

State Level Expert Appraisal Committee, Uttarakhand
653, Indiranagar Colony, Seemadwar Road, Dehradun

Letter No: 205 / SEAC

Dated: 26 March, 2021

The 16th meeting of the Uttarakhand State Level Expert Appraisal Committee (SEAC) was held on 19th March, 2021 at the SEIA/SEAC office Dehradun. The following were present at the meeting –

- | | |
|------------------------|------------------|
| 1) Dr. R.K. Srivastava | Chairman |
| 2) Dr. B.P. Purohit | Member |
| 3) Shri Rajiv Dhiman | Member Secretary |

The meeting was presided by Dr. R.K. Srivastava. The meeting proceeded as per the agenda with permission of the chair. It was noted that proposals, for the meeting, being considered for the appraisal includes Housing/Construction, Mining (R.B.M/Soapstone/Brick Kiln) & Others etc. The concerned recognized environment consultants of the proponents made the presentations.

Consideration/Reconsideration of Proposals For Environmental Clearance (E.C.)

Proposal – 1

Site Details	Khasra No- 47 Ma Village- Taulyakatal, Tehsil- Dhanaulti, District- Tehri Garhwal.
Name & Address of Proponent	Shri Dayal Singh S/o Hukum Singh Add- Village- Chulyani Mathlown, Dangu, Tehsil- Dhanaulti, District- Tehri Garhwal.
Coordinates	Lat - 30°18'43.05"N to 30°18'42.48"N Long- 78°10'48.31"E to 78°10'47.87"E
Mining Lease Area	1.20 Ha
Category	B2 & 1(a) enlisted in project /activity as per EIA Notification, 2006

The committee observed that proponents seek Environmental Clearance for extraction of sand/bajri/boulder (River Bed Material) in accordance with the provisions of EIA Notification, 2006 as enlisted in Schedule 1(a). The proponent has applied with detailed project related information in Form 1, Pre Feasibility Report and EMP. The project was submitted vide proposal no SIA/UK/MIN/190658/2020 on dated 29th January, 2021 by project proponent.

The committee observed that project proponent has not submitted approved mine plan. Hence committee decided to defer the project.

Proposal – 2

Site Details	Khasra No- 5811 Village- Almas, Tehsil- Dhanaulti, District- Tehri Garhwal.
Name & Address of Proponent	Shri Jagmohan Singh Chauhan, S/o Devi Singh Chauhan Add- Village- Syalsi, Tehsil- Dhanaulti, District- Tehri Garhwal.
Coordinates	Lat - 30°29'4.18"N to 30°29'4.21"N Long- 78°12'5.52"E to 78°12'4.71"E
Mining Lease Area	0.100 Ha
Category	B2 & 1(a) enlisted in project /activity as per EIA Notification, 2006

The committee observed that proponents seek Environmental Clearance for extraction of sand/bajri/boulder (River Bed Material) in accordance with the provisions of EIA Notification, 2006 as enlisted in Schedule 1(a). The proponent has applied with detailed project related information in Form 1, Pre Feasibility Report and EMP. The project was submitted vide proposal no SIA/UK/MIN/191031/2021 on dated 29th January, 2021 by project proponent.

The committee observed that project proponent has not submitted approved mine plan. Hence committee decided to defer the project.

Proposal – 3

Site Details	Khasra no. 1932, 1942, 1950 and others, Vill- Pagna, Tehsil & Dist- Bageshwar.
Name & Address of Proponent	Shri Bharat Singh Bhakuni S/o Shri Anand Singh Bhakuni, R/o Tehsil Road, Dist.-Bageshwar

Coordinates	Lat- 29°47'2.18"N to 29°47'5.98"N Long- 79°48'32.68"E to 79°48'28.46"E
Mining Lease Area	4.944 Ha.
Category	B1 & 1(a) enlisted in project /activity as per EIA Notification, 2006

The committee observed that proponents seek Environmental Clearance for extraction of soapstone in accordance with the provisions of EIA Notification, 2006 as enlisted in Schedule 1(a). The proponent has applied with detailed project related information in Form 1, Pre Feasibility Report and EMP. The project was submitted vide proposal no SIA/UK/MIN/60777/2019 on dated 13th February, 2021 by project proponent. Project was prepared by Accredited consultancy firm Overseas Min-Tech Consultants Pvt. Ltd. and project was presented by Shri Arun Kumar Yadav EIA Coordinator.

The committee considered the proposal after EIA/EMP & Public Hearing. The committee observed that the ToR was issued by the SEAC in the meeting vide no- 126/SEAC dated 18-11-2019 and the public hearing was conducted 12-11-2020. The project proponent has now submitted final EIA report consisting of 44 chapters including, description of environment, anticipated environmental impact and mitigation majors, environmental monitoring programme, project benefits, Disclosure of Consultants Engaged EMP etc. The details of the project are given below:-

S. No	Details	Reply									
1	Name of the Proponent	Shree Bharat Singh Bhakuni, S/o Shree Anand Singh Bhakuni R/o- Tehsil Road, Bageshwar, Dist.-Bageshwar. Pin Code-263642, Mob.No.75002-25274.									
2	Project Site	Near Pagna, Tehsil: Bageshwar, District – Bageshwar.									
3	Project Site Coordinates	Latitude: 29°47'2.18"N to 29°47'5.98"N Longitude 79°48'32.68"E to 79°48'28.46"E									
4	Type of project	Mining as per Schedule 1(a) of EIA Notification 2006									
5	Mine Lease Area	4.944Ha									
6	Project Category as per EIA Notification 2006	B1									
7	New or On going Site	New Site									
8	Land Status	Govt. land 0.632Ha., Agriculture land 4.279Ha others 0.033Ha (public use land)									
9	Letter of Intent	Letter of intent for grant of M.L was issued vide letter no. 1825/VII-1/2018/121/Kh/14 dated 31/08/2018 over an area of 4.944 hect. in village-Pagna, Tehsil- Bageshwar, Dist. – Bageshwar, Uttarakhand for 25 years.									
10	Method of Mining	Opencast Semi Mechanized Method									
11	Total Mineable Reserve	267294 MT									
12	Estimated Quantity	47782 TPA (ROM)									
13	Thickness of soil	Varies from 0.2m – 0.3m.									
14	Mining Shall be carried out from	945m RL-810m RL									
15	Mine area under cluster	There is two other mines also present with in 500m of proposed mine site. The total of cumulative area of all mine lease area are as follows:- <table border="1"> <thead> <tr> <th>S.No</th><th>Mine Holder</th><th>Mine Lease Area (in ha.)</th></tr> </thead> <tbody> <tr> <td>1.</td><td>Jiten Singh Athani</td><td>3.909</td></tr> <tr> <td>2.</td><td>Ganesh Datt Nainwal</td><td>13.996</td></tr> </tbody> </table>	S.No	Mine Holder	Mine Lease Area (in ha.)	1.	Jiten Singh Athani	3.909	2.	Ganesh Datt Nainwal	13.996
S.No	Mine Holder	Mine Lease Area (in ha.)									
1.	Jiten Singh Athani	3.909									
2.	Ganesh Datt Nainwal	13.996									
16	Ecological Sensitive Map	Submitted & No National Park/Reserve Forest/Sanctuary exist within 10 Km radius of proposed mining Area is mentioned in DFO Certificate.									
17	Slopes and ultimate face slope	Face slope of benches shall be 70° and the ultimate slope will be 45°									
18	No. of Pits	2 trial Pit									
19	Project Cost/EMP Cost	Project cost-30 lacs EMP-Capital Cost-10.00 Lakhs Recurring Cost- 2.80Lakhs/Annum									
20	Corporate Environment Responsibility (CER)	More than 2 % of the project cost (0.80 lac./annum)									
21	Whether any tree felling is involved	No									

The Committee after examining the original proposal and presentation by proponent, the following suggestions:

- The committee further directed that mining/extraction of mineral and progressive mine closure should be done as per the approved mine plan.
- The committee also suggested that mine site should have well demarcated safety zone i.e. mining operation will not be carried out in the vicinity of 100 m from nearby bridges, educational institution or structures of historical importance.
- The committee desired that proponent should undertake afforestation activities in the buffer zone as well as in the nearby project site. Minimum 5000 plants will be planted in first two years followed by maintenance in the next three years. In case of Plantation outside of the buffer zone/project site MoU with local Gram Panchayat/Van Panchayat should be done.
- The committee suggested that the proponent should provide Eco-friendly toilets for the workforce.
- The mining operation would provide local employment and bring economic benefit to local population.
- Photography of the proposed mining site and plantation activity (preferably using Drone) should be done and submitted to SEIAA along with half-yearly compliance report.

Based on the presentation made by the project proponent, Committee screened the above project under B1 category as per the Notification of MoEF&CC No- 3181 dated- 14-08-2018 & O.M of MoEF&CC Impact Assessment Division's O.M No- F.No.L-11011/175/2018-IA-II(M) dated-12-12-2018. Based on above suggestions and subject to conditions (Annexure-1), the committee recommended the above project for grant of Environmental Clearance which will be co terminus with the valid mine plan, subject to following submission/clarification from Project Proponent:-

- Project Proponent will submit original cluster certificate.
- Project Proponent will submit original ecological sensitive certificate of 10 Km. radial distance.
- Under CER, Project Proponent apart from other activities, will also install Solar lights and distribute forest fire fighting equipments to the local groups (Mahila mangal dal/Yuvak mangal dal/Vanpanchayat) in the adjoining villages close to forest areas in consultation with local Forest Officials.
- Project Proponent will submit Revised proposal of CSR, CER & EMP with proper time frame.

Proposal - 4

Site Details	Khasra no. 91, 92, 93 and others, Village - Chakpahruda, Tehsil - Dugnakuri, Dist- Bageshwar.
Name & Address of Proponent	M/s Balaji Minerals, Shri Inder Lal S/o Shri Chamba Ram R/o Bajrang Oil, Bajnath, Tehsil- Garur, Dist- Bageshwar.
Coordinates	Lat- 29° 53' 54.2" N Long- 79° 57' 27.5" E
Mining Lease Area	4.168 Ha.
Category	B1 & 1(a) enlisted in project /activity as per EIA Notification, 2006

The committee observed that proponents seek Environmental Clearance for extraction of soapstone in accordance with the provisions of EIA Notification, 2006 as enlisted in Schedule 1(a). The proponent has applied with detailed project related information in Form 1, Pre Feasibility Report and EMP. The project was submitted vide proposal no SIA/UK/MIN/60777/2019 on dated 13th February, 2021 by project proponent. Project was prepared by Accredited consultancy firm Overseas Min-Tech Consultants Pvt. Ltd. and project was presented by Shri Arun Kumar Yadav EIA Coordinator.

The committee considered the proposal after EIA/EMP & Public Hearing. The committee observed that the ToR was issued by the SEAC in the meeting vide no- 44/SEAC dated 26-02-2019 and the public hearing was conducted 02-01-2021. The project proponent has now submitted final EIA report consisting of 10 chapters including, description of environment, anticipated environmental impact and mitigation majors, environmental monitoring programme, project benefits, Disclosure of Consultants Engaged EMP etc. The details of the project are given below:-

S. No	Details	Reply
1	Name of the Proponent	M/s BALAJI MINERALS, Prop.- Shri InderLal S/o Shri Chamba Ram R/o Bajrang Oil, Bajnath, Tehsil- Garur, Dist- Bageshwar. Pin Code- 263641, Mob. no. 9411704869

- Project Proponent will submit Revised proposal of CSR, CER & EMP with proper time frame.

Proposal - 5

Site Details	Village- Pagna Tehsil- Kaflogar, Dist-Bageshwar.
Name & Address of Proponent	Shri Ganesh Datt Nainwal S/o Shri Kesaw Datt Nainwal, Village-Pagana, District- Bageshwar.
Coordinates	Lat- 29°46' 52.41" N Long- 79° 48' 52.36" E
Mining Lease Area	12.418 Ha
Category	B1 & 1(a) enlisted in project /activity as per EIA Notification, 2006

The committee observed that proponents seek Environmental Clearance for extraction of soapstone in accordance with the provisions of EIA Notification, 2006 as enlisted in Schedule 1(a). The proponent has applied with detailed project related information in Form 1, Pre Feasibility Report and EMP. The project was submitted vide proposal no SIA/UK/MIN/61109/2019 on dated 2nd March, 2021 by project proponent. Project was prepared by Accredited consultancy firm Eco Laboratories & Consultants Pvt. Ltd. and project was presented by Simarjit Kaur EIA Coordinator & Bhuwan Joshi, Functional Area Expert Associates.

The committee considered the proposal after EIA/EMP & Public Hearing. The committee observed that the ToR was issued by the SEAC in the meeting vide no- 122/SEAC dated 18-11-2019 and the public hearing was conducted 16-12-2020. The project proponent has now submitted final EIA report consisting of 44 chapters including, description of environment, anticipated environmental impact and mitigation majors, environmental monitoring programme, project benefits, Disclosure of Consultants Engaged EMP etc. The details of the project are given below:-

S. No	Details	Reply
1	Name of the Proponent	Ganesh Datt Nainwal, Village- Pagana, Bageshwar, District- Bageshwar, Uttarakhand.
2	Project Site	Village- Pagana, Tehsil - Kaflogair, Dist- Bageshwar.
3	Project Site Coordinates	Latitude: 29° 46' 52.41"N Longitude: 79° 48' 52.36" E
4	Type of project	Mining as per Schedule 1(a) of EIA Notification 2006
5	Mine Lease Area	12.418 Ha
6	Project Category as per EIA Notification 2006	B 2
7	New or Ongoing Site	New Site
8	Land Status	Ag. Category-1(Ka) Land=09.324Ha, Ag. Category-5(Ka) Land=0.623Ha, Govt. Land=2.361Ha, Pub. Utility=0.110Ha
9	Letter of Intent	The Letter of intent for grant of ML was issued vide by Government of Uttarakhand Letter No. 2024/VII-1/135-kha/2014 , dated 02.01.2019 over an area of 12.418 ha in village-Pagana, Tehsil- Kaflogair, District- Bageshwar (Uttarakhand), State- Uttarakhand for a period of 50 years.
10	Method of Mining	Opencast Semi Mechanized Method
11	Total Mineable Quantity (in first five years)	94,215 Tonne (in first five years)
12	Estimated Quantity	26,230 Tonnes/Annum (TPA)

13	Thickness of soil	0.50m.												
14	Mining Shall be carried out from	1021m RL – 852m RL												
15	Mine area under cluster	<p>There is one another Lol Granted project (Mining lease yet not been done) falls in the aerial distance of 500 meter in the periphery of the above mine site and the total of cumulative area of all mine lease area are as follows:-</p> <table border="1"> <thead> <tr> <th>S.No</th><th>Mine Holder</th><th>Mine Lease Area (in ha.)</th></tr> </thead> <tbody> <tr> <td>1.</td><td>Applicant</td><td>12.418</td></tr> <tr> <td>2.</td><td>Bharat Singh Bhakuni</td><td>4.944</td></tr> <tr> <td colspan="2">Grand Total</td><td>17.362Ha</td></tr> </tbody> </table>	S.No	Mine Holder	Mine Lease Area (in ha.)	1. 1.	Applicant	12.418												
2.	Bharat Singh Bhakuni	4.944												
Grand Total		17.362Ha												
16	Ecological Sensitive Map	No National Park/Reserve Forest/Sanctuary existed within 10 Km radius of proposed mining Area												
17	Slopes and ultimate face slope	Face slope of benches shall be 70° and the ultimate slope will be 45°												
18	No. of Pits	3 trial Pit, 2 working pits												
19	Project Cost/EMP Cost	Capital Cost-34.0 Lakhs Recurring Cost- 5.0 Lakhs/Annum												
20	Corporate Environment Responsibility (CER)	2 % of the project cost												
21	Whether any tree felling is involved	No												

The Committee after examining the original proposal and presentation by proponent made the following suggestions:

- The committee further directed that mining/extraction of mineral and progressive mine closure should be done as per the approved mine plan.
- The committee also suggested that mine site should have well demarcated safety zone i.e. mining operation will not be carried out in the vicinity of 100 m from nearby bridges, educational institution or structures of historical importance.
- The committee desired that proponent should undertake afforestation activities in the buffer zone as well as in the nearby project site. Minimum 13000 plants will be planted in first two years followed by maintenance in the next three years. In case of Plantation outside of the buffer zone/project site MoU with local Gram Panchayat/Van Panchayat should be done.
- The committee suggested that the proponent should provide Eco-friendly toilets for the workforce.
- The mining operation would provide local employment and bring economic benefit to local population.
- Photography of the proposed mining site and plantation activity (preferably using Drone) should be done and submitted to SEIAA along with half-yearly compliance report.

Based on the presentation made by the project proponent, Committee screened the above project under B1 category as per the Notification of MoEF&CC No- 3181 dated- 14-08-2018 & O M of MoEF&CC Impact Assessment Division's O.M No- F.No.L-11011/175/2018-IA-II(M) dated-12-12-2018. Based on above suggestions and subject to conditions (Annexure-3), the committee recommended the above project for grant of Environmental Clearance which will be co terminus with the valid mine plan, subject to following submission/clarification from Project Proponent:-

- Project Proponent will submit revised Ambient air quality monitoring report showing min, avg and max.
- Project Proponent will submit Plantation outside of the buffer zone/project site MoU with local Gram Panchayat/Van Panchayat should be done.
- Project Proponent will submit original ecological sensitive certificate of 10 Km. radial distance.
- Under CER, Project Proponent apart from other activities, will also install Solar lights and distribute forest fire fighting equipments to the local groups (Mahila mangal dal/Yuvak mangal dal/Vanpanchayat) in the adjoining villages close to forest areas in consultation with local Forest Officials.
- Project Proponent will submit Revised proposal of CSR, CER & EMP with proper time frame.

Proposal - 6

Site Details	Village - Dayali Kuroli Tehsil - Dugnakuri, Dist - Bageshwar,
Name & Address of Proponent	M/s Jai Mata Di Mines Village - Dayali Kuroli Tehsil - Dugnakuri, Dist - Bageshwar.

Mining Lease Area	4.195 ha
Category	B1 & 1(a) enlisted in project/activity as per EIA Notification, 2006

The committee observed that proponents seek Environmental Clearance for extraction of soapstone in accordance with the provisions of EIA Notification, 2006 as enlisted in Schedule 1(a). The proponent has applied with detailed project related information in Form 1, Pre Feasibility Report and EMP. The project was submitted vide proposal no SI/UK/MIN/61400/2021 on dated 2nd March, 2021 by project proponent. Project was prepared by Accredited consultancy firm Enviro Infra Solutions Pvt. Ltd. and project was presented by Shri Vijay Sharma, Functional Area Expert & EIA Coordinator.

The committee considered the proposal after EIA/EMP & Public Hearing. The committee observed that the ToR was issued by the SEAC in the meeting vide no- 43/SEAC dated 26-02-2019 and the public hearing was conducted 28-12-2020. The project proponent has now submitted final EIA report consisting of 10 chapters including, description of environment, anticipated environmental impact and mitigation majors, environmental monitoring programme, project benefits, Disclosure of Consultants Engaged EMP etc. The details of the project are given below:-

S.No	Details	Reply
1	Name of the Proponent	M/s Jai Mata Di Mines, Village - DyaliKuroli, Tehsil - Dugnakuri, District - Bageshwar (Uttarakhand)
2	Project Site	Village-DayaliKuroli, Tehsil- Dugnakuri, District- Bageshwar, Uttarakhand
3	Project Site Coordinates	Latitude : 29° 54' 11.09" to 29° 54' 15.70" N Longitude : 79° 58' 16.74" to 79° 58' 28.23" E
4	Type of project	Mining as per Schedule 1(a) of EIA Notification 2006
5	Mine Lease Area	4.195ha
6	Project Category as per EIA Notification 2006	B 1
7	New or Ongoing Site	New Site
8	Land Status	Agriculture Land (4.195 ha)
9	Letter of Intent	The lease has been intended to allot vide Letter of intent (LoI) 163/VII-1/2018/01 Soapstone/16 dated 16.03.2018 was issued for mine lease period of 25 years
10	Method of Mining	Opencast Semi Mechanized Method
11	Total Mineable Reserve	621391.33
12	Estimated Quantity	19000Tonnes/Annum (maximum)
13	Thickness of soil	Varies from 0.7m - 1.2m
14	Mining Shall be carried out from	1868.6 - 1775.8m AMSL
15	Mine area under cluster	Shri BhupendraBhauriyal : Mine area (4.449 ha) Shri Dhan Singh Bafila : Mine area (1.7 ha)
16	Ecological Sensitive Map	Ecological sensitive map is provided in section 3.11 of Chapter 3 in EIA/EMP report & there is no wildlife Sanctuary/NationalPark is situated within 10 km radius from the proposed soapstone mine.
17	Slopes and ultimate face slope	The slope of the face will be kept 60° to 45° and the ultimate slope of the pit will remain 45°
18	No. of Pits	5
19	Project Cost/EMP Cost	Project Cost-Rs. 38.0 Lakhs EMP Cost- Rs. 6,85,125 (Capital)
20	Corporate Environment Responsibility (CER)	Rs. 3.80Lakhs/Annum
21	Whether any tree felling is involved	No

The Committee after examining the original proposal and presentation by proponent made the following suggestions:

- The committee further directed that mining/extraction of mineral and progressive mine closure should be done as per the approved mine plan.
- The committee also suggested that mine site should have well demarcated safety zone i.e. mining operation will not be carried out in the vicinity of 100 m from nearby bridges, educational institution or structures of historical importance.
- The committee desired that proponent should undertake afforestation activities in the buffer zone as well as in the nearby project site. Minimum 5000 plants will be planted in first two years followed by maintenance in the next three years. **In case of Plantation outside of the buffer zone/project site MoU with local Gram Panchayat/Van Panchayat should be done.**
- The committee suggested that the proponent should provide Eco-friendly toilets for the workforce.
- The mining operation would provide local employment and bring economic benefit to local population.
- Photography of the proposed mining site and plantation activity (preferably using Drone) should be done and submitted to SEIAA along with half-yearly compliance report.

Based on the presentation made by the project proponent, Committee screened the above project under B1 category as per the Notification of MoEF&CC No- 3181 dated- 14-08-2018 & O M of MoEF&CC Impact Assessment Division's O.M No- F.No.L-11011/175/2018-IA-II(M) dated-12-12-2018. Based on above suggestions and subject to conditions (**Annexure-4**), the committee recommended the above project for grant of Environmental Clearance which will be co terminus with the valid mine plan, subject to following submission/clarification from Project Proponent:-

- Project Proponent will submit original copy of cluster certificate.
- Project Proponent will submit original ecological sensitive certificate of 10 Km radial distance.
- Project Proponent will submit Revised Green Belt.
- Under CER, Project Proponent apart from other activities, will also install Solar lights and distribute forest fire fighting equipments to the local groups (Mahila mangal dal/Yuvak mangal dal/Vanpanchayat) in the adjoining villages close to forest areas in consultation with local Forest Officials.
- Project Proponent will submit Revised proposal of CSR with provision of rupees 5 lac. in CER with proper time frame.

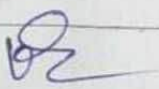

Proposal – 7

Name of the Project	Environmental Clearance for the construction of a building (Habitat Centre) at Village- Bansiwala, Jhazra, Tehsil- Vikashnagar, District- Dehradun.
Name & Address of Proponent	M/s MMBM Hospitality Private Limited by Shri Mahesh Kumar Mahajan Add- 12/5/1, Laxmi Road, Dalanwala, Dehradun
Whether New/Expansion Project	New
Total Plot Area	10000.98 m ²
Total Built up Area	4082.65 m ²
Project Category	B2, Orange Category as per Doon Valley Notification

The committee observed that above is a proposal seeking Environmental Clearance for the construction of a building (Habitat Centre). The committee observed that the project falls under Orange Category as per Doon Valley Notification 1989 and 2020. The project was submitted vide proposal no SIA/UK/MIS/169213/2020 on dated 29th August, 2020 by project proponent. The above proponent has submitted detailed project related information in Form - 1, Form - 1A, Pre-Feasibility Report and Environment Management Plan. The proponent has also submitted related land documents, lay out plan, EMP, Process Flow Chart. The project proponent did not turn up for the meeting. Hence committee decided to defer the project for next meeting of SEAC.

Proposal – 8

Name of the Project	Integrated Municipal Solid Waste Processing Facility For Srinagar Khasra No- 169, 170, 171, 187, 188, 189, 190, at Village- Girgaon, Tehsil- Srinagar, District- Pauri Garhwal
Name & Address of Proponent	M/s Nagar Palika Parishad, Srinagar, Dist- Pauri Garwal.
Whether New/Expansion Project	New Project

Total Plot Area	2.66 Acres.
Project Category	7 (i) & activity 'B'

The committee observed that above is a proposal seeking environmental clearance (as per the provision of EIA Notification, 2006) for Proposed Municipal Solid Waste Management Facility. As per EIA Notification, 2006 above proposal is placed in schedule 7(i) of Environmental Impact Assessment Notification-2006 of Ministry of Environment, Forest and Climate Change, Government of India. The project was submitted vide proposal no SIA/UK/MIS/61450/2019 on dated 4th March, 2021 by project proponent. **Project was prepared by Accredited consultancy firm Wolkem India Limited and project was presented by Shri Ratnakumar Vijaykumar Mudliar, EIA Coordinator.**

The committee considered the proposal after EIA/EMP & Public Hearing. The committee observed that the ToR was issued by the SEAC in the meeting vide no- 147/SEAC dated 17-01-2020 and the public hearing was conducted 18-01-2021. The project proponent has now submitted final EIA report including, description of environment, anticipated environmental impact and mitigation majors, environmental monitoring programme, project benefits, Disclosure of Consultants Engaged EMP etc. The details of the project are given below:-

Sl. No	Parameters	Description																																	
1.	Proposal for EC	Proposed Integrated Municipal Solid waste processing facility for Srinagar at Village : Girgaon, Tehsil- Srinagar, District - Pauri Garhwal (Uttarakhand) by Nagar Palika Parishad Srinagar - proposal no- (SIA/UK/MIS/61450/2019, EC-7(17)/2019)																																	
2.	Production Capacity	Municipal Waste Processing Capacity: 22.1 TPD																																	
3.	Total Plot Area	2.66 Acre																																	
4.	Proposed site location	Khasra No - 169, 170, 171, 187, 188, 189, 190, Village : Girgaon, Tehsil- Srinagar, District - Pauri Garhwal (Uttarakhand)

Treated water will be used for greenbelt development/plantation and also recirculated/reused in the process. 																																	
8.	Solid waste Generation & Disposal	Process inerts generated during the MSW processing will be disposed in sanitary landfill.																																	
9.	Hazardous Waste Generation & Disposal	Used Oil (Category: 5.1) will be generated from Project. Most of the oil will be utilized in greasing etc. of machineries and balance shall be sent to authorized recyclers.																																	
10.	Total Manpower	Construction phase approx. 50 workers (skilled & semi-skilled workers), rest will be outsourced based on need. During operation phase approx 80 Workers (skilled & semi-skilled workers, Contract labours, drivers, sweepers & support staff).																																	
11.	Electricity/Power requirement	250KVA (Source: Uttarakhand Vidyut Vibhag)																																	
12.	Land form, Land use and land ownership	DG Set-01 No. 250 KVA. Government Land.																																	
13.	Project cost	Land Ownership: Nagar Palika Parishad Srinagar. 7.52 Crores																																	

14.	Corporate Environment Responsibility (CER)	2.00 % of the Capital Investment, Rs. 15 Lakhs as funds for CER activities
-----	--	--

The Committee after examining the original proposal and presentation by proponent made the following observations-

- Since the project proponent has not submitted ecological sensitive certificate of 10 Km. radial distance. Looking to sensitivity of area the project is defer for next meeting

Proposal - 9

Site Details	Village Halduashahu & Jagatpur Patti, Tehsil - Jaspur, District Udham Singh Nagar.
Name & Address of Proponent	M/s Golden Brick Work Village Halduashahu & Jagatpur Patti, Tehsil - Jaspur, District Udham Singh Nagar.
Coordinates	Lat - 29°13'54.12"N to 29°13'21.94"N Long- 78°52'21.49"E to 78°52'26.50"E
Mining Lease Area	3.109 Ha.
Category	B2 & 1(a) enlisted in project /activity as per EIA Notification, 2006

The committee observed that proponents seek Environmental Clearance for Excavation of brick earth in accordance with the provisions of EIA Notification, 2006 as enlisted in Schedule 1(a). The proponent has applied with detailed project related information in Form 1, Pre Feasibility Report and EMP. The project was submitted vide proposal no SIA/UK/MIN/203118/2021 on dated 12th March, 2021 by project proponent. The project proponent did not turn up for the meeting. Hence committee decided to defer the project for next meeting of SEAC.

Proposal - 10

Site Details	Village - Simkhet, Post -Ghinghartola, District - Bageshwar
Name & Address of Proponent	Shri Rajendra Prashad Tiwari Village - Simkhet, Post - Ghinghartola, District- Bageshwar
Coordinates	Lat- 29°49'46.62"N Long- 79°50'51.80"E
Mining Lease Area	4.486 Ha.
Category	B1 & 1(a) enlisted in project /activity as per EIA Notification, 2006

The committee observed that proponents seek Environmental Clearance for extraction of soapstone in accordance with the provisions of EIA Notification, 2006 as enlisted in Schedule 1(a). The proponent has applied with detailed project related information in Form 1, Pre Feasibility Report and EMP. The project was submitted vide proposal no SIA/UK/MIN/61888/2018 on dated 16th March, 2021 by project proponent. Project was prepared by Accredited consultancy firm Eco Laboratories & Consultants Pvt. Ltd. and project was presented by Simarjit Kaur EIA Coordinator & Bhuwan Joshi, Functional Area Expert Associates.

The committee considered the proposal after EIA/EMP & Public Hearing. The committee observed that the ToR was issued by the SEAC in the meeting vide no- 110/SEAC dated 10-09-2019 and the public hearing was conducted 05-01-2021. The project proponent has now submitted final EIA report consisting of 44 chapters including description of environment, anticipated environmental impact and mitigation majors, environmental monitoring programme, project benefits. Disclosure of Consultants Engaged EMP etc. The details of the project are given below:-

S. No	Details	Reply
1	Name of the Proponent	Rajendra Prasad Tiwari, Village- Simkhet, Post- Ghinghartola, Tehsil- Bageshwar, District- Bageshwar, Uttarakhand.
2	Project Site	Village- Simkhet, Tehsil - Bageshwar, Dist- Bageshwar.
3	Project Site Coordinates	Latitude: 29° 49' 46.62"N Longitude: 79° 50' 51.80" E
4	Type of project	Mining as per Schedule 1(a) of EIA Notification 2006
5	Mine Lease Area	4.486 Ha
6	Project Category as per EIA Notification 2006	B 2
7	New or Ongoing Site	New Site
8	Land Status	None Forest Agriculture Land
9	Letter of Intent	The Letter of intent for grant of ML was issued vide by Government of Uttarakhand Letter No. 1855/VII-1/2016/158kha/11, dated 27.12.2016 over an area of 4.486 ha in village-Simkhet, Tehsil- Bageshwar, District- Bageshwar (Uttarakhand), State-Uttarakhand for a period of 25 years.
10	Method of Mining	Opencast Semi Mechanized Method
11	Total Mineable Quantity	66,589 Tonpe (in first five years)

	(in first five years)																
12	Estimated Quantity	16,183 Tonnes/Annum															
13	Thickness of soil	0.50m.															
14	Mining Shall be carried out from	1523m RL – 1354m RL															
15	Mine area under cluster	<p>There is Two Lol Granted project (Mining lease yet not been done) falls in the aerial distance of 500 meter in the periphery of the above mine site and the total of cumulative area of all mine lease area are as follows:-</p> <table border="1"> <thead> <tr> <th>S No</th><th>Mine Holder</th><th>Mine Lease Area (in ha.)</th></tr> </thead> <tbody> <tr> <td>1.</td><td>Applicant</td><td>4.486</td></tr> <tr> <td>2.</td><td>M/S KD Mines</td><td>17.976</td></tr> <tr> <td>3.</td><td>Kanti Lal Shah</td><td>8.303</td></tr> <tr> <td colspan="2">Grand Total</td><td>30.765 Ha.</td></tr> </tbody> </table>	S No	Mine Holder	Mine Lease Area (in ha.)	1.	Applicant	4.486	2.	M/S KD Mines	17.976	3.	Kanti Lal Shah	8.303	Grand Total		30.765 Ha.
S No	Mine Holder	Mine Lease Area (in ha.)															
1.	Applicant	4.486															
2.	M/S KD Mines	17.976															
3.	Kanti Lal Shah	8.303															
Grand Total		30.765 Ha.															
16	Ecological Sensitive Map	No National Park/Reserve Forest/Sanctuary exist within 10 Km radius of proposed mining Area.															
17	Slopes and ultimate face slope	Face slope of benches shall be 70° and the ultimate slope will be 45°															
18	No. of Pits	2 trial Pits, 1 working pit															
19	Project Cost/EMP Cost	Project Cost-34.0 Lakhs Recurring Cost- 5.0 Lakhs/Annum															
20	Corporate Environment Responsibility (CER)	2 % of the project cost															
21	Whether any tree felling is involved	No															

The Committee after examining the original proposal and presentation by proponent made the following suggestions:

- The committee further directed that mining/extraction of mineral and progressive mine closure should be done as per the approved mine plan.
- The committee also suggested that mine site should have well demarcated safety zone i.e. mining operation will not be carried out in the vicinity of 100 m from nearby bridges, educational institution or structures of historical importance.
- The committee desired that proponent should undertake afforestation activities in the buffer zone as well as in the nearby project site. Minimum 5000 plants will be planted in first two years followed by maintainance in the next three years. **In case of Plantation outside of the buffer zone/project site MoU with local Gram Panchayat/Van Panchayat should be done.**
- The committee suggested that the proponent should provide Eco-friendly toilets for the workforce.
- The mining operation would provide local employment and bring economic benefit to local population.
- Photography of the proposed mining site and plantation activity (preferably using Drone) should be done and submitted to SEIAA along with half-yearly compliance report.

Based on the presentation made by the project proponent, Committee screened the above project under B1 category as per the Notification of MoEF&CC No- 3181 dated- 14-08-2018 & O.M of MoEF&CC Impact Assessment Division's O.M No- F.No.L-11011/175/2018-IA-II(M) dated-12-12-2018. Based on above suggestions and subject to conditions (**Annexure-5**), the committee recommended the above project for grant of Environmental Clearance which will be co terminus with the valid mine plan, subject to following submission/clarification from Project Proponent:-

- Project Proponent will submit original cluster certificate.
- Project Proponent will submit original ecological sensitive certificate of 10 Km. radial distance.
- Project Proponent will submit revised Ambient air quality monitoring report showing min,avg & max value.
- Project Proponent will submit Plantation outside of the buffer zone/project site MoU with local Gram Panchayat/Van Panchayat should be done.
- Under CER, Project Proponent apart from other activities, will also install Solar lights and distribute forest fire fighting equipments to the local groups (Mahila mangal dal/Yuvak mangal dal/Vanpanchayat) in the adjoining villages close to forest areas in consultation with local Forest Officials.

- Project Proponent will submit Revised proposal of CSR, CER & EMP with proper time frame.

Proposal – 11

Name of the Project	Establish a research and testing laboratory at 230G, R.S. Height Opposite Bhagat Ford, Dehradun, Dehradun.
Name & Address of Proponent	M/s Viability Research Private Limited
Whether New/Expansion Project	New
Total Plot Area	2253.69 m ²
Total Built up Area	2253.69 m ²
Project Category	B2, Orange Category as per Doon Valley Notification

The committee observed that above is a proposal seeking Environmental Clearance for Establish a research and testing laboratory. The committee observed that the project falls under Orange Category as per Doon Valley Notification 1989 and 2020. The project was submitted vide proposal no SIA/UK/MIS/203314/2021 on dated 13th March, 2021 by project proponent. The above proponent has submitted detailed project related information in Form - 1, Pre-Feasibility Report and Environment Management Plan. The proponent has also submitted related land documents; lay out plan, EMP, Process Flow Chart. Project was prepared by Accredited consultancy firm Amaltas Enviro Industrial Consultants LLP and project was presented by Mrs. Dharna Tiwari, EIA Coordinator. The details of the project are given below:-

Name of Project & Project Proponent	Establishing a research and testing laboratory by M/s Viability Research Private Limited
Location of project	Khasra No. - 230G, R.S. Height Opposite Bhagat Ford, Dehradun, Uttarakhand - 248002, India.
Category of Project	Orange Category of Doon Valley Notification S.O. 102 (E) Dated 1st February 1989
Total population	25 persons (22 employees and 3 visitors)
Solid waste generation	Municipal Waste - 6 kg/day Waste generated from laboratory will be disposed through MPCC (Medical pollution Control Committee)
ETP capacity	200 LPD
ETP sludge	Approx. 1 gm
Power requirement	25 kVA
Water requirement	1.19 KLD out of which 1.17 KLD for domestic purpose which will be met through submersible and remaining 20 lit. will be utilized for laboratory purpose.
Project Cost	90.5 lakhs (including plant & machinery, testing equipment & instrument, furniture & fixtures and cost of infrastructure)
Nearest Railway station	Dehradun Railway Station - 6.24 Km in NE direction
Nearest Airport	Jolly grant Airport is at a distance of 21.23 Km in ESE direction
Nearest State Highway/ National Highway	NH-72A - Adjacent to project site (West direction)
Seismic Zone	Zone IV
Water Body	<ul style="list-style-type: none"> • Song River - 13 Km in East direction • Assan River - 5.36 Km in NW • NimiNadi - 8.52 km in NNW direction

The Committee after examining the original proposal and presentation by proponent made the following observations:-

- Project Proponent will submit revised detail about measurement of proposed plot/industrial shed/ area.
- Under CER, Project Proponent apart from other activities, will also install Solar lights and distribute forest fire fighting equipments to the local groups (Mahila mangal dal/Yuvak mangal dal/Vanpanchayat) in the adjoining villages close to forest areas in consultation with local Forest Officials.
- CER plan will be submitted with proper time frame.

Based on above observations and subject to conditions (Annexure-6), the committee recommended the above project for grant of Environmental Clearance.

Proposal – 12

Name of the Project	Hotel Project at Khasra No.76/1, Railway road, Rishikesh District-
---------------------	--

2

Name- & Address of Proponent	Dehradun. M/s The Vilana
Whether New/Expansion Project	New
Total Plot Area	812.34 m ²
Total Built up Area	2735.69 m ²
Project Category	B2, Orange Category as per Doon Valley Notification

The committee observed that above is a proposal seeking Environmental Clearance for Hotel Project. The committee observed that the project falls under Orange Category as per Doon Valley Notification 1989 and 2020. The project was submitted vide proposal no SIA/UK/MIS/203493/2021 on dated 13th March, 2021 by project proponent. The above proponent has submitted detailed project related information in Form - 1, Form- 1A, Pre-Feasibility Report and Environment Management Plan. The proponent has also submitted related land documents; lay out plan, EMP, Process Flow Chart. Project was prepared by Accredited consultancy firm Paramarsh Servicing Environment and Development and project was presented by Shri Surendar Vikram Gharvi, Functional Area Expert. The details of the project are given below:-

S.No.	Parameters	Description
1.	Proposal for EC	Proposed Hotel project of M/s The Vilana situated at Khasra No.76/1, Railway road, Rishikesh, District- Dehradun, Uttarakhand.
2.	Production Capacity	Hotel capacity – Room - 36 Nos. Kitchen & Restaurant – 1 No. Banquet hall – 1 No. (capacity 70 seat)
3.	Total Plot Area	812.34 m ²
4.	Proposed site location	Proposed Hotel Project M/s The Vilana is located at Khasra No.76/1, Railway road, Rishikesh, District- Dehradun, Uttarakhand.
5.	Coordinates of Project site	30°07'53.6"N 78°19'28.0"E
5.	Water requirement (KLD)	Water requirement will be met from proposed Borewell. Total water will be required approximately 39.07 KLD in which 21.36.KLD water will be required as fresh.
6.	Source of water	Bore well Supply
7.	Waste Water Management Waste water generation Mode of Disposal	Waste water generated 22.16 KLD Domestic waste water will be treated by STP.(Capacity – 25.0 KLD)
8.	Solid Waste Generation & Disposal	Organic waste: Waste vegetables and foods etc. Recyclable Waste: Papers, cartons, Thermocol, plastics, polythene bags, glass etc. The solid waste will be segregated into organic waste & inorganic waste & collected into separated bins. The organic biodegradable wastes (waste vegetables, foods etc.) will be composted by OWC and inorganic wastes (recyclable and inert), inert waste will be transferred into the Municipal solid waste collection point for further disposal by municipal authority.
9.	Hazardous Waste Generation & Disposal	Approximately 0.1 MT/annum Hazardous Wastes generated in the form of spent oil from DG set shall be disposed through registered recycler. Hazardous waste will be sealed with proper sealant and then sent to TSDF for safe disposal. The area around the storage and chemical filling will be dedicated with sand bed.
10.	Total Manpower	25 Nos.
11.	Electricity/Power requirement	62 KVA (DG Set – 165KVA standby) Proposed 20.0KVA Solar energy on rooftop
12.	Land form, Land use and land ownership	Commercial land
13.	Project cost	Cost for Proposed project activity is Rs. 4.0 Crore.
14.	Corporate Environment Responsibility (CER)	Cost of CER is proposed as 2% of Project cost i.e. 8.0 lacs.

The Committee after examining the original proposal and presentation by proponent made the following observations:-

- Committee observed that above project is not enlisted in any schedule of EIA notification, 2006, but according to new Doon Valley Notification, 2020 now these types of project falls under orange category and they have started construction prior to this new Doon Valley Notification, 2020.
- The committee observed that project is already under construction because earlier they are not requiring EC as per EIA notification, 2006 therefore it is not the case of violation but due to direction to project proponent from Uttarakhand State Pollution Control Board they require prior EC for getting various consent from Pollution Control Board.
- Committee also observed that the project proponent has mentioned this project as proposed project but construction is going to complete therefore, project proponent must submit revised and correct information in submitted documents.
- Project Proponent will submit the location of proposed STP in the layout plan of building.
- Under CER, Project Proponent apart from other activities, will also install Solar lights and distribute forest fire fighting equipments to the local groups (Mahila mangal dal/Yuvak mangal dal/Vanpanchayat) in the adjoining villages close to forest areas in consultation with local Forest Officials.
- CER plan will be submitted with proper time frame.

Based on above observations and subject to conditions (Annexure-7) the committee recommended the above project for grant of Environmental Clearance.

Proposal – 13

Name of the Project	Hotel project at Khasra No. 463 to 464, 465, 466, 467, 468, 469, 471, 472, 474, 475, 476, 477, 478, 481, 482, 483, 484, 485, 486, 487, 489, 491, 492, 493, 494, 495, 496, 497, Tapovan, Rishikesh, Dist- Dehradun.
Name & Address of Proponent	M/s Ahilya Hotels & Resorts
Whether New/Expansion Project	New
Total Plot Area	5510 m ²
Total Built up Area	5152.48 m ²
Project Category	B2, Orange Category as per Doon Valley Notification

The committee observed that above is a proposal seeking Environmental Clearance for Hotel Project. The committee observed that the project falls under Orange Category as per Doon Valley Notification 1989 and 2020. The project was submitted vide proposal no SIA/UK/MIS/203797/2021 on dated 15th March, 2021 by project proponent. The above proponent has submitted detailed project related information in Form - 1, Form- 1A, Pre-Feasibility Report and Environment Management Plan. The proponent has also submitted related land documents, lay out plan, EMP, Process Flow Chart. Project was prepared by Accredited consultancy firm Atmos Sustainable Solution Pvt. Ltd. and project was presented by Shri Mervyn Gilbert, EIA Coordinator. The details of the project are given below:-

S. No.	Parameters	Description
1.	Proposal for EC	Hotel Project of M/s Ahilya Hotel & Resorts situated at Khasra No. 463, 464, 465, 466, 467, 468, 469, 471, 472, 474, 475, 476, 477, 478, 481, 482, 483, 484, 485, 486, 487, 489, 491, 492, 493, 494, 495, 496, 497, at Ghughayni Talhi, Pargana & Tehsil – Narendranagar, District- Tehri Garhwal Uttarakhand
2.	Production Capacity	Hotel capacity – Rooms – 126 Nos. Kitchen & Restaurant - 1 No. Spa & Steam Sauna – 1 No. Conference Rooms – 1 No. (of capacity 40 seat) Gym- 1 No. Travel Desk & Pick up Facility- 1 No. Bar & Café- 1 No. Garden- 1 No.
3.	Total Plot Area	Total Plot Area- 5152.48 m ² , Covered area – 1765.50 m ²
4.	Proposed site location	Hotel Project of M/s Ahilya Hotel & Resorts is located at Khasra No. 463, 464, 465, 466, 467, 468, 469, 471, 472, 474, 475, 476, 477, 478, 481, 482, 483, 484, 485, 486, 487, 489, 491, 492, 493, 494, 495, 496, 497 at Ghughayni

		Talli, Pargana & Tehsil – Narendranagar, District- Tehri Garhwal, Uttarakhand
5.	Coordinates of Project site	30°07'57.5"N 78°19'29.5"E
6.	Water requirement (KLD)	Water requirement will be met from proposed Borewell. Total water will be required approximately 81 KLD in which 37.2 KLD water will be required as fresh.
7.	Source of water	Borewell- Proposed
8.	Waste Water Management Waste water generation Mode of Disposal	Waste water generated 150 KLD. Domestic waste water will be treated by STP.(Capacity – 150.0 KLD)
9.	Solid Waste Generation & Disposal	Organic waste: Waste vegetables and foods etc. Recyclable Waste: Papers, cartons, Thermocol, plastics, polythene bags, glass etc. The solid waste will be segregated into organic waste & inorganic waste & collected into separated bins. The organic biodegradable wastes (waste vegetables, foods etc.) will be composted by OWC and inorganic wastes (recyclable and inert), inert waste will be transferred into the Municipal solid waste collection point for further disposal by municipal authority.
10.	Hazardous Waste Generation & Disposal	Approximately 0.12 MT/annum Hazardous Wastes generated in the form of spent oil from DG set shall be disposed through registered recycler. Hazardous waste will be sealed with proper sealant and then sent to TSDF for safe disposal. The area around the storage and chemical filling will be dedicated with sand bed.
11.	Total Manpower	67 Nos.
12.	Electricity/Power requirement	02 DG- 250 KVA each Solar lighting for common areas and solar water heaters.
13.	Land form, Land use and land ownership	Commercial land
14.	Project cost	Cost for Proposed project activity is Rs. 10 Crore.
15.	Corporate Environment Responsibility (CER)	Cost of CER is proposed as 2% of Project cost i.e. 20 lacs

The Committee after examining the original proposal and presentation by proponent made the following observations-

- Committee observed that above project is not enlisted in any schedule of EIA notification, 2006, but according to new Doon Valley Notification, 2020 now these types of project falls under orange category and they have started construction prior to this new Doon Valley Notification, 2020.
- The committee observed that project is already under construction because earlier they are not requiring E.C as per EIA notification, 2006 therefore it is not the case violation but due to direction to Project Proponent from Uttarakhand State Pollution Control Board they require prior E.C for getting various consent from Pollution Control Board.
- Committee also observed that the Project Proponent has mentioned this project as proposed project but construction is going to complete therefore, Project Proponent must submit revised and correct information in submitted documents.
- Project Proponent will ensure to adopt green building concept.
- Project Proponent will submit aerial distance certificate of proposed site from river Ganga issued by competent authority.
- Under CER, Project Proponent apart from other activities, will also install Solar lights and distribute forest fire fighting equipments to the local groups (Mahila mangal dal/Yuvak mangal dal/Vanpanchayat) in the adjoining villages close to forest areas in consultation with local Forest Officials.
- CER plan will be submitted with proper time frame.

Based on above observations and subject to conditions (Annexure-8), the committee recommended the above project for grant of Environmental Clearance.

Proposal – 14

Name of the Project	Proposed Municipal Solid Waste Management Facility at Joshimath Dist- Chamoli.
Name & Address of Proponent	M/s Nagarpalika Parishad, Joshimath Dist- Chamoli.

Proponent	
Whether New/Expansion Project	New Project
Total Plot Area	2000 m ²
Project Category	7 (i) & activity 'B'

The committee observed that above is a proposal seeking environmental clearance (as per the provision of EIA Notification, 2006) for Proposed Municipal Solid Waste Management Facility. As per EIA Notification, 2006 above proposal is placed in schedule 7(i) of Environmental Impact Assessment Notification-2006 of Ministry of Environment, Forest and Climate Change, Government of India. The project was submitted vide proposal no SIA/UK/MIS/61760/2021 on dated 12th March, 2021 by project proponent. Project was prepared by Accredited consultancy firm Amaltas Enviro Industrial Consultants LLP and project was presented by Mrs. Dharna Tiwari, EIA Coordinator.

The Committee after examining the original proposal and presentation by proponent made the following observations-

- Project Proponent will ensure to follow the solid waste management site selection criteria showing clearly aerial distance from river, pond, highway, habitation, park, water supply wells, airport/airbase etc. from the competent authority as per notification S.O-861 Dated 08.04.2016 issued by Ministry of Environment, Forest and Climate Change, Government of India.

Hence, committee agreed to issue ToR (**Annexure-9**) to the proponent for preparation of EIA report.

Proposal - 15

Site Details	Proposed Sand bajri at Banjarewala Grant, Tehsil- Bhagwanpur, Dist - Haridwar.
Name & Address of Proponent	Shri Bhupendar Singh Chauhan S/o Shri Kunwar Pal Singh Vill- Fatehullapur Urf Tehpura, TehsilBhagwanpur, District- Haridwar
Coordinates	Lat. - 30°06'50.361"N to 30°06'55.093"N Long- 77°53'29.028"E to 77°53'32.105"E
Mining Lease Area	8.6673 Ha.
Category	B2 & 1(a) enlisted in project /activity as per EIA Notification, 2006

The committee observed that proponents seek Environmental Clearance for extraction of sand/bajri/boulder (**River Bed Material**) in accordance with the provisions of EIA Notification, 2006 as enlisted in Schedule 1(a). The proponent has applied with detailed project related information in Form 1, Pre Feasibility Report and EMP. The project was submitted vide proposal no SIA/UK/MIN/61944/2021 on dated 17th March, 2021 by project proponent. Project was prepared by Accredited consultancy firm Eco Laboratories & Consultants Pvt. Ltd. and project was presented by Simarjit Kaur EIA Coordinator & Bhuwan Joshi, Functional Area Expert Associates.

The Committee after examining the original proposal and presentation by proponent made the following observations-

- Project Proponent will submit original ecological sensitive certificate of 10 Km. radial distance.

Hence, committee agreed to issue ToR (**Annexure-10**) to the proponent for preparation of EIA report.
