5. **Serial No. 9:** The Authority decided to reject this proposal as it is 32 meters away from forest land.
6. **Serial No. 27:** The Authority decided to refer this proposal back due to following reasons:-
 1. The applied area is at a distance of 25 meters from forest land.
 2. DCF Bhilwara has mentioned in his certificate that wall needs to be constructed on three sides to protect the forest land which is not possible and feasible

3. There is a court case Om Singh Chundawat v/s Govt of Rajasthan OA No. 71/2020 pending in National Green Tribunal Bhopal Bench for decision as mentioned in public hearing.

4. The Authority discussed the proposal no. 29383 and 28605 and decided and accepted the recommendation of SEAC to refuse EC to these proposals.
5. The Authority also discussed the representation given by Shri Prasenjit Singh Sankhla regarding EC violations given to mining lease no. 58/2001. This EC was given in 4. ... meeting of SEIAA for proposal no. 43987 for masonry stone mining project ML No. 58/2001, Area 1.00 Ha, Production Capacity 1,00,000 TPA (ROM) at Khasra NO. 54 near village Bhujawad, Tehsil Luni, District Jodhpur. The proponent has given wrong information regarding GPS location of the mining lease. Director Mines & Geology in his letter dated 24th August 2021 has confirmed that the actual lease is not on the two different GPS locations provided in the proposal. This amounts to concealment of facts and violation of conditions of EC granted. After detailed deliberations the authority decided the following-

1. The Environmental Clearance granted to the proponent is hereby cancelled with immediate effect and the proponent should not be allowed to apply for the same lease again.
2. A notice should be given to the consultant for furnishing wrong information and concealment of the facts and why his licence should not be cancelled.
3. Rajasthan State Pollution Control Board must take action against the proponent and recover the damage done to the environment.
4. Mines Department shall take action as per legal provisions for permission of mining and may consider for cancelling the lease.
