The 92nd meeting of the State Level Environment Impact Assessment Authority (SEIAA) was convened on 20th, 21st & 22nd September, 2021 in the office of SEIAA, Ranchi. The meeting was chaired by Shri S.E.H. Kazmi, Chairman, SEIAA, Jharkhand. The attendance in the meeting was as follows:-

2. Shri A.T. Mishra, Member Secretary, SEIAA, Jharkhand, Ranchi.

The decisions taken in the 92nd SEIAA meeting are as follows:-

1. SEIAA considered the recommendations made by SEAC in its 90th meeting held on 14th, 15th, 16th, 17th and 18th September, 2021 for grant of Environmental Clearance to the Minor Minerals projects:

- i. **Gokulpur Stone Mine of M/s Unique Stone Works, Mouza : Gokulpur, Block : Pakur, Dist. : Pakur, Jharkhand (2.81 Ha). (Proposal No. : SIA/JH/MIN/22I660/2021).**

SEIAA in its 91st meeting requested SEAC to consider the complain of Chotoo Marandi, Lakhiram Kisku and Josheph Marandi regarding habitation in and around the mining site and to physically visit the site before reaching any conclusion. SEAC did not find it essential to make any field visit. They are of the opinion that there is no need of any field verification and they were satisfied with the available documents. It is not a good practice to ignore public complaint. So, it was unanimously decided to verify the issue using google earth. It was found that habitation does exist with in 100 meter distance of mining site.

The Authority unanimously agreed upon giving Environmental Clearance with the condition that the project proponent will make a physical barrier of minimum 20 ft height (bricks wall 10 ft + iron sheet 10 ft) towards the habitation. So, that the stone particles do not reach the habitation. The PP should also ensure regular sprinkling of water to avoid dust pollution.

Hence, SEIAA unanimously decided to grant Environmental Clearance to the above mentioned project proposal on the basis of 89th MOM of SEAC with the same terms and conditions in addition to the above mentioned conditions. The direction of Hon`ble NGT order dated – 13.09.2018, dated – 11.12.2018 and MOEF & CC. OM dated – 12.12.2018 are equally applicable on this project.

- ii. **Stone Mine of M/s Mahakal Stone Works (Prop. : Shri Pankaj Mishra), Mouza : Gilamari, Sub Division : Rajmahal, Dist. : Sahebganj, Jharkhand (2.529 Ha). (Proposal No. : SIA/JH/MIN/ 211585/2021).**

The Authority examined the case recommended by SEAC based on the letter no. – 928, dated – 13.09.2021 of DMO, Sahebganj. The DMO, Sahebganj has reported that the correct plot number for this project is 182(P) and 213(P).

Hence, SEIAA unanimously decided to grant Environmental Clearance to the above mentioned project proposal on the basis of 89th MOM of SEAC with the same terms and conditions in addition to the above mentioned conditions.
