(Proposal No- 461904)

The Authority after detailed discussion and deliberation decided the following:

1. **Serial No. 1:** The proposal was deferred in the 5.110th meeting of the Authority held on 29.01.2024 in light of the O.M. No. IA-22/01/2021-IA-III-Part (1) dated 15.1.2024 issued by MoEF&CC regarding following the SOP for dealing mining proposals under Ministry's OM dated 28.04.2023 on Parivesh Portal. Now, PP has submitted the EC dated 03.06.2024 re-appraised by SEIAA. Hence, The Authroity accepted the recommendations of SEAC and decided to grant EC to this proposal.

2. **Serial No. 2:** The proposal was deferred in 5.119th meeting of the Authority held on 26.04.2024 for submission of Action Taken Report for the non-complied conditions of the Certified Compliance Report. Now, PP has submitted the required document. Hence, the Authority decided to **grant EC** to this proposal.

3. **Serial No. 3:** The proposal was deferred in the 5.125th meeting of the Authority held on 03.06.2024 for a clarification from PP as to why the proposal should not be rejected on account of the possibility of being highly polluting.

In this meeting, PP was heard. PP submitted the Windrose Diagram along with relevant data of the site and explained that the flow of wind is in the opposite direction of the ITI. Hence, the possibility of dust emissions affecting the ITI are low. Moreover, PP has provisioned to install Dust Collectors and Pulse Jet Bag Filters in the plant, and the provisions for the same have been incorporated in the EMP. In view of the explanation given as well as the recommendation of SEAC, the Authority decided to **grant EC** to this proposal.

4. **Serial No. 4:** The proposal was deferred in the 5.122nd meeting of the Authority held on 13.05.2024 for the following deficiencies –

- a. Affidavit submitted by PP does not mention anything about violation or non-violation of Common Cause Judgement of the Hon'ble Supreme Court. Also, affidavit submitted by PP is not as per the format.
- b. Production figures are given till May 2022.
- c. Khasra numbers mentioned in the proposal are not in consonance with the khasra numbers given in the report of Patwari/ Tehsildaar.
- d. Certified Compliance report has expired on 07.05.2023.
- e. Conservation Plan dated 19.02.2024 and its submission receipt has neither been found in the file nor online as mentioned in the abstract of the committee.

Now, PP has submitted the revised affidavit, Production Figure till 2023-24, revised Annexure-G with correct Khasra numbers, valid CCR and submission receipt of Conservation Plan. Hence, the Authority decided to **grant EC** to this proposal.

5. **Serial No. 5:** The proposal was deferred in the 5.117th meeting of the Authority held on 02.04.2024 for Personal Hearing and the Authority sought a clarification on validity of earlier EC dated 30.11.2012 of this proposal.

In this meeting, representative of PP along with the Consultant was heard and the explanation given by the Consultant was found satisfactory. Hence, the Authority accepted the recommendations of SEAC and decided to **grant EC** to this proposal.

6. **Serial No. 6 to 63, 65 to 98, 100 to 107, 109 to 131 and 133 to 142:** These proposals pertain to re-appraisal of ECs issued by the erstwhile DEIAAs. The Authority accepted the recommendation of SEAC and decided to **grant EC** to these proposals.

7. **Serial No. 64, 99:** The Authority accepted the recommendations of SEAC and decided to **Close & Delist** these proposals.
8. **Serial No. 108:** In this proposal, while SEAC has recommended for grant of EC under re-appraisal, it has also stated that the application for transfer of EC to the transferee is pending. Since, the fresh EC will be issued in the name of the present PP, the case is **deferred** and SEAC is directed to forward its recommendations in respect of the Transfer of EC so that both matters could be decided simultaneously.
9. **Serial No. 132:** The proposal be **referred back** to SEAC to reconsider its recommendations. The Authority could not understand why SEAC has recommended to close and delist this proposal on account of it being within Ramgarh Vishdhari Tiger Reserve, whereas, as per the DCF Certificate, it is located at a distance of 39285 m from the RVTR, Core. It is further strange that in a similar case, in proposal no. 470733 of 5A.143rd meeting, SEAC has recommended for grant of EC. Whereas, both the certificates are signed by the same DCF, are exactly similar in language and issued on the same date.
10. **Serial No. 143, 144, 145:** The Authority decided to **transfer EC** to these proposals with a direction that since these were the ECs issued by DEIAA, the PPs concerned shall apply for reappraisal within 30 days as per MoEF&CC OM Dated 28.04.2023, Hon'ble NGT order dated 07.12.2022 and SOP dated 15.01.2024 issued by MoEF&CC.
11. **Serial No. 146, 148, 150:** The Authority accepted the recommendation of SEAC and decided to approve the **transfer of EC** to these proposals with the direction that the RSPCB shall initiate action on the project proponent as per the existing rules. It is directed to the concerned PPs that since these were the ECs issued by DEIAA, the PPs shall apply for reappraisal within 30 days as per MoEF&CC OM Dated 28.04.2023, Hon'ble NGT order dated 07.12.2022 and SOP dated 15.01.2024 issued by MoEF&CC.
12. **Serial No. 147, 151:** The Authority accepted the recommendation of SEAC and decided to **approve the transfer of EC** to these proposals with the direction that the RSPCB shall initiate action on the project proponent as per the existing rules.
13. **Serial No. 149:** In this proposal, SEAC has considered the proposal in non-compliance of OM dated 03.11.2023, stating that PP has applied on Parivesh Portal 2.0 after twenty four months of transfer of lease deed. However, in this case PP has applied after a period of twelve months of transfer of lease deed. Hence, the Authority has decided to **refer back** this proposal to SEAC to re-consider its recommendation with respect to Para (8) of the OM dated 03.11.2023 issued by the MoEF&CC.

14. **Serial No. 152:** In this proposal, SEAC has considered the proposal in non-compliance of OM dated 03.11.2023, stating that PP has applied on Parivesh Portal 2.0 after twenty four months of transfer of lease deed. However, PP has applied for transfer of EC within a period of six months from the date of issue of this Office Memorandum and the same shall not be considered as non-compliance of EC condition. Hence, the Authority has decided to **refer back** this proposal to SEAC to re-consider its recommendation with respect to Para (8) of the OM dated 03.11.2023 issued by the MoEF&CC.
15. **Serial No. 153:** Applicant along with his consultant were heard. The matter pertains to a legal dispute between the PP and the applicant. Applicant could neither submit NOC from the PP nor a direction from the competent court to transfer the EC in the name of the applicant. Accordingly, the application **was rejected**.

Table Agenda:

The decisions of the Authority in its 5.126th meeting dated 11.06.2024 in respect of serial no. 49, 52, and 5.127th meeting dated 14.6.2024 in respect of serial no. 20, 27, 29, and 33 were reviewed. In these cases of DEIAA EC re-appraisal taken in the earlier meetings, SEAC has recommended the following –

- (i) To initiate action against the lessee for non-compliance of EC conditions as per the provisions of OM dated 03.11.2023
- (ii) The proposal for transfer of EC to present lessee/transferee may be considered by the Authority provided that the application is complete in all respects and recommended by the Committee for transfer.
- (iii) To grant of EC along with standard conditions to aforementioned project.

The Authority in the above meetings, decided to seek a clarification from MoEF & CC for the action to be initiated against the lessees for non-compliance of the EC conditions as per the provisions of OM dated 03.11.2023 issued by MoEF & CC and RSPCB may issue a notice to PP to shut down the mining activities till such time. The Authority has also decided to **defer** these proposals till the clarification is received from the MoEF& CC.

However, similar nature of cases dealt in this meeting, as listed at serial no. 146, 147, 148, 150, 151, the SEAC has recommended to SEIAA for transfer of EC of these proposals with the condition that the RSPCB shall initiate action on the project proponent as per the existing rules/ the provisions of OM dated 03.11.2023 and the Authority has decided to grant Transfer EC to the proposals with the direction that RSPCB shall initiate action against the lessees for non-compliance of EC Conditions as per Para (9) of the OM dated 03.11.2023 issued by the MoEF&CC.

In view of the above, the Authority has decided to review its earlier decisions taken in the meetings 5.126th held on 11.06.2024 and 5.127th meeting held on 14.06.2024. These cases may be put up for reconsideration in the next meeting of the Authority.

Meeting ended with vote of thanks to the chair.
