount of Rs. 1,01,666/- at APPC Board Officer Vizayawada on 1.08.2023.
- vii. The project proponent informed that they have allocated Rs. 7.1 Lakhs as capital cost and Rs. 6.12 Lakhs as a recurring cost budget for the EMP. The proponent volunteered to provide Water treatment plant to Duddukurni village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- viii. The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's EIA Report, Public Hearing minutes, and detailed deliberations, recommended to Issue Environmental Clearance for mining of Ballast, Road Metal & Boulders – 25,000 m<sup>3</sup>/annum with following conditions:

  1. The proponent shall comply with the proposals furnished in the Environmental management plan and EIA.
  2. The project proponent shall develop greenbelt of 1m along approach roads & village Roadsides.
  3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
  4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
  5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
  6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
  7. The project proponent shall not use Village road/ canal bank roads for mineral transportation purpose.
  8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
  9. The project proponent shall pay suitable compensations for surrounding agricultural lands as per the norms.
  10. The project proponent shall maintain village roads along with cluster partners.
  11. The project proponent shall comply with the commitments & promises made/given in the public hearing.
  12. The project proponent shall dump 5% of road metal waste at buffer zone area to recover the 7.5 mts buffer zone area.
  13. The project proponent shall develop thick greenbelt on western side of the boundary lease area as the approach road is adjacent to the subject mine.
  14. The project proponent shall restrict the load of the transport vehicles not more than 31 tons to avoid road damages and dust nuisance to surroundings.

- ix. The project proposal along with recommendation of SEAC was placed in SEIAA.

SEAC

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VELLORE, A.P.**

meeting and Decision of SEAC is as follows:

"Refer to SEAC to examine with respect to the OM dated 08.01.2024 issued by MoEF&CL on violation cases".

- a) Again, this proposal was placed in 240<sup>th</sup> day SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt. 28th January 2022 vide Writ Petition (s) Civil) No(s). 1394/2021. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil) No(s). 1394/2021.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CL Notifications & OM's and detailed deliberations, recommended to Further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt. 28th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2021.

<b>Agenda Item No: 235.11 &amp; 240.P.14</b>	7.44 Ha. Mining of Road Metal, Building Stone quarry of M/s. Sri Venkatasasi Stone Crusher at Survey No: 75 Village: Bowlavada village Mandal: Anakapalli District: Anakapalli (Erstwhile Visakhapatnam) State: Andhra Pradesh- Environmental Clearance EIA- Reg
--	--

<b>SIA/AP/MIN /453968/20 23</b>	Category: B2 at par with B1.
---	------------------------------

The proposed project is for mining of Road Metal, Building Stone in an area of 7.44 Ha with a proposed production capacity of Road Metal & Building Stone - 2,50,056 m<sup>3</sup>/ Annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under item No. I(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i) Mining of minerals (<250 ha of mining lease area in respect of non-coal mine lease).

The representative of the project proponent and their consultant M/s. Hubert Enviro Care Systems Private Limited, Chennai, have attended this meeting and presented the case. The SEAC committee noted that:

- a) The Department of Mines and Geology submitted DSR for the erstwhile Visakhapatnam District. The same is reviewed in the SEAC meeting. The present lease lease details are mentioned in the DSR at: 5.No.55 of page No. 197 of DSR.
- b) The Department of Mines and Geology vide order dt.24.12.2016 issued work order for 15 years.
- c) As per the approved mining plan, the total provided mineral reserves are 27,31,520 m<sup>3</sup>. The proponent proposed to excavate 2,50,000 m<sup>3</sup>/annum. The life of the mine is 9.83 years.
- d) The project proponent has obtained TGR with public hearing on 21.06.2021 and subsequently the project proponent has obtained TGR amendment on 22.02.2022 for enhancement of production.
- e) Public Hearing details: Employment, Health camps, crop compensation issues, blasting issues etc., are specific issues raised in the public hearing. The project proponent has furnished undertaking dt. 13.12.2023 regarding the objections raised in the public hearing.
- f) Reply of the proponent during the public hearing is as follows: Sri N. Varma Krishna Senior Consultant, EIA Coordinator, Hubert Enviro Care Systems Pvt Ltd informed that 19 people have given their views, suggestions, and objections on the project and the same are recorded. The same will be summarized and taken into consideration for implementation. He said that in case of blasting activity, the sequential Control Blasting Technology proposed in the project is different from the old technology. The dispersion of the rocks due to the new technology is less and blast point limited to 50

**Member Secretary  
SEAC**

**Chairman  
SEAC**

meters. The suggestion regarding greenbelt development will be implemented by the project proponent. The dust pollution from the quarrying and crushing operations will be controlled by sprinkling of water by tankers. The project proponent will take required steps for constitution of the village coordination committee to implement the development activities mentioned in the project proposal. He said that annual health camps proposed and allocated Rs.1,50,000/- amount for conducting health camps. He said that damaged RO Plant will be restored. He said that 75 no. of direct & indirect employment opportunities due to the proposed project and employment provided for local villagers in water sprinkling & Green Belt development activities. He stated that intimation about the public hearing was given to the public as per the guidelines and the project proposal were made available at various places.

- i) The base line data was collected from Oct, 2021 to Dec, 2021 and the predominant wind direction is observed to be North East to South West. The maximum concentration of SPM is observed to be 68.46  $\mu\text{g}/\text{m}^3$ . The incremental concentration is 3.56  $\mu\text{g}/\text{m}^3$  and ELC of SPM will fall at a distance of 0.42km towards South West direction from the mine head area.
- ii) The project proponent allocated Rs. 25.0 Lakhs as capital cost and Rs. 9.0 Lakhs as a recurring cost budget for the EMP. The proponent volunteered to furnish equipment to PRC with supply of medicine to the Thumpala PRC as a part of Corporate Social Responsibility (CSR) activity and shall maintain all the life of the mine.

ii) S.O No 804 dt 14.03.2017 compliance:

- > Credible action was initiated vide CC No 9987/2023 in the court of Junior Civil courts of Anakapalli
- > The project proponent submitted undertaking on 27.11.2023 stating that the violation will not be repeated.
- > The project proponent has submitted remediation and resource augmentation plan with a cost of Rs 6,00,000/- and also uploaded the acknowledged SC submitted at APPCH Regional office Visakhapatnam on 23.11.2023.
- > The project proponent has submitted production dispatch letter issued by ADMC (EAC) Anakapalli vide letter dt 19.08.2023
- > The Penalty was calculated in compliance with SOP issued by MoEF&CC (G) vide OM dt 07.07.2021 and the details is as follows:

Project case in Rs.	Total production during violation period as reported by mining department letter dt 19.08.2023	Turnover during violation period in Rs as reported by the mining department vide letter dt 19.08.2023	1% of project cost in Rs	0.25 % of turn over during violation period in Rs.	Total penalty amount to be levied per OM 07.07.2021 (in Rs)
Rs 80 lakhs	Mining Road metal & Building stone 904.407 Cum	Rs. 5,19,29,865/-	Rs 50,000/-	Rs 12,500/-	Rs 2,09,825,-

- iii) The project proponent has uploaded the acknowledged payment of penalty amount of Rs. 2,10,000/- at APPCH Board Office Vijayawada on 24.11.2023.
- iv) The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's EIA Report, Public Hearing minutes and detailed deliberations, recommended to issue Environmental Clearance for mining of Road Metal & building Stone - 2,50,000 m<sup>3</sup>/annum with following conditions:

  
Member Secretary  
SEAC

  
Chairman  
SEAC

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIJAYAWADA, A.P.**

1. The proponent shall comply with the proposals furnished in the Environmental management plan and EIA.
  2. The project proponent shall develop green belt of 10m along approach roads & village Roadsides.
  3. The project proponent shall maintain 7.5mt green belt in buffer zone and existing buffer zone plantation should not be disturbed.
  4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
  5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
  6. The vehicles carrying the mining material shall be covered with tarpaulin during vehicular movement.
  7. The project proponent shall not use village road/ canal bank roads for mineral transportation purpose.
  8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
  9. The project proponent shall pay suitable compensation for surrounding agricultural lands as per the norms.
  10. The project proponent shall maintain village roads along with the cluster partners.
  11. The project proponent shall comply with the commitments & conditions made/given in the public hearing.
  12. The project proponent shall obtain Buffer zone removal permission.
- i) The project proposal along with recommendation of SEAC, was placed in SEAC meeting and decision of SEAC is as follows:
- "Refer to SEAC to examine with respect to the OM dated 08.01.2024 issued by MoEF&CC on Violation cases".
- m) Again, this proposal was placed in 240<sup>th</sup> day 1 SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SLP dt. 07th July 2021 and OM dt. 28th January 2022, vide Writ Petition (s) Civil No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2023.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SLP dt. 07th July 2021 and OM dt. 28th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2023.

<b>Agenda Item No: 236.01 &amp; 240.P 15</b>	<b>4.047 Ha Mining of Road Metal, Building stone &amp; Gravel of M/s. Sanjana Granites at Sy. No. 01, Krishnapuram (V), Padmanabham (M), Visakhapatnam (D), Andhra Pradesh - Environmental Clearance - Reg.</b>
--	---

<b>SIA/AP/MIN /454066/20 23</b>	<b>Category: B2 (Minor minerals).</b>
---	---------------------------------------

The proposed project is for mining of Road Metal, building stone & Gravel in an area of 4.047 Ha, with a proposed production quantity of Mixing of Road Metal and Building Stone- 1,00,000 m<sup>3</sup>/annum, Gravel- 50,000 m<sup>3</sup>/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<250 ha of mining lease area in respect of non-coal mine lease).

The project of proponent and their consultant, Bb Energy (P) Ltd, have attended the meeting and presented their proposal. The SEAC Committee noted that:

  
**Member Secretary  
SEAC**

  
**Chairman  
SEAC**

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZIANAGAR, A.P.**

- a) The Department of Mines and Geology submitted DSI of erstwhile Vishakhapatnam District and the same is reviewed in the SEAC meeting. The present mine details are mentioned at S. No. 49 of Page no. 133 in DSI.
- b) The Asst. Director of Mines & Geology vide letter dt. 21.06.2014 issued 1<sup>st</sup> renewal of quarry lease to M/s. Sanjana Granite, Prop: Sri Raghavendra for a further period of 15 years W.e.f. 25.06.2013.
- c) The project proponent obtained Violation TQI without PH vide order dt. 15.03.2023 for mining of Mining of Road Metal and Building Stone- 100000 m<sup>3</sup>/Annum, Gravel- 50000 m<sup>3</sup>/Annum.
- d) As per the approved mining plan dt.05.10.2021, the total provided mineral reserves are 4,80,740 m<sup>3</sup> of Road Metal & Building Stone and Gravel of 1,00,400 m<sup>3</sup>. The proponent proposed to excavate Road Metal and Building Stone- 1,00,000 m<sup>3</sup>/annual, Gravel- 50,000 m<sup>3</sup>/annual and Life of the mine is 45 years.
- e) The base line data was collected March 23 to May 2021 and the predominant wind direction is observed to be Southeast to Northwest. The maximum concentration of SPM(PM10) is observed to be 88.50 µg/m<sup>3</sup>. The incremental concentration is 2.7 µg/m<sup>3</sup> and GIC of SPM will falls within mine lease area.
- f) The committee noted that there is a one existing stone crusher on North western side of the subject mine lease area and the project proponent applied for Environmental clearance only for mining activity. Hence, the committee recommended EC for mining of Road Metal, Building Stone & Gravel only.
- g) The committee noted that the project proponent carried out mining activity without maintaining 2.5 mts of buffer zone. Hence, the committee directed the project proponent to obtain buffer zone removal permission from Directorate-General of Mines Safety.
- h) The project proponent allotted Rs. 4.01 Lakhs as capital cost and Rs. 4.58 Lakhs as a recurring cost budget for the EMP. The proponent volunteered to Computer Systems to near village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- i) The project proponent had petition in Hon'ble High court vide W.P.No. 9578 of 2021 against Mines and Geology Department and others. The Hon'ble High court issued interim orders dt. 07.05.2021 and is as follows:
- "Accordingly, there shall be interim injunction as prayed for pending further orders."
- ii) SD No 804 dt 14.03.2017 compliance:
- Civil suit action was initiated vide CC No 377/2023 in the court of XY AHD, Metropolitan Magistrate courts of Bhimavaram.
  - The project proponent submitted undertaking on 29.11.2023 stating that the violation will not be repeated.
  - The project proponent has submitted remediation and resource augmentation plan with a cost of Rs 2,00,000/- and also uploaded the acknowledged BC submitted at ATRON Regional office, Vishakapatnam on 02.11.2023.
  - The project proponent has submitted production dispatch letter issued by DMC Vishakhapatnam vide letter dt.15.07.2023.
  - The Penalty was calculated in compliance with SDW issued by MoEF&CC, GaL vide OM dt. 03.07.2021 and the details is as follows:

Project cost in Rs.	Total production during violation period as reported by mining department letter dt. 15.07.2023	Turnover during violation period in Rs as reported by the mining department vide letter dt. 15.07.2023	1% of project cost in Rs	0.25 % of turn over during violation period in Rs	The penal sum to be levied per C 97.57 21.00

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZAYAWADA, A.P.**

Rs. 25 lakhs	Mining Road metal & Building stone 2,11,897 Cum	Rs. 1,60,66,125/-	Rs. 25,000/-	Rs. 10,165/-	Rs. 65,165/-
--------------	---	----------------------	-----------------	-----------------	-----------------

- The project proponent has uploaded the unswindled payment of penalty amount of Rs. 65,165/- at APFCC Head Office Vijayawada.
- (g) The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's EIA Report, PH minutes, and detailed deliberations, recommended to issue Environmental Clearance without prejudice to the outcome of W.P. No. 9579 of 2021 for mining of Road Metal and Building Stone, 1,00,000 qd/annum, Gravel 50,000 m<sup>3</sup>/annum with following conditions:
  1. The proponent shall comply with the proposals furnished in the Environmental Management Plan and EIA.
  2. The project proponent shall develop native plants along approach roads & village Road sides.
  3. The EC recommended only for mining of Road Metal, Building Stone & Gravel only and project proponent shall obtain all approvals/clearances for the operation of the stone crusher in the subject mine lease area.
  4. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
  5. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
  6. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
  7. The vehicles carrying the mining material shall be covered with tarpaulin during vehicular movement.
  8. The project proponent shall not use village road/ causal band roads for mineral transportation purpose.
  9. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
  10. The project proponent shall pay suitable compensation for surrounding agricultural lands as per the norms.
  11. The project proponent shall maintain Village roads along with the cluster partners.
  12. The project proponent shall provide 385m trench on Southern Eastern side to prevent surface runoff.
  13. The project proponent shall obtain buffer zone removal permission from Directorate General of Mines Safety.
  14. This EC order is recommended without any prejudice to the final orders of the Hon'ble High Court in W.P. No. 4576 of 2021 on this subject mine and the EC order shall be revoked without any further notice in case of adverse orders of the Hon'ble High court on the subject mine if any.
- (h) The project proposal along with recommendation of SEAC was placed in SEAA meeting and Decision of SEAA is as follows  
"Order to SEAC to examine with respect to the OM dated 08.01.2024 issued by MoEF&CC on violation case".
- (i) Again, this proposal was placed in 240<sup>th</sup> SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt 26th January 2022 while Writ Petition (s) Civil) No(s). 1394/2021. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIJAYAWADA, A.P.**

- vehicles by continuous water spraying using tankers.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
  7. The project proponent shall provide Display Board at project site indicating the non-mining zone details.
  8. The project proponent shall acquire 0.5 Ha of additional land for granite waste disposal after 2<sup>nd</sup> year.
  9. The project proponent shall not use village road for mineral transportation purpose.
  10. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
  11. The project proponent shall provide 30cm retaining wall on Eastern side to prevent surface runoff.
  12. The project proponent shall maintain 10 m buffer zone in addition to existing 7.5 m buffer zone (non-mining zone) on Eastern side.
- a) The project proposal along with recommendation of SEIAA was placed in SEIAA meeting and Decision of SEIAA is as follows:  
 "Refer to SEAC to constitute a committee to examine as some workings are shown in the KML map".
- b) Again, this proposal was placed in 240th day SEAC meeting and noted that:
- > The Department of Mines and Geology vide order dt. 06.10.2023 issued Letter of Intent (LOI) to the subject mine for a period of 20 years, subject to submission of Approved Mining Plan, EC and CPC within a period of 3 years from the date of issue of LOI.
  - > The committee examined KML file and observed imagery dates and it looks like out crop of mine.

The Committee after re-examining the project proposals, presentations, mining plan, MoU/EC Notifications & OM's and detailed deliberations recommended that earlier meeting minutes holds good.

<b>Agenda item:</b> <b>235.06 &amp;</b> <b>240.P.17</b>	1.0 Ha. Mining of Road metal & Building stone of Smt. Kalidindi Lakshmi at Sy.No.43, Ippalavalasa Village, Seethanagaram Mandal, Vizianagaram District, Andhra Pradesh - Environmental Clearance - Reg.
---	---

<b>A/AP/MIN/4</b> <b>52740/2023</b>	<b>Category: B2 as per with B1 (Minor mineral):</b>  The proposed project is for mining of Road Metal & Building Stone in an area of 1.0 Ha with a proposed production quantity of Road Metal and Building Stone - 45,000 m <sup>3</sup> /annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.
--	---

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals ( $\leq 250$  ha of mining lease area in respect of non-coal mine lease).

The representative of the project and their consultant M/s. Ettemen Jabs have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a) The Department of Mines and Geology submitted DSR of erstwhile Vizianagaram District. The same is reviewed in the SEAC meeting and observed that the mineral content is available at page no. 77 of S.No.33 in DSR.
- b) The SEIAA, A.P. issued Vigilance TDR without public hearing to Sri K Sudhier Venna vide order dt. 20.09.2022 for mining of Road metal & Building Stone - 10,038 m<sup>3</sup>/annum and the valid of TDR order is valid for 4 years.
- c) The Department of mines and Geology vide order dt. 27.04.2023 declared Smt. Kalindi Lakshmi, Mother of Late K Sudhier Venna as a successor (Legal Heir) to lesser and

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.

- permitted Smt. Kalpani Lakshmi) to carry out mining operations in the subject mine for the unexpired portion of the lease period up to 21.02.2025.
- d) The SEAA, A.P issued TDR amendment dt.03.11.2023 for enhancement of capacity of Road Metal & Building Stone from 10,030 m<sup>3</sup>/annum to 45,000 m<sup>3</sup>/annum in favour of Smt. K. Lakshmi (Lessee).
- e) As per the approved mining plan dt. 31.08.2023, the total provided mineral reserves are 1,71,350 m<sup>3</sup>. The proponent proposed to excavate Road Metal & Building stone – 45,000 m<sup>3</sup>/annum and Life of the mine is 4.0 years.
- f) The base line data was collected from Oct, 2022 to Dec, 2022 and the predominant wind direction is observed to be North West to South East. The maximum concentration of SPM(TPM<sub>10</sub>) is observed to be 62.0 µg/m<sup>3</sup>. The incremental concentration is 1.28 µg/m<sup>3</sup> and GLC of SPM will fall within the mine lease area.
- g) The project proponent allocated Rs. 6.43 Lakh as capital cost and Rs. 5.6 Lakh as a recurring cost budget for the IIMP. The proponent volunteered to provide water treatment plant & Health camps with supply of medicine to the Kauchugummala village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- h) S.O No:001 dt 14.03.2017 compliance:
- Credible action was initiated vide CC No 797/2022 in the court of 1<sup>st</sup> Additional junior Civil Judge, Bobbili.
  - The project proponent submitted undertaking on 23.08.2022 stating that the violation will not be repeated.
  - The project proponent has submitted remediation and resource augmentation plan with a cost of Rs 1,7400/- and uploaded the acknowledged BG submitted at APPCB, Regional office, Vizianagaram on 13.12.2023.
  - The project proponent submitted production dispatch letter issued by ADMG (FAC) Vizianagaram vide letter dt.16.05.2023.
  - The Penalty was calculated in compliance with SOP issued by MoEFCC, Govt vide OM JL 07.07.2021 and the details is as follows:

Project cost in Rs.	Total production during violation period as reported by mining department letter dt.16.05.2023	Turnover during violation period in Rs as reported by the mining department vide letter dt.16.05.2023	1% of project cost in Rs	0.25 % of turn over during violation period in Rs.	Total penalty amount levied Rs.
Rs. 20,00,000/-	Mining Road metal & Building stone 2771.00m	Rs. 4,47,560/-	Rs. 20,000/-	Rs. 1,119/-	Rs. 21,119/-

- i) The project proponent has uploaded the acknowledged payment of penalty amount of Rs. Rs. 21,119/- at APPCB Board Office Vijayawada on 12.12.2023.
- j) The Committee after examining the project proposals, presentations, mining plan, MoEFCC Notifications & DMs EIA Reports, and detailed deliberations, recommended to issue Environmental Clearance for mining of Road Metal and Building Stone – 45,000 m<sup>3</sup>/annum with following conditions:

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VELJAYAWADA, A.P.**

The proposed project falls under Item No. 1(x) of the schedule of the EIA Notification 2006 and its amendments thereto - (i) Mining of minerals (<250 ha of mining lease area in respect of non-cud mine lease).

The representative of the project proponent and their consultant M/s. SV Enviro Labs & Consultants, have attended the meeting and presented the case. The SEAC committee noted that:

- a) The Department of Mines and Geology submitted USR of Tirupathi District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine (mentioned at paragraph No. 2.3 of Page No. 77 of DSE Report). The same details were also available in DSR 2023 which is under process at SEIAA for approval.
- b) The Department of Mines and Geology vide order dt. 02.08.2023 issued Extension of Letter of Intent (LOI) for a period of 10 years subject to submission of Approved Mining Plan, EC and CPE within a period of 3 years from the date of issue of LOI.
- c) As per the approved mining plan, the total provided mineral reserves are 19,58,805 m<sup>3</sup>. The project proponent proposed to excavate Road Metal & Building Stone ~1,34,032 m<sup>3</sup>/annual. The Life of the mine is 16 years.
- d) The project proponent has obtained TOR with public hearing on 13.07.2022 and public hearing held on 24.03.2023.
- e) Public hearing details: Road damages, Greenbelt, B. Pattas, Crop damages, water sprinkling and stone crushers issues are the main issues raised during PH public hearing.
- f) Reply of the proponent during the public hearing is as follows: Sri G Srinivasulu Naidu, Managing Partner of Sri Sathya Venkata Narayana Reddy, Road Metal & Building Stone mine while addressing the concerns raised by the public have informed that, all the suggestions made by the public representative NGOs will be taking into consideration and main issues viz., damages to the roads and dust generation will be addressed. More plantation will be done at vacant places and also at approach roads. He further promised any genuine concerns brought to the notice of the management they will try to solve the same at their level best.
- g) The base line data was collected from March, 2022 to May, 2022 and the predominant wind direction is observed to be South West to North East. The maximum concentration of SPM(PM<sub>10</sub>) is observed to be 44.8  $\mu\text{g}/\text{m}^3$ . The incremental concentration is 4.53  $\mu\text{g}/\text{m}^3$  and G.C of SPM will falls at a distance of 0.23 Km towards North East direction from the mine lease area.
- h) The committee directed the project proponent that they shall not use canal bond road for mineral transportation purpose and also directed to take dust suppression measures to avoid falling of dust particulates in the canal.
- i) The project proponent allocated Rs. 13.2 Lakhs as capital cost and Rs. 7.52 Lakhs as a recurring cost budget for the E&P. The proponent volunteered to health equipment to PHC with supply of medicine to the B.N. Kundruga PHC as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- j) S.O No BM4 dt 14.03.2017 compliance:
  - i. Credible action was initiated vide CL No 718/2023 in the court of Junior Civil courts of Srikrishna.
  - ii. The project proponent submitted undertaking on 22.04.2022 stating that the violation will not be repeated.
  - iii. The project proponent has submitted remediation and resource augmentation plan with a cost of Rs 1,95,781/- and also uploaded the acknowledged RC submitted at APTEC, Regional office, Tirupathi on 18.12.2023.
  - iv. The project proponent has submitted production dispute letter issued by

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZIANAGAR, A.P.**

ADMG, Chittoor vide letter dt 06.04.2023

- v. The Penalty was calculated in compliance with SOP issued by MoEF&CC, Govt. vide OM dt. 07.07.2021 and the details is as follows:

Project cost in Rs.	Total production during violation period as reported by mining department letter dt. 06.04.2023	Turnover during violation period in Rs as reported by the mining department vide letter dt. 06.04.2023	% of project cost in Rs	0.25 % of turnover during violation period in Rs.	Total penalty amount be levied per 07.07.2021 in Rs
Rs. 35 lakhs	Mining Road metal & Building stone 25,500 Cbm	Rs. 35,25,000/-	Rs. 35,000/-	Rs. 875/-	Rs. 43,963/-

- vi) The project proponent has uploaded the acknowledged payment of penalty amount of Rs. 43,963/- at APPCB Board Office Visayawada on 19.12.2023.
- vii) The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's EIA Report, Public Hearing minutes, and detailed deliberations, recommended to issue Environmental Clearance for mining of Road Metal & Building Stone—1.36,032 m<sup>3</sup>/Annum with following conditions:
1. The proponent shall comply with the proposals furnished in the environmental management plan and EIA.
  2. The project proponent shall develop greenbelt of 1km along approach roads & village boundaries.
  3. The project proponent shall maintain 7.5m green belt in buffer zone and existing buffer zone plantation should not be disturbed.
  4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
  5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
  6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
  7. The project proponent shall not use village road/ canal bed roads for mineral transportation purpose.
  8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
  9. The project proponent shall pay suitable compensations for surrounding agricultural lands as per the norms.
  10. The project proponent shall maintain village roads along with the cluster partners.
  11. The project proponent shall comply with the commitments & promises made/given in the public hearing.
  12. The project proponent shall restrict the load of the transport vehicles not more than 21 tons to avoid road damages and dust nuisance to surroundings.
- viii) The project proposal along with recommendation of SEAC was placed in SCAC meeting and Decision of QUA is as follows:-  
 "Refer to SCAC to examine with respect to the OM dated 08.01.2024 issued by MoEF&CC on violation cases".
- ix) Again, this proposal was placed in 240<sup>th</sup> SCAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt. 18th January 2022 vide Writ Petition (s) Civil) No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil) No(s). 1394/2023.

	<p>The Committee after examining the project proposals, presentations, mining plan, MoEP/SCC Notifications &amp; QMs and detailed deliberations, recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt. 26th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2023.</p>
<b>Agenda Item No. 237.06 &amp; 240.P 19</b>	<p><b>2.0 Ha Mining of Road metal &amp; Building stone of Sri G. Mallikarjuna Naidu at Sy.No.210 of Thangellapalem Village, Thottembedu Mandal, Tirupathi (Formerly Chittoor District) District - EC - RIA - Reg.</b></p>
<b>SIA/AP/MIN /4STONES/20 23</b>	<p><b>Category:</b> B2 at par with B1.</p> <p>The proposed project is for mining of Road metal &amp; building stone in an area of 2.0 Ha with a proposed production capacity of Road metal &amp; building stone - 24,790 m<sup>3</sup>/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<math>\leq 250</math> ha of mining lease area in respect of non-coal mine leases).</p> <p>The representative of the project proponent and their consultant M/s. SV Enviro Labs &amp; Consultants, have attended the meeting and presented the case. The SEAC committee noted that:</p> <ul style="list-style-type: none"> <li>a) The Department of Mines and Geology submitted DSR of Tirupathi District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine (mentioned at Paragraph 2.3 of Page No.77 of DSR Report). The same details were also available in DSR 2023 which is under process at SEIAA for approval.</li> <li>b) The Department of Mines and Geology vide order dt. 16.06.2023 issued extension of lot to the subject mine for a period of 10 years subject to submission of Approved Mining Plan, EC and CFE.</li> <li>c) As per the approved mining plan dt.19.11.2022, the total provided mineral reserves are 4,95,021 m<sup>3</sup>. The proponent proposed to excavate Road metal &amp; building stone - 24,790 m<sup>3</sup>/annum. The life of the mine is 20.0 years.</li> <li>d) The project proponent has obtained Violation TOR with public hearing on 25.01.2023 and Public Hearing held on 03.03.2023.</li> <li>e) Public Hearing details: There are no specific issues raised in during the public hearing.</li> <li>f) Reply of the proponent during the public hearing is as follows: Sri M. Mallikarjuna Naidu Managing Partner informed to the public that, he is in this business for the last 30 years and further informed that, he is not establishing any new mines and only renewing the mining leases of existing mines with a requirement of Environmental Clearance. He further informed that, he already developed 10,000 nos of trees at the mine lease area and assured to the public of supplying of drinking water at surrounding villages and also will extend his cooperation for developmental works at surrounding villages.</li> <li>g) The base line data was collected from Nov. 2022 to Jan. 2023 and the predominant wind direction is observed to be North West to South East. The maximum concentration of SPM is observed to be 67.3 <math>\mu\text{g}/\text{m}^3</math>. The incremental concentration is 3.75 <math>\mu\text{g}/\text{m}^3</math> and CfC of SPM will falls within mine lease area.</li> <li>h) The committee noted that Telugu Gangs Canal is at a distance about 300 meters on eastern side. Hence, the committee directed the Project proponent that they shall not use canal bank road for mineral transportation purpose and also directed to take dust</li> </ul>

HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZIANAGAR, A.P.**

- suppression to avoid failure of dust particulates in canal.
- i) The project proponent allocated Rs. 6.1 Lakhs as capital cost and Rs. 5.32 Lakhs as a recurring cost budget for the EMP. The project proponent shall provide adequate funds to the Thangellapalem PHD as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- ii) S.O No 304 dt 14.03.2017 compliance:
- Credible action was initiated vide OC No 714/2023 in the court of Junior Civil Courts of Sri Kakinada.
  - The project proponent submitted undertaking on 24.11.2022 stating that the violation will not be repeated.
  - The project proponent has submitted remediation and resource augmentation plan with a cost of Rs. 1,50,000/- and also uploaded the acknowledged SOG submitted at APPCB, Regional office, Tirupathi on 17.07.2023.
  - The project proponent has submitted production dispatch letter issued by ADMG Chittor via letter dt. 20.02.2023.
  - The Penalty was calculated in compliance with SOI issued by MoEFCC, Govt vide OM dt. 07.07.2021 and the details is as follows:

Project mg. in Rs.	Total production during violation period as reported by mining department letter dt. 26.02.2023	Turnover during violation period in Rs. as reported by the mining department vide letter dt. 26.02.2023	1% of project cost in Rs	0.25 % of turn over during violation period in Rs.	Total penalty amount to be levied as per OM 07.07.20 21 in Rs.
Rs. - 35 Lakhs	Mining Raw metal & Building stone 40604 Com	Rs. 78,23,325/-	Rs. 35,000/-	Rs. 19,550/-	Rs. 54,550/-

- iii) The project proponent has uploaded the acknowledged payment of penalty amount of Rs. 54,550/- at APPCB, Board Office, Visakhapatnam on 14.12.2023.
- iv) The Committee after examining the project proposals, presentations, mining plan, MoEFCC Notifications & OM's EIA Report, Public Hearing minutes, and detailed deliberations, recommended to issue Environmental Clearance for mining of Metal metal & Building stone - 24,790 m<sup>3</sup>/ annum with following conditions:
1. The project proponent shall comply with the proposals furnished in the Environmental management plan and EIA.
  2. The project proponent shall develop green belt of 1km along approach roads & village roadsides.
  3. The project proponent shall maintain 7.5mtr green belt in buffer zone and existing buffer zone plantation should not be disturbed.
  4. The project proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
  5. The project proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
  6. The vehicles carrying the mine material shall be covered with tarpaulin during vehicular movement.
  7. The project proponent shall not use village road/ canal bank roads for mineral transportation purpose.
  8. The project proponent shall restrict vehicle movement during the peak hours.

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VILAYAWADA, A.P.**

- site and project proponent has submitted the NOC for the subject mine from Forest Department.
- f) The Hon'ble Supreme Court vide order dated the 27<sup>th</sup> February, 2012 in I.A. No.12-13 of 2011 or Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar etc Vs. State of Haryana and Others etc, prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(U), dated the 15<sup>th</sup> January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease.
- g) NGT order in OA No.136 of 2017 (S2): So, under these circumstances, the application can be disposed of, giving the following directions: (i) The applications which are pending as on 31.12.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. (ii) The persons who have not filed applications on or before 31.1.2016 and filed thereafter, can be treated as violation applications and the MoEF&CC /SEIAA is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- b) The committee noted that the proponent operated mine after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (U) dt 15.01.2016 and hence to be treated as identified violation case as per O.M. 07.07.2021.
- i) This proposal was earlier appraised in 226<sup>th</sup> SEAC meeting and the Committee recommended to issue ABS for following:
- The project proponent shall submit modified mining plan as per NGT norms.
  - The project proponent shall submit latest cluster letter.
  - The project proponent shall submit forest NOC.
  - The project proponent shall submit Change of consultancy letter.
- j) Accordingly, the project proponent submitted the following ABS reply:
- As per the modified approved mining plan dt. 18.11.2021, the total provided mineral reserves are 1,264,10.3 m<sup>3</sup> of Road Metal. The proponent proposed to excavate Road Metal – 1,22,400 m<sup>3</sup>/annum and Life of the mine is 13.0 years. The project proponent submitted Modified mining plan duly earmarking 0.1149 Ha non-mining zone towards habitation to comply NGT norms.
  - As per cluster letter dated 10.04.2023 issued by the Asst. Director of Mines & Geology, Rajamahendravaram, there are 11 existing quarry leases within a radius of 500 mts from periphery of the present quarry leased area. The total cluster area is > 5 Ha.
  - The Sarangadu Reserve Forest is existing at a distance about 400 meters from the subject mine and project proponent obtained NOC dt 17.04.2023 from District Forest Officer, East Godavari.
  - The project proponent submitted change of consultancy letter.
- k) The Committee after examining the project proponent's presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to issue specific (Violation) Terms of Reference for mining of Road Metal 1,22,400 m<sup>3</sup>/annum with Public Hearing with following additional conditions:
- The project proponent shall prepare cluster EIA& EMP.
  - The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for green belt.
  - The project proponent shall submit a transportation plan for mineral transportation.
  - The project proponent shall submit plan for Restoration of buffer and buffer

SIA/AP/MIN/  
413372/2023

**Category: B2 (Violation).**

The proposed project is for mining of Mosaic Chips in an area of 0.866 Ha. with a proposed production quantity of Mosaic Chips - 10,639 TPA with a condition that the total production during a scheme should be limited by the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereto - (i). Mining of minerals (<250 ha of mining lease area in respect of each mine lease).

The project proponent and their consultant M/s. Ampli Enviro Pvt Ltd have attended the meeting and presented the case. The SEAC committee noted that:

- a) The Committee noted that as per cluster letter issued by Asst. Director of Mines & Geology, Kurnool, vols. Lr. dated: 31.12.2022, there are no existing quarry leases within the radius of 500 mts area. The total cluster area is < 5.0 Ha. This is a First runwall lease.
- b) And whereas, pursuant to the order of the Hoochie Supreme Court dated the 27<sup>th</sup> February, 2012 in I.A. No.12-13 of 2011 in Special Leave Petition (Civil) No.19623-19624 of 2009, in the matter of Deepak Kumar et al. Vs. State of Jharkhand and Others etc., prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(E), dated the 15th January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease. And whereas, all mine lease holders are required to obtain prior environment clearance.
- c) NOT order in OA No. 135 of 2017 (32): So under these circumstances, the application can be disposed of, giving the following directions: (i) The applications which are pending as on 31.3.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter, can be treated as violation applications and the MoEF&CC /SEAA is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- d) The committee noted that the proponent operated since from after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.
- e) This proposal was placed earlier in 214<sup>th</sup> SEAC meeting and recommended to issue specific (Violation) Terms of Reference without Public Hearing and following conditions:
  1. The project proponent shall prepare EIA & EMR.

  
Member Secretary  
SEAC

  
Chairman  
SEAC

2. The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for greenbelt.
3. The project proponent shall submit surface runoff prevention measures plan.
4. The project proponent shall submit plan for Restoration of benches and buffer zone in remediation plan and the cost of restoration of benches and buffer zone should be included in Bank guarantee.
5. The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.28.1.2022 and clause No 12 of SOP dated 07.07.2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.
6. Credible action to be initiated through concerned regional office APFCB under section 15 read with section 19 of E(P) Act 1986.
7. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment.
8. The project proponent shall ensure implementation of Environmental Management Plan, comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.
9. The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board.
10. The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2<sup>nd</sup> August 2017 in writ petition (Civil) No.144 of 2014 in the matter of *Amicus cause versus union of India and Ors.* The undertaking *inter alia* includes commitment of the EP act to repeat any such violation in future.
11. The project proponent shall submit penal of Bank Guarantee submission as per S.O No.004 (E) dated 14.03.2017 and payment of penalty amount as per OM dated 07.07.2021.
- i) This proposal was placed in 211<sup>th</sup> SEAC meeting and the decision of the SEAC is as follow:- "Refer to NEAC to constitute the committee to visit the mine area as the broken-up area (Mixed area) appears to be very large."
- ii) Again, this proposal was placed in 227<sup>th</sup> SEAC meeting and agreed with recommendations of SEAC to constitute the committee to visit the mine with the following members.
  1. Prof. K Thyagaraju
  2. Dr.Sunandana Reddy
  3. RO, APPCB, Kurnool
- b) Accordingly, the SEAC has constituted Subcommittee and the subcommittee

inspected site on 05.11.2023 and the summary of the subcommittee report is as follows:

Based on observations of field: The committee recommended the following conditions:

- It is strongly recommended to establish mine lease boundary along with proper green belt.
- It is proposed to plant trees all along the approach road and nearby vacant lands in the village.
- Proponent is suggested to prepare a plan for Restoration of beaches.
- As mine operated without proper EC can be treated as violation case.

- (i) Again, this proposal was placed 239<sup>th</sup> SEAC meeting and the Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM, Site visit report and detailed deliberations, recommended to violation TOR without Public hearing with point no. II in addition to following conditions
1. Proponent is suggested to prepare a plan for Restoration of beaches.
  2. It is proposed to plant trees all along the approach road and nearby vacant lands in the village.
  3. It is strongly recommended to establish mine lease boundary along with proper green belt.
- (ii) The project proposal along with recommendation of SEAC was placed in SEIAA meeting and Decision of SEIAA is as follows:-  
"Refer to SEAC to examine with respect to the OM dated 08.03.2024 issued by MoEF&CC in violation cases".
- (iii) Again, this proposal was placed in 240<sup>th</sup> day1 SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2023 and OM dt. 20th January 2022 vide Writ Petition (s) Civil No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil No(s). 1394/2023.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2023 and OM dt. 20th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2023.

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZAYAWADA, A.P.**

attended the meeting and presented the case. The committee noted that:

- a) The Department of Mines and Geology submitted DSR of erstwhile East Godavari District and the same is reviewed in the SEAC meeting and observed that the mineral content is available in Peddasankarlapur village in DSR.
- b) The Department of Mines and Geology vide order dt. 14.09.2023 issued renewal of letter of Intent (LOI) to the subject mine for a period of 10 years subject to submission of Approved Mining Plan, EC and CPE within a period of 03 years from the date of issue of LOI.
- c) As per cluster letter dt. 01.12.2022 issued by Asst. Director of Mines & Geology, Rajamahendravaram, there are 11 existing quarry leases within the radius of 500 mts area. The total cluster area is > 5.0 Ha.
- d) And whereas, pursuant to the order of the Hon'ble Supreme Court dated the 27<sup>th</sup> February, 2012 in OA No.12-13 of 2011 in Special Leave Petition (Civil) No.19623-19629 of 2009, in the matter of Deepak Kumar etc. Vs. State of Haryana and Others etc., prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(E), dated the 15th January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease. And whereas, all mine lease holders are required to obtain prior environment clearance.
- e) MGT order in OA No.136 of 2017 (S2). So, under these circumstances, the application can be disposed of, giving the following directions: (i) The applications which are pending on or 31.3.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter, can be treated as violation applications and the MoEF&CC /SEAC is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- f) The committee noted that the proponent operated mine from after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.
- g) This proposal was earlier apprised in 234<sup>th</sup> SEAC meeting and the committee recommended to raise ADS for submission of modified mining plan as per the DGPS survey as the total area of the subject mine in the KML was observed to be 0.480 Ha as against 0.809 Ha mentioned in the LOI.
- h) The project proponent has submitted the ADS reply on 18.11.2023 with modified mining plan as per the DGPS survey.
- i) Again, this proposal was apprised in 236<sup>th</sup> SEAC meeting and verified modified mining plan dt. 17.10.2023. As per the modified mining plan the total area is 0.480 Ha.
- j) The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations, recommended to issue specific (Violation) Terms of Reference for mining of Road Metal – 17,500 m<sup>3</sup>/annum over an extent of 0.480 Ha with Public Hearing with following additional conditions:
  1. The project proponent shall prepare cluster EIA& EMP.
  2. The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for green belt.
  3. The project proponent shall submit a transportation plan for mineral transportation.
  4. The project proponent shall submit plan for restoration of benches and buffer zone in remediation plan and the cost of restoration of benches and buffer zone should be included in bank guarantee.
  5. The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.28.1.2022 and clause No. 12 of SOP dated 07.07.2021, duly incorporating the total production during the violation.

Member Secretary  
SEAC

Chairman  
SEAC

period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.

6. Credible action to be initiated through concerned Regional office, APPCB under section 15 read with section 19 of E(P) Act 1986.
7. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment.
8. The project proponent shall ensure implementation of Environmental Management Plan, comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.
9. The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board.
10. The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2nd August 2017 as writ petition (Civil) No.144 of 2014 in the matter of minico cause versus union of India and Ors. The undertaking inter-alia includes commitment of the PP not to repeat any such violation in future.
11. The project proponent shall submit proof of Bank Guarantee submission as per S.O No 804 (E) dated 14.02.2017 and payment of penalty amount as per OM dated 07.07.2021.
- i) The project proposal along with recommendation of SEAC was placed in SEAA meeting and Decision of SEAA is as follows:-  
"Refer to SEAC to examine with respect to the OM dated 06.01.2024 issued by MoEF&CC on violation cases"
- ii) Again, this proposal was placed in 240<sup>th</sup> day SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 opposing stay with reference to the SCF dt. 02th July 2021 and OM dt 29th January 2022 vide Writ Petition (a) Civil(s) No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (a) Civil No(s). 1394/2023.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt 29th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (a) Civil No(s). 1394/2023.

<b>Agenda Item:</b> <b>214.44</b> & <b>236.22</b> & <b>240.P.23</b>	<b>0.899 Ha, Mining of Gravel, Building Stone, Ballast, Road Metal &amp; Boulders of Sri G Lakshmana Rao, at Sy. No. 53, Chinosankarlapudi Village, Prathipadu Mandal, East Godavari District- Violation TOR - Reg.</b>
<b>SIA/AP/MIN /415483/2023</b>	<b>Category: E2 as per with E1 (Minor mineral).</b>  The proposed project is for mining of Gravel, Building Stone, Ballast, Road Metal & Boulders in an area of 0.899 Ha. with a proposed production quantity of Mining of Road Metal and Building Stone: 15,950 m <sup>3</sup> /annum, Gravel: 6,913 m <sup>3</sup> /annum with a condition

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VELLORE, A.P.**

that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<250 ha of mining lease area in respect of non-coal mine lease).

The Project proponent and their consultant, Prudhvi Enviro Tech Pvt Ltd, have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a) The Department of Mines and Geology submitted DMR of Erramalela East Godavari District and the same is reviewed in the SEAC meeting. The present mine details are mentioned at S. No. 63 of Page no. 69 in DSM.
- b) The Department of Mines and Geology vide order dt. 14.09.2023 issued renewal of letter of tenur (LOT) to the subject mine for a period of 10 years, subject to submission of Approved Mining Plan, EC and CER within a period of 63 years from the date of issue of LOT.
- c) As per cluster letter dt. 08.11.2023 issued by the Director of Mines & Geology office, Kakinada, there are 13 existing quarry leases and 02 LOT issued areas within a radius of 500 mts from periphery of the present quarry leased area. The total cluster area (11.112 Ha) and is > 5 Ha.
- d) As per the approved mining plan dt. 16.10.2023, the total provided mineral reserves are 1,59,500 m<sup>3</sup> of Road Metal & Building Stone and 12,480m<sup>3</sup> Gravel. The proponent proposed to excavate Mining of Road Metal and Building Stone 15950 m<sup>3</sup>/Annum, Gravel 6913 m<sup>3</sup>/Annum and life of the mine is 10 years.
- e) And whereas, pursuant to the order of the Hon'ble Supreme Court dated the 27<sup>th</sup> February, 2012 in I.A. No.12-13 of 2011 in Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar et al. Vs. State of Haryana and Others etc., prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O. 141(E), dated the 15th January, 2016 making prior environmental clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease. And whereas, all mine lease holders are required to obtain prior environment clearance.
- f) MCA order in OA No 136 of 2017 (S2); in, under these circumstances, the application can be disposed of, giving the following directions: (i) The applications which are pending as on 31.3.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter, can be treated as violation applications and the MoEF & CC /SEMA is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- g) The committee noted that the proponent operated mine from after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt. 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.
- h) The Committee after examining the project proposals, presentations, MoEF&CC Notifications & DMs and detailed deliberations, recommended to issue specific (Violation) Terms of Reference for mining of Road Metal and Building Stone 15950 m<sup>3</sup>/annum, Gravel 6913 m<sup>3</sup>/annum with Public Hearing with following additional conditions:
  1. The project proponent shall prepare cluster EIA& FMP.
  2. The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for green belt.
  3. The project proponent shall submit a transportation plan for mineral transportation.

  
Member Secretary  
SEAC

  
Chairman  
SEAC

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -12<sup>TH</sup>, 13<sup>TH & 15<sup>TH</sup> February 2024 AT VIZIANAGARA, A.P.</sup>**

4. The project proponent shall submit plan for Restoration of beaches and buffer zone in remediation plan and the cost of restoration of beaches and buffer zone should be included in bank guarantee.
5. The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.28.1.2022 and clause No. 12 of SOP dated 07.07.2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.
6. Credible action to be initiated through concerned regional office, APCCB under section 15 read with section 19 of E(P) Act 1986.
7. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research Institution working in the field of environment.
8. The project proponent shall ensure implementation of Environmental Management Plan comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage incurred and economic benefit derived due to violation.
9. The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board.
10. The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2nd August 2017 in writ petition (Civil) No.164 of 2014 in the matter of common cause versus Union of India and Ors. The undertaking inter-alia includes commitment of the PP not to repeat any such violation in future.
11. The project proponent shall submit proof of bank Guarantee submission as per S.D No.804 (E) dated 14.03.2017 and payment of penalty amount as per OM dated 07.07.2021.
12. The project proposal along with recommendation of SEAC was placed in SRIAA meeting and Decision of SRIAA is as follows:-  
"Refer to SEAC to examine with respect to the OM dated 07.01.2024 issued by MoEP&CC on violation case".
13. Again this proposal was placed in 240<sup>th</sup> day 1 SPAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt 26th January 2022 vide Writ Petition (s) Civil(s) 1304/2022. Hence the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil(s) 1304/2022.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt 26th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil(s) 1304/2022.

<b>Agenda Item:</b> <b>215.11 &amp;</b> <b>236.21 &amp;</b> <b>240.P 24</b>	<b>0.50 Ha. Mining of Road Metal &amp; Building Stone of Sri A.V.S.S. Rama Raju at Sy No: 259/1, Relugunta Village, Relugunta Mandal, Anakapalli District- Violation TOR - Reg.</b>

**Category: B2.**

The proposed project is for underground mining of Road Metal & Building Stone in an area of 0.50 Ha, with a proposed production quantity of Road Metal & Building Stone - 5,482 m<sup>3</sup>/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(x) of the schedule of the EIA Notification 2006 and its amendments thereof - (i) Mining of minerals ( $\leq 250$  ha of mining lease area in respect of non-coal mine lease).

The project representative and their consultant, SV Enviro Labs & Consultants have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a) The Department of Mines and Geology submitted DSR of erstwhile Visakhapatnam District and the same is reviewed in the SEAC meeting. The present mine details are mentioned at S No. 284, of Page no. 215 in DSR.
- b) As per cluster letter dt. 01.11.2023 issued by the Divisional Miner & Geology, Anakapalli, there are 02 existing quarry leases within a radius of 500 mts from periphery of the present quarry located area. The total cluster area is < 5 Ha.
- c) As per the approved mining plan dt. 24.01.2020, the total provided mineral reserves are 73,160 m<sup>3</sup> of Road Metal & Building Stone. The proponent proposed to excavate Road Metal & Building Stone - 5,482 m<sup>3</sup>/annum and Life of the mine is 13.0 years.
- d) This is an existing lease and the project proponent submitted production and despatch details, issued by Department of Mines and Geology vide letter dated 29.11.2022 from 2000.09 to 2022-23 (upto 16.11.2022).
- e) And whereas, pursuant to the order of the Hon'ble Supreme Court dated the 27<sup>th</sup> February, 2012 in L.A. No.12-13 of 2011 in Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar etc. Vs. State of Haryana and Others etc., minor environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(E), dated the 15th January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease; And whereas, all mine lease-holders are required to obtain prior environment clearance.
- f) MGT order in OA No.136 of 2017 (S2) So under these circumstances, the application can be disposed of, giving the following directions: (i) The applications which are pending as on 31.3.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. (ii) The persons who have not filed applications on or before 31.3.2016 and thereafter, can be treated as violation applications and the MoEF&CC /SEAC is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also quite clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- g) The committee noted that the proponent operated mine from after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt. 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.
- h) This proposal was earlier appraised in 215<sup>th</sup> SEAC meeting and the committee recommended to raise ADS for submission L.O.I extension letter from Mines and Geology Department.
- i) Accordingly, the project proponent submitted Renewal of letter of intent (L.O.I) vide order dt. 27.10.2023 issued by the Department of Mines and Geology for a period of 10 years subject to submission of Approved Mining Plan, EC and CFE within a period of 03 years from the date of issue of L.O.I.
- j) The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations, recommended to issue specific

- can be imposed of giving the following directions: (i) The applications which are pending as on 31.03.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. 81 (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter, can be treated as violation applications and the MoEF&CC /SEAC is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- i) The committee noted that the proponent operated mine after 2016 (from 09.07.2020 to 2022 – 2023) without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.
- ii) The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations, recommended to issue specific (Violation) Terms of Reference for mining of China Clay – 21,000 TPA without Public Hearing with following additional conditions:
1. The project proponent shall prepare EIA & KMP.
  2. The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for green belt.
  3. The project proponent shall submit a transportation plan for mineral transportation.
  4. The project proponent shall submit plan for Restoration of benches and buffer zone in remediation plan and the cost of restoration of benches and buffer zone should be included in Bank guarantee.
  5. The proponent is liable to pay the penalties as fixed by the concerned competent authority, as per the OM No.28.1.2022 and claim No 12 of SEP dated 07-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.
  6. Credible steps to be initiated through concerned Regional office, APPCB under section 15 read with section 19 of E(I) Act 1986.
  7. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986 or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment.
  8. The project proponent shall ensure implementation of Environmental Management Plan, comprising remediation plan and natural and community resources augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.
  9. The project proponent will be required to submit a bank guarantee equivalent

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIJAYAWADA, A.P.**

- Geology, Chittoor, there are 01 existing quarry lease within the radius of 500 mtrs area. The total cluster area is < 5 ha.
- d) This is an existing lease area and obtained work order issued by the Mines & Geology Department on 20.07.2012 for 20 years.
  - e) The Hon'ble Supreme Court rule order dated the 27<sup>th</sup> February, 2012 in L.A. No.12-12 of 2011 in Special Leave Petition (Civil) No.19626-19629 of 2009, in the matter of Deepak Kumar etc Vs. State of Haryana and Others etc, prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(E), dated the 15th January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease.
  - f) Not order in OA No 136 of 2017 (S2) - So under these circumstances, the application can be disposed of, giving the following directions: (i) The applications which are pending as on 31.3.2016 for Environment Clearance have to be treated as renewal applications and not violation applications and the authorities are directed to dispose of these applications in accordance with law. (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter, can be treated as violation applications and the MoEF&CC /SEAC is directed to dispose of these applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended LIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
  - g) The committee noted that the proponent operated mine after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) @ 15.01.2016 and hence to be treated as identified violation case as per OM 07-07-2021.
  - h) This proposal was earlier approved in 225<sup>th</sup> SEAC meeting and committee recommended to issue ADS for submission of latest cluster letter and production details from Mines Department.
  - i) Accordingly, the project proponent furnished ADS reply with latest cluster letter dated 07.08.2023 issued by the District Mines & Geology office, Chittoor. The committee observed that there is one existing lease within the 500 mtrs radius with an extent of 1.0 Ha. Hence, the total cluster area including subject mine is 2.0 Ha which is < 5.0 Ha.
  - j) The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations, recommended to issue specific (Violation) Terms of Reference for mining of Colour Granite – 2400 m<sup>3</sup>/Annua without Public Hearing with following additional conditions:
    1. The project proponent shall prepare EIA & EMP.
    2. The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for green belt.
    3. The project proponent shall submit waste management plan.
    4. The project proponent shall submit a transportation plan for mineral transportation.
    5. The project proponent shall submit plan for Restoration of benches and buffer zone in remediation plan and the cost of restoration of benches and buffer zone should be included in Bank guarantee.
    6. The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.20.1.2022 and clause No.12 of SOP dated 07-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.
    7. Credible action to be initiated through concerned Regional office, APPCB under

section 15 read with section 19 of E(P) Act 1986.

- 8. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment.
  - 9. The project proponent shall ensure implementation of Environmental Management Plan, comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.
  - 10. The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board.
  - 11. The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2nd August 2017 in writ petition (Civil) No.144 of 2014 in the matter of common cause versus union of India and Ors. The undertaking inter-alia includes commitment of the PP not to repeat any such violation in future.
  - 12. The project proponent shall submit proof of Bank Guarantee submission as per S.O No.804 (E) dated 14.03.2017 and payment of penalty amount as per OM dated 07.07.2021.
- (i) The project proposal along with recommendation of SEAC was placed in SEAA meeting and decision of SEAA is as follows:-  
 "Refer to SEAC to examine with respect to the OM dated 08.01.2024 issued by MoEF&CC on violation cases"
- (ii) Again, this proposal was placed in 240<sup>th</sup> day's SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt 28th January 2022 vide Writ Petition (s) Civil No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil No(s). 1394/2023.
- The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt 28th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2023.

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VELLORE, A.P.**

The proposed project is for mining of Limestone Slabs (Black) in an area of 2.145 Ha. of production capacity of Limestone Slabs (Black) - 22,853 TPA with a condition that total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereto - (i). Mining of minerals (<250 ha of mining lease area in respect of non-coal mine leases).

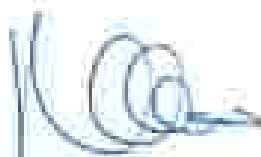

The representative of the project and their consultant, M/s VVN Technologies Pvt Ltd have attended the meeting and presented the proposal. The committee noted that:

- a) The Department of Mines and Geology submitted DSR of erstwhile Kurnool District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine.
- b) As per the approved mining plan dt. 05.07.2022, the total provided mineral reserves are 2,33,700 Tonnes. The proponent proposed to excavate Limestone Slabs (Black) - 22,853 TPA and Life of the mine is 10.23 years.
- c) The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology (FAC), Warangalapalle, vide Letter dated: 28.04.2023, there are 19 existing quarry leases within the radius of 500 mtrs area. The total cluster area is > 5.0 Ha.
- d) The project was earlier appraised 229<sup>th</sup> SEAC meeting and committee noted that subject mine is a patta land and the project proponent has not furnished patta land documents. Hence, committee recommended to raise ADR for submissions of Patta Land documents in the concerned portal.
- e) Accordingly, the project proponent furnished land documents over an extent of 2.145 Ha in the name of Venkata Ramu Reddy S/o Konda Reddy.
- f) The project proponent submitted production & despatch particulars issued by Divisional Mines & Geology Officer (FAC), Warangalapalle vide letter dated 13.06.2023 for the period from 2017-18 to 2023-24 (upto 05/2023).
- g) The committee noted that the lessee has excavated 3,80,100 Sqmts of Limestone Slabs (Black) during the period from 2017-18 to 2023-24 (upto 05/2023).
- h) From the above, committee noted that the proponent operated mine after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (F) dt.15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.
- i) The Hon'ble Supreme Court vide order dated the 27th February, 2017 in I.A. No.12-13 of 2011 in Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar vs. The State of Haryana and Others etc., prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(1), dated the 15th January, 2016 making prior environmental clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease.
- j) MGT order in OA No. 136 of 2017 (S2) So under these circumstances, the application can be disposed of, giving the following directions: (i) The applications which are pending on or before 31.3.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of these applications in accordance with law. (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter, can be treated as violation applications and the MoEF&CC /SEAC is directed to dispose of those

Member Secretary  
SEAC

Chairman  
SEAC

- applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- ii) The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs, and detailed deliberations, recommended to issue specific (Violation) Terms of Reference for mining of Limestone Slabs (Black) - 22.853 TPA with Public Hearing with following additional conditions:
- 1) The project proponent shall prepare cluster GIA& EMI;
  - 2) The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for green belt;
  - 3) The project proponent shall submit surface runoff prevention measures plan and estimation cost for construction;
  - 4) The project proponent shall submit waste management plan along with land allocation for waste dump;
  - 5) The project proponent shall submit Extension of LCI from Mines & Geology Department;
  - 6) The project proponent shall submit a transportation plan for mineral transportation;
  - 7) The project proponent shall submit plan for Restoration of benches and buffer zone in remediation plan and the cost of restoration of benches and buffer zone should be included in Bank guarantee;
  - 8) The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.23-1-2022 and clause No. 12 of SOP dated 07-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period;
  - 9) Credible action to be initiated through concerned Regional office APPCB under section 15 read with section 19 of EPP Act 1986.
- 10) The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultant. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment;
- 11) The project proponent shall ensure implementation of Environmental Management Plan, comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.
- 12) The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board;
- 13) The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court

Member Secretary

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON - 13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VELAYAWADA, A.P.**

- i) The Hon'ble Supreme Court vide order dated the 27th February, 2012 in L.A. No.12-13 of 2011 in Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar etc Vs. State of Haryana and Others etc., prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(E), dated the 15th January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease.
- ii) MCA order in OA No.136 of 2017 (OJ) : So under these circumstances, the application can be disposed of giving the following directions: (i)The applications which are pending as on 31.03.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. (ii) The persons who have not filed applications on or before 31.1.2016 and filed thereafter, can be treated as violation applications and the MoEF&CC /SEAA is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- h) The committee noted that the proponent operated mine after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt. 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.
- i) The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations, recommended to issue specific (Violation) Terms of Reference for mining of Limestone Slabs (Black) - 33,260 TPA with Public Hearing with following additional conditions:
1. The project proponent shall prepare cluster EIA& EMP.
  2. The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for green belt.
  3. The project proponent shall the project proponent shall submit LOI extension letter at the time of applying for EC as the present LOI is going to expire on 14.02.2024.
  4. The project proponent shall submit a transportation plan for mineral transportation.
  5. The project proponent shall submit plan for Restoration of benches and buffer zone in remediation plan and the cost of restoration of benches and buffer zone should be included in Bank guarantee.
  6. The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.2B.1/2022 and clause No. 12 of SOP dated 07-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.
  7. Credible action to be initiated through concerned Regional office, APCLB under section 15 read with section 19 of E(O) Act 1986.
  8. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment.
  9. The project proponent shall ensure implementation of Environmental Management Plan comprising remediation plan and natural and community

resource augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.

10. The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board.
11. The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2nd August 2017 in writ petition (Civil) No.144 of 2014 in the matter of common cause versus Union of India and Ors. The undertaking inter alia includes commitment of the PP not to repeat any such violations in future.
12. The project proponent shall submit proof of Bank Guarantee submission as per S.O.No.804 (6) dated 14.03.2017 and payment of penalty amount as per OM dated 07.07.2021.

- i) The project proposal along with recommendation of SEAC was placed in SEIAA meeting and Decision of SEIAA is as follows:-  
“Refer to SEAC to examine with respect to the OM dated 08.01.2024 issued by MoEFCC on Violation cases”.
- ii) Again, this proposal was placed in 240<sup>th</sup> day1 SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt 20th January 2022 vide Writ Petition (s) Civil) No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil) No(s). 1394/2023.

The Committee after examining the project proposals, presentation, mining plan, MoEFCC Notifications & OM's and detailed deliberations, recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt 20th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil) No(s). 1394/2023.

<b>Agenda Item No:</b> <b>233.19 &amp; 240.P.29</b>	<b>2.00 Ha. Mining of Black Granite of M/s. Yashwanth Granites, Sy No: 82 of Hill, Gap Area of H1, Upparapalli Village, Somata Mandal, Chittoor District, Andhra Pradesh – TDR - Reg.</b>
<b>SIA/AP/MIN / 436616/2023</b>	<p><b>Category:</b> II at par with III (Major minerals)</p> <p>The proposed project is for mining of Black Granite in area of 2.00 Ha. with a proposed production capacity of Black Granite - 2,100 m<sup>3</sup>/Annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i) Mining of minerals (&lt;250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant M/s SV Enviro Labs &amp; Consultants have attended the meeting and presented their proposal. The SEAC committee noted that:</p> <ol style="list-style-type: none"> <li>a) The Department of Mines and Geology submitted DSR of erstwhile Chittoor District. **MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZAYAWADA, A.P.**

- Geology Officer, Palamau vide Letter dtd: 11.05.2023 there are no existing quarry lease within the radius of 500 meters area. The total cluster area is < 5.0 Ha.
- d) The Department of Mines and Geology has issued Letter of Intent (LOI) vide order dt. 13.04.2023 for a period of 10 years with subject to submission of Approved Mining Plan, EC and CFE within a period of 3 year.
- e) This is an existing lease and obtained work order on 28.11.2006 for 20 years.
- f) The Hon'ble Supreme Court vide order dated the 27th February, 2012 in L.A. No.12-13 of 2011 in Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar etc Vs. State of Haryana and Others etc., prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(E), dated the 15th January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease.
- g) NCT order in OA No 136 of 2017 (RE)So, under these circumstances, the application can be disposed of giving the following directions: (i) The applications which are pending as on 31.12.2016 for Environment Clearance have to be treated as normal applications and not violation application and the authorities are directed to dispose of those applications in accordance with law. (ii) The persons who have not filed applications on or before 31.12.2016 and filed thereafter, can be treated as violation applications and the MoEFCC /SEAC is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- h) The committee noted that the proponent operated mine after 2016 without obtaining environmental clearance is required under EIA notification 2006 after promulgation of S.O. 141 (E) dt 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.
- i) The Committee after examining the project proposals, presentations, MoEFCC Notifications & OM's and detailed deliberations recommended to issue specific (**Violation**) Terms of Reference for mining of Black Granite - 2100 m<sup>3</sup>/Annumwithout Public Hearing with following additional conditions:
- 1) The project proponent shall prepare cluster EIA& EMP.
  - 2) The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for greenbelt.
  - 3) The project proponent shall submit waste management plan.
  - 4) The project proponent shall submit a transportation plan for mineral transportation.
  - 5) The project proponent shall submit plan for Restoration of benches and buffer zone in remediation plan and the cost of restoration of benches and buffer zone should be included in Bank guarantee.
  - 6) The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.28.1.2022 and clause No.12 of SOP dated 02-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.
  - 7) Creditable action to be initiated through concerned Regional office, APPCB under section 15 read with section 19 of E(P) Act 1986.
  - 8) The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986 or an

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VELAYAWADA, A.P.**

- a) The Department of Mines and Geology submitted DSR of erstwhile Kurnool District. The same is reviewed in the SEAC meeting and the present mine lease details are mentioned at page No.174 in the DSR.
- b) The Mining Department vide proceeding dt. 15.02.2023 issued LOI for a period of 10 years subject to submission of Approved Mining plan, EIA and CTE from APPCB within in a period of 1 year.
- c) As per the approved mining plan dt. 31.12.2021, the total provided mineral reserves are 2336.20T. The proponent proposed to excavate Limestone Slabs (Black) - 25,538 TPA and life of the mine is 9 years.
- d) The Committee noted that as per the cluster letter dated 21.05.2023 issued by the District Miner & Geology Officer Nandyal, there are 07 existing quarry leases within the radius of 500 meters area. The total cluster area is < 5.0 Ha.
- e) This is an existing lease area and obtained 1st renewal lease on 25.01.2021 for 10 years.
- f) The Hon'ble Supreme Court via order dated the 27th February, 2012 in LA. No.12-13 of 2011 in Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar etc. Vs. State of Haryana and Others etc., prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number SO.141(E), dated the 15th January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease.
- g) NGT order in OA No 136 of 2017 (N7) : So under these circumstances, the application can be disposed of giving the following directions: (i) The applications which are pending as on 31.3.2016 for Environment Clearance have to be treated as normal applications and not Violation applications and the authorities are directed to dispose of those applications in accordance with law. (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter, can be treated as violation applications and the MoEF&CC /SEIAA is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- h) The committee noted that the proponent operated mine after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of SO. 141 (E) dt. 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.
- i) The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations, recommended to issue specific (Violation) Terms of Reference for mining of Limestone Slabs (Black) - 25,538 TPA without Public Hearing and with following additional conditions:
- 1) The project proponent shall prepare cluster EIA& EMF.
  - 2) The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for green belt.
  - 3) The project proponent shall submit LOI extension letter at the time of applying for EIA as the present LOI is going to expire by 25.01.2024.
  - 4) The project proponent shall submit surface runoff prevention measures plan.
  - 5) The project proponent shall submit a transportation plan for mineral transportation.
  - 6) The project proponent shall submit plan for Restoration of banches and buffer zone in remediation plan and the cost of restoration of banches and buffer zone should be included in Back guarantee.
  - 7) The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.28.1.2022 and clause No. 12 of SOP dated 07-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.
  - 8) Credible action to be initiated through concerned Regional office, APPCB under

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZAYAWADA, A.P.**

- section 15 read with section 19 of E(V) Act 1986.
- 9) The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment.
  - 10) The project proponent shall ensure implementation of Environmental Management Plan comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.
  - 11) The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board.
  - 12) The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2nd August 2017 in writ petition (Civil) No 144 of 2014 in the matter of common cause versus union of India and Ors. The undertaking inter-alia includes commitment of the PP not to repeat any such violation in future.
  - 13) The project proponent shall submit proof of Bank Guarantee submission as per OM No.805 (E) dated 14.03.2017 and payment of penalty amount as per OM dated 07.07.2021.
- i) The project proposal along with recommendation of SEAC was placed in SIAA meeting and Decision of SIAA is as follows:
- "Refer to SEAC to examine with respect to the OM dated 01.01.2024 issued by MoEF&CC on violation cases".
- ii) Again, this proposal was placed in 240<sup>th</sup> day SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt. 28th January 2022 vide Writ Petition (s) Civil No(s). 1394/2022. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2022.

The Committee after examining the project proposal, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberation, recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt. 28th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2022.

<b>Agenda Item: 235.09 A 240.P.31 SIA/AP/MIN /445055/20 23.</b>	<p><b>2.390 Ha. Mining of Read Metal, Building Stone &amp; Gravel of Sri. L. Dantagiri Reddy at Sy. No. 2267 (old No.1910) of Nandyalmettu Village, Mydukur Mandal, Y.S.R Kadapa District, Andhra Pradesh - TOR - Reg.</b></p> <p><b>Category: H2 on par with B1 (Minor Minerals).</b></p> <p>The proposed project is for mining of Read Metal, Building Stone &amp; Gravel in an area of 2.390 Ha with a proposed production quantity of Read Metal, Building Stone - 1,01,133 m<sup>3</sup>/annum &amp; Gravel - 55,951 m<sup>3</sup>/annum with a condition that the total production during a season should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project fall under Item No. 1(a) of the schedule of the EIA Notification 2006</p>
---	---

and its amendments thereof - (i). Mining of minerals (<250 ha of mining lease area in respect of non-coal mine lease).

The project proponent and their consultant, M/s SV Enviro Labs & Consultants, have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a) The Department of Mines and Geology submitted DSR of area under YSR Kadapa District. The same is reviewed in the SEAC meeting and the present mine lease details are mentioned at page No.101 of S.No 95 in the DSR.
- b) This is an existing lease area and the Department of Mines and Geology issued 1<sup>st</sup> renewal Letter of Intent (LOI) vide order dt. 14.08.2023 for a period of 10 years subject to submission of Approved Mining Plan, EIA and CFE within a period of 01 year from the date of issue of LOI.
- c) The Committee noted that as per the cluster letter dated 29.08.2023 issued by the District Mine & Geology Officer, Kadapa, there is one existing quarry leases within the radius of 500 mtrs area. The total cluster area is <5.0 Ha.
- d) As per the approved mining plan dt.25.08.2023, the total provided mineral reserves are 6,91,015 m<sup>3</sup> of Road metal and building stone and Gravel of 3,62,801 m<sup>3</sup>. The proponent proposed to excavate Road Metal and building stone of 1,01,133 m<sup>3</sup>/annum and Gravel - 55,951 m<sup>3</sup>/annum and Life of the mine is 0.83 years.
- e) From the timeline in the KML file, the committee noted that the proponent operated mine after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt. 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.
- f) The Hon'ble Supreme Court vide order dated the 27th February, 2012 in L.A. No.12-13 of 2011 in Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar etc. Vs. State ofaryana and Others etc. major environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number SO.141(E), dated the 15<sup>th</sup> January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease.
- g) NGT order in OA No. 136 of 2017 (S2) So under these circumstances, the applications can be disposed of giving the following directions: (i) The applications which are pending as on 31.3.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter, can be treated as violation applications and the MoEF&CC /SEAC is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- h) The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations, recommended to issue specific (Violation) Terms of Reference for mining of Road Metal, Building Stone- 1,01,133 m<sup>3</sup>/annum & Gravel - 55,951 m<sup>3</sup>/annum without Public Hearing and with following additional conditions:
  1. The project proponent shall prepare cluster RI&E IMP.
  2. The project proponent shall prepare a detailed plantation plan including no. of species and type of species and area of land allocated for greenbelt and also

HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIZIANAGARA, A.P.**

either major or minor, even less than 5 hectares area has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.

- a) The committee noted that the proponent operated mine after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.
- b) The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations recommended to issue specific (Violation) Terms of Reference for mining of Black Granite – 11,115 m<sup>3</sup>/Annum without Public Hearing with following additional conditions:
1. The project proponent shall prepare Cluster EIA & EMF.
  2. The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for green belt.
  3. The project proponent shall submit waste management plan.
  4. The project proponent shall submit a transportation plan for mineral transportation.
  5. The project proponent shall submit plan for Restoration of beaches and buffer zone in remediation plan and the cost of restoration of beaches and buffer zone should be included in bank guarantee.
  6. The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No 28.1.2022 and clause No 12 of SOP dated 07-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cut and the total turnover during the violation period.
  7. Credible action to be initiated through concerned Regional office/ APBEC under section 15 read with section 19 of E(1) Act 1996.
  8. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research Institution working in the field of environment.
  9. The project proponent shall ensure implementation of Environmental Management Plan, comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage suffered and economic benefit derived due to violation.
  10. The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board.
  11. The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2nd August 2017 in writ petition (Civil) No.144 of 2014 in the matter of common cause versus Union of India and Ors. The undertaking inter alia

**Category: B2 or par with B1 (Minor Mineral)**

The proposed project is for mining of Road Metal and Building Stone in an area of 1.0Ha with a proposed production quantity of - 1,02,976m<sup>3</sup>/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (<250 ha of mining lease area in respect of non-coal mine lease).

The project proponent and their consultant, M/s SV Enviro Labs & Consultants, have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a) The Department of Mines and Geology submitted DSR of erstwhile Visakhapatnam District. The same is reviewed in the SEAC meeting and the present min lease details are mentioned at S.No 98 of page No.175 in the DSR.
- b) This is an existing lease area and obtained work order in favour of K. Ramana Reddy on 23.11.1995 and later the K. Ramana Reddy, lessee has obtained 2<sup>nd</sup> and 3<sup>rd</sup> renewal lease on 12.07.2004 and 27.07.2015. The latest renewal lease was granted on 27.07.2015 for a period of 15 years.
- c) The Mining Department vide proceeding [c/21/07/2023] issued grant for transfer of quarry lease for Road metal and building stone over an extent of 1.0 Ha in Sy. No. 01 of Marturu village, Anakapalli Mandal & District ( erstwhile Visakhapatnam District) held by Sri. K. Ramana Reddy in favour of M/s. Siraj Projects Prop. Sri. V.Venkataramapaju with a validity upto 22.12.2020 subject to submission of Appointed Mining plan, EC and CTE from APPCB.
- d) As per the approved mining plan dt.11.09.2023, the total provided mineral reserves are 10,21,964 M<sup>3</sup>. The proponent proposed to excavate Road metal and building stone of 1,02,976 m<sup>3</sup>/annum and life of the mine is 10 years.
- e) The Committee noted that as per the cluster letter dated 07.11.2023 issued by the District Mines & Geology Officer, (FAC), Anakapalli, there are 28 existing quarry leases within the radius of 500 meters area. The total cluster area is > 5.0 Ha.
- f) The Hon'ble Supreme Court suo motu order dated the 27th February, 2012 in I.A. No.12-13 of 2011 in Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar etc. Vs. State of Haryana and Others etc. prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(E), dated the 15th January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the min lease.
- g) NGT order in OA No 136 of 2017 (S2). So under these circumstances, the application can be disposed of giving the following directions: (i) The applications which are pending on or before 31.3.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter can be treated as violation applications and the MoEF&CC /SEAC is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- h) The committee noted that the proponent operated mine after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt. 15.01.2016 and hence to be treated as identified violation case as per DM 07.07.2021.
- i) The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OM's and detailed deliberations, recommended to issue specific (Violation) Terms of Reference for mining of Road Metal and Building stone - 1,02,976

ii) /annex with Public Hearing and with following additional conditions:

1. The project proponent shall prepare cluster EIA& EMP.
  2. The project proponent shall prepare a detailed plantation plan including no. of species and type of species and area of land allocated for green belt and also allocate specific place to develop green belt at surrounding villages.
  3. The project proponent shall submit surface runoff prevention measures plan.
  4. The project proponent shall submit a transportation plan for mineral transportation.
  5. The project proponent shall submit plan for Restoration of benches and buffer zone in remediation plan and the cost of restoration of benches and buffer zone should be included in bank guarantee.
  6. The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.281/2022 and clause No.12 of SOP dated 07-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.
  7. Credible action to be initiated through concerned Regional Office, APVPCB under section 15 read with section 19 of EPCA Act 1986.
  8. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment.
  9. The project proponent shall ensure implementation of Environmental Management Plan, comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.
  10. The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board.
  11. The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2nd August 2017 in writ petition (Civil) No.144 of 2014 in the matter of cognition cause versus union of India and Ors. The undertaking inter-alia includes commitment of the PP not to repeat any such violation in future.
  12. The project proponent shall submit proof of Bank Guarantee submission as per S.O.No.804 (E) dated 14.01.2017 and payment of penalty amount as per OM dated 07.07.2021.
- ii) The project proposal along with recommendation of SEAC was placed in SEIAA meeting and Decision of SEIAA is as follows:-  
"Refer to SEAC to examine with respect to the OM dated 08.01.2024 issued by MoEF&CC on violation cases".
- iii) Again, this proposal was placed in 240<sup>th</sup> day SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt 28th January 2022 vide Writ Petition (s) Civil) No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil) No(s). 1394/2023.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended to further

HELD ON -13<sup>TH</sup>, 14<sup>TH</sup> & 15<sup>TH</sup> February 2024 AT VIJAYAWADA, A.P.

Notifications & OM's and detailed deliberations, recommended to issue specific (Violation) Terms of Reference for mining of Road Metal and Building Stone - 45,000 m<sup>3</sup>/Annum without Public Hearing with following additional conditions:

1. The project proponent shall prepare Cluster EIA & EMR.
2. The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for green belt.
3. The project proponent shall submit a transportation plan for mineral transportation.
4. The project proponent shall submit plan for Reclamation of benches and buffer zone in remediation plan and the cost of restoration of benches and buffer zone should be included in Bank guarantee.
5. The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.28.1.2022 and clause No.12 of SOP dated 07-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.
6. Credible action to be initiated through concerned Regional office, APCCB under section 15 read with section 19 of EPP Act 1986.
7. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment.
8. The project proponent shall ensure implementation of Environmental Management Plan comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.
9. The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board.
10. The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2nd August 2017 in writ petition (Civil) No.144 of 2014 in the matter of common man verse union of India and Ors. The undertaking inter alia includes commitment of the PP not to repeat any such violation in future.
11. The project proponent shall submit proof of Bank Guarantee submission as per S.O No.RD4 (I) dated 14.03.2017 and payment of penalty amount as per OM dated 07.07.2021.
- (i) The project proposal along with recommendation of SEAC was placed in SEIAA meeting and Decision of SEIAA is as follows:  
"Refer to SEAC to examine with respect to the OM dated 01.01.2024 issued by MoEF&CC on Violation cases"
- (ii) Again, this proposal was placed in 240<sup>th</sup> day SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt. 28th January 2022 vide Writ

**MINUTES OF THE 240<sup>TH</sup> MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P.,  
HELD ON - 12<sup>th</sup>, 14<sup>th</sup> & 15<sup>th</sup> February 2024 AT VIZIANAGAR, A.P.**

Petition (s) Civil No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s) 1394/2021.

The Committee after examining the project proposals, presentations, mining plan, MoFAC Notifications & OM's and detailed deliberations recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2023 and OM dt. 28th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2023.

<b>Agenda Item:</b> <b>237.30 &amp; 4</b> <b>240.P.36</b> <b>SIA/AP/MIN</b> <b>/153870/20</b> <b>23</b>	<p><b>11.661 Ha Mining of Road Metal &amp; Building Stone of Sri. P. Rammohan Reddy, Survey No: 709/2, Bommalahgaripalli Village Rompicherla Mandal, Chittoor District - TOR - Reg.</b></p> <p><b>Category:</b> B2 at par with B1 (Violation).</p> <p>The proposed project is for mining of Road Metal &amp; Building Stone in an area of 11.661 Ha, with a promised production capacity of Road Metal &amp; Building Stone - 56,500 m<sup>3</sup>/Annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i) Mining of minerals (&lt;250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The project proponent and their consultant M/s. Right Source Industrial Solutions Pvt Ltd, have attended the meeting and presented the case. The committee noted that:</p> <ul style="list-style-type: none"> <li>a) The Department of Mines and Geology submitted DSR of Chittoor District. The same is reviewed in the STAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine at S.No.241 of Page No.100 of DSR Report. The same details were also available in DMR 2023 which is under process at SEIAA for approval.</li> <li>b) The Department of Mines and Geology vide order dt. 30.05.2015 issued work order to the subject mine for amalgamation of 590.0 Ha + 5.670 Ha and the same is valid up to 22.01.2027.</li> <li>c) As per cluster letter dt. 22.11.2023 issued by District Mines &amp; Geology Officer, Chittoor, there are no existing quarry leases within the radius of 500 mts area. The total applicable cluster area is &gt;5.0 Ha.</li> <li>d) As per the approved mining plan dt. 29.11.2023, the total provided mineral reserves are 16,70,644 m<sup>3</sup>. The proponent proposed to excavate Road Metal &amp; Building Stone 56,500 m<sup>3</sup>/Annum. The Life of the mine is 81 years.</li> <li>e) The committee noted that there are sheds existing on south east side. The project proponent informed that the sheds are constructed for labour working their stone and adjacent stone crusher. Hence, the committee directed the project proponent to submit photographs of existing sheds GPS co-ordinates.</li> <li>f) The committee noted that water body is existing at a distance about 90 mts on south eastern side. Hence, the committee directed the project proponent to submit protection measures plan for existing water body.</li> <li>g) The project proponent submitted production &amp; despatch details vide letter dated 22.11.2023 and the committee noted that the proponent excavated 38,144 cum of Road Metal &amp; Building Stone without obtaining Environmental Clearance. Hence, the subject mine falls under violation category.</li> <li>h) The committee noted that the proponent operated mine from after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt. 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.</li> <li>i) And whereas, pursuant to the order of the Hon'ble Supreme Court dated the 27<sup>th</sup> February, 2022 in I.A. No.32-13 of 2011 in Special Leave Petition (Civil) No.19628.</li> </ul>
--	--

19629 of 2009, in the matter of Deepak Kumar etc. Vs. State of Haryana and Others etc., prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(6), dated the 15th January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease. And whereas, all mine lease holders are required to obtain prior environment clearance.

- i) NGT order in OA No 136 of 2017 (52): So, under these circumstances, the application can be disposed of giving the following directions: ((i)The applications which are pending as on 31.3.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter can be treated as violation applications and the MoEF&CC /SEAC is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.
- ii) The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to issue specific (Violation) Terms of Reference for mining of Road Metal & Building Stone - 56,500 m<sup>3</sup>/annum with Public Hearing with following additional conditions:
1. The project proponent shall prepare cluster RIAs & EME.
  2. The project proponent shall submit photographs of existing sheds GPS co-ordinates.
  3. The project proponent shall submit protection measures plan for existing water body.
  4. The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for green belt.
  5. The project proponent shall submit a transportation plan for mineral transportation.
  6. The project proponent shall submit plan for restoration of benches and buffer zone in remediation plan and the cost of restoration of benches and buffer zone should be included in Bank guarantee.
  7. The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.281/2022 and clause No 12 of SOP dated 07-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.
  8. Credible action to be initiated through concerned Regional office, APDCC under section 15 read with section 19 of E(P) Act 1986.
  9. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment.
  10. The project proponent shall ensure implementation of Environmental Management Plan, comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.
  11. The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resources

Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2023.</p> <p>The Committee after examining the project proposals, presentations, mining plan, MoEF&amp;CC Notifications &amp; OM's and detailed deliberations recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt. 28th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil No(s). 1394/2023.</p>
Agenda Item No. 236-38 & 240.P 41	3.0 Ha Road Metal, Building Stone & Gravel of M/s. SGX Minerals Pvt Ltd at Sy. No. 01, Marturu village, Anakapalli Mandal, Anakapalli District - TOR Amendment - Reg.
SIA/AP/MIN /306270/20 23	<p>Category: B2 as per with B1</p> <p>a) The proponent obtained violation TOR with public hearing for Road Metal &amp; Building stone with production capacity of 53,419 m<sup>3</sup>/annum and Gravel - 5905 m<sup>3</sup>/annum vide</p>

Member Secretary  
SEAC

Chairman  
SEAC

- order dated 17.10.2023.
- b) Now, the proponent applied for amendment to TOR in the Parvesh portal requesting to issue violation TOR without Public Hearing as the subject mine was granted prior to 09.09.2013.
  - c) The committee verified cluster letter dt. 20.04.2023 and S.O No. 2269 (E) dt 01.07.2016 issued by MoEF&CC, Govt for the cluster applicability.
  - d) The committee noted that the Hon'ble NGT vide its order dt. 13.09.2018 in O.A. No. 186 of 2016 directed as follows:
    - "(iii) If a cluster or an individual lease size exceeds 5 Ha, the EIA/EMP be made applicable in the process of grant of prior environmental clearance."  - e) From the above it is evident that subject mine shall be considered for the cluster situation and the committee reiterated earlier stand of SEAC that the applicability of cluster situation includes the subject mine to calculate the cluster area.
  - f) The Committee noted that as per the cluster letters 20.04.2023 issued by the Asst. Director of Mines & Geology, Anakapalli, there are 32 existing quarry leases with a total cluster area of 115.262 Ha and the applicable cluster area is of 24.06 Ha (which includes subject mine of 3.0 Ha) within the radius of 500 mtrs area. Therefore, the project proponent has to go for Public Hearing as per S.O. No. 2269 (E) dt. 01.07.2016.
  - g) Hence, committee treated that it is a violation case and hence committee opined that earlier TOR issued vide order dated 17.10.2023 holds good.
  - h) The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended to reject the request of the project proponent for TOR Amendment without Public Hearing as cluster situation includes the subject mine to calculate the cluster area and the previous TOR dated 17.10.2023 holds good.
  - i) The project proposal along with recommendation of SEAC was placed in SEIAA meeting and Decision of SEIAA is :  
"Refer to SEAC to examine with respect to the OM dated 08.01.2024 issued by MoEF&CC in violation cases".
  - j) Again, this proposal was placed in 240<sup>th</sup> day SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt. 28th January 2022 vide Writ Petition (a) Civil No(s). 1394/2022. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (a) Civil No(s) 1394/2022.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt. 28th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (a) Civil No(s) 1394/2022.

Agenda No: 234.57 & 240.P.62	1.00 Ha, Mining of Road Metal & Building stone of M/s Vigneswara Granite Metal Industries at Survey No.: 01 Marturu Village Anakapalli Tehsil, Visakhapatnam District Andhra Pradesh -TOR- Amendment - Reg.
SIA/AP/MIN /306472/20 23	<p>Category: B2 as per with S.I.</p> <ul style="list-style-type: none"> <li>a) The proponent obtained violation TOR with public hearing for Road Metal &amp; Building stone with production capacity of 68.612 m<sup>3</sup>/annum vide order dated 20.10.2023.</li> <li>b) Now, the proponent applied for amendment to TOR in the Parvesh portal requesting to issue violation TOR without Public Hearing as the subject mine was granted prior to 09.09.2013.</li> <li>c) The committee verified cluster letter dt. 17.12.2022 &amp; 14.11.2023 and S.O No. 2269 (E) dt. 01.07.2016 issued by MoEF&amp;CC, Govt for the cluster applicability.</li> <li>d) The committee noted that the Hon'ble NGT vide its order dt. 13.09.2018 in O.A. No. 186 of 2016 directed as follows:</li> <ul style="list-style-type: none"> <li>"(iii) If a cluster or an individual lease size exceeds 5 Ha, the EIA/EMP be made</li> </ul> </ul>

- applicable in the process of grant of prior environmental clearance?"
- e) From the above it is evident that subject mine shall be considered for the cluster situation and the committee reiterated earlier stand of SEAC that the applicability of cluster situation includes the subject mine to calculate the cluster area.
  - f) The Committee noted that as per the cluster letters 17.12.2022 & 14.1.2023 issued by the Asst. Director of Mines & Geology, Ananthapuram, there are 27 existing quarry leases with a total cluster area of 60.07 Ha and the applicable cluster area is of 7.50 Ha (which includes subject mine of 2.90 Ha) within the radius of 500 meters area. Therefore, the project proponent has to go for Public Hearing as per S.O. No. 2269 (E) dt. 01.07.2016.
  - g) Hence, committee treated that it is a violation case and hence committee opined that earlier TOR issued vide order dated 20.10.2023 holds good.
  - h) The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended to reject the request of the project proponent for TOR Amendment without Public Hearing as cluster situation includes the subject mine to calculate the cluster area and the previous TOR dated 20.10.2023 holds good.
  - i) The project proposal along with recommendation of SEAC was placed in SELAA meeting and Decisions of SELAA is as follows:-  
"Refer to SEAC to examine with respect to the OM dated 08.01.2024 issued by MoEF&CC on withdraw cases"
  - j) Again, this proposal was placed in 240<sup>th</sup> day 1 SEAC meeting and the committee noted that the orders of the Hon'ble Supreme Court dated 02.01.2024 imposing stay with reference to the SOP dt. 07th July 2021 and OM dt. 20th January 2022 vide Writ Petition (s) Civil) No(s). 1394/2023. Hence, the committee recommended to consider all violation proposals after final outcome of the Hon'ble supreme Court in Writ Petition (s) Civil) No(s). 1394/2023.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OM's and detailed deliberations, recommended to further consideration in light of stay imposed by Hon'ble Supreme Court on implementation of SOP dt. 07th July 2021 and OM dt. 20th January 2022 and to consider violation proposals after final outcome of the Hon'ble Supreme Court in Writ Petition (s) Civil) No(s). 1394/2023.

<b>Agenda Item No.237.27 &amp; 240.P #3</b>	2.50 Ha Road Metal & Building Stone of M/s. High Yield Estates Pvt Ltd., Sy. No: 7, Pedadungada Village, Vepoda Mandal, Visianagaram District- TOR Amendment - Reg.
<b>SIA/AP/MIN /307331/20 23</b>	<p>Category: B2 at par with B1.</p> <p>The Project proponent and their consultant Ecomet Laboratories Private Limited, have attended the meeting and presented the proposal. The SEAC committee noted that-</p> <ul style="list-style-type: none"> <li>a) The project proponent obtained violation TOR with public hearing vide order dt. 26.04.2022 to Sri K Srinivasa Rao for mining of Road metal &amp; Building Stone - 93,872 m<sup>3</sup>/annum and the valid of TOR order is valid for 3 years.</li> <li>b) Now the project proponent applied for amendment of TOR for enhancement of production capacity (average production) and to change name of the mine lease.</li> <li>c) The Department of Mines &amp; Geology, with order dated 20.10.2023 transferred quarry lease in favour of M/s.
