(Proposal No- 459334)

The Authority after detailed discussion and deliberation decided the following:

1. **Serial No. 1:** In this proposal, SEAC has recommended EC under B2 category. However, the Cluster certificate issued by Mining department is of 5.0001 ha. The Authority is of the view that Mining Department is the nodal department in the State Government for mining activity and implementing various decisions of Hon'ble NGT and other courts. In addition, the State Government has issued a notification dated 27.03.2023 regarding the modality for determination of cluster.

SEAC does not have the competence to ignore the Cluster Certificate issued by the competent Authority. Determination at SEAC level of making addition or deletion in the Cluster Certificate issued by the competent Authority brings in arbitrariness and lack of transparency. Accordingly, the case is being referred back to SEAC to review its recommendations in light of the Cluster Certificate issued by the Mining Department and the directions of the MoEF&CC in this regard.

2. **Serial No. 2:** In this proposal, Bassi WLS is within the 10 km radius of the lease area. PP has not given the submission receipt of the Conservation Plan from Forest Department. Hence, the Authority decided to **defer** this proposal for additional information i.e., submission of receipt from Forest Department regarding submission of Conservation Plan within 45 days.
3. **Serial No. 3, 4, 15, 16, 17, 18, 19, 20, 21, 22, 23, 25, 28, 35:** The Authority accepted the recommendations and additional conditions of SEAC and decided to **approve EIA/EMP and grant EC** to these proposals with the condition that PP shall also ensure to raise a dense plantation in the 7.5m green belt around the lease area to mitigate the pollution effects.
4. **Serial No. 5, 24, 26, 27, 29, 31, 32, 33, 36:** The Authority accepted the recommendations and additional conditions of SEAC and decided to **grant EC** to these proposals.
5. **Serial No. 6, 9, 11, 14:** The Authority decided to accept the recommendations of SEAC and decided to **close and delist** these proposals.
6. **Serial No. 7, 10, 34, 37:** The Authority decided to **close and delist** these proposals in light of the O.M. No. IA-22/01/2021-IA-III- Part (1) dated 15.01.2024 issued by MoEF&CC regarding following the SOP for dealing mining proposals under Ministry's OM dated 28.04.2023 on PARIVESH portal 2.0.
7. **Serial No. 8:** The Authority accepted the recommendations and additional conditions of SEAC and decided to **grant EC** to this proposal with the condition that PP shall ensure all the conditions imposed by WRD in the issued certificate.

8. **Serial No. 12:** In this proposal, PP has submitted DSR of Ajmer district whereas the proposal is of Tonk district. Hence, the Authority decided to **defer** this proposal for additional information i.e., submission of correct DSR of Tonk district within 45 days.
9. **Serial no. 13:** The Authority decided to **refer back** this proposal to SEAC on the following deficiencies:
- a. Mining Plan has expired.
 - b. SEAC abstract does not mention whether the proposal is of violation or not.
10. **Serial No. 30:** In this proposal, LOI and Cluster Certificate have expired. Hence the Authority decided to **defer** this proposal for submission of additional information i.e., Submission of valid LOI and Cluster Certificate within next 45 days.
11. **Serial No. 38, 44:** The Authority decided to **grant Transfer EC** to these proposals.
12. **Serial No. 39, 40, 41, 42, 43, 45, 46:** The Authority decided to **grant Transfer EC** to these proposals with a direction that since these were the ECs issued by DEIAA, the PPs concerned shall apply for reappraisal within 30 days as per MoEF&CC OM Dated 28.04.2023, Hon'ble NGT order dated 07.12.2022 and SOP dated 15.01.2024 issued by MoEF&CC.
