

**PROCEEDINGS OF THE MEETING OF STATE LEVEL EXPERT APPRAISAL  
COMMITTEE, ODISHA HELD ON 06<sup>TH</sup>, 8<sup>TH</sup>, 9<sup>TH</sup> & 10<sup>TH</sup> MAY, 2023**

The SEAC meetings held on 06<sup>TH</sup>, 8<sup>TH</sup>, 9<sup>TH</sup> & 10<sup>TH</sup> May, 2023 at 03:00 PM through Video Conferencing (VC) in Google Meet under the Chairmanship of Sri Sashi Paul. The following members were present in the meeting.

- |                              |   |                       |
|------------------------------|---|-----------------------|
| 1. Sri Sashi Paul            | - | Chairman (through VC) |
| 2. Dr. K. Murugesan          | - | Member Secretary      |
| 3. Dr. Rabi Narayan Patra    | - | Member (through VC)   |
| 4. Dr. Chittaranjan Panda    | - | Member (through VC)   |
| 5. Prof. (Dr.) H.B. Sahu     | - | Member (through VC)   |
| 6. Prof. (Dr.) Abanti Sahoo  | - | Member (through VC)   |
| 7. Er. Fakir Mohan Panigrahi | - | Member (through VC)   |
| 8. Prof. (Dr.) B.K. Satpathy | - | Member (through VC)   |
| 9. Dr. K.C.S Panigrahi       | - | Member (through VC)   |
| 10. Shri Jayant Kumar Das    | - | Member (through VC)   |
| 11. Dr. Ashok Kumar Sahu     | - | Member (through VC)   |

Draft proceedings of the meeting was finalized by the members through e-mail and also final proceedings of the meeting was confirmed by the members through e-mail. The agenda-wise proceedings and recommendations of the committee are detailed below.

**A. CONSIDERATION OF MINOR MINERAL PROPOSALS (NEW) – 40 Nos.**

The committee verified 40 nos. of minor mineral proposals forwarded by the SEIAA, Odisha. The case-wise proceedings and observations of the committee are detailed in Table as per **Annexure – A**. The proposals of following categories are examined:

Total no. of proposals	Type of proposals	No. of proposal	Decisions of the committee
40	Stone Quarries and other (18)	10	Clarification to be sought from the concerned Tahasildar.
		08	The SEAC considered the proposals as B2 category and recommended for Environmental Clearance.
	River Sand (22)	10	Clarification to be sought from the concerned Tahasildar.
		12	The SEAC considered the proposals as B2 category and recommended for Environmental Clearance.

**B. CONSIDERATION OF MINOR MINERAL PROPOSALS (COMPLIANCE RECEIVED) – 08 Nos.**

The committee verified 08 nos. of minor mineral proposals (compliance received). The case-wise proceedings and observations of the committee are detailed in Table as per **Annexure – B**. The proposals of following categories are examined:

Total no. of proposals	Type of proposals	No. of proposal	Decisions of the committee
08	Stone Quarries and other (02)	02	Clarification to be sought from the concerned Tahasildar.

Total no. of proposals	Type of proposals	No. of proposal	Decisions of the committee
	River Sand (06)	01	Clarification to be sought from the concerned Tahasildar.
		05	The SEAC considered the proposals as B2 category and recommended for Environmental Clearance.

**C. CONSIDERATION OF MODIFICATION OF EC OF MINOR MINERAL PROPOSALS (NEW) – 36 Nos.**

The recommendation of SEAC for modification of Environmental Clearance for 36 proposals is given at **Annexure - C**.

**D. CONSIDERATION OF MODIFICATION OF EC OF MINOR MINERAL PROPOSALS - COMPLIANCE RECEIVED: 04 Nos.**

The recommendation of SEAC for modification of Environmental Clearance (Compliance received) for 04 proposals is as per **Annexure - D**.

**E. CONSIDERATION OF COUNTRY LIQUOR PROPOSALS – 30 NOS.**

The recommendation of SEAC for 30 country liquor proposals is as per **Annexure - E**.

  
MEMBER SECRETARY, SEAC

**TABLE**  
**DECISION ON MINOR MINERAL PROJECTS WITH LEASE AREA LESS THAN 5 HA.**  
**ON 06<sup>TH</sup>, 08<sup>TH</sup>, 09<sup>TH</sup> AND 10<sup>TH</sup> MAY 2023**

Sl. No	SEIAA File No.	Name & Address of the proponent	District	Type of Mineral	Name of the project	Mining lease period	Details of other mines including lease area located within 500 m from the periphery of the proposed mine lease area	Observation of SEAC based on Form-I, Pre-feasibility report, approved mining plan and checklist	Whether general condition apply	Maximum annual production capacity (in m <sup>3</sup> )	Recommendation of the SEAC
1.	SIA/OR/M IN/40540 2/2022	Tahasildar, Bahalda (Lessee) M/s. Jhadgan Stone Quarry At-Tahasil Office, Bahalda  Dist: Mayurbhanj  Pin: 757046  Email: tahasildarbahalda46@gmail.com	Mayurbhanj	Stone	Proposal of Environmental Clearance for Jhadgan Stone Quarry Over an area of 3.61 Acre or 1.460 Hectares in village Jhadagan under Bahalda Tahasil of Mayurbhanj District of Tahasildar, Bahalda - EC	5 Years	Nil (As per checklist)	<ol style="list-style-type: none"> <li>1. Furnished filled in Form-I, pre-feasibility report and check list as endorsed / submitted by the Tahasildar.</li> <li>2. Final DSR has been submitted.</li> <li>3. Topo sheet indicating location of the mine has been furnished.</li> <li>4. EMP has been submitted.</li> <li>5. Mining Plan has been approved.</li> <li>6. No forest land involved in lease area</li> </ol>	NO	2625	The SEAC recommended to grant EC valid from the date of EC accorded up to the lease period with following additional conditions.  i) Consent / NoC shall be obtained from the concerned authority if village road is to be used for transportation. The said road shall also be maintained

Sl. No	SEIAA File No.	Name & Address of the proponent	District	Type of Mineral	Name of the project	Mining lease period	Details of other mines including lease area located within 500 m from the periphery of the proposed mine lease area	Observation of SEAC based on Form-I, Pre-feasibility report, approved mining plan and checklist	Whether general condition apply	Maximum annual production capacity (in m <sup>3</sup> )	Recommendation of the SEAC
								<p>7. There is no protected areas i.e. National Park, Sanctuary, Habitat for Migratory Birds, Tiger Reserve, Protected Monuments, Inter-State boundary and critically polluted area as identified by CPCB etc. located within 5 km radius of the mine lease area.</p> <p>8. There is no court case / litigation pending.</p> <p>9. The concerned Tahasildar has furnished DLC report. DLC report of concerned Tahasildar reveals that the</p>			<p>by the lessee.</p> <p>ii) In view of likely revision of DSR the mention of this deposit with final coordinates is to be ensured</p> <p>iii) Plantation programme to be completed within first two years and to be maintained in remaining years.</p> <p>iv) Depth of Mining as proposed should not be beyond 6m from the ground level.</p> <p>v) Mitigation measures for flying Rock for safety be put in place.</p> <p>vi) Stone quarry</p>

Sl. No	SEIAA File No.	Name & Address of the proponent	District	Type of Mineral	Name of the project	Mining lease period	Details of other mines including lease area located within 500 m from the periphery of the proposed mine lease area	Observation of SEAC based on Form-I, Pre-feasibility report, approved mining plan and checklist	Whether general condition apply	Maximum annual production capacity (in m <sup>3</sup> )	Recommendation of the SEAC
								<p>lease area is not included in the DLC list.</p> <p>10. The Tahasildar has furnished Cluster certificate. The Cluster certificate reveals that there is no other mine located within 500 meter from the boundary of the mine.</p>			<p>project proponent need to maintain periodic health check-up records of their employees and ensure use of face mask by workers in crushing and handling sections of the stone quarry for ensuring that working personnel are not affected by silicosis.</p> <p>vii) The boundary area of the deposit as per the revised / updated DSR to be defined by geo coordinates based on DGPS survey superimposed on the cadastral map.</p>

Sl.
