MINUTES OF THE SEIAA MEETING

DATE & TIME OF THE MEETING: 28th January, 2020 : 2 PM,

VENUE: OFFICE CHAMBER OF THE CHAIRMAN

Members present in the Meeting:

1. Shri T.T.C. Marak, IFS (Retd.)..... Chairman, SEIAA
2. Dr. H.J. Syiemlieh, Professor, Dept. of Geography, NEHU ...Member, SEIAA
3. Shri S.A. Nongsiej, IFS, CCF, SF & EMember Secy. SEIAA

Shri T.T.C. Marak, Chairman presided over the meeting. At the outset, the Chairman welcomed the Members and then requested the Member Secretary to present the Agenda points for discussion.

The Member Secretary apprised the members about the actions taken on the decision arrived at in the last SEIAA meeting held on 10th September, 2019 and circulated the minutes of the said meeting. The meeting approved the actions taken and confirmed the proceedings. Then the following agenda items were discussed in the meeting.

Deliberation on Agenda 1 :

Grant of prior EC to the project proposal No.SIA/ML/MIN/ 40647/2016 ,dated 19/10/2019 : Madan Pyrda (Block- I), Limestone mining project – deemed forest area (area = 4.89 ha), applied by M/s Green Valley Industries Ltd.

The Member Secretary placed the EC application along-with its attachments before the meeting and briefed the members about the project. He stated that the TOR application dated 31/11/2016 had been examined by SEAC, Meghalaya. The SEAC recommended the TOR application vide letter No. SEAC/PP-52/2017/200/733 dtd. 08/12/2017 for the Project to SEIAA for approval. TOR was approved and issued by SEIAA to the Project vide letter No. SEIAA/P-25/30/2016/43/972 dt. 04/01/2018. PP submitted online EC application vide proposal No.SIA/ML/MIN/40647/2016 dtd. 19/10/

2019 along-with relevant attachments (documents) -viz., Form-2, PFR, approved Mining Plan, EIA Report, EMP Report, Public Hearing and other relevant papers. Thereafter, the PP submitted the EDS on 19/10/2019; then the application was forwarded online by SEIAA to SEAC for further necessary action.

As per the EC application and the documents attached, the meeting noted as follows:-

- (1) The proposed project falls under Schedule 1(a) of Category B1 of EIA Notification 2006 being a captive limestone mine of a Cement factory. The mine lease area is 4.89 ha.(deemed Forest Area) and located at Nongsning village, P.O.- Chiehruphi, Narpuh Elaka, District-East Jaintia Hills, Meghalaya. In the buffer-zone - the water body is Thangskai river to the north about 0.90 km. and the Narpuh Reserve Forest/Eco sensitive zone about 7.95 km SE. The baseline study was conducted from 3rd December, 2017 to 27 February, 2018. The Boundary pillars of the project are :

Point ID	CO-ORDINATES	
	Latitudes	Longitudes
1 GCP1	25°12'43.67818"N	92°22'59.43782"E ✓

- (2) The State Govt., Meghalaya under State Mining & Geology Department issued order for grant of mining lease vide letter No.MG.6/2011/187 dtd. 04/01/2018 to the project.

- (3) This project site is a private land and a 'deemed forest' area. PP applied for Forest Land Clearance vide (copy of) application proposal No. FP/ML/MIN/ 8842/2014. The Ministry of Forests, Environment & Climate Change, Govt. of India, New Delhi, vide MoEF & CC letter No.L.No.3-MG B 027/2018-SHI/2596-97 dtd.14/10/2019 agreed to the Govt. of Meghalaya's proposal 'In principle approval' for diversion of 6.55 hectares of deemed private forest land to this project.
- (4) The PP submitted a copy of application No. FP/ML/ MIN/8842/2014 and the 'Form for seeking recommendation of the Standing Committee of NBWL/SBWL'.
- (5) The Public Hearing was conducted by Meghalaya State Pollution Control Board, Shillong on 13th March, 2019 for this project. The Report was forwarded by MSPCB vide letter No. MSPCB/TB-360-GVL-2018/2019-2020/15 dtd. 16.05.2019 to the SEIAA. Then the PP furnished para-wise comments/views in the EIA Report on the actions required to be taken (by the PP) on the views offered by the general public who attended the public hearing and the suggestions made by NGOs in the Public Hearing.
- (6) As per the approved mining plan, the total mineable reserves of limestone is of the order of 1.339 Million Tonnes and the targeted maximum production of limestone is 0.204 Million Tonnes per annum. The average gradient is about 45°. It is a Captive Limestone Mine which will be utilized by the M/s Green Valley Industries Pvt. Ltd. in its own Cement plant. The mining period is about 8(eight) years.

- (7) Mining will be fully mechanized opencast method involving machineries/vehicles like crawler drill, air compressor, hydraulic excavators, dumpers and blasting. The safety zone is about 0.447 ha. Green belt is proposed to be developed in safety zone and plantation will be carried out; the density of tree plantation will be 1125 trees per ha. and in other areas 0.294 trees per ha.. The final void area will be 4.149 ha. The depth is about 45.5 meter. The void area at a depth of 0 meter will be converted into a water body. Conservation plan for preservation of Schedule- I species shall be proposed in which Rs.10 Lakhs would be allotted for the project to be implemented within 5 years from the date of grant of EC. About 19 persons will gain direct employment and many can avail indirect employment opportunities. Dust suppression shall be carried out in the working area and haul roads by sprinkling of water with water tanker. Wet drilling shall be practiced to reduce noise generation and Personal Protective Equipment (PPE) shall be provided to the mine workers.
- (8) The total water consumption is 1 KLD for drinking and 1 KLD for others to be supplied by water Tankers; 6 KLD for sprinkling purposes and 2 KLD for greenbelt to be met from water collected in pits.
- (9) The cost of the mining project is Rs. 1.16 crore. The PP has earmarked capital of Rs. 0.08 crore towards Environmental Protection Measures and Rs. 0.1 crore per annum as recurring cost of Environment Social Responsible (ESR) activities. Further, Rs.0.1631 crore is earmarked to meet the recurring cost per annum towards cost of Environment Management Plan (EMP) activities.

Tous

(10) **Undertaking by the PP** (M/s Green Valley Industries Pvt. Ltd.) that the information provided in the EIA/EMP Report and all other submission made to the SEIAA/SEAC, Meghalaya in respect of this project are factually correct and the PP is fully accountable for the same. Shri Pawan Kumar Joshi, Assistant Vice President of the Company signed the document.

(11) **Undertaking by the Consultant** (M/s Perfect Enviro Solutions Pvt. Ltd., 5th Floor, NM Mall, Sector-3, Rohini New Delhi- 110085, holding a NABET extension certificate No. QCI/NABET/EIA/ACO/19/1158 dtd.09/12/2019 with valid date up to 08/03/2020), that the information provided in the EIA/EMP Report and all other submission made to the SEIAA/SEAC, Meghalaya in respect of this project are factually correct and the Consultant is fully accountable for the same. Shri Udai Shanker Pandey, Director of the Firm signed the undertaking on behalf of the Firm.

(12) As per the uploaded minutes, the SEAC after all additional clarifications, that is, the EIA & EMP Reports, Public Hearing reports were furnished and the presentation given by the Project Proponent, field inspection being carried out by SEAC had *in its meeting held on 11th December, 2019* unanimously recommended for grant of Environmental Clearance to the project,

RECOMMENDATION:

The State Environment Impact Assessment Authority, Meghalaya, resolved to accept the recommendations of the SEAC for granting of EC to the project, in its meeting held on 28.01.2020. Accordingly, Environmental Clearance is hereby accorded for the above

project on the recommendation of the SEAC and as per the EIA Notification- 2006 and its subsequent amendments, subject to strict compliance of the Terms and Conditions as listed at Annexure – I

Deliberation on Agenda: 2: Grant of Term of References (TOR) -

(1) Grant of TOR to Online proposal No. SIA/ML/MIN/42153/2019 dt. 30/09/2019 for mining of boulder stone with an area of 3.11 ha. at Kilmangitim, West Garo Hills - applied by Shri Drostarland Lyngdoh.

The Member Secretary placed in the meeting the TOR application along-with its attachments and briefed the Members about the project. He stated that the TOR application was forwarded on 14/10/2019 to SEAC for further necessary action.

The meeting noted as follows for the TOR application and the documents attached: -

1. As per the Cluster Certificate issued by the District Mining Officer, East Garo Hills vide letter No. DMO-W/MP/15/2019/86 dt. 26/08/2019, this project have a mining lease area of 3.11 ha., is in cluster situation with the approved mining plans of - (i) Smt. Aijonish D. Shira having mining lease area of 4.00 ha., (ii) Smt. Frinida D. Shira- having mining lease area of 1.26 ha.,(iii) Shri Krobeth Ch. Marak having mining lease area of 0.937 ha., and (iv) Shri Kingkong Ch. Marak having mining lease area of 1.67 ha.
2. As this project proposal formed cluster as indicated above, hence the PP applied for TOR in pursuance to the new directives from the MoEF & CC vide O.M. No.L-11011/175/2018-IA-II(M) dated 12.12.2018, relating to compliance to Hon'ble National Green Tribunal Order dated 13th

Tan

September 2018 in O.A. No. 186 of 2016 (Satendra Pandey Vs Ministry of Environment, Forest & Climate Change & Anr. which has inter-alia directed that '2(i) Providing for EIA, EMP and therefore Public Consultation for all areas from 5 to 25 Ha. falling under Category B2 at par with Category B-1 by SEAC/SEIAA as well as for Cluster situation wherever it is not provided'.

3. The applied mining area is a non-forest land vide Divisional Forest Officer, West and South West Garo Hills Territorial Division, Tura Letter No. B/16/VII/NOC/ MMMCR/2514/-16 dated 10th July 2019 and the letter of Intent (LOI) vide letter Memo No. B/16/VII/2517 dated 10th July 2019. It falls under Schedule 1(a) of Category B2 of EIA Notification 2006 as amended for mining of minor mineral in Cluster. As per the Non forest area clearance certificate, the applied lease area is located within the following GPS Coordinates:

Pillar	GPS Coordinates	
	Latitude	Longitude
1	25°37'57.3"	90°00'45.7"
2	25°37'51.5"	90°00'51.9"
3	25°37'53.1"	90°00'53.9"
4	25°37'56.6"	90°00'54.8"
5	25°37'58.3"	90°00'51.0"
6	25°37'58.0"	90°00'49.2"
7	25°37'59.3"	90°00'48.2"

4. The Boulder-stone is to be used for construction purposes and export to Bangladesh. The proposed production capacity is about 302010 tonnes per annum. The mining operation will be done as per the approved mining plan with a mining method of open cast and semi-mechanized by using hydraulic excavator and breakers.
5. As per the uploaded minutes of the 28th Meeting of SEAC, Meghalaya held on 11th December 2019, the Committee examined and scrutinized all the papers submitted by the PP. On scrutiny, the documents furnished was found to be in order and the SEAC unanimously recommended to SEIAA for approval of standard Term of Reference (sTOR) as TOR for this project for preparation of EIA/EMP.
6. The SEIAA, Meghalaya resolved to accept the recommendation of the SEAC for granting of TOR to the project in its meeting held on 28/01/2020. Accordingly, the Standard TOR is hereby approved for this project proposal as recommended by the SEAC, as per the EIA Notification, 2006 and its subsequent amendments with few omission and additions suitable in the standard TOR in the interest of environment protection and sustainable development in the area, as per Annexure - II

(1) Grant of TOR to Online proposal No.SIA/ML/MIN/44992/ 2019
applied by Shri Kyrmenskhem Nongrem.

The Member Secretary then placed in the meeting the TOR application along-with its attachments and apprised the members about the project. He stated that the TOR application was forwarded to SEAC on 14/10/2019 for further necessary action.

TOR

As per the TOR application and the documents attached, the following were the observations :-

1. As per the Cluster Certificate issued by the District Mining Officer, O/o the Directorate of Mineral Resources, Meghalaya, Shillong, vide letter No. DMR/MM/209/2018/1022 dtd.06/09/2019, this project having mining lease area of 4.0 ha., is in cluster situation with the approved mining plans of - (i) Shri Teilang Pde having mining lease area of 3.3 ha., (ii) Shri Sunshine Laloo having mining lease area of 4.00 ha., (iii) Shri Renikton Lyngdoh Tongkhar having mining lease area of 4.00 ha., and (iv) Shri Tapperson G. Momin having mining lease area of 4.5 ha.
2. As this project proposal formed cluster as stated above, hence the PP in pursuance to the new directives from the MoEF & CC vide O.M. No. L-11011/175 /2018-IA-II(M) dated 12.12.2018, relating to compliance to Hon'ble National Green Tribunal Order dated 13th September 2018 in O.A. No. 186 of 2016 (Satendra Pandey Vs Ministry of Environment, Forest & Climate Change & Anr. which has inter-alia directed that '2(i) Providing for EIA, EMP and therefore Public Consultation for all areas from 5 to 25 Ha. falling under Category B2 at par with Category B-1 by SEAC/SEIAA as well as for Cluster situation wherever it is not provided' applied for a TOR for this project.
3. The project is located at Khonjoy, Ranikor, South West Khasi Hills and fall under Schedule 1(a) of category B2 of EIA Notification 2006 as amended for mining of minor minerals in cluster. The applied mining area is a non forest land vide

Divisional Forest Officer, West and South West Khasi Hills Social Forestry and Territorial Division Nongstoin Letter No. T/W&SW/ 20/ NOC(L) /586 dated 27th November 2019 and the letter of Intent (LOI) vide letter No. T/W&SW/ML/LS/K. Nongrem/621 dated 7th June, 2019. As per the Non forest area clearance certificate, the applied lease area is located within the following GPS Coordinates:

Pillar No.	GPS Coordinates	
	Latitude	Longitude
A.	25°12'50.75"N	91°03'38.27"E
B.	25°12'54.47"N	91°03'44.11"E
C.	25°12'49.16"N	91°03'48.21"E
D.	25°12'45.43"N	91°03'42.36"E

4. The Limestone is to be used for export and construction purposes, with a production capacity of 270000 MT per annum. The mining plan of the applied area was approved vide letter DMR/MM/209/2018/1707 dated 9.01.2019, by Government of Meghalaya, Directorate of Mineral Resources, Shillong. The Mining operation will be done as per the approved mining plan with a mining method of open cast with semi-mechanized means with bench wise development.
5. As per the uploaded minutes of the 28th Meeting of SEAC, Meghalaya held on 11th December 2019, the Committee examined and scrutinized all the papers submitted by the PP; on scrutiny, the documents furnished was found to be in order and unanimously recommended to SEIAA for approval of standard Term of Reference (sTOR) as TOR for this project for preparation of EIA/EMP.

6. The SEIAA, Meghalaya resolved to accept the recommendation of the SEAC for granting of TOR to the project in its meeting held on 28/01/2020. Accordingly, the Standard TOR is hereby approved for this project proposal as recommended by the SEAC, as per the EIA Notification, 2006 and its subsequent amendments with few omission and additions suitable in the standard TOR in the interest of environment protection and sustainable development in the area, as per Annexure - III

(3) *Grant of TOR to online proposal No.SIA/ML/MIN/43115/2019 dt. 27/11/2019 applied by Shri Teilang Pde.*

The Member Secretary placed before the Committee the TOR application along-with its attachments and briefed the members about the project. He stated that the TOR application was forwarded to SEAC on 14/10/2019, for further necessary action.

As per the TOR application and the documents attached, the members made the following observations : -

1. As per the Cluster Certificate issued by the District Mining Officer, O/o the Directorate of Mineral Resources, Meghalaya, Shillong, vide letter No. DMR/MM/49/2019/972 dtd. 02/09/2019, this project having mining lease area of 3.3 ha., is in cluster situation with the approved mining plans of - (i) Shri Kyrmen skhem Nongrem having mining lease area of 4.23 ha., (ii) Shri Sunshine Laloo having mining lease area of 4.00 ha., (iii) Shri Rinikton Lyngdoh Tongkhar having mining lease area of 4.00 ha., and (iv) Shri Tapperson G. Momin having mining lease area of 4.5 ha.

TOR 3

2. As this project proposal formed cluster as indicated above, hence the PP applied TOR in pursuance to the new directives from the MoEF & CC vide O.M. No. L-11011/175 /2018-IA-II(M) dated 12.12.2018, relating to compliance to Hon'ble National Green Tribunal Order dated 13th September 2018 in O.A. No. 186 of 2016 (Satendra Pandey Vs Ministry of Environment, Forest & Climate Change & Anr. which has inter-alia directed that '2(i) Providing for EIA, EMP and therefore Public Consultation for all areas from 5 to 25 Ha. falling under Category B2 at par with Category B-1 by SEAC/SEIAA as well as for Cluster situation wherever it is not provided'.
3. This Project is located at Khonjoy, Ranikor, South West Khasi Hills District for an area of 3.3 hectare fall under Schedule 1(a) of category B2 of EIA Notification 2006 as amended for mining of minor minerals in cluster. The applied mining area is a non forest land vide Divisional Forest Officer, West and South West Khasi Hills Social Forestry and Territorial Division, Nongstion Letter No. T/W&SW/20/NOC (L)/598 dated 4th December 2018 and the letter of Intent (LOI) vide letter No. T/W&SW/ML/LS/T.PDE/658 dated 13th June 2019. As per the Non forest area clearance certificate, the applied lease area is located within the following GPS Coordinates:

Pillar	GPS Coordinates	
	Latitude	Longitude
A	25°12'38.3"	91°3'40.8"
B	25°12'43.8"	91°3'38.2"
C	25°12'46.0"	91°3'44.2"

TOR

D	25°12'40.7"	91°3'47.0"
---	-------------	------------

4. The Limestone is to be used for export and construction purposes, with a production capacity of 405000 MT per annum. The mining plan of the applied area was approved vide Letter DMR/MM/49/2019/735 dated 30th July 2019, by Government of Meghalaya directorate of Mineral Resources, Shillong. The mining operation will be done as per the approved mining plan, that is, open cast with semi-mechanized means with bench wise development.
5. As per the uploaded minutes of the 28th Meeting of SEAC, Meghalaya held on 11th December 2019, the Committee examined and scrutinized all the papers submitted by the PP; on scrutiny, the documents furnished was found to be in order and unanimously recommended to SEIAA for approval of standard Term of Reference (sTOR) as TOR for this project for preparation of EIA/EMP.
6. The SEIAA, Meghalaya resolved to accept the recommendation of the SEAC for granting of TOR to the project in its meeting held on 28/01/2020. Accordingly, the Standard TOR is hereby approved for this project proposal as recommended by the SEAC, as per the EIA Notification, 2006 and its subsequent amendments with few omission and additions suitable in the standard TOR in the interest of environment protection and sustainable development in the area, as per Annexure – IV

TOM

(4)
 (3) Grant of TOR to Online proposal No. SIA/ML/MIN/42999/2019 dt.
 28/11/2019 applied by Shri Arbis Tangdhara.

The Member Secretary placed before the Committee the TOR application along-with its attachments and apprised the members about the project. He said that the TOR application was forwarded to SEAC on 14/10/2019, for further necessary action.

As per the TOR application and the documents attached, the members made the following observations : -

1. As per the Cluster Certificate issued by the District Mining Officer, O/o the Directorate of Mineral Resources, Meghalaya, Shillong, vide letter No. DMR/MM/44/2019/974 dtd.02/09/2019, this project having mining lease area of 2.05 ha., is in cluster situation with the approved mining plans of - (i) Smt. Kuntimai Thangdhara having mining lease area of 2.3125 ha., (ii) Shri Marbat Dohkrut - having mining lease area of 3.50 ha.,(iii) Shri Philosopher Iawphniaw having mining lease area of 2.806 ha.,(iv) Smt. Nondini Syiemlieh having mining lease area of 3.3750 ha.,(v) Shri Arbis Thangdhara having mining lease area of 2.04 ha. and (vi) Smt. Pirtimai Lyngdoh having mining lease area of 2.499 ha.
2. As this project proposal formed cluster as stated above, hence the PP applied TOR in pursuance to the new directives from the MoEF & CC vide O.M. No. L-11011/175 /2018-IA-II(M) dated 12.12.2018, relating to compliance to Hon'ble National Green Tribunal Order dated 13th September 2018 in O.A. No. 186 of 2016 (Satendra

Pandey Vs Ministry of Environment, Forest & Climate Change & Anr. which has inter-alia directed that '2(i) Providing for EIA, EMP and therefore Public Consultation for all areas from 5 to 25 Ha. falling under Category B2 at par with Category B-1 by SEAC/SEIAA as well as for Cluster situation wherever it is not provided'.

3. This Project 'Ri Kaleng Limestone Mine' is located at Lynti Dkhar, Sohbar, East Khasi Hills District for an area of 2.05 hectares fall under Schedule 1(a) of category B2 of EIA Notification 2006 as amended for mining of minor minerals in cluster. The applied mining area is a non forest land vide Divisional Forest Officer, East Khasi Hills and Ri Bhoi and Territorial Shillong, Letter No. KH/8/NOC/Limestone/41/Pt. IV/550 dated 2nd May 2019 and the letter of Intent (LOI) vide letter No. KH/8/ML/Limestone/68/532 dated 6th May 2019. The following are the GPS Coordinates of the mining lease:

Pillar	GPS Coordinates	
	Latitude	Longitude
1	25°11'11.41"	91°45'6.90"
2	25°11'9.00"	91°45'8.04"

TCM

4. The limestone is to be used for export and construction purposes with a production capacity of 201150 tonnes per annum. The mining operation will be done as per the approved mining plan with a mining method of open cast and semi-mechanized means with bench wise development.
5. As per the uploaded minutes of the 28th Meeting of SEAC, Meghalaya held on 11th December 2019, the committee examined and scrutinized all the papers submitted by the PP; on scrutiny, the documents furnished was found to be in order and unanimously recommended to SEIAA for approval of standard Term of Reference (sTOR) as TOR for this project for preparation of EIA/EMP.
6. The SEIAA, Meghalaya resolved to accept the recommendation of the SEAC for granting of TOR to the project in its meeting held on 28/01/2020. Accordingly, the Standard TOR is hereby approved for this project proposal as recommended by the SEAC, as per the EIA Notification, 2006 and its subsequent amendments with few omission and additions suitable in the standard TOR in the interest of environment protection and sustainable development in the area, as per Annexure - V

Deliberation on Agenda 3 - Report by RONE relating to Non Compliance by PPs to ECs Stipulated Conditions:-

The Member Secretary placed before the meeting the non-compliance reports along-with enclosures. He informed that as per the new direction forwarded by MoEF & CC, North Eastern Region, Shillong (RONE) vide letter No.RONE/E/CORR-MOEF/2017/2150-56 dated 11/09/2019, the Regional Office of MoEF & CC, North

Tomb

Eastern Region, Shillong shall monitor compliance to EC stipulated conditions for the ECs granted by all SEIAAs, NER including the SEIAA, Meghalaya and to furnish monitoring reports to the SEIAA directly for information and necessary action, not to the MoEF & CC, IA Division, New Delhi as done earlier.

Sl. No	Name of the Project Proponent	EC No.	Monitoring Report letters
1	M/s Meghalaya Cements Ltd.	No.SEIAA/PROJECT-2/2007/22 dtd.25/03/2009 (Cement plant)	No.RO-NE/E/IA/ ML/IN/ 23 dtd.11/10/2019
