PP was heard, the mine is at a distance of less than 50 m from the forest boundary is an admitted fact. Therefore, in view of the State Government order dated 14.06.2023, the Authority decided to **reject** this proposal.

2. **Serial No. 2:** Proposal was deferred in the 5.98<sup>th</sup> meeting of SEIAA for submission of the following:
  - Revised CSR budget wherein the budget for electricity assurance needs to be incorporated.
  - Secondly, PP needs to indicate and provide a budget for community welfare without restricting it to labor welfare measures only.
  - PP shall also submit a copy of the approved MP.

- *As per the certificate of DCF Wildlife Mukundara National Park dated 25.3.22, Project is located within the ESZ of Chambal Ghariyal WLS at a distance of 4.5 km from Wildlife Sanctuary. It further mentions necessary permission is required to be obtained with respect to ESZ.*

Now, PP has submitted the clarification for the above queries and also applied for NBWL vide application dated 22/06/2023. Considering the same, the Authority accepted the recommendations and additional conditions of SEAC and decided to **grant TOR under violation** to this proposal.

Block A and C are at a distance of more than 50 m from the forest boundary. Hence, the Authority decided to **defer this proposal and was of the view that PP may be afforded an opportunity of personal hearing** to explain why the permission shall not be denied for mining activity in Block B, as the nearest forest is at less than 50 m from the forest boundary.
