The representative of the project proponent and their consultant M/s. Global Environment & Mining Services Hospet., have attended the meeting.

The Committee noted that this is a Quartz mine.

The mining lease was granted vide Proceedings No. 2265/M4/2009, dated.30.08.2001 for mining lease for a period of 20 years. i.e., 2001 to 2021.

The Asst.Director of Mines & Geology, Anantapur vide letter dated 03.07.2017 stated that the permitted quantity of Quartz in 2001- 2009 - Nil, 2009-2010 - 500 MT & 2010-2017 - Nil. The project proponent has applied for TOR after obtaining the Mining Plan approval.The mining plan was approved on 24.03.2017.The present proposal (36.423 Ha.- Quartz mine) comes under category 'B1' project, as the mine lease area is more than 25 Ha. The TOR was issued on 06.06.2018 and the TOR corrigendum issued on 10.10.2018. The public hearing was conducted on 11.01.2019 and submitted the final EIA report through online 26.02.2019 for proposed Quartz mining of production capacity – 2,07,792 TPA. The project proponent had already submitted STO and complied with STOR.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<100 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed Quartz mining project for the production quantities: **Quartz – 2,07,792 TPA** , duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled. Also with addition conditions : (i). The project proponent shall allocate adequate funds to implement the action plans committed during the public hearing.( ii) . The top soil management shall be implemented. (iii). check dams shall constructed in the storm water drains in and around proposed Quartz mine lease and also separate water storage ponds are constructed under CER activities.The project proponent shall allocate sufficient funds for implementation of CSR activities as committed by the proponent/representative along with the EMP.*
