

# Agenda notes for SEIAA meeting dated 31.01.2022 and minutes of the meeting

## Online Proposals

69<sup>th</sup> Meeting of SEIAA, Odisha dated 31.01.2022 at 11.00 a.m.

Sl. No.	Proposal Category (B1,B2) and Proposal type (TOR/EC/MO/DIEC/MODIT/OR/Transfer of EC)	Project Sector and EIA notification Schedule.	Auto generated File No.	Name of the Applicant/ Project Proponent	Title of the proposal	Date of receipt of the proposal online	Status indicated in the PARIVESH portal	Decisions of SEIAA in the previous meeting	Current Status and Agenda Note	Observations / Decisions of SEIAA Meeting
1.	B1, EC	8(a) Building and Construction projects	SIA/OR/MIS/214339/2021	Khushi Realcon Pvt. Ltd	Proposed residential/commercial apartment tower-1 (2B+G+9), tower-2 (2B+G+22) & tower-3 (2B+G+23) at mouza- Pahal, Bhubaneswar, dist- Khurda, Odisha.	23.06.2021	Under examination of SEIAA after SEAC	The proposal was placed in 68 <sup>th</sup> SEIAA meeting held on dt. 17.01.2022 and it was decided as follows:" A firm arrangement with requisite NOC/ Permission from concerned authorities may be submitted in regard to drainage of surplus water	This is regarding a <b>New</b> proposal for <b>Building &amp; Construction</b> . The project has submitted at SEIAA under Category 'B' as the built up area is >20,000sqmt to <1,50,000 sq.mt. As per the EIA Notification, 2006, this project falls in the schedule under SI.No-8(a) –"Building & Construction" of non-coal mining sector. The project proponent has submitted proposal for <b>grant of EC for construction of Commercial Apartment Tower-1 (2B+G+9), Tower-2 (2B+G+22) &amp; Tower-3 (2B+G+23)</b> at Mouza- Pahal, Bhubaneswar, Dist- Khurda, Odisha., over a total plot area-9877.92 sqmt, built up area-63,215.5 sqmt and the project proponent is <b>Sri Vikash Kumar Jena, Project Head of M/s. Khushi Realcon Pvt. Ltd.</b> <b>The following documents have been received</b> Checklist, form-1, form-1A. <b>The following deficiencies/omission have been noticed in the above documents.</b> Nil	EC may be given as recommended by SEAC. The PP has to provide a firm agreement with NHA for drainage of the requisite quantity of STP treated water and storm water through the land area of NH (200 m width) and to

							<p>from STP after recycling"</p> <p><b>Other Points</b>  The project is located at a distance from NH-16 is 0.2km, Vani Vihar Railway -6.8 Km.  Total plot area- 9877.92 sqm, Built up area-63,215.5 sqm, Max. height of the building will be-78.85 m, parking area-13,847.8 sq., Green belt area-2181.25 sqm(22.08 of total plot area).  Estimated population will be 1970nos.  Total energy requirement-1543 KW(CESU supply-1460.4 KW and Solar energy-82.6 KW).  Total water requirement-156 KLD and source from ground water.  Total waste water generation will be 200 KLD, and waste water will be treated in 250 KLD STP and 200 KLD waste water will be generated, 190 KLD treated water will be recycling and will be used for flushing-79 KLD, gardening-8.7 KLD, 3.3 KLD for dust suppression and 99 cum/day surplus water will be discharge into drain.  Total rain water harvesting will be- 1949.81 Cum with 11 nos. of pit.  Total electric demand-1543 KW and 6.2 % of energy will be saving from Solar energy.  Total solid waste generation will be 729 kg/day + STP sludge-100 Kg/day that will be segregated as biodegradable and non-biodegradable waste  The SEAC recommended the proposal in its meeting held on 05.01.2022 with specific condition that:  The existing drain is about 200 mts. away from the site and as per BMC letter, the ownership of the land (200 m) belongs to National Highway Authority of India (NHAI). The proponent shall construct the drain after the design is approved by BMC on getting their permission. Further, the proponent shall also obtain "NOC/permission" from BMC for discharge of excess treated water to the same drain.  The proposal was placed in the 68<sup>th</sup> meeting and the Authority decided that "a firm arrangement with requisite NOC/ Permission from concerned authorities may be submitted in regard to drainage of surplus water from STP after recycling".</p>	<p>the drain by the side of NH. This agreement document has to be submitted to SEIAA by 1<sup>st</sup> May 2022, failing which the EC is liable to be revoked.</p>
--	--	--	--	--	--	--	--	--

									Now the PP has submitted the NOC / Permission from the concerned Authority in this regard. In view of the above the proposal may be placed in the SEIAA meeting for consideration of EC	
2.	B1-ToR	1(a) Mining of minerals	SIA/OR/MIN/68893/2021	Tejaswini Granites	Jakara Decorative Stone Deposit over an lease area 56.03 acres or 22.675 Ha. in Village Jakara, Tahasil-Rayagada Dist-Gajapati of Sri Tejaswini Granites	01.09.2021	Online Transfer to SEAC start on 30.10.2021	Fresh online proposal received by SEIAA for ToR.	<p>This is regarding a <b>new</b> proposal for mining of minor mineral <b>Decorative Stone</b>. The project has submitted at SEIAA under Category 'B1' as the lease area is <math>\geq 5.0</math> Ha. As per the EIA Notification, 2006, this project falls in the schedule under SI.No-1(a) –“Mining of Mineral” of non-coal mining sector. The project proponent has submitted proposal for <b>grant of EC for Jakara Decorative Stone Quarry</b> over a total lease area <b>22.675Ha/56.03acre</b> at Village-Jakara, Tahasil-Rayagada and District-Gajapati and the project proponent is <b>Sri Jagadishwar Rao of M/s. Tejaswini Granites</b>.</p> <p><b>The following documents have been received</b> Checklist, form-1, PFR, topomap, lease order, mining approval letter, mining plan, cluster clarification.</p> <p><b>The following deficiencies/omission have been noticed in the above documents.</b> Not submitted DLC report and DSR Not submitted distance from nearest ESZ in google map and google map showing the present lease hold area with all sairat source within 500 meter boundary of the lease hold area. <b>Distance from nearest sanctuary/ESZ-Lakharivally WLS-86.0km</b> <b>Whether the lease area coming in D.L.C. report-Not submitted DLC report.</b> <b>Whether the lease area reflecting in DSR-no submitted Method of mining- Semi-mechanized</b> <b>Distance from Nearest Road Bridge-2.2km, village road-0.10km (Bhogabanda village road) that will be used for transportation of minerals.</b> <b>Whether it is part of cluster – No</b> <b>Whether EC obtained earlier- No</b> <b>Production capacity per annum-24500 cum/annum (max.), Geological reserve-2669186.20 cum, Mineable reserve-1854311 cum</b> <b>This is a B1 category project.</b></p>	We may ask for DLC report verification from DFO, Paralakhemundi and inclusion of the proposed mine in DSR and a clear cluster certificate from the Mining Officer, on receipt of which TOR will be considered.

									<p><b>Others points:</b>  The Mining Lease was granted in favour of M/s. Tejeswini Granites by the Steel &amp; Mines Dept., Govt. of Odisha vide letter no. 7610/SM dt. 06.12.2021 <b>for 30 years period.</b>  The mining plan was approved by the Director of Mines, Odisha vide letter no.7826 dt. 09.11.2020  <b>Whether SEAC recommended the proposal –Yes for ToR</b> with some specific conditions:  About 80 % of Waste management, "Zero discharge" and silt management.  Plantation, water balance, STP, biodiversity study of the area,  DLC report from DFO and 500m cluster certificate from mining officer.  In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p>	
3.	B1, ToR	1(a), Non Coal Mining	SIA/ OR/ MIN/ 6722 4/202 1	TahasilAthmallik	Khadarapada Sand Quarry over an area of 12.140 hectares or 30.00 Acres in village Khadarapada, Tahasil-Athmallik, Dist. - Angul, Odisha	02.09.2021	Under Examination of SEIAA	Fresh online proposal received by SEIAA for ToR.	<p>This is regarding a <b>new</b> proposal for mining of minor mineral <b>Sand</b>. The project has submitted at SEIAA under Category 'B2' as the lease area is <math>\leq 5.0</math> Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) – "Mining of Mineral" of non-coal mining sector. The project proponent has submitted proposal for <b>grant of EC</b> for <b>Khadarapada River Sand Bed</b>, over a total lease area <b>12.140Ha/30.00 acre</b> at Village-Khadarapada, Tahasil-Athmallik and District-Angul and the project proponent is <b>Tahasilidar, Athmallik.</b>  <b>The following documents have been received</b>  Checklist, form-1, DSR, PFR, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification.  <b>The following deficiencies/omission have been noticed in the above documents.</b></p> <ul style="list-style-type: none"> <li>• Not submitted earlier EC compliance</li> <li>• In the DSR it reveals that two no. of Sand bed existing in the same name. The concerned Tahasilidar may clarify the exact distance between two sand beds.</li> </ul> <p><b>Distance from nearest sanctuary/ESZ-Tikarpada WLS-45.20km</b>  <b>Whether the lease area coming in D.L.C. report-No</b></p>	ToR may be issued (Specific + General TOR) previous EC compliance report be filed in 1 month time. Cluster clarification be obtained from the Tahasilidar.

									<p><b>Whether the lease area reflecting in DSR-Yes</b>  Method of mining- <b>Manual</b>  <b>River-Mahanadi, depth of sand deposition-1.2m</b>  <b>Distance from Nearest Road Bridge-4.10km, village road-0.70km</b>  <b>Whether it is part of cluster – No</b>  <b>Whether EC obtained earlier- Yes.</b>  <b>Production capacity per annum-40000 cum/annum(max.),</b>  Geological reserve-242800 cum, Mineable reserve-220850 cum  <b>This is a B2 category project.</b>  <b>Whether SEAC recommended the proposal –Yes for ToR</b></p> <p>In view of the above the proposal may be placed in the SEIAA meeting for issue of ToR.</p>	
4.	B1, ToR	1(a), Non Coal Mining	SIA/ OR/ MIN/ 6722 5/202 1	Tahasilidar Athmallik	Nilakanthapada Sand Quarry over an area of 54.20 Acres or 21.934 Hectares village Nilakanthapada, Tahasil-Athmallik, Dist-Angul, Odisha.	02.09.2021	Under Examination of SEIAA	Fresh online proposal received by SEIAA for ToR.	<p>This is regarding a <b>new</b> proposal for mining of minor mineral <b>Sand</b>. The project has submitted at SEIAA under Category '<b>B2</b>' as the lease area is <math>\leq 5.0</math> Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) – "Mining of Mineral" of non-coal mining sector. The project proponent has submitted proposal for <b>grant of EC</b> for <b>Nilakanthapada River Sand Bed</b>, over a total lease area <b>21.934Ha/54.20 acre</b> at Village-Nilakanthapada, Tahasil-Athmallik and District-Angul and the project proponent is <b>Tahasilidar, Athmallik.</b></p> <p><b>The following documents have been received</b>  Checklist, form-1, DSR, PFR, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification.</p> <p><b>The following deficiencies/omission have been noticed in the above documents.</b></p> <ul style="list-style-type: none"> <li>• Nil</li> </ul> <p><b>Distance from nearest sanctuary/ESZ-Tikarpada WLS-47.40km</b>  <b>Whether the lease area coming in D.L.C. report-No</b>  <b>Whether the lease area reflecting in DSR-Yes</b>  Method of mining- <b>Manual</b>  <b>River-Mahanadi, depth of sand deposition-2.0m</b>  <b>Distance from Nearest Road Bridge-6.30km, village road-1.0km</b></p>	ToR may be given (Specific + Standard conditions)

									<p><b>Whether it is part of cluster – No</b>  <b>Whether EC obtained earlier- No</b>  <b>Production capacity per annum-60000 cum/annum(max.),</b>  Geological reserve-438680 cum, Mineable reserve-403926 cum  <b>This is a B2 category project.</b>  <b>Whether SEAC recommended the proposal –Yes for ToR</b></p> <p>In view of the above the proposal may be placed in the SEIAA meeting for issue of ToR.</p>	
5.	B-1, ToR	1(a), Non Coal Mining	SIA/ OR/ MIN/ 6746 6/202 1	Rishabh Mining Pvt. Ltd.	Gandhargala Decorative Stone Mine over an area of 13.193 Ha in Village Gandhargala, P.S. Titlagarh, District Balangir, Odisha.	11.09.2021	Under Examination of SEIAA	<p>The proposal was placed in the 67<sup>th</sup> SEIAA meeting and it was decided as follows:  TOR issued with standard + specific.</p>	<p>This is regarding a <b>New</b> proposal for mining of minor mineral <b>Decorative Stone</b>. The project has submitted by the applicant under Category '<b>B1</b>' for ToR.  The project proponent has submitted proposal for <b>ToR for Gandhagala Decorative Stone Quarry</b> over a lease area <b>13.193Ha/32.60.00 acre</b> at village-Gandhagala, Tahasil-Titlagarh and District-Balangir and the project proponent is <b>M/s. Rishabh Mining Pvt. Ltd.</b>  <b>The following documents have been received</b>  Checklist, form-1, PFR, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification.  <b>The following deficiencies / omission have been noticed in the above documents.</b>  Not submitted DSR &amp; Lease validity certificate.  <b>Distance from nearest sanctuary/ESZ-Karlapat WLS-36km</b>  <b>Whether the lease area coming in D.L.C. report-No</b>  <b>Whether the lease area is reflecting in DSR-No,</b> but submitted undertaking that the PP will submit DSR at the time of Final hearing.  <b>Method of mining-Semi-mechanized</b>  <b>Distance from Nearest Road Bridge-17.61km, 0.5 km from village road</b>  <b>Whether it is part of cluster –Yes,</b> total lease area under cluster is 42.270 ha  <b>Whether EC obtained earlier – No</b>  <b>Production capacity per annum-6006cum/annum(max.),</b>  Geological reserve-667227 cum, mineable reserve-442008 cum  <b>This is a B1 category project.</b></p>	<p>Issue ToR with specific conditions to address the violations committed as per SOP dt.07.07.2021. Specific ToR conditions be given as per SEAC recommendations. Lease validity clarification be obtained from the Director of Mines.</p>

									<p><b>Whether SEAC recommended the proposal- Yes, for ToR Specific ToR:</b></p> <p>Dump management with detail calculations of waste utilization / inventory / sale including its chemical characteristics be submitted.</p> <p>Water management with rain water harvesting along with calculation be submitted.</p> <p>Soil profile study undertaken by approved domain expert be submitted.</p> <p>Silt management including SOP for silt management for desilting of surrounding water body(s) / Agricultural land be submitted.</p> <p>Proposed "Zero discharge" mechanism be submitted.</p> <p>"NOC" from CGWA / permission from W.R Deptt. Govt. of Odisha for use of ground water be submitted.</p> <p>Proposed budget for CSR / CER as per the law with due approval of the Govt. authority be submitted.</p> <p>Brief write up why the proposed quarry is not approached under cluster?</p> <p>Details of plantation done earlier and proposed along with location details.</p> <p>Details of waste management along with the composition of waste is to be provided.</p> <p><b>Other Points:</b></p> <p>The PP has already excavated total 1198.313 Cum stone for the period 2011-12 to 2013-14.</p> <p>The lease agreement was made on 16.12.1999 for the period of 10 years i.e. 05.12.2009.</p> <p>The PP has mentioned that the lease period deemed to be extended 30 years i.e. 16.12.1999 to 15.12.2029.</p> <p>The quarry is not operated for the period 2014-15 to 2016-17 and then mining plan approved for the period 2017-18 to 2021-22 for 5 years period to produce @1974 cum/annum to 2016 cum/annum and now proposed for enhancement of production capacity in remaining one year i.e. 2021-22 to produce 6,006 cum decorative stone.</p> <p>The SEAC recommended the proposal for issue of ToR for EIA studies along with Public Hearing.</p> <p><b>The DM has not submitted the clarification on the lease validity of the Mine.</b></p>
--	--	--	--	--	--	--	--	--	---

									<ul style="list-style-type: none"> <li>The lessee has operate the mining lease during the period 2011 to 2014 with total production 1198.313 cum without EC which is a violation case and the lessee has not applied the proposal in the violation portal.</li> </ul> <p>In view of the above the proposal may be returned to SEAC for re-examine the project as a violation.</p>	
6.	B-1 MOD IEC	1(a), Non Coal Mining	SIA/ OR/I ND/2 3300 6/202 1	M/s. Pradh an Industr ies	Environment Clearance for expansion of Laxmipur Graphite Beneficiation Plant from 950 TPA to 12,000 TPA at Village: Katrakana in the District of Koraput of M/s. Pradhan Industries	6.10.20 21	Under Exami nation of SEIAA	<p>The proposal was placed in the 62<sup>nd</sup> meeting of SEIAA meeting and it was decided as follows: "When the EC is deemed to be extended upto 7 years as per MoEF Notification dated 29.04.2015, what is the justification for applying for the same extension to SEIAA? This may be ascertained from the PP. At the same time we may send the proposal to SEAC for appraisal after taking into consideration</p>	<p>This is regarding an <b>expansion of validity of EC</b> proposal for Beneficiation Plant. The project proponent has submitted at SEIAA under Category 'B'. As per EIA Notification, 2006, this project falls in the schedule under Sl. No. 1(a) –"Mineral Beneficiation". The project proponent has submitted proposal for extension of <b>EC validity period of Lakshmipur Graphite Beneficiation plant from 950 TPA to 12,000 TPA</b> at village-Katrakana, Dist-Koraput of M/s. Pradhan Industries.</p> <p>The project proponent has obtained EC from SEIAA, Odisha vide letter no. 2848/SEIAA dt. 21.01.2015 for 5 years period as MoEF &amp; CC notification. Subsequently, the MoEF &amp; CC, Govt. of India vide notification dated 29.04.2015 have substituted the EC period of 5 years as mentioned in the para-9 of the EIA Notification, 2006 to 7 years and hence the validity of the environmental clearance(EC) so granted to the Laxmipur Graphite Beneficiation plant has been extended till <b>20.01.2022</b>.</p> <p>The SPCB, Odisha have accorded CTO for production of 2880 TPA of graphite concentration.</p> <p>There is no change in production capacity, area, technology, product mix is requested by PP. The PP request only extension of the time period for achieving the approved EC capacity.</p> <p>During the period 2011 to 2015, no graphite mining leases were operational in India and hence the said Lakshmipur Graphite Beneficiation plant had to stop operations due to want of raw material. Condition No.1 of the EC granted to the Lakshmipur Graphite Beneficiation plant stipulated that the said project can only source semi-processed graphite from the <b>Bandhamandi Graphite Mining</b> lease of the PP and that the said EC granted to the project was subject to EC granted</p>	Deferred to the next meeting.

the applicability of above MoEF Notification to this case".

to the Bandhamandi Graphite Mining lease. The Bandhamandi Graphite Mines was non-operational for 9 years for renewal of lease deed post submission of EC, FC, etc. Thus, the PP could not have started plant construction activities till the said Bandhamandi Graphite Mining was operationalised.

As the production of semi-processed graphite has been sub-optimal at the Bandhamandi Graphite Mining lease for reasons mentioned above, hence the expansion of the Laxmipur Graphite Beneficiation Plant has not been completed at the approved capacity. This has led to sub-optimal production at the Laxmipur Graphite Beneficiation Plant.

Financial Year	Semi-processed graphite purchased from the Bandhamandi Graphite Mining (in TPA)	Processed graphite production at the Laxmipur plant.
2015-16 to 2017-18	Nil	Nil
2018-19	669	436
2019-20	795	439
2020-21	552	722

The project proponent has continued with his obligations to the people of the project area and has spent an amount of Rs. 12,64,000 in compliance with its public hearing commitments. The PP has completed plantation cover over 33% of the total project area.

The PP has intimated the SEAC committee that the Bandhamandi Graphite mine is presently not able to provide graphite feed as per proposed capacity of the Laxmipur plant, hence the PP requested to the Committee to consider allowing them to procure graphite feed from other graphite mining leases which are operating with valid EC from MoEF & CC, Govt. of India and to allow import of graphite feed from other countries in addition to the Bandhamandi graphite mines.

									<p>The SEAC recommended the proposal for extension of validity period of EC for another 3 years period i.e. upto 20.01.2025 with following conditions: The PP shall source semi-processed graphite from the Bandhamandi graphite Mining lease and other mining leases which area operational with valid EC as well as import of graphite feed from other countries for processing at Laxmipur Graphite Beneficiation plant to achieve the approved Beneficiation capacity and accordingly, condition no.1 of EC granted earlier may be modified.</p> <p>In view of the above the proposal may be placed in the SEIAA meeting for consideration</p>	
7.	B2-TOR	4(b) Coke oven plants	SIA/OR/ND/6/8504/2021	M/S Nilachal Carbo Metalicks Pvt. Ltd.	Expansion in Production of Low Ash Metallurgical Coke of 60,000 Ton Per Annum Capacity To 1, 08,000 Ton Per Annum By Installation Of 2 Nos. New Coke Oven Battery (2x24,000 TPA) Within The Existing Premises of M/s Nilachal Carbo Metalicks Pvt. Ltd. At Baramana,	18.10.2021	Online Transfer to SEAC for appraisal	Online proposal for EC.	<p>This is regarding <b>new</b> proposal for installation of Industry. The project proponent has submitted proposal at SEIAA under Category 'B'. As per the EIA Notification, 2006, this project falls in the schedule under SI.No-4(b) -"Coke oven plants". The project proponent has submitted proposal for <b>Expansion in Production of Low Ash Metallurgical coke of 60,000 Ton per annum capacity to 1, 08,000 Ton per annum by installation of 2 nos. new Coke Oven Battery (2x24,000 TPA) within the existing premises of M/s Nilachal Carbo Metalicks Pvt. Ltd. At Baramana, Purunabaulamala, Post: Jenapur, in the district of Jajpur, Odisha and project proponent is Sri Bibhudatta Panda (MD).</b></p> <ol style="list-style-type: none"> <li>The project area is located 0.81km away from Nischinta R.F, Mahavinayak RF-9.84km, Brahamani River-6.95 Km, Brahamani Nala-0.83km.</li> <li>There is already existing plant and this project will be installing within the complex existing Cock Oven plant of 10.350 Ac or 4.188 Ha. NCPL, hence the entire land is industrial land. The proposed project would be installed on the land earmarked for future expansion.</li> <li>Total water requirement will be 9KLD and source from ground water.</li> <li>The PP not submitted land schedule of the plant.</li> <li>It is not clear whether EC and CTO obtained earlier for this project.</li> </ol>	ToR as proposed by SEAC may be issued, imposing all conditionalities for clarity of the issues, such as land schedule, DLC status, EC compliance report etc.

									6. Not submitted CTO/EC copy and its compliance report accordingly. The SEAC recommended the proposal for issues of ToR.  In view of the above the proposal may be placed in the SEIAA meeting for discussion.	
8.	B1, EC	1(a) Mining of minerals	2439 16/17 6-MINB 1/12-2021	Tahasil Idar, Kamakhyanagar	Proposal of EC of Ramial River Sand Quarry, Lokanathapur Sasan, Over an area of 14.19 acres or 5.742 ha at village - Lokanathpur Sasan, Tahasil - Kamakhyanagar, District - Dhenkanal	15.12.2021	Online transfer to SEAC on 21.12.2021	Online proposal for EC.	<p>This is regarding a <b>new</b> proposal for mining of minor mineral <b>Sand</b>. The project has submitted at SEIAA under Category <b>'B1'</b> as the lease area is <math>\geq 5.0</math> Ha. As per the EIA Notification, 2006, this project falls in the schedule under SI.No-1(a) - "Mining of Mineral" of non-coal mining sector. The project proponent has submitted proposal for <b>grant of EC for Ramial River Sand Bed</b> over a total lease area <b>5.742Ha/14.19acre</b> at Village-Lokanathpur Sasan, Tahasil-Kamakhyanagar and District-Dhenkanal and the project proponent is <b>Tahasilidar, Kamakhyanagar</b>.</p> <p><b>The following documents have been received</b> Checklist, form-1, DSR, PFR, EIA and EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification.</p> <p><b>The following deficiencies/omission have been noticed in the above documents.</b> As per the ToR, the PP has not submitted replenishment study report in the EMP. <b>Distance from nearest sanctuary/ESZ-Kapilash WLS-27.0km</b> <b>Whether the lease area coming in D.L.C. report-No</b> <b>Whether the lease area reflecting in DSR-Yes</b> Method of mining- <b>Manual</b> <b>River-Ramial, depth of sand deposition-0.8m</b> <b>Distance from Nearest Road Bridge-1.45km, village road-0.57km</b> <b>Whether it is part of cluster - No</b> <b>Whether EC obtained earlier- No</b> <b>Production capacity per annum-6,847 cum/annum(max.), Geological reserve-45,936 cum, Mineable reserve-17,119 cum</b> <b>This is a B1 category project.</b> <b>Others points:</b></p>	EC may be given with maximum depth of extraction 0.3m, and maximum permissible quantity in the 1 <sup>st</sup> year will be 4000 cum, pending submission of proper study report on rate of replenishment.

									Public hearing was conducted on 16.09.2021 and 30 nos of participants were present in this public hearing and their demand basically maintenance of village road that will be used for sand transportation, mitigation measure for dust pollution, maintenance of village temple and local employment etc. Not submitted the replenishment stud report of the sand bed and mentioned in the EMP that as the quarry is not operated the secondary data of sand deposition was taken on consideration. <b>Whether SEAC recommended the proposal -Yes</b>  In view of the above the proposal may be placed in the SEIAA meeting for consideration.	
9.	B1, EC	1(a) Mining of minerals	5650 2/178 - MINB 1/12-2021	Mantu Kumar Patnaik	Khairabathi Stone Quarry over an area of 18.594 acres or 7.525 ha for production of 20,007cum at village-Khairabathi, Tehsil - Sheragada, District- Ganjam (ToR issued-56/SEIAA dated 18.01.2021)- Final EIA & EMP report submitted)	31.12.2021	Online transfer to SEAC on 04.01.2022	Online proposal for EC.	This is regarding a <b>new</b> proposal for mining of minor mineral <b>Stone</b> . The project has submitted at SEIAA under Category ' <b>B1</b> ' as the lease area is $\geq 5.0$ Ha. As per the EIA Notification, 2006, this project falls in the schedule under Sl.No-1(a) – "Mining of Mineral" of non-coal mining sector. The project proponent has submitted proposal for <b>grant of EC</b> for <b>Khairabathi Stone Quarry</b> over a total lease area <b>7.525Ha/18.594acre</b> at Village-Khairabathi, Tahasil-Sheragada and District-Ganjam and the project proponent is <b>Sri Mantu Kumar Patnaik</b> . <b>The following documents have been received</b> Checklist, form-1, DSR, D.L.C, PFR, EIA and EMP, topomap, village sheet, lease order, mining approval letter, mining plan, cluster clarification. <b>The following deficiencies/omission have been noticed in the above documents.</b> Nil <b>Distance from nearest sanctuary/ESZ-Lakharivally WLS-30.0km</b> <b>Whether the lease area coming in D.L.C. report-No</b> <b>Whether the lease area reflecting in DSR-Yes</b> Method of mining- <b>Semi-mechanized</b> <b>Distance from Nearest Road Bridge-2.0km, village road-1.0km</b> <b>Whether it is part of cluster – No</b> <b>Whether EC obtained earlier- No</b>	EC may be given. Maximum depth of excavation be limited to 6m from the top of the hillock at each point. Effective measures to minimising SPM 2.5, SPM 10 in the immediate vicinity, and impounding all run off water be prescribed. Blasting has to be strictly regulated.

									<p><b>Production capacity per annum-20007 cum/annum (max.), Geological reserve-1118952 cum, Mineable reserve-951654 cum</b></p> <p><b>This is a B1 category project.</b></p> <p><b>Others points:</b> Public hearing was conducted on 13.09.2021</p> <p><b>Whether SEAC recommended the proposal –Yes,</b> with some specific conditions: Since 380 mts of village road is stated to be used by PP for transportation of minerals, the permission from concerned BDO shall be taken for use of road and its maintenance. "Zero Discharge" shall be ensured with detail SOP to achieve the same The PP shall take appropriate measures for "Silt management" and prepare SOP periodical de-siltation indicating the possible silt content and size. The PP shall provide sedimentation tank/settling tank with adequate capacity for runoff management. Plantain shall be ensured on both side of the haulage road of desired species besides avenue plantation. Plantation programme shall be completed in first 2 years and the same be maintained in rest of the year. Since village, high schools and temple are situated within 1 to 1.5 km of lease boundary, sufficient safety precaution shall be taken. An STP of lower capacity shall be installed to maintain public health and hygiene for the workers.</p> <p>In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p>	Blackbucks if any freely moving in the area be afforded protection.

11.	B1, TOR	7069 3/72- MINB 1/01- 2022	M/s Rungta Mines Limited	Proposal of M/s Rungta Mines Limited for ToR of Purheibahal Block for Iron Ore over an area of 64.337 Ha for production of 1.0 MTPA of Iron Ore with a total Excavation of 1.064 MTPA (1MTPA of ROM Iron Ore + 0.064 MTPA) of overburden & waste located at Village - Sanindpur & Badaindipur, Tahasil -Koira, District - Sundargarh	13.01.2 022	Online transfer to SEAC on 13.01. 2022	Online proposal for TOR.	This is regarding <b>new</b> proposal for mining of mineral <b>Iron ore</b> . The project proponent has submitted proposal at SEIAA under Category 'B'. As the lease area is ≤100.0 Ha. As per the EIA Notification, 2006, this project falls in the schedule under SI.No-1(a) – "Mining of Mineral" of non-coal mining sector. The project proponent has submitted proposal for <b>EC of Purheibahal Iron Ore Mines for production 1.0 MTPA ROM Iron ore + 0.064 MPTA overburden over lease area 64.337 ha</b> located at village-Badaindipur & Sanindpur, Tahasil-Koira, Dist-Sundargarh of <b>M/s. Rungta Mines Ltd</b> and the PP is Sri Hirak Mazumdar. This is a category B project as lease area is 64.337 Ha. (<100 ha). The lease was allocated by e-auction by Govt. of Odisha to M/s. Rungta Mines Ltd. vide letter no. IV(B)SM-48/2021/8713/SM, Bhubaneswar, dated 28.10.2021. The mining plan was approved by IBM, Bhubaneswar vide letter no. MP/A/20-ORI/BHU-2021-22 Dt. 24.11.2021. The total land area is 64.337 ha ( <b>Forest land-29.642 ha</b> , Non-forest land-20.299 ha and private land-14.396 ha). <b>No Forest Clearance was obtained</b> for the 29.642 ha forest area by the lessee and mentioned that applied for FC clearance vide their proposal no. FP/OR/MIN/150051/2021 on dt. 10.12.2021 which is under process at Central Govt. level. Total Geological resource = 46.80 Million Tonnes, Mineral reserves = 42.12 Million Tonnes. Total excavation of 1.064 million TPA (1 million TPA of ROM Iron Ore+ 0.064 million TPA of waste) or total excavation of 339619 m <sup>3</sup> (307692 m <sup>3</sup> of ROM Iron Ore+ 31927 m <sup>3</sup> of waste). Total 66726 m <sup>3</sup> OB will be generated during the proposed plan period. After plan period and during rest of life of the mine OB/waste will also be generated along with production of Ore. Total proposed waste generation upto the end of life of the mine will be 1468642 m <sup>3</sup> tentatively. This waste material will be dumped in waste dump within the mine lease area as well as in backfilling of ore exhausted quarry/ mine pit.	Issue (Specific General). The forest diversion approval is a precondition for grant of EC.	ToR +
-----	---------	--	-----------------------------------	---	----------------	---	-----------------------------------	--	--	----------

								<p><b>The lease will be executed for 50 years from date of execution.</b></p> <p>The mining material will be transported by road/ rail to consumer point.</p> <p>Total water requirement for the mining project will be 236 KLD (drinking &amp; domestic purpose-51KLD and source from ground water, 185 KLD water will be used for industrial purpose and source from nearest Teheral Nala which is located 1.2 km away from lease area).</p> <p>200 KVA power will be consumption during mining activities and source from TPWODL.</p> <p>The PP has mentioned that the lease was operated earlier by Govt. of Odisha and after obtaining EC the lessee will operate the mines for rest of reserved ore.</p> <p>In view of the above the proposal may be placed in the SEIAA meeting for consideration.</p>
