14	4136	Proposed Construction of “Jak City Mall” by “M/sB.J.ExpoP.Ltd.”at S.Nos. 42/1B3A2etc., ParuthipattuVillage, AvaduTaluk,Thiruvallur District – Category “B”-8(a) Building and constructions	<p>The Proponent of “M/s B.J.Expo P. Ltd.” has applied for Environment Clearance for the proposed Construction of “Jak City Mall” with built up area of 54599.13Sq.mat. S.Nos. 42/1B3A2 etc., Paruthipattu Village, AvaduTaluk, Thiruvallur Districton 29.09.2015.</p> <p>The project proponent has not furnished the basic particulars for appraisal and for the consideration of issue of EC. In this regard, a detailed letter has been sent to project Proponent vide T/O letter no: SEIAA-TN/F-4136/2015 dated: 11.11.2015 (details asked furnished in Annexure I).</p> <p>Further details have also been asked for in T/O letter no: SEIAA-TN/F-4136/2015 dated: 18.12.2015 (details asked furnished in Annexure II). However the project Proponent has failed to give the necessary information for consideration of issue of EC.</p> <p>The SEIAA-TN also found that the proposal is highly void in nature without any basic details required for EC. Hence ,the authority sent back the proposal for detailed review and appraisal.</p> <p>In the 71st SEAC meeting, the Project Proponent was asked to make clarifications regarding the details already asked for. The Proponent could not present the details and clarifications already asked for.</p>

			<p>Also, in Appendix I, the project proponent has mentioned that the Avadi Railway station is 0.05 Kms (i.e) 50 mts only. It attracts the provision that “<u>No objection certificate</u>” should be obtained from the Railway Authorities concerned, so as to ensure that the Railway departments are not requiring this land for their future expansion and the buildings will not be affected due to frequent movement of trains (Vibrations etc.) It is of the opinion of the SEAC, that the residential project cannot be allowed very close to a railway station.</p> <p>For the above reasons, the project is not eligible for Environment Clearance and hence rejected.</p>

Agenda Item						

The SEAC considered the following project proposals along with approved mining plan, Pre-feasibility reports and other supporting documents in detail seeking Environmental Clearance for mining of minor minerals. The SEAC appraised the Project proposals furnished by the proponent in detail and took into consideration the less pollution that is possible in these types of activities and after verification of the details furnished by the proponent subject to usual terms and conditions

The following should be incorporated as conditions in EC.

1. The quarrying activity shall be stopped if the entire quantity is quarried even before the expiry of the quarry lease period and the same shall be monitored by the District Authorities.
2. It is the responsibility of the project proponent to maintain the village approach road in good condition usable by the public during the implementation of the project. On the completion of the project the village approach road should be in good condition.
