MINUTES OF THE 226th MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P., HELD ON - 28th& 29thAugust, 2023 AT VIJAYAWADA, A.P.

Present: The following members were present. (Through hybrid mode Conference)

1.	Dr.G.V.R.SrinivasaRao, Professor, Civil Engineering Department, Andhra University, Visakhapatnam	Chairperson
2.	Dr.DineshSankar Reddy. Registrar(I/C), Professor of Chemical Engineering, NIT, Tadepalligudem, West Godavari	Member
3.	Prof. G. Gnana Mani, Retd., Professor of Zoology, Andhra University, Visakhapatnam.	Member
4.	Sri Matli. Chandra Sekhar Professor, Head of Department of Civil Engineering, NIT, Warangal.	Member
5.	Prof. C. Sasidhar, Professor, Civil Engineering Dept, JNTU, Anantapur	Member
6.	Prof. N. Siva Prasad Reddy, Director (Academics), Brindavan Institute of Technology &Science, Kurnool	Member
7.	Prof. K. ThyagaRaju, Professor,Department of Biochemistry, S.V.University, Tirupati.	Member
8.	Dr.M. Sunandana Reddy, Associate Professor,RGM College of Engineering & Technology (Autonomous), Nandyal.	Member
9.	Dr.Kiranmai, Assistant Professor, Dept. of Biotechnology, VikramaSimhapuriUniversity,Nellore,SPSRNelloreDistric t	Member
10.	Prof. D. Bharathi, Professor, Dept. of Bio Sciences & Sericulture, Sri PadmavathiMahilaViswaVidhyalayam, Tirupati	Member
11.	Dr. G. Madhavi, Associate Professor, Department of Chemistry, Sri Venkateswara University, Tirupati	Member
12.	Dr.GummallaPrasanthi, Professor, Vijaya Institute of Pharmaceutical Sciences, Vijayawada	Member
13.	Prof. U. Shameem. Chairman, Dept. of Zoology, Andhra University, Visakhapatnam	Member
14.	Sri. K. Venkateswara Rao, Chief Environmental Engineer, Andhra Pradesh Pollution Control Board. Vijayawada.	Member Secretary.

in respect of non-coal mine lease).

The Project of proponent and their consultant, M/s. SV Enviro Labs & Consultants have attended the meeting and presented their proposal. The SEAC Committee noted that:

- The Department of Mines and Geology submitted DSR of erstwhile Chittoor District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine.
- As per the approved mining plan dt.01.07.2023, the total provided mineral reserves are 2,07,520 m³. The proponent proposed to excavate 41848 m³/Annum and Life of the mine is 4.95 years.
- The Committee noted that as per the cluster letter issued by the District Mines & Geology Officer, Tirupathi, vide Letter dated: 31.07.2023, there are no existing quarry leases within the radius of 500 mtrs area. The total cluster area is < 5.0 Ha.
- The proponent volunteered to provide Water Treatment Plant to the Tamaraikuppam village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- The project proponent obtained Lol on 17.03.2023 issued by the Department of Mines & Geology.
- The Committee observed that the proposed mine overlapped with Tamilnadu state boundary as per the KML file uploaded in the parivesh portal and also Toposheet. Hence, the committee directed to the proponent to reduce / modified the area overlapped with Tamilnadu state boundary.

The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to raise ADS for the reduction / modification of the mining area, as proposed mine area is overlapping with Tamil Nadu state boundary.

Agenda Item: 226.28 **4.257 Ha. of Road Metal, Building Stone & Gravel Quarry of Sri I. Rajasekhar, at Sy. No.136/1, P.V.Puram Village, Sathyavedu Mandal in Tirupati (New) Chittoor (Erstwhile) (D), Andhra Pradesh - Environmental Clearance - Reg.**

MINUTES OF THE 226th MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P., HELD ON - 28th & 29th August, 2023 AT VIJAYAWADA, A.P.

The Representative of the Project their consultant, M/s. Right source Industrial Solutions Pvt. Ltd have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a. The Department of Mines and Geology submitted DSR of erstwhile Chittoor District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine.
- b. As per the approved mining plan dt. 24.07.2023, the total provided mineral reserves are 81,958 m³. The proponent proposed to excavate 3792 m³/annum and Life of the mine is 21.61 years.
- c. The Committee noted that as per the cluster letter issued by the District Mines & Geology Officer, Chittoor, vide Letter dated: 31.07.2023, there are no existing quarry leases within the radius of 500 mtrs area. The total cluster area is < 5.0 Ha.
- d. The project proponent obtained Lol on 31.06.2022 issued by the Department of Mines & Geology.
- e. The proponent volunteered to provide Water Treatment Plant and 5 Nos of Solar Street lights to the Tirumalarajapuram village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended to issue Environmental Clearance for mining of colour granite - capacity of Black Granite - 3,792 m³/annum and with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan.
2. The project proponent shall develop greenbelt of 1km along approach roads & village Roadsides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
7. The project proponent shall not use village road/canal roads for mineral transportation purpose.
8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
9. The project proponent shall acquire **0.65 Ha** additional lands for granite waste disposal.
10. The project proponent shall provide 885 m trench with rocky bund all around the boundary lease area side to prevent surface runoff entering into the nearby agricultural lands.

m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The Project of proponent and their consultant, M/s. Right source Industrial Solutions Pvt. Ltd have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a. The Department of Mines and Geology submitted DSR of erstwhile Chittoor District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine.
- b. As per the approved mining plan dt. 25.05.2023, the total provided mineral reserves are **19, 20,222m³**. The proponent proposed to excavate **2,01,202 m³/Annum** and Life of the mine is 9.54 years.
- c. The Committee noted that as per the cluster letter issued by the Divisional Mines & Geology Officer, Palamaner, vide Letter dated: 01.06.2023, there are no existing quarry leases within the radius of 500 mtrs area. The total cluster area is < 5.0 Ha.
- d. The project proponent obtained Lol on 17.04.2023 issued by the Department of Mines & Geology.
- e. The proponent volunteered to provide Water Treatment Plant, One additional Class Room to school and 5 Nos of Solar Street lights to the **Nallangadu** village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, recommended to **issue Environmental Clearance** for mining of **Road Metal & Building Stone- 2,01,202 m³/annum** and with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan.
2. The project proponent shall develop greenbelt of 1km along approach roads & village Roadsides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
7. The project proponent shall not use village road/Canal bund roads for mineral transportation purpose.
8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
9. The project proponent shall provide 455 m trench with rocky bund on north eastern side to prevent surface runoff entering into the nearby agricultural lands.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The project of proponent and their consultant, M/s. Ecomen Laboratories Pvt. Ltd., Lucknow have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a. The Department of Mines and Geology submitted DSR of erstwhile Anantapur District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine.
- b. As per the approved mining plan dt. 24.07.2023, the total provided mineral reserves are 17,67,384 Tonnes. The proponent proposed to excavate **79,241** TPA and Life of the mine is 22.30 years.
- c. The Committee noted that as per the cluster letter issued by the District Mines & Geology Officer, Puttaparthi vide Letter dated: 01.06.2023 there are no existing quarry lease within the radius of 500 mtrs area. **The total cluster area is < 5.0 Ha.**
- d. The project proponent obtained LoI on 26.02.2023 issued by the Department of Mines & Geology.
- e. The proponent volunteered to provide Water Treatment Plant to the Mangivandlapalli village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, **recommended to issue Environmental Clearance for mining of Quartz - 79,241 TPA and** with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan.
2. The project proponent shall develop greenbelt of 1km along approach roads & village Roadsides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
7. The project proponent shall not use village road /canal bund roads for mineral transportation purpose.
8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
9. The project proponent shall provide trench with rocky bund on all around boundary mine lease area side to prevent surface runoff entering into the nearby agricultural lands.

Agenda Item No. 226.33	4.900 Ha. Mining of Colour Granite (Srikakulam Blue Variety) Quarry of Smt. Sangireddy Swathi, Survey No.: 29 Kondatemburu Village & Nandigama Mandal Srikakulam District, Andhra Pradesh - Environmental Clearance - Reg.

The proposed project is for mining of **Colour Granite (Srikakulam Blue Variety)** in an area of **4.900 Ha.** with a proposed production quantity of **Colour granite - 7600 m³/annum** with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The project of proponent and their consultant, M/s. Hubert Enviro Care Systems (P) Ltd, Chennai have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a. The Department of Mines and Geology submitted DSR of erstwhile Srikakulam District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine.
- b. As per the approved mining plan dt.15.03.2021, the total provided mineral reserves are 4,07,607 m³. The proponent proposed to excavate **7600 m³/Annum** and Life of the mine is 53.63 years.
- c. The Committee noted that as per the cluster letter issued by the Divisional Mines & Geology Officer, Tekkali, Srikakulam District vide Letter dated: 18.05.2023 there are no existing quarry lease within the radius of 500 mtrs area. **The total cluster area is < 5.0 Ha.**
- d. The project proponent obtained Lol extension on 02.09.2022 issued by the Department of Mines & Geology.
- e. The proponent volunteered to provide Water Treatment Plant to the **Kondatemburu** village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, **recommended to issue Environmental Clearance for mining of Colour granite - 7600 m³/annum and** with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan.
2. The project proponent shall develop greenbelt of 1km along approach roads & village Roadsides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
7. The project proponent shall not use village road/canal bund roads for mineral transportation purpose.
8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
9. The project proponent shall acquire **0.5 Ha** of additional land for granite waste disposal.
10. The project proponent shall provide 170 m trench with rocky bund on South-eastern

MINUTES OF THE 226th MEETING OF STATE EXPERT APPRAISAL COMMITTEE (SEAC), A.P., HELD ON - 28th & 29th August, 2023 AT VIJAYAWADA, A.P.

augmentation plan with a cost of **Rs 1,65,118/-** and also uploaded the acknowledged BG submitted at APPCB, Regional office, Kakinada on 30.05.2023.

iv. The project proponent has submitted production dispatch letter issued by ADMG, Kakinada vide letter dt. 25.05.2023.

v. The Penalty was calculated in compliance with SOP issued by MoEF&CCGoI vide OM dt. 07.07.2021 and details are as follows:

Project cost in Rs.	Total production during violation period as reported by mining department letter dated 25.05.2023	Turnover during violation period in Rs as reported by the mining department vide letter dated 25.05.2023	1% of project cost in Rs	0.25 % of turnover during violation period in Rs.	Total penalty amount to be levied as per OM 07.07.2021 in Rs
Rs.37.50 Lakhs	Mining of 63,400 Tonnes	Rs. 35,75,000/-	Rs 37,500/-	Rs 8938/-	Rs 46438/-

vi. The project proponent has uploaded the acknowledged payment of penalty amount of **Rs. 46438/-** at APPCB Board Office Vijayawada on 03.06.2023.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs, EIA report, PH minutes and detailed deliberations, **recommended to issue Environmental Clearance for mining of China Clay -15000 TPA and** with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan and EIA report.
2. The project proponent shall develop greenbelt of 1km along approach roads & village Roadsides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The project proponent shall carryout the mining with proper benches.
5. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
6. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
7. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
8. The project proponent shall not use village road/canal bund roads for mineral transportation purpose.
9. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
10. The project proponent shall comply assurance/ promises given in the public hearing.

Agenda Item:

0.728 Ha. Mining of Fire Clay of SMT. K.V.V.S.A SUBBA LAKSHMI, at Sy. No. 63/3B Z. Rangampeta (V), Gandepalli (M), Kakinada District (Formerly East Godavari

Chairman
SEAC

Black Granite: 1251 m³/annum, Colour Granite - 849 m³/annum, Road Metal & Building Stone - 15167 m³/annum, Gravel - 50540 m³/annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The project of proponent and their consultant, M/s. Pragathi Labs and Consultants Pvt. Ltd have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a. The Department of Mines and Geology submitted DSR of erstwhile Chittoor District. The same is reviewed in the SEAC meeting and the present mine lease details are mentioned at S.No. 392 of page No.142 in the DSR.
- b. As per the approved mining plan dt. 15.07.2023, the total provided mineral reserves are **Black Granite - 8066 m³, Colour Granite - 2745 m³, Road Metal & Building Stone - 93348 m³ and Gravel - 153332 m³** The proponent proposed to excavate **Black Granite: 1251 m³/annum, Colour Granite - 849 m³/annum, Road Metal & Building Stone - 15167 m³/annum, Gravel - 50540 m³/annum** and Life of the mine is 6.44 years 3.23 years, 6.15 years and 3.03 years.
- c. The Committee noted that as per the cluster letter issued by the District Mines & Geology Officer, Tirupathi, vide Letter dated: 14.06.2023 there are no existing quarry lease within the radius of 500 mtrs area. **The total cluster area is < 5.0 Ha.**
- d. The project proponent obtained Lol for inclusion of Colour Granite, Road Metal & Building Stone and Gravel on 02.09.2022 issued by the Department of Mines & Geology .
- e. This an existing lease and the project proponent has obtained mine lease in favour of **M/s. Sri Vijaya Granites Private Limited** vide order dated 16.03.2023 issued by the Director of Mines & Geology.
- f. The project proponent obtained dispatch quantity details from District Mines & Geology Officer, Tirupathi vide Lr dated 24.07.2023 and the project proponent has not carried any mining activity after 15.01.2016 hence this project not falls in violation category.
- g. The proponent volunteered to provide Hospital Surgical beds and Oxygen concentrators to the RC Puram PHC as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, **recommended to issue Environmental Clearance for mining of Black Granite: 1251 m³/annum, Colour Granite - 849 m³/annum, Road Metal & Building Stone - 15167 m³/annum, Gravel - 50540 m³/annum** and with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan.
2. The project proponent shall develop greenbelt of 1000 plants along approach roads & village Roadsides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.

The project of proponent and their consultant, M/s. SV Enviro Labs & Consultant have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a. The Department of Mines and Geology submitted DSR of erstwhile Prakasam District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine.
- b. As per the approved mining plan dt. 24.02.2022, the total provided mineral reserves are 233450 m³. The proponent proposed to excavate 11700 m³/Annum and Life of the mine is 19.95 years.
- c. The project proponent obtained Standard TOR public hearing on 13.07.2022 and Public hearing held on 16.12.2022.
- d. Public Hearing Details: There are no specific issues raised during the public hearing.
- e. Reply of the project proponent during the Public Hearing: Sri Y Brahma Reddy, Managing Partner of M/s. Ayan Exims: He thanked the speakers for offering their views, opinion and suggestions and for extending their support to the proposed Black Galaxy Granite Project. He stated that they have noted down all the suggestions so as to fulfill them in phases. He assured to prioritize locals in employment opportunities. They will maintain tankers with sprinkler arrangement to suppress the dust. Regular water sprinkling will be carried out within the quarry area. Avenue plantation will be taken up in the quarry and also all along the road.
- f. Baseline data collected from March 22 to May 2022 and the predominant wind direction is observed to be Southeast to Northwest. The maximum concentration of SPM(PM₁₀) is observed to be 60.08 µg/m³. The incremental concentration is 5 µg/m³ and GLC of SPM will fall at a distance of 0.64 Km towards Northwest direction from the mine lease area.
- g. The proponent volunteered to provide School building repair to the **Illapavalluru** village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs and detailed deliberations, PH Minutes and EIA report **recommended to issue Environmental Clearance for mining of Black Galaxy Granite - 11700 m³/Annum** and with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan and EIA report.
2. The project proponent shall develop greenbelt of 1km along approach roads & village Roadsides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
5. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
6. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
7. The project proponent shall not use village road/canal road bunds for mineral transportation purpose.
8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
9. The project proponent shall acquire 1.5 Ha of additional land for granite waste disposal.

The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement. 7. The project proponent shall not use village road/canal road bunds for mineral transportation purpose. 8. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents. 9. The project proponent shall acquire 1.0 Ha of additional land for granite waste disposal. 10. The project proponent shall provide 488 meters trench with rocky bund towards Sothern direction to prevent surface runoff nearby agricultural lands. 11. The project proponent shall comply with the assurances/promises given in the public hearing
Agenda Item: 226.42	11.246 Ha., Silica Sand Mine of M/s Sai Krishna Mining company, at Sy. No. 232, 235 East Kanupur (V), Chillakur (M), SPSR Nellore District, AP - EC Extension - reg.
SIA/AP/MIN/302 471/202 3	The project proponent and also their consultant have not attended the meeting and the committee recommend to raise ADS seeking reasons for not attending the meeting and also to place this case only after the project proponent request the SEAC to place their proposal in the SEAC meeting.
Agenda Item No. 226.43	2.350 Ha., Road Metal and Building Stone Mine of M/s BK Sai Constructions, at Sy. No. 456 Kogira (V), Roddam (M), Penukonda Division, Anantapuramu District, AP - EC Amendment - reg.
SIA/AP/MIN/300 769/202 3	The project proponent and also their consultant have not attended the meeting and the committee recommend to raise ADS seeking reasons for not attending the meeting and also to place this case only after the project proponent request the SEAC to place their proposal in the SEAC meeting and directed to the proponent to apply for Fresh EC application as per the OM dated 28.04.2023 and Hon'ble NGT order dated 07.12.2022 passed by in O.A.142 of 2022.
Agenda Item No.226.4 4	10.13 Ha. Road Metal and Building Stone Quarry of M/s Rank Silicon and Industries Private Limited, located at Survey No: 01 Village: Marturu Mandal: Anakapalli District: Anakapalli District (Erstwhile Visakhapatnam District) State: Andhra Pradesh - EC - Reg.
SIA/AP/MIN/432 888/2023	Category: B2 at par with B1 (Minor mineral) The proposed project is for mining of Road Metal and Building Stone Quarry in an area of 10.13 Ha. with a proposed production quantity of 8,18,428 m³/annum with a condition that the total production during a scheme should be limited to the approved

Member Secretary
SEAC

Chairman
SEAC

quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

The project of proponent and their consultant, M/s. HUBERT ENVIRO CARE SYSTEMS PRIVATE LIMITED, CHENNAI have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a. The Department of Mines and Geology submitted DSR of erstwhile Visakhapatnam District. The same is reviewed in the SEAC meeting. The present mine lease details are mentioned at S.No. 154 of page No.180 in the DSR.
- b. As per the approved mining plan dt. 24.06.2021, the total provided mineral reserves are 48,87,816 m³. The proponent proposed to excavate **8,18,428 m³/Annum** and Life of the mine is 5.97 years.
- c. The project proponent has obtained violation TOR with Public hearing on 30.08.2022. The public hearing was held on 08.02.2023.
- d. **Public Hearing Details:** crop damages, Air pollution, water pollution, insurance to the workers, renovation of temple, vibration, blasting and compensation are the specific issues raised in Public hearing.
- e. **Reply of the proponent during the public hearing is as follows: Sri S.A.N. Raju,** Project proponent informed that the issues raised by the Marturu villagers are taken into consideration and support the village.
- f. Baseline data collected from March 22 to May 2022 and the predominant wind direction is observed to be South West to North East. The maximum concentration of SPM(PM₁₀) is observed to be 68.91 $\mu\text{g}/\text{m}^3$. The incremental concentration is 3.96 $\mu\text{g}/\text{m}^3$ and GLC of SPM will fall at a distance of 1.41 Km towards Northern direction from the mine lease area.
- g. The proponent volunteered to provide mini ambulance to tumpala PHC as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.
- h. **S.O No 804 dt 14.03.2017 compliance:**
 - i. Credible action was initiated vide CC No 623/2023 in the court of Junior Civil courts of Peddapuram.
 - ii. The project proponent submitted undertaking on 19.01.2023 stating that the violation will not be repeated.
 - iii. The project proponent has submitted remediation and resource augmentation plan with a cost of **Rs 1,00,000/-** and also uploaded the acknowledged BG submitted at APPCB, Regional office, Visakhapatnam on 01.06.2023.
 - iv. The project proponent has submitted production dispatch letter issued by ADMG, Anakapalli vide letter dt. 20.04.2023.
 - v. The Penalty was calculated in compliance with SOP issued by MoEF&CCGoI vide OM dt. 07.07.2021 and details are as follows:

Member Secretary
SEAC

Chairman
SEAC

Project cost in Rs.	Total production during violation period as reported by mining department letter dated 20.04.2023	Turnover during violation period in Rs as reported by the mining department vide letter dated 20.04.2023	1% of project cost in Rs	0.25 % of turnover during violation period in Rs.	Total penalty amount to be levied as per OM 07.07.2021 in Rs
Rs. 50.0 Lakhs	Mining of 37530 m ³	Rs. 28,43,100/-	Rs 50,000/-	Rs 7108/-	Rs 57,108/-

- vi. The project proponent has uploaded the acknowledged payment of penalty amount of **Rs. 57,200/-** at APPCB Board Office Vijayawada on 01.06.2023.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs, EIA report, PH minutes and detailed deliberations, **recommended to issue Environmental Clearance for mining of Road Metal and Building Stone - 8,18,428 m³/annum** and with following conditions:

1. The proponent shall comply with the proposals furnished in the Environmental management plan and EIA report.
2. The project proponent shall develop greenbelt of 1000 plants along approach roads & village Roadsides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The project proponent shall carryout the mining with proper benches.
5. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
6. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
7. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
8. The project proponent shall not use village road/canal bund roads for mineral transportation purpose.
9. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
10. The project proponent shall comply assurance/ promises given in the public hearing.

Agenda Item No. 226.45

1.850 Ha. Morrur, Gravel & Ordinary Earth Quarry of Sri. Chinna Subba Reddy Rami Reddy, located at Sy.No: 1581/P Of Chennampalle Village, Badvel Mandal, Y.S.R. District, Andhra Pradesh - EC - Reg.

SIA/AP/
MIN/434
957/2023

Category: B2 (Minor mineral)

The proposed project is for mining of **Morrur, Gravel & Ordinary Earth** in an area of **1.850 Ha.** with a proposed production quantity of **22,542 m³/annum** with a condition

Member Secretary
SEAC

Chairman
SEAC

that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.

The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).

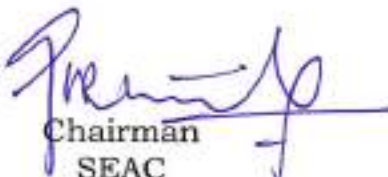

The representative of proponent and their consultant, M/s. Ecomen have attended the meeting and presented their proposal. The SEAC Committee noted that:

- a) The Department of Mines and Geology submitted DSR of erstwhile Kadapa District. The same is reviewed in the SEAC meeting and observed that the mineral content is available in the nearby village /cluster to the subject mine.
- b) As per the approved mining plan dt: 19.06.2023 the total provided mineral reserves are 1,16,816 m³. The proponent proposed to excavate 22,542 m³/Annum and Life of the mine is 4.92 years.
- c) The Committee noted that as per the cluster letter issued by the Asst. Director of Mines & Geology, YSR Kadapa vide Letter dated: 21.06.2023 there are no existing quarry leases within the radius of 500 mtrs area. **The total cluster area is < 5.0 Ha.**
- d) The SEAC committee observed that the habitation is about 85m from the proposed mine and there by not meeting the distance criteria stipulated in the Hon'ble NGT Order dated 09.07.2020 in O.A. No 304/2019. Hence, the committee recommended to raise ADS for submission of Modified mining plan to complying with the Hon'ble NGT order.
- e) This proposal was placed in 224th SEAC meeting and , **recommended to raise ADS** for submission of Modified mining plan earmarking non-mining zone towards habitation to comply with the distance criteria as per the Hon'ble NGT Order dated 09.07.2020 in O.A. No 304/2019. Accordingly, the project proponent furnished modified mining plan dated 16.08.2023 by leaving 0.1950 Ha (110 meters) as non mining zone to comply NGT norms.
- f) The proponent volunteered to provide water treatment plant to **Chennampalle village** as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs, and detailed deliberations, **recommended to issue Environmental Clearance for mining of Morrum, Gravel & Ordinary Earth- 22,542 m³/annum and** with following conditions:

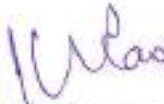

1. The proponent shall comply with the proposals furnished in the Environmental management plan.
2. The project proponent shall develop greenbelt of 1000 plants along approach roads & village Roadsides.
3. The project proponent shall maintain 7.5mt greenbelt in buffer zone and existing buffer zone plantation should not be disturbed.
4. The project proponent shall carryout the mining with proper benches.
5. The proponent shall take dust suppression measures to meet the CPCB stipulated ambient air quality standards at any point of time.
6. The proponent shall carryout suppression of dust generated due to transport vehicles by continuous water spraying using tankers.
7. The vehicles carrying the mines material shall be covered with tarpaulin during vehicular movement.
8. The project proponent shall not use village road/canal bund roads for mineral transportation purpose.

Member Secretary
SEAC

Chairman
SEAC

	9. The project proponent shall restrict vehicles movement during the peak hours to avoid accidents.
Agenda Item No: 226.46	4.270 Ha Road Metal & Building Stone of Kum.E.Nikitha Sy. No. 85, Thadukupeta Village, Nagari Mandal, Chittoor District, Andhra Pradesh - EC expansion - Reg.

<p>SIA/AP/ MIN/440 011/202 3</p>	<p>Category: B2 (Minor mineral)</p> <p>The proposed project is for mining of Road Metal & Building Stone in an area of 4.90 Ha. with a proposed production capacity of 75000 m³ /Annum with a condition that the total production during a scheme should be limited to the approved quantity as per Mining scheme/ plan.</p> <p>The proposed project falls under Item No. 1(a) of the schedule of the EIA Notification 2006 and its amendments thereof - (i). Mining of minerals (≤ 250 ha of mining lease area in respect of non-coal mine lease).</p> <p>The proponent and their consultant M/s SV Enviro Labs & Consultants have attended the meeting and presented their proposal: The SEAC committee noted that:</p> <ol style="list-style-type: none">The Department of Mines and Geology submitted DSR of erstwhile Visakhapatnam District. The same is reviewed in the SEAC meeting .The present mine lease details are mentioned at S.No. 270 of page No.180 in the DSR.As per the approved mining plan dt. 25.07.2023 the total provided mineral reserves are 1083090 m³. The proponent proposed to excavate 7500 m³/Annum and Life of the mine is 14 years.The Committee noted that as per the cluster letter issued by the Divisional Mines & Geology, Narsipatnam vide Letter dated: 19.07.2023 there is one existing quarry lease within the radius of 500 mtrs area. The total cluster area is <5.0 Ha.This is an existing lease area and obtained work order on 09.06.2017 which is valid for a period up to 08.06.2027.The Hon'ble Supreme Court vide order dated the 27th February, 2012 in I.A. No.12-13 of 2011 in Special Leave Petition (Civil) No.19628-19629 of 2009, in the matter of Deepak Kumar etc. Vs. State of Haryana and Others etc., prior environmental clearance has now become mandatory for mining of minor minerals and the Central Government has published notification number S.O.141(E), dated the 15th January, 2016 making prior environment clearance mandatory for all minerals (major as well as minor) irrespective of size of the mine lease.NGT order in OA No 136 of 2017 (SZ) : So under these circumstances, the application can be disposed of, giving the following directions: (i)The applications which are pending as on 31.3.2016 for Environment Clearance have to be treated as normal applications and not violation applications and the authorities are directed to dispose of those applications in accordance with law. 81 (ii) The persons who have not filed applications on or before 31.3.2016 and filed thereafter, can be treated as violation applications and the MoEF&CC /SEIAA is directed to dispose of those applications as violation cases in accordance with law. (iii) It is also made clear that all mining leases, either major or minor, even less than 5 hectares area, has to apply and get Environment Clearance as per the amended EIA Notification dated 15.1.2016. This will apply to the existing mining leases as well. The points are answered accordingly.

Member Secretary
SEAC

Chairman
SEAC

- g) The committee noted that the proponent operated mine after 2016 without obtaining environmental clearance as required under EIA notification 2006 after promulgation of S.O. 141 (E) dt 15.01.2016 and hence to be treated as identified violation case as per OM 07.07.2021.

The Committee after examining the project proposals, presentations, MoEF&CC Notifications & OMs and detailed deliberations, recommended to **issue specific (Violation) Terms of Reference without Public Hearing** for mining **Road Metal & Building Stone- 75000 m³ /Annum** and with following additional conditions:

1. The project proponent shall prepare cluster EIA& EMP.
2. The project proponent shall prepare a plantation plan including no. of species and type of species and area of land allocated for greenbelt.
3. The project proponent shall submit surface runoff prevention measures plan.
4. The project proponent shall submit a transportation plan for mineral transportation.
5. The project proponent shall submit plan for Restoration of benches and buffer zone in remediation plan and the cost of restoration of benches and buffer zone should be included in Bank guarantee.
6. The proponent is liable to pay the penalties as levied by the concerned competent authority, as per the OM No.28.1.2022 and clause No 12 of SOP dated 07-07-2021, duly incorporating the total production during the violation period and submit the calculation of penalties based on the project cost and the total turnover during the violation period.
7. Credible action to be initiated through concerned Regional office, APPCB under section 15 read with section 19 of E(P) Act 1986.
8. The project proponent shall carry assessment of ecological damage, remediation plan and natural and community resource augmentation plan and it shall be prepared as an independent chapter in the environment impact assessment report by the accredited consultants. The collection and analysis of data for assessment of ecological damage, preparation of remediation plan and natural and community resource augmentation plan shall be done by an environmental laboratory duly notified under Environment (Protection) Act, 1986, or an environmental laboratory accredited by National Accreditation Board for Testing and Calibration Laboratories, or a laboratory of a Council of Scientific and Industrial Research institution working in the field of environment.
9. The project proponent shall ensure implementation of Environmental Management Plan, comprising remediation plan and natural and community resource augmentation plan corresponding to the ecological damage assessed and economic benefit derived due to violation.
10. The project proponent will be required to submit a bank guarantee equivalent to the amount of remediation plan and Natural and Community Resource Augmentation Plan with the State Pollution Control Board.
11. The project proponent shall give an undertaking by way of affidavit to comply with all the statutory requirements and judgment of Hon'ble Supreme Court dated the 2nd August 2017 in writ petition (Civil) No.144 of 2014 in the matter of common cause verse union of India and Ors. The undertaking inter-alia includes commitment of the PP not to repeat any such violation in future.
12. The project proponent shall submit proof of Bank Guarantee submission as per S.O.No.804 (E) dated 14.03.2017 and payment of penalty amount as per OM dated 07.07.2021.

- b) As per the approved mining plan dt. 30.06.2023 the total provided mineral reserves are 3,64,215 m³. The proponent proposed to excavate **1,80,000 m³** and Life of the mine is 2.0 years as per mining plan.
- c) The Committee noted that as per the cluster letter issued by the Divisional Mines & Geology Officer, Tadipatri vide Letter dated: 12.07.2023, there are 02 existing quarry leases within the radius of 500 mtrs area. **The total cluster area is < 5.0 Ha.**
- d) The project proponent obtained LOI on 06.06.2023 for Temporary permit for excavation of Gravel for NH 544D work. **However, there is no clarity on the period of temporary permit.**
- e) The proponent volunteered to provide Water treatment plant to the Chintakunta village as a part of Corporate Social Responsibility (CSR) activity and shall maintain till the life of the mine.

The Committee after examining the project proposals, presentations, mining plan, MoEF&CC Notifications & OMs, and detailed deliberations, **recommended to raise ADS for submission of 1) Clarity on the period of temporary permit and the quantity per annum to be excavated from the department of mines and geology and 2) modified mining plan as per NGT norms keeping in view of the existence of wind mills nearby.**
