

Minutes of the 24th Meeting of State Environment Impact Assessment Authority (SEIAA), Odisha, held on 09.06.2020, 10.06.2020, 11.06.2020, and 12.06.2020 at 11.30 AM

The 24th meeting of the SEIAA, Odisha was held under the Chairmanship of Shri S.C Mohanty, on 09.06.2020, 10.06.2020, 11.06.2020 and 12.06.2020 in the office chamber of the Chairman. The following members were present in the meeting.

Members Present:

1. Shri S.C Mohanty, Chairman
2. Dr. S.P. Das, Member;
3. Dr. K. Murugesan, Member Secretary

Discussions were held as per agenda circulated earlier and decisions /orders /observations in regard to grant of EC emerged as follows:

1. Proceeding of SEAC meeting held on 07.02.2020 forwarded through online.

Sl. No.	Date of online receipt of the proposal	a) Date of sending E-mail to PP for seeking additional information, if any after preliminary scrutiny by MS/ Env. Engr. / b) Date of asking for submission of hard copy of the proposal / c) Date of receipt of hard copy of the proposal for TOR / for EC. d) Date of dispatch of acceptance letter	Proposal File No.	Category of the proposal	Project / Activity applied for	Name of the proposal	Name of the project proponent along with contact details	District / Tahasil	Date of Send to SEAC	Gist of appraisal report / Communication received from SEAC / Present Status	Observations / Minutes of SEIAA meeting (To be uploaded to relevant website of MoEF & CC, and communicated to concerned quarters by post)

1.	01.11.2019	Nil 11.11.2019 11.11.2019 15.02.2020 - received from SEAC	45688/04-MIN-V/09-2019	Non Coal Mining	1(a)	Joruri Iron & Mn Ore Mines of M/s Tarini Minerals Pvt. Ltd over mining lease area 66.368 Ha for "enhancement of iron ore production to 4.27	M/s Tarini Minerals Pvt. Ltd	Keonjhar	7525 / 20.11.19	The SEAC in its meeting held on 07.02.2020 has recommended for grant of EC for the project with specific conditions in terms of the provisions of the MoEF&CC, Govt. of India notification dated	

		27.05.2020 received Clarification				lakh TPA along with existing crushing unit of Primary Crusher (40 TPH) And 2 X 12 Tph secondary crusher, located at Village(s) Jajang & Khandbandh, Tehsil-Barbil, District Keonjhar, Odisha				14 th March, 2017 in addition to the conditions stipulated as per Annexure-A. However, the EC shall be issued by the SEIAA after receipt of Stage-I Forest Clearance from the Proponent.	
--	--	---	--	--	--	--	--	--	--	---	--

The Proposal was placed in the 18th meeting of SEIAA and was decided as follows:

Apparently, this mining lease has operated since the year 1995. Whether EC was obtained under EIA Notification 1994 and 2006 from MoEF&CC is not forthcoming from the records furnished. EC for expansion proposal was filed before MoEF, much later, and ToR was issued by the Ministry on 18.01.2010. The proposal with EIA reports etc. was taken up for appraisal before EAC in their meeting on 22nd to 24th July, 2013. Clarifications were sought for further consideration. This proposal was however kept in abeyance for want of NEERI report. It is stated in the SEAC appraisal report on the basis of information submitted by the PP that as per order of Hon'ble Supreme Court of India dated 02.08.2017 in WP(C) No. 114 of 2014 (Common cause Vs Union of India & Ors.) the State Govt. was directed to raise demand on the erring lessee for exceeding the production beyond the granted EC and for production without EC. The lessee has paid Rs. 67.3384159 crores to the State Govt. on 30.12.2017. The lessee submitted EC application for expansion proposal in the violation portal of MoEF, which was transferred to SEIAA on 20.11.2018. SEAC, Odisha issued a specific ToR on 14.12.2018. Detailed EIA study report on this specific ToR was filed by PP and the same was transmitted to SEAC for appraisal on 20.11.2019. It is only the excess production part that is sought to be covered by the said penalty paid by the PP; but the PP is required to comply with the Notification of 14.03.2017 of MoEF&CC to carry out the restitution of the environmental damage caused on account of the lessee's violations of EC conditions. For each item of environmental damage, on account of violations of EC conditions the damage has to be assessed and a proper scheme for its restoration and restitution has to be drawn up by an accredited consultant and submitted by the PP for consideration. The cost estimate of restitution activities to be carried out will flow from such a scheme.

The Stage-I Forest Clearance application has been submitted only recently on 03.12.2019. The PP has to submit Stage-I Forest Clearance Order before the EC application can be disposed. In the meantime, he is required to file a proper environmental restitution plan for all the EC conditions violated in course of his mining operation for further consideration of the proposal, in terms of Notification of MoEF&CC dated 14.03.2017.

Now the PP has submitted the necessary clarification for consideration of EC.

Decision of SEIAA: 1) What is the current lease period? When did the lease expire? Is there a Govt. order to renew the lease (which apparently expired on 05.02.2010) or to extend its lease period? In that case, PP may be asked to provide the Government Order of renewal / extension of the lease. 2) How could the mining operation be carried out on forest land without approval under FC Act, and how is it that application for Stage-I forest clearance has been submitted as late as on 03.12.2019? (FC act approval was apparently given for a period of 5 years from 1991 to 1995 for 15.068 ha. of forest land). 3) Is the working confined strictly to the extent of forest land approved for diversion? 4) The PP is required to submit 1:50,000 scale toposheet clearly showing area covered by mining operation, and also the topographical, ecological features of the lease area and its surrounds. 5) Concerned DFO may be requested to report about involvement of any forest land in mining over and above the 15.068 ha. 6) Is there any rehabilitation and resettlement plan of this project for the displaced / project affected people? 7) The violations committed appear to be unlawful mining operation, as follows:

- a) Working the mine over forest land in absence of approval under FC Act,
- b) Working the mine since September, 2009 without any Environmental Clearance.

Scheme of restitution of environmental damage would have to quantify the loss to forest and the damage caused to other environmental attributes of the area. The scheme submitted in this regard appears to be too inadequate to restore the environment by mitigation of all the damages.

We may call for adequate clarification report from the PP on the above issues.

2. Proceeding of SEAC meeting held on 04.03.2020 forwarded through online.

Sl. No.	Date of online receipt of the proposal	a) Date of sending E-mail to PP for seeking additional information, if any after preliminary scrutiny by MS/ Env. 1.	23-Jan-17	23.01.17 24-Jan-17	18309/18-NCP/01-2017	Building & Construction	8(a)	Proposed Two Blocks of (B+G+13) & Two Blocks of (B+G+9) Multistoried and One Block of (G+6) EWS Residential Apartment Building At:Koradakanata & Jharapada, Bhubaneswar	Premshree Real Estates Pvt. Ltd	Khordha	6625/17.04.19	The SEAC in its meeting held on 04.03.2020 has recommended for grant of Environmental Clearance valid for a period of 7 years with additional stipulated conditions along with standard conditions. The proposal was put up in the 23 rd meeting of SEIAA and was decided that the PP may submit the contour map showing the natural drainage channels of the area may be produced by the PP. The water balance study indicating the quantum of ground water to be drawn during construction phase and operation phase be submitted. The PP may be called to make a presentation on 09.06.2020 at 11.30 AM. The PP will make a presentation today.	PP appeared to make his presentation and assured to comply with the environmental stipulations. Please put up a draft EC with all specific stipulations.

3. SEAC Proceedings held on 24.12.2019.

Sl. No.	Date of online receipt of the proposal	a) Date of sending E-mail to PP for seeking additional information, if any after preliminary scrutiny by MS/ Env. 1.	14-May-18	15-May-18 17.05.18		Already deposited in the Bank	22986/09-NCP-V/05-2018	Building & Construction	8(a)	Construction of Residential cum Commercial Complex 'Mani Tribhuvan' (previously known as Mani Tirumala) at Mouza-Kalarahanga, Dist-Khorda	Mani Tirumala Projects Pvt. Ltd	Khordha	Earlier the SEAC in its meeting held on 24.12.2019 and 29.09.2018 had deliberated the matter in terms of the provisions of MoEF&CC Notification dated 14.03.2017 and confirm the proposal to be violation of EIA Notification, 2006. The SEAC recommended that the construction of any nature should be immediately stop forthwith by regulatory Authority. Therefore, the SEAC decided to request the SEIA to issue direction to the proponent to stop construction activity immediately. Now the proposal is put up in the present meeting to issue direction to PP as per the recommendation of SEAC.	Unless the PP refrains from committing violation of the environmental law it will not be possible to take up consideration of the application for EC. PP may be directed to stop all construction activity and intimate accordingly after which the case may be taken up in terms of MoEF&CC

											<p>The proposal was placed in the 21st meeting of SEIAA and was decided that Deferred. Meanwhile MS is requested to formulate an appropriate agenda note in this case and bring up the proposal to the next meeting of SEIAA.</p> <p>Now the file is put up in the 24th Meeting of SEIAA.</p>	<p>Notification dated 14.03.2017.</p>
