Another affidavit by the consultant stating that (a) and (b) and that all the details and data presented are factually correct and true to the best of my knowledge and belief and also to be submitted. Contents of the affidavit in the form other than that mentioned above shall not be accepted by the Committee.
3. A GT sheet showing location of the project site along with physical features mentioned under Environment Sensitivity within 15 Kms. should necessarily be submitted (including the village where the project is located) & distance from the project site should clearly be mentioned. The same to be submitted/ circulate to the members of SEAC duly filled up Form-2 as per the circular of MoEF& CC.
4. In cases of Mining Projects: (i) Provide information in Annexure-E (Part-A, B & C), It should be noted that the project should be completed within 3 years time; (ii) Certificate regarding mine lease area not falling in the Aravali Hills to be issued by the MoEF as per the instructions contained in the letter no. DMG/ADM/Env/EC/F11/06/17-76 dt. 17.01.2011 (as amended) and copy be submitted with other required documents.(iii) For Existing mines, the year wise production details to be submitted by ME/AME.
5. Complete lease history with copy of related documents and production details (soft and hard copy) compulsory.
6. Old EC details with certified compliance report details.
7. Cluster Certificate of the mine.
8. Complete lease history with relevant documents, Earlier EC, if any, with certified compliance report and production details.
9. The PP shall give an affidavit on a non judicial stamp paper of Rs 100/- to the following affect:
  - (i) That the project /activity pertaining to the mining lease has not been in violation of the order dated 2.8.2014 (Civil) No. 114 of 2014, Common Cause vs UOI.
  - (ii) That no activity has been undertaken in violation of the provisions of Section 21(5) of the Mines and Minerals Act, 1957 (location, ML No. and area of the mining lease)

- of each sampling points) shall be submitted. Copies of all analysis reports shall be submitted in original (whether in the report.
29. Regarding source of water, following information shall be categorically submitted:
    - (i) Does the area fall under the CGWA notified zone or not.
    - (ii) If yes, information regarding the source & necessary approval from related agency for procuring water from
    - (iii) Status permission for CGWA if any.
  30. A separate site lay out plan indicating the number and location of existing well / bore-well / tube-well (if any) in digging of each of the well and its present use. Photographs of each of such wells shall be enclosed mentioning d bore well it shall be specifically stated in the affidavit.
  31. In case the Project falls under A Category as per MoEF Notification dated 14.8.2018 & amendments, then the PP
  32. Details of construction/production activity including date of starting of construction work and investment incurred the quantity of products produced so far, shall be essentially mentioned by the PP / Consultant, indicating whether
  33. Following information regarding the work order/agreement issued by the PP to the Consultant (Accredited from shall be submitted:-
    1. Dispatch No. of the work order/agreement.
    2. Date of issue of work order.
    3. Date of start of air/water/other monitoring work (as applicable during period of year permitted by Mo
    4. Postal address/ Email Address/ Fax Number/ Mobile Number and Landline Number of the PP/Consu
  34. The email Id for correspondence should be strictly of the PP. Additionally an alternate Id may also be submitted incorrect e-mail Id would be taken seriously.
  35. Details of activity to be taken under EMP shall be submitted along with proposed budget provision.
  36. Details of the facilities provided for the labours like shelter, health facility, safe drinking water, sanitation facility etc. shall be separately given along with budgetary provision and commitment thereof. Details and registration no
  37. The PP shall submit correct key information regarding the project in the word document to the Secretary SEAC their respective e mail addresses, as per Annexure G within 7 days of issuance of Meeting Notice.
  38. A separate appendix as Check List mentioning point wise information on each of the above points of this meeting available shall be submitted along with the documents submitted as above to the Chairman, Member Secretary & Non-submission of check list/partially filled check list/check list with misleading / incorrect information would be
  39. The PP. shall ensure and confirm that an identical copy of all the documents (as submitted to SEAC) in pen drive members in time for critical examination by them within 7 days of issuance of Meeting Notice. For easy access to projects, the PP shall mention the serial no. of the agenda and the file no. on the first page of the report in the p within the specified date, the case may not be discussed in the meeting at all. The reply to the ADS/ query letters specified time to all the members
  40. For all future correspondence/ submission of documents/reply to queries, the PP must write the FILE NO. of the the respective file.
  41. Delivery of documents by hand and seeking meeting with Chairman/Members of SEAC in this regard shall be str
  42. Submission of the project document and other records shall be the responsibility of the Project Proponent, wh therein irrespective of who prepared them. Deliberate and willful concealment and/or submission of false or n rejection, and cancellation of prior environmental clearance granted on that basis.
  43. Please print on both sides of the paper and avoid the use of plastic material in the documents to be submitted to S
  44. The Consultant and PP shall ensure submission of the documents and clarification strictly in compliance of minut
  45. A copy of this meeting notice should be enclosed as a reference while mailing the documents to the Chairman / M

- Unsigned / unstamped documents shall be construed as not submitted. Un-necessary splitting of the report in volume shall be avoided.
14. The cover page of the documents submitted shall contain following information only.
    - (i) Title of the project and its location, (ii) Capacity per annum (in case of mining project the lease area and proposed capacity, (iii) Objective of the project report (whether “for ToR” or “for EC appraisal”), (iv) Date of report submitted, Vol. No and total number of pages with its content shall be mentioned, (v) Name and address of the consultant, telephone/mobile no., (vi) Project cost, (vii) Dispatch number and date of issue of work order to contractor shall be the largest one. (x) Information as per MoEF office Memorandum no. J-11013/41/2006-IA II (I) dt. 14.08.2018 shall be submitted.
  15. It may be noted in explicit terms that the correct e-mail address of the PPs should be mentioned clearly on the cover page. The consultant would be responsible for delay (if any) due to this reason. Matter would be reported to the MoEF if delay occurs.
  16. Changes if any, in the information that has already been submitted shall be clearly spelt out along with reasons / justification in the presentation as well.
  17. In case any letter / document/maps/drawings are illegible, an attested legible typed copy of the same shall be submitted along with the original.
  18. The PP should send the KML /shape files of the mining lease area through e mail to all the members along with the original as well as the KML file be sent to this Office in a separate pen drive .
  19. The source of monitoring data, specifications of equipments used, details of agency if outsourced, date and time of monitoring (Air/Water/Soil/Noise etc.) shall be clearly mentioned. The monitoring should be through an NABL/MoEF approved agency (monitoring) along with photographs of the site showing Air / Water / Noise/ Soil sampling / monitoring activity / details of each sampling points) shall be submitted. Copies of all analysis reports shall be submitted in original (whether typed or handwritten) in the report.
  20. Regarding source of water, following information shall be categorically submitted:
    - (i) Does the area fall under the CGWA notified zone or not.
    - (ii) If yes, details of source of water.
    - (iii) If yes, information regarding the source & necessary approval from related agency for procuring water from the source.
    - (iv) If yes, information regarding the source & necessary approval from related agency for procuring water from the source.
    - (v) Status permission for CGWA if any.
  21. A separate site lay out plan indicating the number and location of existing well / bore-well / tube-well (if any) in the project area and digging of each of the well and its present use. Photographs of each of such wells shall be enclosed mentioning details of each bore well it shall be specifically stated in the affidavit.
  22. In case the Project falls under A Category as per MoEF Notification dated 14.8.2018 & amendments, then the PP shall submit the details of construction/production activity including date of starting of construction work and investment incurred till date, the quantity of products produced so far, shall be essentially mentioned by the PP / Consultant, indicating whether the project is in progress or not.
  23. Details of construction/production activity including date of starting of construction work and investment incurred till date, the quantity of products produced so far, shall be essentially mentioned by the PP / Consultant, indicating whether the project is in progress or not.
  24. Following information regarding the work order/agreement issued by the PP to the Consultant (Accredited from MoEF) shall be submitted:-
    1. Dispatch No. of the work order/agreement.
    2. Date of issue of work order.
    3. Date of start of air/water/other monitoring work (as applicable during period of year permitted by MoEF)
    4. Postal address/ Email Address/ Fax Number/ Mobile Number and Landline Number of the P.P/Consultant
  25. The email Id for correspondence should be strictly of the PP. Additionally an alternate Id may also be submitted. Incorrect e-mail Id would be taken seriously.
  26. Details of activity to be taken under EMP shall be submitted along with proposed budget provision.
  27. Details of the facilities provided for the labours like shelter, health facility, safe drinking water, sanitation facilities etc. shall be separately given along with budgetary provision and commitment thereof. Details and registration no. of the facilities shall be submitted.
  28. The PP shall submit correct key information regarding the project in the word document to the Secretary SEAC along with their respective e mail addresses, as per Annexure G within 7 days of issuance of Meeting Notice.
  29. A separate appendix as Check List mentioning point wise information on each of the above points of this meeting shall be submitted along with the documents submitted as above to the Chairman, Member Secretary & other members. Non-submission of check list/partially filled check list/check list with misleading / incorrect information would be taken seriously.
  30. The PP. shall ensure and confirm that an identical copy of all the documents (as submitted to SEAC) in pen drive shall be submitted to all the members in time for critical examination by them within 7 days of issuance of Meeting Notice. For easy access to all the projects, the PP shall mention the serial no. of the agenda and the file no. on the first page of the report in the pen drive. If the documents are not submitted within the specified date, the case may not be discussed in the meeting at all. The reply to the ADS / query letters shall be submitted within the specified time to all the members .
  31. For all future correspondence/ submission of documents/reply to queries, the PP must write the FILE NO. of the documents in the respective file.
  32. Delivery of documents by hand and seeking meeting with Chairman/Members of SEAC in this regard shall be strictly avoided.
  33. Submission of the project document and other records shall be the responsibility of the Project Proponent, who shall ensure that there is no therein irrespective of who prepared them. Deliberate and willful concealment and/or submission of false or misleading information, rejection, and cancellation of prior environmental clearance granted on that basis.
  34. Please print on both sides of the paper and avoid the use of plastic material in the documents to be submitted to SEAC.
  35. The Consultant and PP shall ensure submission of the documents and clarification strictly in compliance of minutes of the meeting.
  36. A copy of this meeting notice should be enclosed as a reference while mailing the documents to the Chairman / Member Secretary.

Present Status :-

-  
-  
-  
-  
-

**For cases related to TORs:**

- 1) Why the proposed area has been identified [The cultural map of the area be prepared]
- 2) Socio-economic composition of population of the area:
  - (1)Caste (2) Tribe(3)Religion(4) Sex(5) Literacy(6) Educational achievement(7)Child Sex Ratio(8) status(12)size of family(13) Income/wages(14)land holding(15)Age
  - Number of Schools, dispensaries and their nature.
  - Nature of roads and houses. Nature of other public buildings.
  - Nature of diseases and its consequences in the area in the last five years. Mortality rate (child, girl)
  - Material assets of family (5% to 10 % of the family of various nature)\
  - Resources of water and its social use.
- 3) Local Resources, local Knowledge, Local history.
- 4) Peoples' expectations [five in terms of preference]  
[These expectations will be based on diverse population and will find place in CSR/ESR activities]
- 5) The kind of technology support to local occupations extended by project owner be identified.
- 6) Employability, livelihood and new occupational and professional arrangement [if possible]
- 7) Any developmental activity suggested by project owner.
  - Inputs from government studies, related secondary resources, pictorial support, photographs and records

**For others:**

Small study of one day can be conducted on the same lines based on 2% of the population/family
