

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

**MINUTES OF THE 93rd MEETING OF THE
STATE LEVEL ENVIRONMENT IMPACT
ASSESSMENT AUTHORITY (SEIAA),
ANDHRA PRADESH
HELD ON 12.05.2017 AT HYDERABAD**

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

Present :

The following members were present:

1.	Sri S. Balasubramnayam I.A.S (Retired).	Chairman
2.	Prof. G.M.Jagannadha Raju, Department of Chemical Engineering, A.U College of Engineering, Visakhapatnam, Andhra Pradesh.	Member
3.	Sri.Surendra Pandey,I.F.S. Special Secretary, Environment, Forests, Sciences and Technology Department, Government of Andhra Pradesh.	Member Secretary

<i>Agenda Item:93.01</i>	21.247 Ha Limestone, Dolomite, Steatite & Serpentine of Sri C. Lakshminarayana Reddy, Sy.No. 491/B(P), Goddumarri (V), Yellanuru (M), Ananathapur District, Andhra Pradesh - Environmental Clearance - Reg.
------------------------------	--

Recommendations of the SEAC on 26.04.2017:

The representative has not attended the meeting. The committee noted that the project proponent shall obtain the Environment Clearance as per the EIA Notification 1994 and EIA Notification 2006. The project proponent has carried out the mining activity without obtaining the EC during the period 1997 to 2016.

The MoEF&CC issued Notification vide S.O.804(E), dated 14th March 2017 on the procedure to be followed while dealing with the cases of violations of the Environment Impact Assessment Notification, 2006.

The Committee recommended that the project proponent may be informed to approach MoEF&CC, GoI, New Delhi and shall follow the procedure as per above said notification dated 14th March 2017.

Decision of SEIAA: Refer back to SEAC to give one more opportunity to the proponent to present his case.

MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD

Agenda Item:93.02	20.648 Ha Calcite & Limestone Mine of Sri N. Dakshinamurthy at U.S.H.B Part, Yerragudi (V), Banaganapally (M), Kurnool District, Andhra Pradesh State - Environmental Clearance - Reg.
------------------------------	---

Recommendations of the SEAC on 26.04.2017:

The representative has not attended the meeting. The committee noted that earlier, the project proponent submitted the EC application on 10.11.2014. The same was placed before the SEAC meetings held on 02.01.2015, 10.02.2015 & the SEIAA meetings on 13.01.2015 & 16.02.2015 and noted that it is a violation case.

A letter was addressed to EFS&T on 22.04.2015 for taking credible action. Now, the project proponent re-submitted the EC application through online along with credible action taken report as a case was filed against the project proponent in the Hon'ble Court of Judicial Magistrate of First Class, Banaganapally vide calendar case No. 325/2016.

In the judgment of Hon'ble Court, vide order dated 23rd July 2016; the proponent was sentenced to pay a fine of Rs.50, 000/- in default SI for 30 days. They have remitted this fine amount to the Hon'ble Court on 23.07.2016.

This proposal was earlier appraised in the SEAC meeting held on 28.01.2017 and the proponent was asked to submit the legal heir certificate and transfer of mine lease in the name of present lease holder. The mine lease was transferred to the present lease holder - Smt.N.Sekunthalavani vide letter dt:18.03.2017 issued by the Asst. Director of Mines, Banaganapalle.

The MoEF&CC issued Notification vide S.O.804(E), dated 14th March 2017 on the procedure to be followed while dealing with the cases of violations of the Environment Impact Assessment Notification, 2006.

The Committee opined that the credible action for EIA - 2006 violations, against this mine was initiated, before the issue of procedure on violation cases by MoEF&CC, New Delhi (i.e before 14th March 2017) and hence recommended for issue of EC.

The Committee recommended for **issue of Environmental clearance** to this **proposed Calcite & Limestone** Mine project for the production quantities : Calcite – 2,780 TPA & Limestone – 2,50,000 TPA, duly stipulating a condition that the project proponent shall maintain the

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions to be fulfilled.

Decision of SEIAA: The SEIAA has decided to address a letter to MoEF&CC, New Delhi, for seeking clarification on violation cases as on the date of Notification i.e., 14th March 2017.

(i). whether SEIAA, A.P. can issue Environmental Clearances for those projects for which already credible action has been initiated and wherein the credible action report had been filed in the Hon'ble Judicial Courts at District Level & the project proponent has paid the penalty amount and in other some cases acknowledgement from the Court have been received, which are being processed for the issue of EC by SEIAA,A.P. and in some other cases acknowledgment from the Court is awaited, but credible action report has been filed before 14.03.2017.

<i>Agenda Item:93.03</i>	6.492 Ha Road Metal Mine of Sri L. Sudhakar Reddy, Sy. No. 620/1P, Ullindakonda (V), Kallur (M), Kurnool District, Andhra Pradesh - Environmental Clearance - Reg.
------------------------------	---

Recommendations of the SEAC on 26.04.2017: The project proponent and their consultant M/s. Sai Manasa Nature Pvt. Ltd., have attended the meeting.

The Committee noted that, as per the letter issued by Assistant Director of Mines, Kurnool stated that there are 21 mine leases within 500 Mtrs of the proposed mine. Out of which 19 mine leases were granted leases before September 2013 and 2 mine leases were granted leases after September 2013 (1.023 Ha & 0.368 Ha). The total extent of cluster size is 7.892 Ha (6.492 + 1.032 + 0.368).

As per the MoEF&CC, Notification .S.O. 141(E), dated 15.01.2016 and MoEF&CC, Notification .S.O. 2269 (E), dated 01.07.2016, there is requirement for preparation & furnishing of one EMP for all leases in the Cluster. The project proponent submitted the cluster EMP during the meeting.

*The Committee recommended for **issue of Environmental clearance** to this **Road Metal** mining project for the production quantities - 69,882 m³/ annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC.

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

<i>Agenda Item:93.04</i>	8.50 Ha of Steatite and Serpentine Mine of M/s. Prabhat Mining Company, Sy No. 335/1, Ravuludiki (V), Peddavaduguru (M), Ananthapur District. Andhra Pradesh - Environmental Clearance – Reg.
------------------------------	--

Recommendations of the SEAC on 26.04.2017:

The representative has not attended the meeting. The committee noted that the project proponent shall obtain the Environment Clearance as per the EIA Notification 1994 and EIA Notification 2006. The project proponent has carried out the mining activity without obtaining the EC during the period 1997 to 2016.

The MoEF&CC issued Notification vide S.O.804(E), dated 14th March 2017 on the procedure to be followed while dealing with the cases of violations of the Environment Impact Assessment Notification, 2006.

The Committee recommended that the project proponent may be informed to approach MoEF&CC, GoI, New Delhi and shall follow the procedure as per above said notification dated 14th March 2017.

Decision of SEIAA: Refer back to SEAC to give one more opportunity to the proponent to present his case.

Agenda Item: 93.05	10.417 Ha Laterite Mine of Kude Lakshmi, Sy.No.7/1, 7/2, 10/P, 11/P, 12/P, 12/P, 16 and 17/P, Vanthada (V), Prathipadu (M), East Godavari District, Andhra Pradesh – Environmental Clearance for Expansion –Reg.
-------------------------------	---

Recommendations of the SEAC on 26.04.2017:

The project proponent and their consultant M/s. Global Enviro Labs have attended the meeting and presented their proposal to increase the production capacity of Laterite from 2,45,000 TPA to 2,99,957 TPA.

The committee noted that the project proponent submitted the certified copy of the compliance report from MoEF&CC regional office Chennai. The Asst. Director Mines & Geology, Rajamahendravaram vide letter dated.08.03.2017, stated that there are 4 mines within 500 meters (4.447 Ha, 10.0 Ha, 10.0 Ha & 10.0 Ha) for which ECs were obtained.

The ECs were issued to these mines in October, 2013. The total extent of cluster size is 10.417 Ha only.

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

As per the MoEF&CC, Notification .S.O. 141(E), dated 15.01.2016 and MoEF&CC, Notification .S.O. 2269 (E), dated 01.07.2016, there is requirement for preparation & furnishing of one EMP for all leases in the Cluster.

The Committee recommended that the project proponent shall prepare and submit the EMP for cluster of mines within 500 meters of this existing mine. Also the necessary permissions shall be obtained from the forest department for the approach road to this mine for transportation of Laterite.

Decision of SEIAA: Noted.

Agenda Item:93.06	23.579 Ha. of White Quartz & Feldspar Mine of M/s. Y.R.Mining Company, Sy.No. 57 Gudikallu village, Yemmiganaur Mandal, Kurnool District Andhra Pradesh- Environmental Clearance - Reg.
--------------------------	--

Recommendations of the SEAC on 26.04.2017:

The project proponent and their consultant M/s. Global Enviro Labs have attended the meeting. The committee noted that this is a new mine. The Asst. Director Mines & Geology, Kurnool vide letter dated.20.03.2017, stated that there 2 mines within 500 meters (21.024 Ha, & 21.243 Ha) for which ECs were issued.

The ECs were issued to these mines on 10.07.2013 & 15.07.2013. The total extent of cluster size is 23.579 Ha only.

As per the MoEF&CC, Notification .S.O. 141(E), dated 15.01.2016 and MoEF&CC, Notification .S.O. 2269 (E), dated 01.07.2016, there is a requirement for preparation & furnishing of one EMP for all leases in the Cluster.

The Committee recommended that the project proponent shall prepare and submit the EMP for cluster of mines within 500 meters of this existing mine.

Decision of SEIAA: Noted.

Agenda Item:93.07	10.0 Ha. Colour Granite Mine of Sri.P.Satyanarayana, Sy.No. 243, Pedapadam (V), Salur (M), Vijayanagaram District, Andhra Pradesh - Environmental Clearance - Reg.
--------------------------	---

Recommendations of the SEAC on 26.04.2017:

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

The project proponent and their consultant M/s.Global Enviro Labs., have attended the meeting.

The Committee noted that, as per the letter issued by Assistant Director of Mines, Vizianagaram the Sri.P.Sathyanarayana is having two new mines (10.00 Ha & 7.50 Ha) which are adjacent to one another. The in-principle letters for these two mines were issued on 01.12.2016, i.e., after September 2013.

As per the MoEF&CC, Notification .S.O. 141(E), dated 15.01.2016 and MoEF&CC, Notification .S.O. 2269 (E), dated 01.07.2016, there is a requirement for preparation & furnishing of one EMP for all leases in the Cluster. The project proponent submitted the cluster EMP during the meeting.

*The Committee recommended for **issue of Environmental clearance** to this **Color granite** mining project for the production quantities - 24,000 m³/ annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC.

Agenda Item:93.08	7.500 Ha. Colour Granite Mine of Sri.P.Satyanarayana, Sy.No. 243, Pedapadam (V), Salur (M), Vijayanagaram District, Andhra Pradesh - Environmental Clearance - Reg.
--------------------------	--

Recommendations of the SEAC on 26.04.2017:

The project proponent and their consultant M/s.Global Enviro Labs., have attended the meeting. The Committee noted that, as per the letter issued by Assistant Director of Mines, Vizainagaram the Sri.P.Sathyanarayana is having two new mines (10.00 Ha & 7.50 Ha) which are adjacent to one another. The in-principle letters for these two mines were issued on 01.12.2016, i.e., after September 2013.

As per the MoEF&CC, Notification .S.O. 141(E), dated 15.01.2016 and MoEF&CC, Notification .S.O. 2269 (E), dated 01.07.2016, there is a requirement for preparation & furnishing of one EMP for all leases in the Cluster. The project proponent submitted the cluster EMP during the meeting.

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

The Committee recommended for issue of Environmental clearance to this Color granite mining project for the production quantities - 18,000 m³/ annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions to be fulfilled.

Decision of SEIAA: Agreed with the recommendations of the SEAC.

Agenda Item:93.09	6.57 Ha. of Barytes Mine of M/s.Yogitha Minerals, Sy.No.607/1, 608/, 609/1, 610/1, Vemula (V & M), Kadapa District, Andhra Pradesh - Environmental Clearance - Reg.
--------------------------	--

Recommendations of the SEAC on 26.04.2017:

The project proponent and their consultant M/s.Global Envirolabs have attended the meeting. The committee noted that the project proponent shall obtain the Environment Clearance as per the EIA Notification 1994 and EIA Notification 2006. The project proponent has carried out the mining activity without obtaining the EC during the period 2004 to 2016.

The MoEF&CC issued Notification vide S.O.804(E), dated 14th March 2017 on the procedure to be followed while dealing with the cases of violations of the Environment Impact Assessment Notification, 2006.

The Committee recommended that the project proponent may be informed to approach MoEF&CC, GoI, New Delhi and shall follow the procedure as per above said notification dated 14th March 2017.

Decision of SEIAA: Agreed with the recommendations of the SEAC to refer to MoEF&CC.

Agenda Item:93.10	30.35 Ha. Silica Sand Mine of M/s. Shanmuga Minerals, Sy. No. 38/P Siddavaram (V), Kota (M), SPSR Nellore District, Andhra Pradesh - Environmental Clearance - Reg.
--------------------------	--

Recommendations of the SEAC on 26.04.2017:

The project proponent and their consultant have attended the meeting. The committee noted that earlier, the project proponent submitted the EC application on 12.07.2013. The same was placed before the SEAC meetings held on 31.07.2013 and noted that it is a violation case. A letter was addressed to EFS&T on 23.11.2013 for taking credible action. Now, the project

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

proponent re-submitted the EC application through online along with credible action taken report as a case was filed against the project proponent in the Hon'ble Court of Judicial Magistrate of First Class, Banaganapally vide calendar case No. 421/2016. In the judgment of Hon'ble Court, vide order dated 22nd July 2016; the proponent was sentenced to pay a fine of Rs.1,00, 000/- in default SI for 30 days. They have remitted this fine amount to the Hon'ble Court on 22.07.2016.

The Committee opined that the credible action for EIA - 2006 violations, against this mine was initiated, and the Hon'ble court had already given its judgment and hence recommended for issue of EC.

*The Committee recommended for issue of **Standard Terms of Reference (TOR)** to this silica sand mine for the production quantities 70,000 TPA.*

Decision of SEIAA: The SEIAA has decided to address a letter to MoEF&CC, New Delhi, for seeking clarification on violation cases as on the date of Notification i.e., 14th March 2017.

(i). whether SEIAA, A.P. can issue Environmental Clearances for those projects for which already credible action has been initiated and wherein the credible action report had been filed in the Hon'ble Judicial Courts at District Level & the project proponent has paid the penalty amount and in other some cases acknowledgement from the Court have been received, which are being processed for the issue of EC by SEIAA,A.P. and in some other cases acknowledgment from the Court is awaited, but credible action report has been filed before 14.03.2017.

Agenda Item:93.11	10.117 Ha Silica Sand Mine of M/s. Naseeb Mining Company, Sy. No. 256/P, Vellapalem (V), Chillakur (M), SPSR Nellore (Dt), Andhra Pradesh – Environmental Clearance – Reg.
--------------------------	---

Recommendations of the SEAC on 26.04.2017:

The project proponent and their consultant have attended the meeting. The committee noted that earlier, the project proponent submitted the EC application on 19.01.2013 & 03.10.2013. The same was placed before the SEAC meetings held on 24.04.2013 and SEIAA meeting held on 27.06.2013 and noted that it is a violation case. A letter was addressed to EFS&T on 24.10.2013 for taking credible action.

A case was filed against the project proponent in the Hon'ble Court of Judicial Magistrate of First Class, Nellore vide calendar case No. 302/2015. The credible action was received from

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

the government on 19.05.2015. The proposal was placed in the SEAC meetings held on 30.06.2015 and SEIAA meeting held on 16.07.2015 and the applicant was asked to file the revised application.

Now, the project proponent re-submitted the EC application through online on 16.02.2017 along with the copy of the counterfoil of penalty amount of Rs.1,00,000/- paid to the Hon'ble Court, II Addl. Magistrate of I class, Nellore on 22.03.2016.

The Committee opined that the credible action for EIA - 2006 violations, against this mine was initiated, and the judgment was given and hence recommended for issue of EC.

The Committee recommended for issue of Environmental clearance to this Silica Sand mining project for the production quantities - 70,405 TPA, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions to be fulfilled.

Decision of SEIAA: The SEIAA has decided to address a letter to MoEF&CC, New Delhi, for seeking clarification on violation cases as on the date of Notification i.e., 14th March 2017.

(i). whether SEIAA, A.P. can issue Environmental Clearances for those projects for which already credible action has been initiated and wherein the credible action report had been filed in the Hon'ble Judicial Courts at District Level & the project proponent has paid the penalty amount and in other some cases acknowledgement from the Court have been received, which are being processed for the issue of EC by SEIAA, A.P. and in some other cases acknowledgment from the Court is awaited, but credible action report has been filed before 14.03.2017.

Agenda Item:93.12	Construction Project of M/s. Apollo Hospitals Enterprise Ltd., Sy No. 75/P & 76, Health City (V), Chinagadila (M), Visakhapatnam District, Andhra Pradesh – Environmental Clearance – Reg.
------------------------------	---

Recommendations of the SEAC on 26.04.2017:

The representative of the project proponent and their consultant M/s. SV Enviro Labs Pvt Ltd., have attended the meeting and presented their proposal for construction of addl. block- Oncology Block in the existing Hospital with built-up area of 9105 Sq.m. The proposed project is only increase in builtup area but not increase in beds capacity.

The project proponent has not submitted the compliance report on the EC order dt.03.08.2011.

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

The committee recommended that the project proponent shall submit a certified report of the status of compliance of the conditions stipulated in the EC for the ongoing / existing operation of the project by the MoEF&CC , Regional Office as per MoEF Office Memorandum dated 30th May 2012 for consideration of expansion proposals for grant of EC under the EIA notification 2006.

Decision of SEIAA: Noted.

Agenda Item:93.13	5.57 Ha. Colour Granite Mine of M/s. KAS Minerals & Granites, Sy.No. 995, Gunjepalli (V), Mudigubba (M), Ananthapuramu District, Andhra Pradesh - Environmental Clearance - Reg.
------------------------------	---

Recommendations of the SEAC on 26.04.2017:

The project proponent and there consultant M/s. Team Labs Consultants, have attended the meeting. The Committee noted that, as per the letter issued by Assistant Director of Mines , Anantapuram District that there are two new mines (5.57 Ha & 5.77 Ha) which are adjacent to one another. The in-principle letters for these two mines were issued on 12.01.2017 & 31.01.2017, i.e., after September 2013.

As per the MoEF&CC, Notification .S.O. 141(E), dated 15.01.2016 and MoEF&CC, Notification .S.O. 2269 (E), dated 01.07.2016, there is a requirement for preparation & furnishing of one EMP for all leases in the Cluster. The project proponent submitted the cluster EMP.

*The Committee recommended for **issue of Environmental clearance** to this **Color granite** mining project for the production quantities - 7,200 m³/ annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions to be fulfilled.*

Decision of SEIAA: Agreed with the recommendations of the SEAC.

Agenda Item: 93.14	5.77 Ha. Colour Granite Mine of M/s. KAS Minerals & Granites, Sy.No. 995, Gunjepalli (V), Mudigubba (M), Ananthapuramu District, Andhra Pradesh - Environmental Clearance - Reg.
-------------------------------	---

Recommendations of the SEAC on 26.04.2017:

The project proponent and there consultant M/s. Team Labs Consultants, have attended the meeting. The Committee noted that, as per the letter issued by Assistant Director of Mines ,

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

Anantapuram District that there are two new mines (5.57 Ha & 5.77 Ha) which are adjacent to one another. The in-principle letters for these two mines were issued on 12.01.2017 & 31.01.2017, i.e., after September 2013.

As per the MoEF&CC, Notification .S.O. 141(E), dated 15.01.2016 and MoEF&CC, Notification .S.O. 2269 (E), dated 01.07.2016, there is a requirement for preparation & furnishing of one EMP for all leases in the Cluster. The project proponent submitted the cluster EMP.

The Committee recommended for issue of Environmental clearance to this Color granite mining project for the production quantities - 8,820 m³/ annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions to be fulfilled.

Decision of SEIAA: Agreed with the recommendations of the SEAC.

Agenda Item:93.15	13.84 Ha. Silica Sand Mine of M/s. Sree Lakshmi Ganapathi Minerals, Sy.No. 946, 489, Padamatipalem (V), Sangam (M), SPSR Nellore District, Andhra Pradesh - Environmental Clearance - Reg.
------------------------------	---

Recommendations of the SEAC on 26.04.2017:

The project proponent and their consultant have attended the meeting. The Committee noted that this proposed silica sand mine project is near to the Penna River. Also a complaint from Sri. C.Nagi Reddy of Sangam Village was received against this proposed mining project, stating that they will lift the sand in the river Penna and major damage will happen to the irrigation and drinking water sources.

The project proponent stated that this proposed mine is about 900 meters away off the river Penna and this proposed project is for mining of silica sand only as per the approved mining plan from the Mines & Geology Dept. A.P.

However in their presentation made before the committee, it was noticed that the proposed mine is adjacent to the river Penna (i.e., about 200 m).

The Committee recommended that a letter may be addressed to the Director of Mines & Geology, Govt. of A.P. and also to obtain a report from the River Conservator, Nellore.

Decision of SEIAA: Noted.

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

Agenda Item:93.15a	1.7 Ha of Colour Granite Mine of Lakshmi S.T. Mining & Leasing Labour Contact Mutually Aided Co-operative Society Ltd., at Sy No. 68/4 to 6 & 69/2, Terapalli (V), Chinthapalli (M), Visakhapatnam District Andhra Pradesh - Environmental Clearance – Reg.
---------------------------	--

Recommendations of the SEAC on 26.04.2017:

This proposal was placed in the SEAC meeting held on 22.03.2017 and the recommendations are as follows:

The project proponent and their consultant M/s. Pioneer Enviro Laboratories and consultants have attended the meeting. The Committee noted that, as per the letter issued by Assistant Director of Mines, Visakhapatnam stated that “there is only one quarry lease existing within 500 Mtrs periphery which was held by Sri J. Mark Raju for Colour Granite over an extent of 7.99 Ha in Sy.No.68 & 69 of Terapalli (V), Chintapalli(M), Visakhapatnam District from the proposed quarry lease area of M/s. The Lakshmi S.T. Mining & Leasing labour Contract Mutually Aided Cooperative Society Limited, Rep. by President: Sri Banavathu Pandu over an extent of 1.70 Ha in Sy.No. 68/4 to 6 and 69/2 of Terapalli (V), Chintapalli (M), Visakhapatnam District. The total area of cluster comes to more than 5 Ha”. The project proponent submitted the cluster EMP.

As per MoEF&CC Notification S.O.No. 141, dated 15.01.2016, the DEAC/DEIAA can appraise the mining projects, in case of cluster, if cluster area of mine lease is greater than 5.0 Hectare and less than 25.0 Ha and also the individual mine lease area shall not be more than 5.0 Ha. In the present case, the mine lease of the applicant is only 1.7 Ha., but the other mine lease in the cluster is 7.9 Ha. i.e., more than 5.0 Ha. Hence, the present case does not come under the purview of the DEAC/DEIAA and hence the SEAC has taken a decision to appraise this mining project.

The Committee recommended for issue of Environmental clearance to this Colour Granite mining project for the production quantities - 9,307.20 m³/ annum, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development and other conditions to be fulfilled.

The SEIAA,A.P. in its meeting held on 04.04.2017 decided that the project proponent may be asked to approach the DEIAA, Visakhapatnam for appraisal of their project proposal.

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

The project proponent vide letter dated 24th April 2017 has requested to reconsider their proposal for issue of EC by SEIAA,A.P. at the earliest as they have to comply with the time frame stipulated by the Director of Mines and Geology, A.P. for the grant of quarry lease.

The Committee opined that this proposal comes under purview of the SEIAA as per the MoEF&CC Notification S.O.No. 141 , dated 15.01.2016.

The Committee recommended for issue of Environmental Clearance to this Colour Granite mine for the production quantities - 9,307.20 m³/ annum.

Decision of SEIAA: Agreed with the recommendations of the SEAC based on the cluster.

Agenda Item: 93.15b	5.0 Ha - Colour Granite Mine of M/s.Benita Granite Limited, Sy.No.217/2p and 226/1, Chintaluru (V), Madugula (M), Vishakhapatnam District – Environmental Clearance – Reg.
------------------------------------	---

Recommendations of the SEAC on 26.04.2017:

This proposal was placed in the SEAC meeting held on 22.03.2017 and the recommendations are as follows:

“Earlier the committee in its meeting held on 07.08.2016 recommended for issue of Environment clearance to this existing mining project. The Committee noted that the mine lease was granted on 04.12.2006. This mining proposal is covered under the MoEF&CC, New Delhi Notification S.O.No.2269(E), dated 01.07.2016 as this mine’s lease was granted prior to 9th September 2013. Also this is an existing mine and credible action was taken against the mine for earlier violation (Case No. 17 /2016).

This mine lease area is 5.0 Ha and other surrounding mines (i.e. within 500 m) lease areas are 10.0 Ha and 5.504 Ha (i.e., more than 5.0 Ha.). EC was issued to M/s.Smt. A.B.Laxmi Tayaru (10.0 Ha) on 02.09.2016 and EC issued to M/s.Smt.Gajalatha Mine on 04.04.2015.

As per the MoEF&CC Notification S.O.No.2269 (E), dt.01.07.2016, this mining proposal comes under purview of SEIAA and hence earlier recommended for EC by the SEAC.

The Committee re-examined and recommended for issue of Environmental clearance to this Colour granite mining project for quantity 7773.60 m³/annum.(max), in view of the above mentioned facts, duly stipulating a condition that the project proponent shall maintain the setback distance 7.5 meters buffer zone all around the mine lease area for greenbelt development.

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

The SEIAA,A.P. in its meeting held on 04.04.2017 decided that the project proponent may be asked to approach the DEIAA, Visakhapatnam for appraisal of their project proposal.

The project proponent vide letter dated 24th April 2017 has requested to reconsider their proposal for issue of EC by SEIAA,A.P. at the earliest as they have to comply with the time frame stipulated by the Director of Mines and Geology, A.P. for the grant of quarry lease.

The Committee opined that this proposal comes under purview of the SEIAA as per the MoEF&CC Notification S.O.No. 141 , dated 15.01.2016.

The Committee recommended for issue of Environmental Clearance to this Colour Granite mine for the production quantities - 7773.60 m³/annum.

Decision of SEIAA: Agreed with the recommendations of the SEAC.

Agenda Item:93.16	Development of Industrial Park of Andhra Pradesh Industrial Infrastructure Corporation Ltd., Sy. Nos. 24 to 34, 64 to 108, 116 to 125, 137 to 139, Krishnampalem (V), Rambili Taluk, Visakhapatnam District, A.P. – Earlier TOR issued by MoEF – File transferred from MoEF&CC to SEIAA, A.P. - Environmental Clearance – Reg.
------------------------------	---

Recommendations of the SEAC on 27.04.2017:

The representative of the project proponent (APIIC) and their consultant M/s.HECS Consultants have attended the meeting.

The committee noted this project proposal for Area Development project for Industrial Park was earlier appraised in the SEAC meeting held on 03.05.2016 & 26.08.2016 and *the Committee noted that the proposed project falls under Item 8(b) of the schedule of the EIA Notification 2006- Area Development Project and the Committee recommended for issue of Environmental Clearance to this Project by stipulating the standard conditions.*

In this SEAC meeting, the project proponent has clarified that the development of CETP is not the scope of APIIC. Individual industries will have their own Effluent Treatment Plant and shall maintain ZLD concept. Sewage generated from the industries will be collected and treated in Common Sewage Treatment Plant (CSTP) and treated wastewater will be used for green belt development within the park. Hence Zero Liquid Discharge (ZLD) concept will be maintained.

The Committee recommended for issue of Environmental Clearance to this Project by stipulating the standard conditions with additional conditions: (i).The individual industries shall have their own ETP and shall maintain ZLD concept and sewage from the individual

MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD

industries shall be collected and treated in CSTP and treated sewage shall be utilised for development of greenbelt within the proposed Industrial Park.

Decision of SEIAA: Agreed with the recommendations of the SEAC.

Agenda Item:93.17	Development of Industrial Park at Survey Nos. 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258/ Part, 259, 260, 261, 262, 263, 264, 265, 266, 268, 292, 293, 294, 295, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378 in Pudi (V), Rambilli (M), Visakhapatnam Dist, Andhra Pradesh by M/s Andhra Pradesh Industrial Infrastructure Corporation Ltd. (APIIC) - Earlier TOR issued by MoEF – File transferred from MoEF&CC to SEIAA, A.P. - Environmental Clearance – Reg.
--------------------------	--

Recommendations of the SEAC on 27.04.2017:

The representative of the project proponent (APIIC) and their consultant M/s.HCES Consultants have attended the meeting .

The committee noted that this project proposal for development of Industrial Park was earlier appraised in the SEAC meeting held on 26.08.2016 and the committee noted that this project proposal falls under Item 7(c) of the schedule of the EIA Notification 2006. The Committee recommended for issue of Environmental Clearance to this Project by stipulating the standard conditions and a condition was stipulated that the APIIC shall maintain the greenbelt 33% of the area. and No 'A' category unit shall be established.

In this SEAC meeting, the project proponent has clarified that only Category ‘B’ industries are proposed in the PUDI Industrial Park (IP). The CETP of capacity 300 KLD and CSTP of capacity 150 KLD are proposed in this Industrial Park. The treated effluents from CETP will be given to the individual industries in the Industrial Park and the treated sewage from CSTP will be utilised for development of greenbelt within the Industrial Park.

The Committee recommended for issue of Environmental Clearance to this Project by stipulating the standard conditions with additional conditions: (i).The effluents from the individual industries in proposed Industrial Park shall be collected and the treated in CETP and the treated effluents shall be given to industries in the Industrial Park.. (ii). The sewage from the individual industries shall be collected and the treated in CSTP and the treated sewage shall be utilised for development of green belt within the proposed Industrial Park. (iii). obtain necessary permission to draw the water from the GVMC supply. (iv) Shall

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

maintain the greenbelt 33% of the area. v) Shall not establish any category 'A' industry in the Industrial Park.

Decision of SEIAA: Agreed with the recommendations of the SEAC.

Agenda Item:93.18	4.99 Ha. Lime Stone Mine of Sri S. Venkata Rami Reddy, Sy No. 505, 508 & 509, Nandavaram (V), Banaganapalli (M), Kurnool District, Andhra Pradesh - Environmental Clearance - Reg.
------------------------------	---

Recommendations of the SEAC on 27.04.2017:

The project proponent and their consultant M/s. Pragathi Labs, have attended the meeting. The Committee noted that, as per the letter issued by Assistant Director of Mines, Banaganapalle has stated that there are 5 mine leases within 500 Mtrs of this proposed mine and the total extent of mine leases (18.825Ha) is less than 25 Ha.

As per the MoEF&CC, Notification .S.O. 141(E), dated 15.01.2016 and MoEF&CC, Notification .S.O. 2269 (E), dated 01.07.2016, there is requirement for preparation & furnishing of one EMP for all leases in the

The Committee recommended that the project proponent shall prepare and submit the EMP for cluster of mines within 500 meters of this existing mine.

Decision of SEIAA: Noted.

Agenda Item:93.19	6.0 Ha Black Granite Quarry of J.R. Enterprises, Sy.No.348, West Kodipalli village, Bramhasmudram Mandal, Anantapur District, Andhra Pradesh – Environmental Clearance – Clarification received - Reg.
------------------------------	---

Recommendations of the SEAC on 27.04.2017:

The representative of the project proponent and their consultant M/s. Ramky Enviro Engineers Ltd., have attended the meeting.

The Committee noted that this is a new mine. The project proponent has submitted the two different letters issued by the Asst. Director of Mines, Anantapuram on the surrounding mines with 500 m.

The Committee recommended that the project proponent shall submit the revised Form - I duly signed by the project proponent. A letter may be addressed to the Director of Mines &

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

Geology, Govt., of A.P. to request the surrounding leases details and also the correctness of the letters issued by the Asst. Director of Mines, Anantapuram for processing

Decision of SEIAA: Noted.

Agenda Item:93.20	M/s.Indian Oil Corporation Limited Proposed additional 3 X 600 MT Mounded LPG storage at Parawada, Visakhapatnam – Terms of Reference (TOR) - Reg.
--------------------------	---

Recommendations of the SEAC on 27.04.2017:

The Project Proponent and their consultant M/s. Ultra Tech Ltd, have attended the meeting and presented the proposed TOR for their expansion project proposal (LPG Storage & bottling Plant) from 1800 Tons to 3600 Tons in the existing premises of M/s.IOCL, Sy.Nos. 1,13,14,15,16/1 to 16/7 & 18 of Ponnuru Village and Sy.No.4P, Thanam village, at IDA, Parwada, JNPC, Visakhapatnam.

The Committee noted that M/S.IOCL is expanding the LPG Storage & bottling Plant in the existing premises and it is at IDA, Parwada, JNPC, Visakhapatnam. The project proposal comes under Category 'B2'.

The Committee recommended for issue of standard TOR with exemption of public hearing for the expansion project

Decision of SEIAA: Noted.

Agenda Item:93.21	7.096 Ha Silica Sand Mine (Quartzite) and Yellow Ochre Mine of Sri B. Harinatha Reddy, Sy. No. 930, 931, 939, 941, 943 & 953/P, Kalugotla (V), Veldurthi (M), Kurnool District, Andhra Pradesh – Environmental Clearance – Reg.
--------------------------	--

Recommendations of the SEAC on 27.04.2017:

The project proponent and their consultant have attended the meeting . The committee noted that this is new mine and the lease was granted on 14.05.2001 and executed on 26.06.2001 for Silica sand (Quartz) and Yellow Ochre.

The committee recommended that the project proponent shall obtain the present status of the mine and also submit the revised Form –I duly mentioning the name of product as Silica sand (Quartz) as mentioned in the approved mining , as there is lack of clarity on this front. plan. A

MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD

certificate of clarity on the production status with particulars of capacity and production to be submitted obtaining from ADMG

Decision of SEIAA: Noted.

Agenda Item:93.22	Construction Project of Super Specialty Hospital Building in existing MIMS Campus of M/s “Maharaja Institute of Medical Sciences”, D.No.31-15, Sy.No.73/7 Nellimarla-535217, Vizianagaram District, Andhra Pradesh – Environmental Clearance – Expansion - Reg.
--------------------------	--

Recommendations of the SEAC on 27.04.2017:

The representative of the project proponent has attended the meeting and presented their proposal for construction of additional block – Super speciality hospital building in the existing premises of Medical College.

The Committee recommended for *recommended for issue of Environmental Clearance to this construction project- addtiong block - built up area: 21,487.38 Sq.m with total builtup area of the project : 82,955.10 Sq.m and total No. of beds -960 (existing -810 beds + proposed-150 beds) in the Hospital, by stipulating the standard conditions with additional condition that the Hospital shall comply with the provisions of the Bio medical waste (Management and Handling) Rules , 2016. Water from Nellimarla source is only to be used.*

Decision of SEIAA: Agreed with the recommendations of the SEAC.

Agenda Item:93.23	8.51 Ha Silica Sand Mine of M/s. A.V.S Mining Company, Sy.No. 21/1 to 4, 22, 23/1, 24/2 & 3, Addepalli (V), Chillakur Mandal, SPSR Nellore Dist, Andhra Pradesh – Environmental Clearance for Expansion- Reg.
--------------------------	--

Recommendations of the SEAC on 27.04.2017:

The project proponent and their consultant have attended the meeting and requested for reconsider their proposal EC expansion of production capacities, stating that earlier submitted the production details for 5 months. During that time the PP has not submitted the 5 years production details. The SEAC recommended this case for violation based on the production details presented before the committee and data available as per the record.

The SEIAA rejected their proposal on the ground that their monthly production was exceeding the permitted capacity. Now the production details for 5 years submitted and the annual

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

production capacity is within the permitted capacity and requested for reconsider and issue clearance for expansion.

The Committee recommended for constitution of a sub-committee with members Prof.K.Kameswar Rao, Sri.V.Veda Kumar, Prof.P.Jaganadha Rao and Prof.Kondal Rao. The sub-committee is requested to examine the industry's representation and other aspects relating to the earlier recommendations and decisions.

Decision of SEIAA: Noted.

Agenda Item:93.24	M/s. Parry Infrastructure Company Pvt. Ltd., SEZ with Sugar Refinery and 35 MW Co-generation Plant, Vakalapudi (V), Kakinada Rural Mandal, East Godavari District – Amendment to the Environmental Clearance in the use of fuel mix (Coal & Biomass) in the existing 90 TPH Boiler – Reg.
------------------------------	--

Recommendations of the SEAC on 27.04.2017:

The representative of the project proponent has attended the meeting and presented their proposal for change of fuel mix in the existing boiler.

The committee recommended for issue of Environment Clearance Amendment for change of fuel mix (i.e., Coal -80% and Rice Husk – 20 %) in the existing Boiler – 90 TPH Boiler.

Decision of SEIAA: Agreed with the recommendations of the SEAC.

Agenda Item:93.25	M/s. Kesar Terminals & Infrastructure Ltd., Plot No.40, Dummalapeta (V), Kakinada Mandal, East Godavari District – Extension of Validity of Environmental Clearance – Reg.
------------------------------	---

Recommendations of the SEAC on 27.04.2017:

The project proponent has not attended the meeting. The committee noted that the project proponent has filed the application for EC extension without remitting the processing charges.

The committee recommended that the project proponent shall remit the processing charges to SEIAA, A.P in line with charges payable (on the project cost) for EC amendment cases as per the G.O.Rt.No.3, dt.04.01.2016. for further processing.

Decision of SEIAA: Noted.

MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD

Agenda Item:93.26	Construction Project of Sri Valli Pravas M/s. Undavalli Constructions Pvt Ltd., R.S.No.139/1A, Kaza (V), Mangalagiri (M), Guntur District, Andhra Pradesh – Environmental Clearance – Reg.
--------------------------	---

Recommendations of the SEAC on 27.04.2017:

The project proponent and their consultant M/s. Pridhvi Envirotech Pvt.Ltd., have attended the meeting and presented the proposed construction project details and requested for EC.

The Committee noted that the proposed project falls under Item 8(a) of the schedule of the EIA Notification 2006- Construction project.

The Committee recommended for issue of Environmental Clearance to this construction project –built up area- 1,45,601.8 Sq.m., by stipulating the standard conditions and the solid waste management as per the MSW Rules, 2016, applicable for construction projects and the parking area in compliance with the NBC/ MoEF/ local Government regulations as applicable.

Decision of SEIAA: Agreed with the recommendations of the SEAC.

Agenda Item:93.27(i)	6.248 Ha Road Metal Mine of M/s. Dilip Buildcon Limited, Sy.No. 58/P, Budawada (V), Chimakurthy (M), Prakasam District, Andhra Pradesh - Environmental Clearance - Reg.
-----------------------------	--

Recommendations of the SEAC on 27.04.2017:

Earlier this proposal was examined by the SEAC in its meeting held on 22.03.2017. The Committee observed the following:

The project proponent and their consultant M/s. S.V. Enviro Labs & consultant have attended the meeting. The Committee noted that the MoEF&CC issued Notification vide S.O.804(E), dated 14th March 2017 on the procedure to be followed while dealing with the cases of violations of the Environment Impact Assessment Notification, 2006.

In light of the said Notification, the Committee recommended for differing this case for next meeting for appraisal.

The issue was examined by the SEIAA in its meeting held on 04.04.2017 and Authority decided as follows:

Decision of SEIAA: The project proponent may be informed to approach MoEF&CC, New Delhi for appraisal of their project proposal.

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

The committee noted that the project proponent shall obtain the Environment Clearance as per the EIA Notification 2006. The project proponent has carried out the mining activity without obtaining the EC during the period 2011 to 2016.

The MoEF&CC issued Notification vide S.O.804(E), dated 14th March 2017 on the procedure to be followed while dealing with the cases of violations of the Environment Impact Assessment Notification, 2006.

The Committee recommended that the project proponent may be informed to approach MoEF&CC, GoI, New Delhi and shall follow the procedure as per above said notification dated 14th March 2017, if the matter is still pending in the court.

Decision of SEIAA: Agreed with the recommendations of the SEAC to refer to MoEF&CC.

Agenda Item:93.27 (ii)	6.44 Ha Steatite, Clay & Dolomite Mine of Sri P.Nageswara Rao, Sy. No:455/1A,455/1B, Lingala (V & M), Kadapa District - Environmental Clearance - Reg.
---------------------------------------	---

Recommendations of the SEAC on 27.04.2017:

Earlier this proposal was examined by the SEAC in its meeting held on 22.03.2017. The Committee observed the following:

The project proponent and their consultant M/s. Global Enviro Labs have attended the meeting. The Committee noted that the MoEF&CC issued Notification vide S.O.804(E), dated 14th March 2017 on the procedure to be followed while dealing with the cases of violations of the Environment Impact Assessment Notification, 2006.

*In light of the said Notification, the Committee recommended for **differing** this case for next meeting for appraisal.*

The issue was examined by the SEIAA in its meeting held on 04.04.2017 and Authority decided as follows:

Decision of SEIAA: *The project proponent may be informed to approach MoEF&CC, New Delhi for appraisal of their project proposal.*

The committee noted that earlier, the project proponent submitted the EC application on 02.02.2013 & 02.10.2013. The same was placed before the SEAC meetings held on 20.03.2013 & 29.05.2013 and noted that it is a violation case. A letter was addressed to EFS&T on 24.10.2013 for taking credible action. Now, the project proponent re-submitted the EC application through online along with credible action taken report as a

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

case was filed against the project proponent in the Hon'ble Court of Judicial Magistrate of First Class, Kadapa vide calendar case No. 686/2015 and the case is under process in the Hon'ble Court.

The MoEF&CC issued Notification vide S.O.804(E), dated 14th March 2017 on the procedure to be followed while dealing with the cases of violations of the Environment Impact Assessment Notification, 2006.

The Committee opined that the credible action for EIA - 2006 violations, against this mine was initiated, before the issue of procedure on violation cases by MoEF&CC, New Delhi (i.e before 14th March 2017) .and hence recommended for issue of EC.

*The Committee recommended for **issue of Environmental clearance** to this **proposed Steatite, Clay & Dolomite** Mine project subject to receipt of the judgment order from the Honb'le Court on CC No.686 of 2015.*

Decision of SEIAA: The SEIAA has decided to address a letter to MoEF&CC, New Delhi, for seeking clarification on violation cases as on the date of Notification i.e., 14th March 2017.

(i). whether SEIAA, A.P. can issue Environmental Clearances for those projects for which already credible action has been initiated and wherein the credible action report had been filed in the Hon'ble Judicial Courts at District Level & the project proponent has paid the penalty amount and in other some cases acknowledgement from the Court have been received, which are being processed for the issue of EC by SEIAA,A.P. and in some other cases acknowledgment from the Court is awaited, but credible action report has been filed before 14.03.2017.

Agenda Item:93.27 (iii)	5.302 Ha. Dolomite & Natural Clay Mine of Smt. N. Sameem Banu, Sy.No. 328/P, Chandana (V), Yadki (M), Anantapur District - Environmental Clearance - Reg.
--------------------------------	--

Recommendations of the SEAC on 27.04.2017: Earlier this proposal was examined by the SEAC in its meeting held on 22.03.2017. The Committee observed the following:

*The project proponent has not attended the meeting. The Committee recommended for **deferring** this case to the next meeting.*

The issue was examined by the SEIAA in its meeting held on 04.04.2017 and Authority decided as follows:

***Decision of SEIAA:** The project proponent may be informed to approach MoEF&CC, New Delhi for appraisal of their project proposal.*

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

The committee noted that the project proponent shall obtain the Environment Clearance as per the EIA Notification 2006. The project proponent has carried out the mining activity without obtaining the EC during the period 2010 to 2016.

The MoEF&CC issued Notification vide S.O.804(E), dated 14th March 2017 on the procedure to be followed while dealing with the cases of violations of the Environment Impact Assessment Notification, 2006.

The Committee recommended that the project proponent may be informed to approach MoEF&CC, GoI, New Delhi and shall follow the procedure as per above said notification dated 14th March 2017.

Decision of SEIAA: Agreed with the recommendations of the SEAC to refer to MoEF&CC.

Agenda Item:93.27 (iv)	32.704 Ha. Quartz Mine of M/s. Gnana Iswarya Mines & Minerals Sy. No. 381, 382, 387, 388, 389 and 462/P, Hussainpuram (V), Veligandla (M), Prakasam district – Terms Of Reference (TOR)–Reg.
-------------------------------	---

Recommendations of the SEAC on 27.04.2017:

Earlier this proposal was examined by the SEAC in its meeting held on 22.03.2017. The Committee observed the following:

The project proponent has attended the meeting. The Committee noted that the MoEF&CC issued Notification vide S.O.804(E), dated 14th March 2017 on the procedure to be followed while dealing with the cases of violations of the Environment Impact Assessment Notification, 2006.

In light of the said Notification, the Committee recommended for differing this case for next meeting for appraisal.

The issue was examined by the SEIAA in its meeting held on 04.04.2017 and Authority decided as follows:

Decision of SEIAA: The project proponent may be informed to approach MoEF&CC, New Delhi for appraisal of their project proposal.

The committee noted that earlier, the project proponent submitted the EC application on 18.02.2016. The same was placed before the SEAC meetings held on 25.02.2016 and SEIAA meeting held on 10.03.2016 and noted that it is a violation case. A letter was addressed to EFS&T on 18.03.2016 for taking credible action. Now, the project proponent re-submitted the

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

EC application through online along with credible action taken report as a case was filed against the project proponent in the Hon'ble Court of Judicial Magistrate of First Class, Ongole vide calendar case No. 221/2016.. They have remitted the penalty amount of Rs.1,00,000/- to the Hon'ble Court on 17.02.2017. The case is under process in the Hon'ble Court.

The MoEF&CC issued Notification vide S.O.804(E), dated 14th March 2017 on the procedure to be followed while dealing with the cases of violations of the Environment Impact Assessment Notification, 2006.

The Committee opined that the credible action for EIA - 2006 violations, against this mine was initiated, before the issue of procedure on violation cases by MoEF&CC, New Delhi (i.e before 14th March 2017) and hence recommended for issue of TOR.

*The Committee recommended for issue of **Standard Terms of Reference (TOR)** if the judgment is given, to this Quartz Mine project for the production quantities : Quartz- 20,280 TPA.*

Decision of SEIAA: The SEIAA has decided to address a letter to MoEF&CC, New Delhi, for seeking clarification on violation cases as on the date of Notification i.e., 14th March 2017.

(i). whether SEIAA, A.P. can issue Environmental Clearances for those projects for which already credible action has been initiated and wherein the credible action report had been filed in the Hon'ble Judicial Courts at District Level & the project proponent has paid the penalty amount and in other some cases acknowledgement from the Court have been received, which are being processed for the issue of EC by SEIAA,A.P. and in some other cases acknowledgment from the Court is awaited, but credible action report has been filed before 14.03.2017.

The representative of the project proponent and their consultant have attended the meeting and presented their project proposal for development of industrial park. During their

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

presentation requested for collection of existing baseline data for preparation of EIA and also for exemption of public hearing

The Committee noted that APIIC is proposing to develop the Industrial Park (IP) for the automobile industries and the proposed IP area is 293.57 Ha (592 acres) under the activity item : 7 (c) of category B project.

The Committee recommended for issue of Standard Terms of Reference (TOR) with exemption of public hearing for this proposed project as there is no Category 'A' industry envisaged in the proposed Industrial Park and common Effluent Treatment Plant (CETP) is the only Category 'B' activity being part of the proposed project.

Decision of SEIAA: Agreed with recommendations of the SEAC.

Agenda Item:93.29	Storage of Bulk Liquid Cargo by M/s. K.G.O.C Terminals Pvt Ltd., at Sy. No: 274P, 275P, 236/2CP, 239/2P & 249/2P, Suryaraopeta (V), Kakinada, East Godavari (Dist), Andhra Pradesh –Reg.
--------------------------	---

Recommendations of the SEAC on 27.04.2017:

The Committee noted that this project proposal was earlier appraised in the SEAC,A.P meetings held on 23.02.2017 and *recommended for the amendment in the TOR issued dated 08.12.2016 that the Public hearing is exempted for this proposed project (for Isolated Storage Facility of Class- A Chemicals only).*

The SEIAA,A.P in its meeting held on 04.04.2017 decided that the opinion of the APPCB Standing Counsel vide letter dt.03.04.2017, may be sent to the SEAC, A.P. for its consideration and recommendations. Accordingly, this proposal was referred to the SEAC.

The SEAC has earlier considered this case and reiterating the earlier recommendations, after considering the Counsel's legal opinion too recommended for exemption of public hearing for this proposed project. Also observed that similar cases were accorded permission by various States-SEIAAs, exempting public hearing. Even in A.P., the SEIAA had given permission to M/s.Kesar Terminals& Infrastructures Ltd, Kakinada for the similar activity from exempting the public hearing.

**MINUTES OF THE 93rd MEETING OF STATE LEVEL ENVIRONMENT IMPACT ASSESSMENT AUTHORITY (SEIAA), A.P,
HELD ON 12.05.2017 AT HYDERABAD**

Also the representation of the project proponent on the usage of pipelines for transportation of chemicals from Jetti to this proposed project site was considered and recommended for issue of TOR amendment with transportation of chemicals through pipeline.

*The committee after detailed discussions and considering the recommendations of the SEAC, recommended for issue of **the TOR with exemption from the Public hearing, as considered and recommended in the earlier meetings also for this proposed project (for Isolated Storage Facility of Class- A Chemicals only) and with an amendment for issue of permission with transportation of chemicals through pipeline.***

Decision of SEIAA: Based on the legal opinion of standing counsel of APPCB, and location of the project within the vicinity of the Kakinada Port and similar projects were considered earlier in the Port area by various other SEIAAs, the SEIAA agreed with the recommendations of the SEAC.

Agenda Item:93.30 (a)	5.0 Ha Colour Granite Mine of Sri U.Ankala Rao at Sy.No.143, Bharathupuram (V), Nandigam (M), Srikakulam District – Showcause Notice – Reg.
