

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

**MINUTES OF THE 102nd MEETING OF THE
STATE LEVEL ENVIRONMENT IMPACT
ASSESSMENT AUTHORITY (SEIAA),
ANDHRA PRADESH
HELD ON 06.02.2018 AT
VIJAYAWADA
A.P.**

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

Present :

The following members were present:

1.	Sri S. Balasubramnayam I.A.S (Retired).	Chairman
2.	Dr.Smt.Padma Sree Ravi, Department of Chemical Engineering, A.U College of Engineering, Visakhapatnam, Andhra Pradesh.	Member
3.	Sri. A.Janardhana Babu Special Secretary to Govt. (FAC), Environment, Forests, Sciences and Technology Department, Govt. of Andhra Pradesh.	Member Secretary

I. GENERAL AGENDA ITEMS:

112-A: Issues related to EIA Notification 2006 violation cases in Mining projects in Andhra Pradesh under Category 'B' projects.

1. In the SEAC, A.P. meetings held in September 2017 & October 2017 the committee noted that some of the project proponents' violation cases, the credible action was initiated and submitted the copy of the counterfoil of penalty in the Hon'ble Courts at district level.
2. The Committee opined that the credible action for EIA - 2006 violations, against this mine was initiated, before the issue of procedure on violation cases by MoEF&CC, New Delhi (i.e before 14th March 2017) and hence recommended for issue of EC. Also the aforesaid notification dated 14th March 2017 was challenged before the Hon'ble High Court of Madras vide W.P.No.11189/2017 and W.P.M.P.No. 12134/2017. The Hon'ble High Court has stayed the Notification in the month of May, 2017.
3. The Committee recommended for issue of Environmental clearance to those mining projects without prejudice to the orders/directions of the Supreme Court/any Hon'ble High Courts/NGT etc.
4. The SEIAA,A.P. in its meetings held on 04.10. 2017 & 10.10.2017 and it was decided that this aspect to be examined legally and hence deferred.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

5. The Hon'ble High Court , Chennai disposed the case on 13th October 2017 , given the judgment in W.P.No.11189/2017 and W.P.M.P.No. 12134/2017.
6. Further, recently the MoEF&CC, Govt.of India, New Delhi, for the violation cases in reply to the project proponent's proposal applied for Terms of Reference/ Environmental Clearance as per provisions of notification vide S.O. S.O.804(E) dated 14.03.2017 involving violation of the EIA Notification, 2006, requested the project proponent that they ***are required to first approach the Mines and Geology Department of the State Government for certification regarding payment of 100% cost of illegally mined mineral to the State Government in terms of the section 21(5) of the MMDR Act, 1957. The amount so payable to the State Government for the ore/mineral, would inter-alia, account for the mining operations in violations. Further directed to obtain the No Objection Certificate from the Mines and Geology Department of the State Government, in respect of settlement of all the amount payable against the identified violations (mentioned in para 4 above), in terms of provisions under section 21(5) of the MMDR Act, 1957, and as observed and directed by the Hon'ble Supreme Court in their judgment dated 2nd August, 2017 in WP No 114/2014 in the matter of 'Common Cause Vs UoI'.***
7. The SEAC,A.P and SEIAA, A.P unanimously decided that the violation cases of EIA Notificaiton 2006 of mining project proposals **which were deferred** in the earlier SEAC,A.P & SEIAA,A.P meetings held in September 2017 and October 2017, shall be informed to approach the Ministry of Environment, Forests & Climate Change, Govt. of. India, New Delhi for further consideration *for consideration of ToR/EC in pursuance of the Notification .S.O. S.O.804(E) ,dated 14th March, 2017.*

Decision of SEIAA: The Authority decided that all the violation cases shall be informed to approach the Ministry of Environment, Forests & Climate Change, Govt. of. India, New Delhi for further consideration *of ToR/EC in pursuance of the Notification .S.O. S.O.804(E) ,dated 14th March, 2017*

Agenda Item: 102.01	16.20 Ha. Ordinary Sand Mine of Pendyala-Kanuru at Pendyala-Kanuru Villages, Nidadavole- Pendyala Mandals, West Godavari District - Environmental Clearance – Reg.
--------------------------------	---

Recommendations of the SEAC on 20.01.2018:

The representative of the project proponent has attended the meeting.

The Committee noted that this is a new sand reach in river Godavari. The mining plan was approved by the by Deputy Director of Mines & Geology, Eluru vide Letter No.632/Sand-AMP/2016 (PK), dated: 29.08.2017.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this **sand reach** for mining of sand – 1,62,000 m³ in one year only, duly stipulating a condition that the maximum depth of mining is 1 meter only and other conditions to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.02	24.0 Ha. Ordinary Sand Mine of Pandalaparru at Pandalaparru (V), Nidadavolu (M), West Godavari District - Environmental Clearance – Reg.
--------------------------------	---

Recommendations of the SEAC on 20.01.2018:

The representative of the project proponent has attended the meeting.

The Committee noted that this is a new sand reach in river Godavari. The mining plan was approved by the by Deputy Director of Mines & Geology, Eluru vide Letter No.632/Sand-AMP/2016 (PDP), dated: 29.08.2017.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this **sand reach** for mining of sand – 2,40,000 m³ in one year only, duly stipulating a condition that the maximum depth of mining is 1 meter only and other conditions to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.03	24.33 Ha. Ordinary Sand Mine of Siddantham at Siddantham Village, Penugonda Mandal, West Godavari District - Environmental Clearance – Reg.
--------------------------------	--

Recommendations of the SEAC on 20.01.2018:

The representative of the project proponent has attended the meeting.

The Committee noted that this is a new sand reach in river Godavari. The mining plan was approved by the by Deputy Director of Mines & Geology, Eluru vide Letter No.632/Sand-AMP/2016 (SDM), dated: 29.08.2017.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

The Committee recommended for issue of Environmental clearance to this sand reach for mining of sand – 2,43,300 m³ in one year only, duly stipulating a condition that the maximum depth of mining is 1 meter only and other conditions to be fulfilled.

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC

Agenda Item: 102.04	Storage of Bulk Liquid Cargo by M/s. United Port Services Pvt Ltd., at Sy. No: 312, Kakinada Deep Water Port, ADB Road, Kakinada, East Godavari District, Andhra Pradesh– Environmental Clearance for expansion – TOR issued – EIA report submitted – Reg
--------------------------------	--

Recommendations of the SEAC on 20.01.2018:

The representative of the project proponent and their consultant M/s. S.V. Enviro Labs & consultants., have attended the meeting and presented the EIA report.

The Committee noted that the industry proposes to expand in the existing unit with additional storage capacity of 25,050KL in another 5 Nos. of tanks in an additional area of 1.52 acres. The existing unit is in the Kakinada Sea Port area. The industry presented the EIA report and noted that industry has not submitted the copy of the certificate of compliance of EC of the existing unit from the MoEF&CC, Regional office, Chennai.

The proposed project falls under Item No. 6(b) of the schedule of the EIA Notification 2006- Isolated storage & handling of hazardous chemicals.

The Committee recommended that the project proponent shall submit the (i). The copy of the certificate of compliance on EC order conditions of the existing storage facility (ii). The copy of land documents of leased land obtained from the Kakinada Sea Port Ltd., Kakinada. (iii). Relocation & safety aspects (onsite & off site emergency action plans) of existing and expansion projects and (iv). The details of the CRZ clearances of the existing storage facility.

Decision of SEIAA: Noted.

Agenda Item: 102.05	Construction Project of M/s. Sri Laxmi Narasimha Homes Pvt. Ltd. at Sy. No. 185/ 1B, 185/2, 185/3, Ibrahimpatnam Village & Mandal, Krishna District, Andhra Pradesh – Environmental Clearance –Reg.
--------------------------------	--

Recommendations of the SEAC on 20.01.2018:

The representatives of the project proponent and their consultant M/s. Sri Sai Manasa Nature Tech Pvt Ltd have attended the meeting.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

The Committee noted that the proposed project falls under Item 8(a) of the schedule of the EIA Notification 2006- Construction projects , as the proposed project site covering an area is < 50 ha and built up area is <1,50,000 sq. m.

*The Committee recommended for **issue of Environmental Clearance** to this construction project **Residential complex** with **built up area- 57,475.79 Sq.m.**, by stipulating the standard conditions and other conditions: the Project Proponent shall implement the solid waste management as per the Solid Waste Management Rule, 2016, applicable for construction projects; The parking area in compliance with the NBC/ MoEF/ local Government regulations as applicable, whichever is higher; The Project Proponent shall develop the avenue plantation along the approach road leading to the proposed project site.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.06	11.50 Ha. Colour Granite Mine of Sri A.R. Nagaraju at Sy. No. 155 (Block Split Number of Old Sy.No.94), Dayyalagudam Village, Adoni Mandal, Kurnool District, Andhra Pradesh- Environmental Clearance –Reg.
--------------------------------	--

Recommendations of the SEAC on 20.01.2018:

The project proponent and their consultant M/s. Pioneer Enviro Labs and Consultants Private Limited have attended the meeting.

The Committee noted that this is a new mine and the in principle letter was issued vide notice dated 23-07-2015 by the Deputy Director of Mines & Geology, Kadapa, for mining lease -20 years. The mining plan was approved on 12.01.2016 for 5years. The Asst. Director of Mines & Geology, Kurnool vide Letter dated.06.11.2017, that there is one quarry lease of Sri. A.R.Nagaraju (13.0 Ha.) in the surroundings of this proposed mine lease (11.5 Ha.) within 500 meters. The cluster EMP submitted.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed **Colour Granite** project for the production quantities - 8338 m³/annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

Agenda Item: 102.07	13.0 Ha. Colour Granite Mine of Sri A.R. Nagaraju at Sy. No. 154 (Block Split Number of Old Sy.No.94), Dayyalagudam Village, Adoni Mandal, Kurnool District, Andhra Pradesh - Environmental Clearance –Reg.
--------------------------------	--

Recommendations of the SEAC on 20.01.2018:

The project proponent and their consultant M/s. Pioneer Enviro Labs and Consultants Private Limited have attended the meeting.

The Committee noted that this is a new mine and the in principle letter was issued vide notice dated 23-07-2015 by the Deputy Director of Mines & Geology, Kadapa, for mining lease -20 years. The mining plan was approved on 12.01.2016 for 5years. The Asst. Director of Mines & Geology, Kurnool vide Letter dated.06.11.2017, that there is one quarry lease of Sri. A.R.Nagaraju (11.5 Ha.) in the surroundings of this proposed mine lease (13.0 Ha.) within 500 meters. The cluster EMP submitted.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed **Colour Granite** project for the production quantities – 10,000 m³/annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.08	Construction Project of A TREE STORY (Pooja Crafted Homes Private Limited) at NTS no: 143/3, Block no: 7, Revenue Ward No. 11, 40-1-119, Patamata Village, Vijayawada (urban) Mandal, Krishna District, Andhra Pradesh – Environmental Clearance –Reg.
--------------------------------	---

Recommendations of the SEAC on 20.01.2018:

The representatives of the project proponent and their consultant M/s.Pioneer Enviro Laboratories & Consultants Pvt. Ltd. have attended the meeting.

The Committee noted that the proposed project falls under Item 8(a) of the schedule of the EIA Notification 2006- Construction projects , as the proposed project site covering an area is < 50 ha and built up area is <1,50,000 sq. m.

*The Committee recommended for **issue of Environmental Clearance** to this construction project **Commercial cum Residential complex** with **built up area- 30,635.91 Sq.m.**, by stipulating the standard conditions and other conditions: the Project Proponent shall implement the solid waste management as*

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

per the Solid Waste Management Rule, 2016, applicable for construction projects; The parking area in compliance with the NBC/ MoEF/ local Government regulations as applicable, whichever is higher; The Project Proponent shall develop the avenue plantation along the approach road leading to the proposed project site.

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.09	9.890 Ha. Colour Granite Mine of Sri S. Senthil Kumar, Sy.No. 2982 (Old Sy.No. 2844), Peddamallela (V), Rompicherla (M), Chittoor District - Environmental Clearance –Reg.
--------------------------------	---

Recommendations of the SEAC on 20.01.2018:

The project proponent and their RQP have attended the meeting.

The Committee noted that the project proponent has not furnished complete details of the mining activity/leases in the surroundings of this proposed mine lease within 500 meters.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

The Committee recommended for the site visit of this proposed mine lease area to have the clarity about its mining activity in and around the proposed mine lease, by Prof. K. Seshaiyah member SEAC, A.P. and the nominee of APPCB from the Regional Office of APPCB. The SEIAA- secretariat to co-ordinate for logistics and inform to the project proponent accordingly.

Decision of SEIAA: Noted.

Agenda Item: 102.10	Construction Project of Urban Social Infrastructure with Convention cum Exhibition Centre, Hotel & Mall by M/s. Andhra Pradesh Tourism Development Corporation at Sy. Nos.107/2B & 107/3A2, Lalacheruvu, Rajamahendravaram, East Godavari District, Andhra Pradesh – Environmental Clearance –Reg.
--------------------------------	---

Recommendations of the SEAC on 20.01.2018:

The representatives of the project proponent and their consultant M/s. Team Labs and Consultants have attended the meeting.

The Committee noted that the proposed project falls under Item 8(a) of the schedule of the EIA Notification 2006- Construction projects , as the proposed project site covering an area is < 50 ha and built up area is <1,50,000 sq. m.

*The Committee recommended for **issue of Environmental Clearance** to this construction project **APTDC - Urban Social Infrastructure with Convention cum Exhibition Centre, Hotel and Mall with built up area-***

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

47,588.70 Sq.m., by stipulating the standard conditions and other conditions: The Project Proponent shall implement the solid waste management as per the Solid Waste Management Rule, 2016, applicable for construction projects; The parking area in compliance with the NBC/ MoEF/ local Government regulations as applicable, whichever is higher; The Project Proponent shall develop the avenue plantation along the approach road leading to the proposed project site.

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.11	7.850 Ha. of Colour Granite Mine of Sri.Choudhry Suresh at Sy.No. 578, Jarali (V), Sarvakota (M), Srikakulam District - Environmental Clearance –Reg.
--------------------------------	--

Recommendations of the SEAC on 20.01.2018:

The project proponent and their consultant M/s. Global Enviro Labs have attended the meeting.

The Committee noted that this is a new mine and the in principle letter was issued vide notice dated 19-07-2017 by the Deputy Director of Mines & Geology, Visakhapatnam, for mining lease -20 years. The mining plan was approved on 01.11.2017 for 5years. The Asst. Director of Mines & Geology, Visakhapatnam vide Letter dated.18.12.2017, that there is no quarry leases in the surroundings of this proposed mine lease within 500 meters.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed **Colour Granite** project for the production quantities – 17,022 m³/annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.12	6.0 Ha. Colour Granite Mine of Sri P. Rudraiah Naidu at Sy.No. 33, Ammagaripalli (V), Penmur (M), Chittoor District - Environmental Clearance –Reg.
--------------------------------	--

Recommendations of the SEAC on 20.01.2018:

The project proponent and their consultant M/s. Team Labs and Consultants have attended the meeting.

The Committee noted that this is a new mine and the in principle letter was issued vide notice dated 13-10-2017 by the Deputy Director of Mines & Geology, kadapa, for mining lease -20 years. The mining plan was approved on 22.11.2017 for 5years. The Asst. Director of Mines & Geology, Chittoor vide Letter dated.01.12.2017, that there are two mine leases (Sri Purushotham Naidu, Sy.No.33 – 2.0 Ha &

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

M/s.Eswar Stone Crusher, Sy.No.33 – 1.0 Ha) in the surroundings of this proposed mine lease (6.0 Ha.) within 500 meters.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed **Colour Granite** project for the production quantities – 14,288 m³/annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.13	Construction Project of I.T.Park M/s. ACE Urban Hitech City Limited, Sy. Nos. 52&53, Kesarapalli (V), Gannavaram (M), Krishna District, Andhra Pradesh – Environmental Clearance –Reg.
--------------------------------	---

Recommendations of the SEAC on 20.01.2018:

The representatives of the project proponent and their consultant M/s.Visona Labs have attended the meeting.

The Committee noted that the project proponent proposes to construct additional IT block in the existing site area.

The proposed site is near to the Medha I.T.Park and the Vijayawada : Gannavaram Airport is within one km distance from the I.T.Park

The proposed project falls under Item 8(a) of the schedule of the EIA Notification 2006- Construction projects , as the proposed project site covering an area is < 50 ha and built up area is <1,50,000 sq. m.

*The Committee recommended for **issue of Environmental Clearance** to this construction project - **Information and Technology Park with built up area- 83,520.23 Sq.m.**(existing-17,307.80 Sq.m & proposed block- 66,212.43 Sq.m) with the height of the building as per the permissions obtained from the Airport Authority of India (AAI), by stipulating the standard conditions and other conditions: The Project Proponent shall implement the solid waste management as per the Solid Waste Management Rule, 2016, applicable for construction projects; The parking area in compliance with the NBC/ MoEF/ local Government regulations as applicable, whichever is higher; The Project Proponent shall develop the avenue plantation along the approach road leading to the proposed project site.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

Agenda Item: 102.14	Development of Industrial Park by A.P.Industrial Infra Structure Corporation (APIIC) at Sy.No 11 and 16, Mallavali (V), Bapulapadu (M), Krishna District, Andhra Pradesh – Terms of Reference (TOR) –Reg.
--------------------------------	--

Recommendations of the SEAC on 20.01.2018:

The representative of the project proponent - M/s. APIIC and their consultant M/s. L&T Infrastructure Engineering Ltd have attended the meeting and presented their project proposal for development of model industrial park., in an extent of area about 1165.73 acres (472 Ha).

In this park they intend to propose the industrial sectors: 1. Engineering / Manufacturing, 2. Micro, Small and Medium Enterprise 3. Chemicals and Allied Chemicals including Agro chemicals, Marine chemicals, Specialty chemicals, Paints, Dyes and pigments, Industrial gases etc. 4. Herbal medicines, bio pharmaceuticals and 5. Logistics. During their presentation M/s. APIIC requested for collection & utilization of existing baseline data for preparation of EIA report.

The Committee noted that M/s. APIIC is proposes to develop the model Industrial Park (IP) for the different industrial sectors and the proposed IP area is about 1165.73 acres (472 Ha).

The proposed project falls under Item No. 7(c) of the schedule of the EIA Notification 2006- Industrial estates/ parks/ complexes/ areas, export processing Zones (EPZs), Special Economic Zones (SEZs), Biotech Parks, Leather Complexes. -[Industrial estates housing at least one Category B industry and area <500 ha.]

*The Committee recommended for **Issue of Standard Terms of Reference (TOR) with public hearing** to this proposed project-Model Industrial Park to establish the Category 'B' industries /activities listed in the schedule of the EIA Notification 2006 and other industries **with additional TOR** that in the proposed industrial park, there shall not be any type of industry/activity which is listed in any of the items of Category 'A' in the schedule of EIA Notification 2006. M/s. APIIC is permitted for collection & utilization of existing valid baseline data for preparation of EIA report.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of TOR.

Agenda Item: 102.15	11.101 Ha. Quartz Mine of Sri. P. Sundeep Reddy at Sy.No. 2117, Talapula Village, Pileru Mandal, Chittoor District - Environmental Clearance – Reg.
--------------------------------	--

Recommendations of the SEAC on 20.01.2018:

The representative of project proponent and their consultant M/s. Global Environment and Mining Service have attended the meeting.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

The Committee noted that this is a new mine and the in principle letter was issued vide notice dated 28-06-2017 by the Director of Mines & Geology, Ibrahimpatnam, for mining lease -20 years. The mining plan was approved on 18.08.2017 for 5years. The Asst. Director of Mines & Geology, Palamaneru vide Letter dated.05.10.2017, that there is no quarry leases in the surroundings of this proposed mine lease within 500 meters.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed **Quartz mining** project for the production quantities – 65,520 TPA, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.16	29.26 Ha Quartz and Feldspar Mine of M/s.Hajee Mine & Minerals, Sy.No. 02, Gajulapalli (V), Gooty (M), Anantapur District – TOR issued – EIA report submitted – Environmental Clearance – Reg.
--------------------------------	---

Recommendations of the SEAC on 20.01.2018:

The project proponent and their consultant M/s. Pragathi Labs & Consultants Pvt. Ltd., have attended the meeting and presented the final EIA report.

The Committee noted earlier TOR issued to this proposed Quartz & Feldspar mining project on 10.04.2015. The public hearing was conducted on 24.03.2017. The final EIA report was submitted on 02.01.2018.

In respect of lease the in principle letter was issued vide notice dated 31-01-2014 by the Government of A.P., for mining lease -20 years. The mining plan was approved on 24.01.2015 for 5years. In the EIA report the impact studies on proposed mining activities and the issues raised in the public consultation were covered.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease). *The Project falls under category-B1 as the proposed Mine lease area is more than 25 Ha (i.e., 29.26 Ha.).*

*The Committee recommended for **issue of Environmental clearance** to this proposed **Quartz & Feldspar mining** project for the production quantities : White Quartz – 31,788 TPA and Feldspar – 1,84,622 TPA , duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled. The PP shall implement the CSR activities as committed during the public consultation.*

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.17	36.0 Ha Dolomite Mine of Sri G.Vijaya Krishna, Sy.No.226, Jakkalacheruvu (V), Gooty (M), Anantapur District – Environmental Clearance – TOR issued – EIA report submitted - Reg.
--------------------------------	---

Recommendations of the SEAC on 20.01.2018:

The project proponent and their consultant M/s. Pragathi Labs & Consultants Pvt. Ltd., have attended the meeting and presented the final EIA report.

The Committee noted earlier TOR issued to this proposed Dolomite mining project on 10.04.2015. The public hearing was conducted on 06.04.2017. The final EIA report was submitted on 02.01.2018.

In respect of lease the in principle letter was issued vide notice dated 28-02-2014 by the Government of A.P., for mining lease -20 years. The mining plan was approved on 26.02.2015 for 5years. In the EIA report the impact studies on proposed mining activities and the issues raised in the public consultation were covered.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease). *The Project falls under category-B1 as the proposed Mine lease area is more than 25 Ha (i.e., 36.00 Ha.).*

*The Committee recommended for **issue of Environmental clearance** to this proposed **Dolomite mining project for the production quantities : White Dolomite – 87,636 TPA** , duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled. The PP shall implement the CSR activities as committed during the public consultation.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.18	Development of Information Technology Park by Andhra Pradesh Industrial Infrastructure Corporation Ltd. at Survey No 314, Kapuluppada (V), Bheemunipatnam Mandal, Vishakapatnam District, Andhra Pradesh – TOR issued – EIA report submitted- Environmental Clearance –Reg.
--------------------------------	--

Recommendations of the SEAC on 20.01.2018:

The representatives of the project proponent (APIIC) and their consultant M/s. HECS Consultants have attended the meeting and presented the final EIA report.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

The Committee noted that earlier TOR issued to this proposed IT Park project on 06.10.2016. In the proposed IT Park, the APIIC proposes construction of Business Park -24 Blocks, Commercial area - 2 blocks and Utilities area -1 block etc., with total land area of 101.4 Ha including hill slope area. The total built up area of the project is 1,69,141 Sq.m.

The proposed project falls under Item 8(b) of the schedule of the EIA Notification 2006- Township and Area Development Projects - [$\geq 1,50,000$ sq. mtrs and $< 3,00,000$ sq. mtrs built up area] or [covering an area ≥ 50 Ha. and < 150 Ha.].

The public hearing was exempted, as provided for under Para 7(i) III. Stage (3)(i)(d) of EIA Notification, 2006. The final EIA report was submitted on 03.01.2018.

*The Committee recommended for **issue of Environmental Clearance** to this Township & area development project : **APIIC - Information and Technology Park with built up area- 1,69,141.00 Sq.m in an extent of area – 101.34 Ha., including hill slope area.,** by stipulating the standard conditions and other conditions: The Project Proponent shall implement the solid waste management as per the Solid Waste Management Rule, 2016, applicable for construction projects; The parking area in compliance with the NBC/ MoEF/ local Government regulations as applicable, whichever is higher; The Project Proponent shall develop the avenue plantation along the approach road leading to the proposed project site.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.19	4.89 Ha Colour Granite of M/s. Sanjeev Granites at Sy.No. 461/P of Vellamaddi (V), Nallamda (M), Ananthapuram District - Environmental Clearance - Reg.
--------------------------------	--

Recommendations of the SEAC on 20.01.2018:

The project proponent and their consultant M/s. Pragathi labs & Consultants Pvt Ltd., have attended the meeting.

The Committee noted that there 4 (four) new mine leases of M/s.Sanjeev Granites (7.0 Ha. + 4.45 Ha. + 4.0 Ha. + 4.89 Ha. = 20.34 Ha.), are adjacent to one another in the same line in this area.

Though the proposed mine lease (4.89 Ha.) is less than 5.0 Ha., there is a another mine lease with an extent of area is more than 5.0 Ha. ,within 500 meters (i.e., 7.0 Ha.) Hence this project proposal comes under purview of SEIAA, as per Para 7(iii) (b) of EIA Notification, 2006 amendment. S.O.141 (E), dated 15.01.2016.

The in principle letter was issued vide notice dated 23-08-2017 by the Director of Mines &Geology, Ibrahimpattam, for mining lease -20 years. The mining plan was approved on 05.10.2017 for

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

5years. The Asst. Director of Mines & Geology, Ananthapuramu vide letter dated.04.10.2017, that there four mines leases of M/s. Sanjeev Granites (7.0 Ha., 4.45 Ha., 4.0 Ha. & 4.89 Ha.) and there are no other existing leases around the subject area within 500 mtrs of the proposed mine.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed **Colour Granite** project for the production quantities – 9,001 m³/annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.20	4.45 Ha Colour Granite of M/s. Sanjeev Granites, Sy.No. 461/P of Vellamaddi (V), Nallamda (M), Ananthapuram District - Environmental Clearance - Reg.
--------------------------------	--

Recommendations of the SEAC on 20.01.2018:

The project proponent and their consultant M/s. Pragathi labs & Consultants Pvt Ltd., have attended the meeting.

The Committee noted that there 4 (four) new mine leases of M/s.Sanjeev Granites (7.0 Ha. + 4.45 Ha. + 4.0 Ha. + 4.89 Ha. = 20.34 Ha.), are adjacent to one another in the same line in this area.

Though the proposed mine lease (4.45 Ha.) is less than 5.0 Ha., there is a another mine lease with an extent of area is more than 5.0 Ha. ,within 500 meters (i.e., 7.0 Ha.) Hence this project proposal comes under purview of SEIAA, as per Para 7(iii) (b) of EIA Notification, 2006 amendment. S.O.141 (E), dated 15.01.2016.

The in principle letter was issued vide notice dated 23-08-2017 by the Director of Mines &Geology, Ibrahimpatnam, for mining lease -20 years. The mining plan was approved on 05.10.2017 for 5years. The Asst. Director of Mines & Geology, Ananthapuramu vide letter dated.04.10.2017, that there four mines leases of M/s. Sanjeev Granites (7.0 Ha., 4.45 Ha., 4.0 Ha. & 4.89 Ha.) and there are no other existing leases around the subject area within 500 mtrs of the proposed mine.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed **Colour Granite** project for the production quantities – 9,001 m³/annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.*

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed **Colour Granite** project for the production quantities – 12,016 m³/annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.23	5.0 Ha Gravel of Sri Pilli. Prasada Rao, Sy.No. 387/11-C (P), Bobbepalli (V), Martur (M), Prakasam District - Environmental Clearance - Reg.
--------------------------------	---

Recommendations of the SEAC on 21.01.2018:

The representative of project proponent and their consultant M/s. S.V.Enviro Labs., have attended the meeting.

The Committee noted this is a new mine. Earlier this proposal was examined in DEIAA, Prakasam District and they transferred this proposal as there is a another mine more than 5.0 Ha.(i.e. 6.33 Ha.of Sri P Hanumaiah mine) within 500 meters.

The Director of Mines & Geology, Govt. of A.P. vide letter dated.27.09.2017, that there is one quarry lease of Sri. P.Hanumaiah(6.33 Ha.) in the surroundings of this proposed mine lease (5.0 Ha.) within 500 meters.

Though the proposed mine lease is (5.00 Ha.), there is a another mine lease with an extent of area is more than 5.0 Ha., within 500 meters (i.e., 6.33 Ha.) Hence this project proposal comes under purview of SEIAA, as per Para 7(iii) (b) of EIA Notification, 2006 amendment. S.O.141 (E), dated 15.01.2016.

The in principle letter was issued vide notice dated 05-09-2017 by the Dy.Director of Mines &Geology, Guntur, for mining lease -5 years. The mining plan was approved on 05.10.2017 for 5years.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

The Committee recommended for issue of Environmental clearance to this proposed Gravel mining project for the production quantities Gravel – 76,440 m³/annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.24	Construction of IT/ITES building by M/s. HCL Technologies Limited at Survey Numbers: 20/3, Kesarapalli Village, Gannavaram Mandal, Krishna District, A.P. – Environmental Clearance –Reg.
-------------------------------	--

Recommendations of the SEAC on 21.01.2018:

The project proponent and their consultant M/s. Eco Tech Labs Pvt. Ltd, have attended the meeting.

The Committee noted that the proposed project site is near to the Medha I.T.Park and the Vijayawada : Gannavaram Airport is within one km distance from the I.T.Park. The proposed project **total land area is 11.44037 Ha** ([i.e., 1,14,403.70 Sqm (SEZ area – 1,05,500.70 Sqm + Non SEZ area – 8,903.00 Sqm)] and the **total built-up area: 1,48,807.0 Sqm** (SEZ area – 1,40,300.0 Sqm +Non SEZ area – 8,507.0 Sqm).

The proposed project falls under Item 8(a) of the schedule of the EIA Notification 2006- Construction projects, as the proposed project site covering an area is < 50 ha and built up area is <1,50,000 sq. m.

The Committee recommended for issue of Environmental Clearance to this construction project - Information and Technology Park with built up area- : 1,48,807.0 Sqm i.e., SEZ AREA : built up area -1,40,300.0 Sq.m in an extent of land area - 1,05,500.70 Sq.m(10.5507 Ha.) and Non-SEZ AREA : built up area –8,507.0 Sq.m in an extent of land area – 8,903.00 Sq.m(0.8903 Ha.) with the height of the building as per the permissions obtained from the Airport Authority of India (AAI), by stipulating the standard conditions and other conditions: The Project Proponent shall implement the solid waste management as per the Solid Waste Management Rule, 2016, applicable for construction projects; The parking area in compliance with the NBC/ MoEF/ local Government regulations as applicable, whichever is higher; The Project Proponent shall develop the avenue plantation along the approach road leading to the proposed project site.

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.25	Development of Industrial Park of Andhra Pradesh Industrial Infrastructure Corporation Limited (APIIC) at 1-8,10-15,17,146,148,155-157, partly158, partly(167,168),169, partly(170,171),570,574,596-598,603,607 Ammavaripalli (V), Penukonda (M), Ananthapur District, Andhra Pradesh – Terms of Reference (TOR)
-------------------------------	---

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

	-Reg.
--	-------

Recommendations of the SEAC on 21.01.2018:

The representative of the project proponent - M/s. APIIC and their consultant M/s. L&T Infrastructure Engineering Ltd have attended the meeting and presented their project proposal for development of model industrial park., in an extent of area about 365.0 acres (**147.70 Ha**).

The committee noted that in this proposed industrial park, the APIIC proposes to earmark the industrial plots for the Automobile industries and also for the UDL Plots (un-developed plots) for other industries. The industries which are coming up in this proposed park will have their own Zero Liquid discharge system for effluents treatment & disposal. This park will have the Common Sewage Treatment Plant (CSTP) for domestic waste water treatment and disposal.

The proposed project falls under Item 8(b) of the schedule of the EIA Notification 2006- Township and Area Development Projects - [$\geq 1,50,000$ sq. mtrs and $< 3,00,000$ sq. mtrs built up area] or [covering an area ≥ 50 Ha. and < 150 Ha.].

The public hearing was exempted, as provided for under Para 7(i) III. Stage (3)(i)(d) of EIA Notification, 2006.

*The Committee recommended for **Issue of Standard Terms of Reference (TOR) with exemption of public hearing** to this proposed project – Development of Industrial Park to establish the Category ‘B’ industries /activities listed in the schedule of the EIA Notification 2006 and other industries **with additional TOR** that to provide the secondary data for the second season, details about the rain water harvesting proposed in the north east of the lay out, specific studies on the first and second order drains in the proposed industrial park, there shall not be any type of industry/activity which is listed in any of the items of Category ‘A’ in the schedule of EIA Notification 2006. M/s. APIIC is permitted for collection & utilization of existing valid baseline data for preparation of EIA report.*

Decision of SEIAA: The Authority decided for issue of *Standard Terms of Reference (TOR) with public hearing along with additional TOR.*

Agenda Item: 102.26	18.741 Ha Quartz Mine of M/s. Veenus Minerals at Sy. No. 319(P), Dubagunta Village, Pamuru Mandal, Prakasam District, A.P. - Environmental Clearance - Reg.
--------------------------------	--

Recommendations of the SEAC on 21.01.2018:

The representative of project proponent and their consultant M/s.Vision Labs have attended the meeting.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

The Committee noted that the Mining Lease was granted by Industries & Comm. (M.II) Dept. vide G.O. Ms. No. 94 dated: 03.04.2003 for a lease period upto 2022-23. The Asst. Director of Mines & Geology, Markapur Govt. of A.P vide Lr. No.637/M/2003, dt 26.09.2017 stated that this mine is not operated since 2003-04. The mining plan was approved by the by Zonal Joint Director of Mines & Geology, Ongole & DDM&G, Guntur vide letter dated 22.09.2017.

Further the details of the surrounding mines within 500 mtrs of the proposed mine as per the Asst. Director of Mines & Geology , Markapur Govt. of A.P vide Lr. No.635/M/2003, dt 26.09.2017.

- Sri .K.Souri Reddy Quartz mine of area 17.089 Ha. Sy.No. 319(P) of Dubagunta (V), Pamur (M), Prakasam District.

The Asst. Director of Mines & Geology, Markapur further stated that the above leased area held by Sri.K.Souri Reddy is under Non-working since execution of lease deed. Hence this office has submitted determination proposal to the Director of Mines Geology, Ibrahimpatnam. The Director of Mines & Geology, has issued show cause notice No.2567/R3-2/2017, dt.24.07.2017 to the lessee. Hence the total extent of cluster of mines is 18.741 as other mine (17.089 Ha.) is not working since execution. The present cluster comes under B2 category (i.e., mine lease area is less than 25 Ha.).

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed **Quartz mining** project for the production quantities – 22,486.50 TPA, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.*

Decision of SEIAA: Refer to SEAC to examine the Cluster.

Agenda Item: 102.27	Development of Industrial Park of Andhra Pradesh Industrial Infrastructure Corporation Limited (APIIC) at Sy. No.65-1,66,67-1A,73-1B,2B,3B,93-2,94-1,2,95-98,99-2A, Gudipalli (V), Somandepalli (M), Ananthapur District, Andhra Pradesh – Terms of Reference (TOR) –Reg.
-------------------------------	--

Recommendations of the SEAC on 21.01.2018:

The representative of the project proponent - M/s. APIIC and their consultant M/s. L&T Infrastructure Engineering Ltd have attended the meeting and presented their project proposal for development of model industrial park., in an extent of area about 1111.0 acres (**449.61 Ha**).

The Committee noted that the APIIC proposes the model Industrial Park f with industrial plots for Automobile industries, Electronics Industries and General Engineering Industries with Common Facility Centre (CFC) Utility , CETP and CSTP etc.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

The proposed project falls under Item No. 7(c) of the schedule of the EIA Notification 2006- Industrial estates/ parks/ complexes/ areas, export processing Zones (EPZs), Special Economic Zones (SEZs), Biotech Parks, Leather Complexes.-[Industrial estates housing at least one Category B industry and area <500 ha.]

*The Committee recommended for **Issue of Standard Terms of Reference (TOR) with public hearing** to this proposed project-Model Industrial Park to establish the Category 'B' industries /activities listed in the schedule of the EIA Notification 2006 and other industries **with additional TOR** that in the proposed model industrial park, there shall not be any type of industry/activity which is listed in any of the items of Category 'A' in the schedule of EIA Notification 2006. M/s. APIIC is permitted for collection & utilization of existing valid baseline data for preparation of EIA report.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of TOR along with public hearing with additional TOR.

Agenda Item: 102.28	6.00 Ha. Road Metal and Building Stone Quarry of M/s. Sri Lakshmi Venkateswara Stone Crushers at Sy. No. 543, Yalakallu Village, V. Kota Mandal, Chittoor District, A.P.- Environmental Clearance - Reg.
--------------------------------	---

Recommendations of the SEAC on 21.01.2018:

The representative of project proponent and their consultant M/s. Global Environment and Mining Services have attended the meeting.

The Committee noted that this is a new mine. The in principle letter was issued vide notice dated 17-08-2017 by the Asst. Director of Mines & Geology, Palamaner, for mining lease -5 years. The mining plan was approved on 12.09.2017 for 5 years. As per the Asst. Director of Mines & Geology, Palamaner, there is a mine of Sri. P.R. Subramaniam (1.0 Ha.) within 500 m from this proposed new mine (6.0 Ha.). The Kaudinya Wildlife Sanctuary at a distance about 2.5 m distance. As per the EIA Notification, 2006, the General Condition is exempted for project or activity of mining of minor minerals of Category 'B2' (up to 25 ha of mining lease area).

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed **Road metal quarry** for the production quantities – Road Metal & Building stone -1,52,119 TPA, duly stipulating a condition that (i). the EMP of the surrounding mine (1.0 Ha.) to be included in the EMP of the present proposed mine of M/s. Sri Lakshmi Venkateswara Stone Crushers, (ii). The PP shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.*

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

Decision of SEIAA: Refer to SEAC after submission of cluster EMP.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

Agenda Item: 102.29	Construction Project of M/s. E. Satyanarayana Murthy & Others at Sy.No. 438/1, 439/2, 439/3, 439/4, K. Agraharam, Deluxe Theatre Road, Amalapuram, East Godavari District, Andhra Pradesh – Environmental Clearance –Reg.
--------------------------------	--

Recommendations of the SEAC on 21.01.2018:

The representatives of the project proponent and their consultant M/s. SV Enviro Labs & Consultants have attended the meeting.

The Committee noted that the proposed project falls under Item 8(a) of the schedule of the EIA Notification 2006- Construction projects , as the proposed project site covering an area is < 50 ha and built up area is <1,50,000 sq. m.

*The Committee recommended for **issue of Environmental Clearance** to this construction project **Residential complex** with **built up area- 25,155.62 Sq.m.**, by stipulating the standard conditions and other conditions: the Project Proponent shall implement the solid waste management as per the Solid Waste Management Rule, 2016, applicable for construction projects; The parking area in compliance with the NBC/ MoEF/ local Government regulations as applicable, whichever is higher; The Project Proponent shall develop the avenue plantation along the approach road leading to the proposed project site.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.30	M/s.Penna Cement Industries Limited, Sy.No.684, 687, 688, 689 & 690, Krishnapatnam Village, Muthukur Mandal, S.P.S.R.Nellore District - Environmental Clearance – Expansion– Reg.
--------------------------------	--

Recommendations of the SEAC on 21.01.2018:

The representative of project proponent and their consultant M/s. B.S.Enviro Tech have attended the meeting.

The Committee noted that the industry obtained EC for Clinker Grinding Mill –I vide EC order dated 18.03.2016 for production of Cement – 2 MTPA. Now they proposed for expansion of production quantities of Cement from 2.0 MTPA to 4.0 MTPA by installing another unit - Clinker Grinding Mill –II in the existing premises. They have submitted the certified EC compliance of the existing Plant from the MoEF&CC, Regional Office, Chennai. Earlier the PP submitted the undertaking that they transport the Clinker & Cement through railways.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

The proposed project falls under Item 3(b) – Cement Plant in the schedule of the EIA Notification 2006 and under Category ‘B2’ as per MoEF Office Memorandum dated 24.12.2013 – All stand-alone grinding units listed in the schedule as Category ‘B’ subject to the condition that transportation of raw material and finished products shall be primarily through railways [*transportation by railways should not be less than 90% of the traffic (inward and outward put together)*].

*The Committee recommended for **issue of Environmental Clearance** for the proposed expansion project to increase the production capacity of **Cement from 2.0 Million TPA to 4.0 Million TPA** duly incorporating the special condition that transportation of raw material and finished product through railways/waterways shall be more than 90% of the traffic. and also the Project Proponent shall comply with the CRZ Regulations 2011 and amendments thereof.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC for expansion.

Agenda Item: 102.31	24.739 Ha. Nandavaram-Venkatapuram Limestone Block - M/s. Sree Jayajothi Cements Pvt. Ltd., Sy.No. 507/3, 512, 513, 514/1, 514/2, 514/3A, 514/3B, 514/4A, 514/4B & 519 of Nandavaram Village & Sy. No. 7/1 & 5/2 of Venkatapuram Village. Banaganapalli Mandal, Kurnool District, A.P.– Terms of Reference (TOR) - Reg.
--------------------------------	--

Recommendations of the SEAC on 21.01.2018:

The representative of project proponent and their consultant M/s. B.S.Enviro Tech have attended the meeting.

The Committee note that M/s. Sree Jayajothi Cements Private Limited (M/s.SJCPL) located at Yanakandla Village, Banaganapalle Mandal, Kurnool District, Andhra Pradesh was acquired by M/s. My Home Industries Private Limited, Hyderabad in 2013. M/s. SJCPL is a existing Cement Plant and the present clinker and cement production capacity is 2.2 MTPA and 3.2 MTPA respectively. M/s.SJCPL Cement Plant is supported by two captive limestone mines viz, Yanakandla Limestone Mine and Palkur Limestone Mine located in Banaganapalle Mandal, Kurnool District. This Cement Plant and these two Limestone Mines were obtained Environmental Clerances from MoEF&CC, New Delhi.

M/s.SJCPL Cement Plant applied for TOR to the SEIAA, Andhra Pradesh for new captive Mining Lease (Nandavaram-Venkatapuram Limestone Block) over an area of 24.739 Ha.

Further the Committee noted that earlier, the similar projects were appraised at State level in the SEIAA, Andhrar Pradesh and other State SEIAAs. Hence this limestone mining project is appraised in this Committee.

The PP has not submitted the approved mining plan for the new limestone mine (Nandavaram-Venkatapuram Limestone Block).

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

The Committee recommended deferring this case and the project proponent is informed to submit the approved mining plan for this new captive limestone block for further appraisal.

Decision of SEIAA: Noted.

Agenda Item: 102.32	Construction of COMMON EFFLUENT TREATMENT PLANT (CETP) of 25 MLD at RS No: 1354 to 1360, Kothapusalamarru H/o L.G.Padu Village, Bhimavaram Mandal, West Godavari District, Andhra Pradesh – <i>Environment Clearance – TOR issued – EIA report submitted - Reg.</i>
-------------------------------	--

Recommendations of the SEAC on 21.01.2018:

The representatives of the proposed CETP project and consultant – M/s.NEERI, Nagpur have attended the meeting and presented their project proposal i.e., establishment of CETP for treatment of industrial effluents located along Yenamadurru drain in West Godavari District.

The Committee noted that the earlier TOR issued to this proposed project – construction of CETP 35 MLD , on 12.10.2017 with exemption of public hearing. M/s. NEERI, Nagpur prepared the final EIA report and now presented before the Committee.

The Government of Andhra Pradesh has given top priority for control of pollution of Yenamadurru drain and other drains joining to Yenamadurru drain to restore the water quality to permissible levels. The APPCB awarded study to National Environmental Engineering Research Institute (NEERI), Nagpur to carry out a detailed study on pollution of Yenamadurru drain and submitted **the final EIA report** for establishment of CETP for treatment of industrial effluents located along Yenamadurru drain in West Godavari District.

The proposed project falls under Item No. 7(h) of the schedule of the EIA Notification 2006-Common Effluent Treatment Plants (CETPs).

*The Committee recommended for issue of **Standard Environmental Clearance** for the construction of proposed Yanamadduru CETP -35 MLD (Phase – I – 25 MLD , Phase – II – 10 MLD) duly stipulating the standard conditions and shall comply with the CRZ Regulations 2011 and amendments thereof.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item:	6.466 Ha. Colour Granite Mine of Sri. K.E.Pratap, Survey No:286/P Denuvakonda Village, Addanki Mandal, Prakasam District, A.P.- Environmental Clearance - Reg. (Re-submission)
---------------------	---

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

102.33	<i>of application)</i>
---------------	------------------------

Recommendations of the SEAC on 21.01.2018:

The representative of project proponent and their consultant M/s.ABC Techno Labs India Private Limited have attended the meeting.

The Committee noted that the in-principle letter by the Asst.Director of Mines & Geology, Ongole on 19.11.2015..for a lease period 20 years. The mining plan was approved by the Dy.Director of Mines & Geology, Kakinada vide letter dt 11.01.2016.

The Asst.Director of Mines & Geology, Ongole vide letter dated 11.01.2018 stated that

*“The quarry lease held by M/s.K.N.Granites over an extent of 7.704 Ha. in Sy.No.286 of Dhenuvakoonda Village was determined and therefore to be considered as not existing as on date. Further the Director of Mine and Geology, Hyderabad has issued **LoIs** in principle for grant of quarry leases for the following applications falling within 500 meters radius from the peripheral boundary of your quarry lease application in Sy.No.286/P of Dhenuvakonda Village.*

1. M/s.Sri Sai Granites – 5.518 Ha.

2. M/s.Sri V.Srinivasa Singh – 7.676 Ha.

Apart from the above, there is a quarry lease existing over an extent of 8.093 Ha. in Sy.No.26 of Garlapadu Village, Maddipadu Mandal in the name of Sri Ch. Naresh granted by the Deputy Director of Mines and Geology, Ongole vide Proc No.3611/Q3/2014, dt.12.09.2014 falling within 500 mtrs”

The committee noted that the mine lease which comes purview of cluster are 6.466 Ha and 8.093 Ha.only, with a total extent of mine lease area is 14.559 Ha.(6.466 Ha + 8.093 Ha.) i.e., less than 25 Ha., and hence comes under Category ‘B2’. Cluster EMP submitted.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed **Colour Granite mining** project for the production quantities – 12,492 m³/annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.34	3.791 Ha. Black Granite Mine of M/s Kamepalli Granites & Exports, Sy Nos. 103 / 2 A, 104 / 1 to 5 and 104 / 6 of Gurijepalli Village, Santhamaguluru Mandal,
--------------------------------	---

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

	Prakasam District, A.P. - Environmental Clearance - Reg.
--	---

Recommendations of the SEAC on 21.01.2018:

The representative of project proponent and their consultant M/s. S.V.Enviro Labs., have attended the meeting.

The Committee noted this is a new mine. Earlier this proposal was examined in DEIAA, Prakasam District and they transferred this proposal as there are mine lease with extent of leases area is more than 5.0 Ha., within 500 meters. Also stated that the Asst. Director of Mines & Geology, Ongole letter dated 11.01.2018 stated that there are 14 mine leases in the surroundings of M/s. Kamepalli Granites (3.791 Ha.) within 500 meters distance.

Out of 14 Nos. of mines , 10 Nos. of mines leases were granted before September 2013 and the remaining 4 Nos. of mines , leases were granted after September 2013. Thus the total extent of cluster area is 14.414 Ha. (3.791 Ha. + 0.093 Ha. + 4.10 Ha. + 5.362 Ha. + 1.068 Ha.) which is less than 25 Ha. and hence comes under Category 'B2'. Cluster EMP submitted on 12.01.2018.

Though the proposed mine lease is (3.791 Ha.) , there are other mine leases with an extent of area is more than 5.0 Ha. , within 500 meters. Hence this project proposal comes under purview of SEIAA, as per Para 7(iii) (b) of EIA Notification, 2006 amendment. S.O.141 (E), dated 15.01.2016.

The in principle letter was issued vide notice dated 18-07-2016 by the Dy. Director of Mines & Geology, Guntur, for mining lease -20 years. The mining plan was approved on 20.08.2016 for 5 years.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006- (i). Mining of minerals (<50 ha of mining lease area in respect of non-coal mine lease).

*The Committee recommended for **issue of Environmental clearance** to this proposed **Black Granite mining** project for the production quantities – 24,646.68 m³/annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions are to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.35	3.785 Ha -Black Galaxy Granite of Sri. SLN Reddy, Sy. No: 58/P of Budawada (V), Chimakurthy (M) Prakasam Dist. A.P. - Environmental Clearance - Reg.
--------------------------------	---

Recommendations of the SEAC on 21.01.2018:

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

The representative of project proponent and their consultant M/s. S.V.Enviro Labs., have attended the meeting.

The Committee noted this is a new mine. Earlier this proposal was examined in DEIAA, Prakasam District and they transferred this proposal as there are mine lease with extent of leases area is more than 5.0 Ha., within 500 meters. Also stated that the Asst. Director of Mines & Geology, Ongole letter dated 03.11.2017 stated that there are 13 mine leases in the surroundings of M/s. Kamepalli Granites (3.785 Ha.) within 500 meters distance.

Out of 13 Nos. of mines , 9 Nos. of mines leases were granted before September 2013 and the remaining 4 Nos. of mines , leases were granted after September 2013. Out of these 4 mines , 2 mines are working mines and other 2 mines are not working , however the information on working status (i.e., how long these 2 mines are not working) is not submitted, to ascertain the cluster criteria as per the EIA Notification, 2006 amendment. S.O.2269 (E), dated 01.07.2016. Also the PP has not cluster EMP not submitted.

The Committee recommended to defer this case and the project proponent shall submit the information on (i). How long the two mines – i.e., M/s.Archana granites (1.883 Ha.) and M/s.Kishore Black Gold Granites (7.251 Ha.) are not operative (ii) Cluster EMP, for further appraisal.

Decision of SEIAA: Noted.

Agenda Item: 102.36	1.68 Ha Road Metal & Boulders Quarry of Sri. VRSRKS Naga Bhushana Rao at Sy.No. 1/1C &1/D, Anantharam Village, Rowthulapudi Mandal, East Godavari District, Andhra Pradesh- Environmental Clearance – Reg.
--------------------------------	---

Recommendations of the SEAC on 21.01.2018:

This mining project proposal was earlier appraised in the SEAC meeting held on 26.09.2017 & reviewed in SEIAA meeting held on 04.10.2017 and recommended & agreed to issue EC.

As per the approved mining plan, the mining quantity of Road metal and Boulders for 5 years is 1,70,808.1 m³. The annual production quantity is 34,161.62 m³/annum.

But erroneously the production quantity is recorded as 1,70,808.1Tons/annum in the earlier minutes instead of 34,161.62 m³/annum .

The committee recommended for the corrigendum in the minutes SEAC,A.P meeting held 26.09.2017 that the production quantity is to be read as “34,161.62 m³/annum” in place of 1,70,808.1Tons/annum., for this mining project proposal.

Decision of SEIAA: Agreed with the recommendations of the SEAC.

Agenda Item: 102.37	23.0 Ha Colour Granite Mine of M/s Saviour Mines & Minerals Pvt. Ltd., at Sy. No 4/P of Nandhakota Village, Ananthagiri Mandal, Visakhapatnam
--------------------------------	--

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

	District, Andhra Pradesh – Environmental Clearance – <i>Refer to SEAC by SEIAA - Reg.</i>
--	--

Recommendations of the SEAC on 21.01.2018:

This mining project proposal was earlier appraised in the SEAC meeting held on 07.10.2017 recommended for issue of EC. In the SEIAA meeting held on 10.10.2017 reviewed and requested to examine on the cluster formation and issue on TOR.

The committee again examined this mining proposal and after detailed discussions recommended reiterating the earlier recommendations mentioned in the earlier meeting held on 07.10.2017 on this mining proposal.

The Committee recommended for issue of Environmental Clearance to this proposed Colour Granite mining project for the production quantities: colour granite – 4,12,254 m³ / annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions to be fulfilled.

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC with special condition that “*In case of M/s. Benita Granites Ltd. (24.54 Ha) is given lease by the Government at later date, then they have to submit cluster EMP to incorporate cluster conditions in EC order.*”

Agenda Item: 102.38	1.78 Ha Kristipadu Dolomite & Steatite Mine of J Rajapullaiah, Sy.No.314-A, B & C3, 317-1 & 3, 318-A1 & A3, B1& B2, 319-C1 & C3 of Kristipadu (V), Peddavaduguru(M), Ananthapuram District - Environmental Clearance/ TOR - Reg.
--------------------------------	---

Recommendations of the SEAC on 21.01.2018:

This mining project proposal was earlier appraised in the SEAC meeting held on 26.09.2017 recommended for issue of EC. In the SEIAA meeting held on 04.10.2017 reviewed and requested to examine the cluster formation for their recommendations.

The Asst. Director of Mines & Geology, Tadipatri vide letter dated 16.08.2017 stated that there are two mines leases within 500 meters i.e., Smt.Anuradha - 6.613 Ha and Sri. P.V.Narayanaswamy- 4.516 Ha.

In the cluster of mines the total extent cluster area is 12.909 Ha. (i.e., 1.78 Ha.+ 6.613 Ha + 4.516 Ha.) less than 25 Ha. and hence comes under Category ‘B2’.

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

The committee again examined this mining proposal and after detailed discussions recommended reiterating the earlier recommendations mentioned in the earlier meeting held on 26.09.2017 on this mining proposal.

The Committee recommended for issue of Environmental clearance to this Dolomite and Steatite Mine mining project for the proposed production quantities of Dolomite – 2880 TPA , High Grade Steatite – 2160 TPA and Low Grade Steatite – 1440 TPA, duly stipulating a condition that the Project Proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions to be fulfilled. The other conditions for underground mining are to be fulfilled.

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.

Agenda Item: 102.39	4.516 Ha Kristipadu Dolomite & Steatite Mine of Sri. P.V. Narayana Swamy, Sy.No. 465-2, 462, 461, 456, 457, 1251J, 1251K, 1251L, 428-3 & 429-3, Kristipadu (V), Peddavaduguru (M), Ananthapuram District, Andhra Pradesh - Environmental Clearance/ TOR – Reg.
--------------------------------	---

Recommendations of the SEAC on 21.01.2018:

This mining project proposal was earlier appraised in the SEAC meeting held on 26.09.2017 recommended for issue of EC. In the SEIAA meeting held on 04.10.2017 reviewed and requested to examine the cluster formation for their recommendations.

The Asst. Director of Mines & Geology, Tadipatri vide letter dated 16.08.2017 stated that there are two mines leases within 500 meters i.e., Smt.Anuradha - 6.613 Ha and Sri. Rajapullaiah- 1.781 Ha.

In the cluster of mines, the total extent cluster area is 12.909 Ha. (i.e., 1.78 Ha.+ 6.613 Ha + 4.516 Ha.) less than 25 Ha. and hence comes under Category ‘B2’.

The Committee again examined this mining proposal and after detailed discussions recommended reiterating the earlier recommendations mentioned in the earlier meeting held on 26.09.2017 on this mining proposal.

The Committee recommended for issue of Environmental clearance to this Dolomite and Steatite Mine mining project for the proposed production quantities of Dolomite – 4365 TPA , High Grade Steatite – 3274 TPA and Low Grade Steatite – 2183 TPA, duly stipulating a condition that the Project Proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine

**MINUTES OF THE 102nd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT
AUTHORITY (SEIAA), A.P, HELD ON 06.02.2018 AT VIJAYAWADA, A.P.**

lease area for greenbelt development and other conditions to be fulfilled. The other conditions for underground mining are to be fulfilled.

Decision of SEIAA: Agreed with the recommendations of the SEAC for issue of EC.
