Minutes of the 520th Meeting of the State Level Environment Impact Assessment Authority, UP (SEIAA) held on 24.11.2021

The meeting of 520th State Level Environment Impact Assessment Authority, UP (SEIAA) was held on-line on 24.11.2021 at the Directorate of Environment. The following were present in the meeting:-

1. Dr. Rajiv Kumar Garg
2. Shri Paras Nath
3. Shri Ajay Kumar Sharma

- Chairman, SEIAA, U.P
Member, SEIAA, U.P
Member Secretary, SEIAA, U.P

General discussion:-

Nodal Officer, SEIAA, UP brought to the notice of SEIAA, letter of Director, Department of Geology and Mining, GoUP letter no. 434/M28/2012(Parya SWA)2019 TC dated 27.08.2021 (copy enclosed)whereby following request has been made –

“ ...राज्य स्तरीय पर्यावरण प्रभाव प्राधिकरण में जनपद महोबा व अन्य जनपदों ने पत्थर खनन सम्बन्धी पर्यावरणीय अनापत्ति के लम्बित प्रकरणों के सम्बन्ध में दिनांक 25.11.2021 को विशेष बैठक आयोजित कर लम्बित प्रकरणों के निस्तारण के सम्बन्ध में नियमानुसार आवश्यक कार्यवाही सुनिश्चित कराते हुए कृत कार्यवाही से शासन को अविलम्ब अवगत कराने का कष्ट करें।”

Secretary, Department of Geology and Mining, GoUP vvideletter no. 736/86-2020-14(SA)/2020TC dated 12/05/2020(copy enclosed)has desired as follows –

...मानसून अवधि में विकास कार्यों के साथ-साथ जनसामान्य को उचित दर पर खनिज की उपलब्धता सुनिश्चित कराया जाना आवश्यक है। अतः प्राथमिकता के आधार बालू/मोरंग क्षेत्रों हेतु उक्त अनुलम्बित पर्यावरण अनापत्ति को शीघ्र अतिशीघ्र निर्गत कराने का कष्ट करें।

In light of above letters, Nodal Officer, SEIAA, UP placed the agenda approved by MS, SEIAA for the consideration of SEIAA, along with related files and documents.

Minutes of 585th SEAC-2 Meeting Dated 25/10/2021

Nodal Officer, SEIAA-UP informed that in light of minutes of the meeting of joint meeting of SEIAA, SEAC-1 & SEAC-2 held on 22.06.2021, minutes of the above meeting of SEAC-2 have been vetted by SEAC-1.

1. Stone Mine at Aaraji No.-428, Village- Dhuriyan, Tehsil- Chunar, District- Mirzapur, U.P., Area -1.21 ha. File No. 6073/Proposal No. SIA/UP/MIN/59402/2020

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 11- In case of expansion / renewal of earlier EC, following information should be submitted.

- a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.
 - c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.
- 14- Project Proponent / Consultant has given an affidavit that the project area doesn't fall within the boundary of Critically Polluted Area (CPA). If the affidavit given by PP / Consultant is found to be false then ToR / EC will be cancelled and legal actions will be initiated against them. Further, certificate from DM, Mirzapur that area doesn't attract CPA and a copy of the same should be submitted at the time of evaluation of EIA-EMP report by SEAC.
2. Stone Mining at Gata No.-649, Khand No.-01 at Village- Aswan, Tehsil- Bara, Prayagraj, U.P., M/s Khushi Enterprises, Area -2.717 ha. File No. 6485/Proposal No. SIA/UP/MIN/66358/2021
- The SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:-
- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
 - 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
 - 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
 - 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
 - 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
 - 6- KML file for the area and mining lease area should be provided.
 - 7- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.

- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 11- In case of expansion / renewal of earlier EC, following information should be submitted
 - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.
 - c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 3,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.

3. Stone Mining at Gata No.-179, Khand No.-01 at Village-Dhara, Tehsil- Bara, Prayagraj, U.P., M/s Khushi Enterprises, Area -15.0 ha. File No. 6486/Proposal No. SIA/UP/MIN/ 66372/ 2021

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public

hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 11- In case of expansion / renewal of earlier EC, following information should be submitted
 - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, GoI, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.
 - c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 15,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.

4. Stone Mining at Khasra No.-768, Khand No.-04 at Village- Ram Nagar, Tehsil- Moth, District- Jhansi, U.P., M/s Kanpur Granite Stone Company, Area -4.046 ha. File No. 6487/Proposal No. SIA/UP/MIN/64654/2021

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 11- In case of expansion / renewal of earlier EC, following information should be submitted
 - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.

- c. Status of submission of six-monthly compliance report to EC granted earlier
- d. Court cases, if any.

- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 5,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.

5. Sand Mining from Ganga River Bed, at Gata No./Zone-03, Khand No.-02, Village- KatriJalesherAlipur, Kannauj., M/s Sanjeev Kumar Gupta, Area: 37.065 Ha. File No. 6508/Proposal No. SIA/UP/MIN/ 66788/2021

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 5- KML file for the area and mining lease area should be provided.
- 6- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 7- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 8- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 9- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -

- (iii) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (iv) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 10- In case of expansion / renewal of earlier EC, following information should be submitted
- a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.
 - c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
- 11- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 12- Replenishment study, duly approved by the competent authority for approving DSR for the district should be submitted.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 38,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.
- 14- Project Proponent in consultation with UPSPCB will establish required number of CAAQMS within a period of one year and submit geo-referenced map of these stations along with data on six-monthly basis.

Minutes of 586th SEAC-2 Meeting Dated 26/10/2021

Nodal Officer, SEIAA-UP informed that in light of minutes of the meeting of joint meeting of SEIAA, SEAC-1 & SEAC-2 held on 22.06.2021, minutes of the above meeting of SEAC-2 have been vetted by SEAC-1.

1. (3) Stone Mining at Gata No.-339, Village-Daharra, Tehsil-Sadar, Mahoba, Shri Shivam Singh, M/s Sukirti Contractors and Suppliers, Area-1.619 ha. File No. 6526/Proposal No. SIA/UP/MIN/ 67020/2021

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public

hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.

- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 11- In case of expansion / renewal of earlier EC, following information should be submitted
 - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, GoI, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.
 - c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.

- 14- Department of Geology & Mines, GoUP in consultation with UPSPCB will establish required number of CAAQMS in the district within a period of one year and submit geo-referenced map of these stations along with data. Details of existing CAAQMS, if any, be submitted within a period of three months.
- 15- Number of mining projects are coming up in the district. Department of Geology & Mines, GoUP to carry out regional EIA-EMP report including carrying capacity of environmental components to assess the capacity to further bear the pollution load for such areas within a period of 1 year and submit the same to SEIAA, UP for evaluation.

2. (16) Stone Mining at Gata No.-669, Khand No.- 17, Village- Khailar, Tehsil-Sadar, Jhansi, U.P. Smt. Kavita Parecha, Area-1.655 ha. File No. 6472/Proposal No. SIA/UP/MIN/ 66142 /2021

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -

- (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
- (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.

11- In case of expansion / renewal of earlier EC, following information should be submitted

- a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
- b. Copy of CTE and CTO issued by SPCB.
- c. Status of submission of six-monthly compliance report to EC granted earlier
- d. Court cases, if any.

12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.

13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.

3. (17) Stone Mining at Gata No.-669, Khand -14, Village- Khailar, Tehsil-Sadar, Jhansi, U.P., Smt. Radhika Parecha, Area-2.023 ha. File No. 6474/Proposal No. SIA/UP/MIN/ 66212/ 2021

The SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khand along with production since the formulation of DSR, duly certified by the competent authority should be submitted.

- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 11- In case of expansion / renewal of earlier EC, following information should be submitted
 - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, GoI, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.
 - c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 3,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.

Replies/letters:-

1. **Stone Mining (Sand Stone) at Araj No./Gata No.-485 & 486, at Village- Patti Kalan, Chunar, Mirzapur., Shri Abdul Hamid Ansari, Area-1.818 ha. File No. 6151/Proposal No. SIA/UP/MIN/60482/2021**

SEIAA noted that the above project was taken in its meeting dated 12.08.2021 in which SEIAA opined that the project proponent shall clarify discrepancy regarding bench height and width in reference to, submitted mine plan and mining plan approval letter approved by DGM, UP the project proponent shall also submit previous EC along with compliance report so that quantity of minable reserve can be estimated. The project proponent has submitted his reply vide letter dated 22.09.2021. SEIAA agreed with recommendation of

SEAC dated 08-07-2021 to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 11- In case of expansion / renewal of earlier EC, following information should be submitted
 - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.
 - c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.

- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 2,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.
- 14- Project Proponent / Consultant has given an affidavit that the project area doesn't fall within the boundary of Critically Polluted Area (CPA). If the affidavit given by PP / Consultant is found to be false then ToR / EC will be cancelled and legal actions will be initiated against them. Further, certificate from concerned RO, UPSPCB that area doesn't attract CPA and a copy of the same should be submitted at the time of evaluation of EIA-EMP report by SEAC.
- 15- Project proponent shall submit certified compliance report from IRO, MoEF&CC of the previous EC issued vide letter no. 366/Parya/DEAC/sand stone/MZP/2016 dated 16.11.2016.

2. Sand Stone Mining at Araj No.-639, Village-Rampur Sakteshgarh, Tehsil- Chunar, Mirzapur, U.P., Area -3.64 ha. File No. 4807/Proposal No. SIA/UP/MIN/210394/2021

SEIAA noted that the above project was taken in its meeting dated 23.08.2021 in which SEIAA noted that SEAC has recommended to amend the terms of reference letter no. 281/Parya/SEAC/4807/2019 dated 27/09/2019 as per District Magistrate, Mirzapur letter dated 21/12/2020 which mentions that the geo coordinates of the project have changed during reassessment of the project site. SEIAA opined that the project proponent shall submit documents related to the revised total area duly signed by the competent authority along with a certificate from DMO certifying that no mining has been conducted till date. The project proponent has submitted his reply vide letter dated 14.09.2021. After reviewing the reply SEIAA agreed with the recommendation of SEAC to amend the terms of reference letter no. 281/Parya/SEAC/4807/2019 dated 27/09/2019 as per District Magistrate, Mirzapur letter dated 21/12/2020 which mentions that the geo coordinates of the project have changed during reassessment of the project site.

3. Stone Mining at Gata No.-715, Khand No.-23, Village-Gonda, TehKarwi, Chitrakoot. Smt. Kamla Devi, Area-2.024 ha., File No. 6347 Proposal No. SIA/UP/MIN/ 63377/2021

SEIAA noted that the above project was taken in its meeting dated 05.10.2021 in which SEIAA opined that the said project is not included in DSR of the concerned district. Hence Project Proponent shall submit document, if any, issued by competent authority related inclusion of the said project in the DSR of the concerned district. The project proponent has submitted his reply vide letter dated 27.10.2021 after reviewing the reply SEIAA opined that the project proponent has not submitted the required document.

4. Stone Mine at Arajai No./Plot No./Gata No.-174, Khand No.-B/10, at Village- Bangaliya, Tehsil-Meja, Prayagraj. Smt. Usha Rani Gavri, M/s M.K.A. Enterprises., Area-2.428 ha., File No. 6371 /Proposal No. SIA/UP/MIN/ 64027/2021

SEIAA noted that the above project was taken in its meeting dated 12.10.2021 in which SEIAA opined that amendment in DSR from the competent authority should be submitted. The project proponent has submitted his reply vide letter dated 08.11.2021. After reviewing the reply SEIAA agreed with the recommendation of SEAC the SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khand along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 11- In case of expansion / renewal of earlier EC, following information should be submitted
 - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.

- c. Status of submission of six-monthly compliance report to EC granted earlier
- d. Court cases, if any.

- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 3,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.

5. Stone Mine at Arai No./Plot No../Gata No.-174, Khand No.-B/11, Village Bangaliya, Meja, Prayagraj, M/s J.H.Traders, Area-4.048 ha., File No. 6375 Proposal No. SIA/UP/MIN/64039/2021

SEIAA noted that the above project was taken in its meeting dated 12.10.2021 in which SEIAA opined that amendment in DSR from the competent authority should be submitted. The project proponent has submitted his reply vide letter dated 08.11.2021. After reviewing the reply SEIAA agreed with the recommendation of SEAC the SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission

should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.

- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 11- In case of expansion / renewal of earlier EC, following information should be submitted
 - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.
 - c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
- 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 5,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.

6. Stone Mining at Arajai No./Plot No./Gata No.-98, Khand No.-06, Village Parvezabad, Tehsil-Bara, Prayagraj. Smt. Usha Rani Gavri, M/s M.K.A. Enterprises., Area-6.880 ha., File No. 6386/Proposal No. SIA/UP/MIN/ 64085/2021

SEIAA noted that the above project was taken in its meeting dated 18.10.2021 in which SEIAA opined that amendment in DSR from the competent authority should be submitted. The project proponent has submitted his reply vide letter dated 08.11.2021. After reviewing the reply SEIAA agreed with the recommendation of SEAC the SEIAA agreed with the recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR;-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.

- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
 - 6- KML file for the area and mining lease area should be provided.
 - 7- Status of leases granted/to be granted in various mining khandas along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
 - 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
 - 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
 - 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
 - 11- In case of expansion / renewal of earlier EC, following information should be submitted
 - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, GoI, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.
 - c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
 - 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.
 - 13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 7,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.
7. Stone Mine at Arajhi No./Plot No.- 642, 644, at Village- Sikikalan, Tehsil- Meja, Prayagraj. Shri Alok Tiwari, Area-4.084 ha., File No. 6361 Proposal No. SIA/UP/MIN/ 63975/2021
- SEIAA noted that the above project was taken in its meeting dated 06.10.2021 in which SEIAA opined that amendment in DSR from the competent authority should be submitted. The project proponent has submitted his reply vide letter dated 08.11.2021. After reviewing the reply SEIAA agreed with the recommendation of SEAC. The SEIAA agreed with the

recommendation of the SEAC to issue the additional ToRs to the title proposal for conducting EIA studies. The SEIAA also added the following points to TOR:-

- 1- All pages of technical documents/EIA/EMP etc. should be signed by the consultant and project proponent both.
- 2- The lease area its address and production per annum should match with as mentioned in DSR and Lol. In case there is any difference clarification/ amendment letter from competent authority shall be submitted along with EIA. EIA and public hearing shall be conducted as per the lease area its address and production per annum mentioned in DSR and Lol.
- 3- Public hearing shall be conducted as per EIA notification, 2006 (as amended).
- 4- Plan for using the mine void for productive use in consultation with local administration and gram-panchayat.
- 5- SEIAA opined that the project proponent shall submit permission of CGWA or proposal for alternative source of fresh water.
- 6- KML file for the area and mining lease area should be provided.
- 7- Status of leases granted/to be granted in various mining khands along with production since the formulation of DSR, duly certified by the competent authority should be submitted.
- 8- In case project proponent intends to temporarily store mined out material or any tools, equipments or other material outside mine lease area then NOC from competent authority for doing so should be submitted and details of such area and associated Environmental impacts should be included in EIA-EMP report. This should also be clearly mentioned during public hearing.
- 9- Road network to be used by the project should be clearly shown on Survey of India toposheet in 1:50,000 scale. In case road network involves forest road, permission should be obtained from Forest Department and a copy of the same should be submitted at the time of appraisal of EIA-EMP report.
- 10- The project proponent should clearly spell out whether it is a green field or brown field project. In case it is a brown field project and -
 - (i) If the earlier and present lease holder are same then compliance report of previous EC should be submitted.
 - (ii) If the earlier and present lease holder are different then environmental footprint of the site and mitigation measures should be included in EIA-EMP report.
- 11- In case of expansion / renewal of earlier EC, following information should be submitted
 - a. Status of compliance of earlier EC conditions by Integrated Regional Office, MoEFCC, Gol, Lucknow.
 - b. Copy of CTE and CTO issued by SPCB.
 - c. Status of submission of six-monthly compliance report to EC granted earlier
 - d. Court cases, if any.
- 12- Observations raised in public hearing, replies submitted by project proponent, suitable modifications carried out in EIA-EMP report.

13- Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 5,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants below Uttar Pradesh Forest Department's survival rate will be treated as violation of EC condition.

8. Ordinary Earth Mining at Gata No.-1063, Village- Mahnaura, Tehsil- Hasnganj, District- Unnao. Shri Jitendra Kumar, Area-0.6900 ha. File No. 6405/Proposal No. SIA/UP/MIN/216243 sss/2021

SEIAA noted that the above project was taken in its 504th meeting dated 22.10.2021 in which SEIAA opined that the project shall be referred back to SEAC and the project proponent shall submit certified or notarized true copy of lease map. SEIAA reviewed the case and opined that documents are self-explanatory so no need to refer back and agreed with the recommendation of the SEAC

SEIAA agreed with the recommendations of the SEAC to grant the prior Environmental Clearance to the proposed project along with all the general and specific conditions as suggested by the SEAC but the SEIAA replaces the specific condition regarding cluster certificate as "If in future during the progressive mining this lease area becomes part of cluster i.e. area equal to or more than 5 ha., limited to B-1 category, then additional conditions based on the EIA conducted by the concerned lease holders shall be imposed and joint EMP shall be implemented. The lease holder shall mandatorily follow all the imposed conditions otherwise it will amount to violation of E.C. conditions. If the certificate related to cluster provided by the competent authority is found false or incorrect then punitive actions as per the law shall be initiated against the authority issuing the cluster certificate" and adding following conditions:-

1. This EC is co-terminus with validity of current mine plan or current lease period whichever is earlier.
2. A certificate from Forest Department shall be obtained that no forest land is involved in mining or as a route and if forest land is involved the project proponent shall obtain forest clearance and permission of Central and State Government as per the provisions of Forest (conservation) Act, 1980 and submit before the start of work.
3. The mining lease holders shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora fauna etc.
4. If the proposed project is situated in notified area of ground water extraction, where creation of new wells for ground water extraction is not allowed, requirement of fresh water shall be met from alternate water sources other than ground water or legally valid source and permission from the competent authority shall be obtained to use it.

A

5. Project Proponent should submit action plan for carrying out plantation at least @1,000 plants / ha of lease area. In this case, PP should prepare a plan, duly approved either by Forest Department or Horticulture Department, for planting at least 1,000 plants, either on government land or community land, within a periphery of 5 km from the boundary of the lease area along with provision for maintenance for 5 years. Survival of plants should not be less than the survival rate notified by Uttar Pradesh Forest Department otherwise it will be treated as violation of EC condition.
9. Transfer of the EC for the Janwa Silica Sand Mining project at Bhukhand no. 84-87, 100, 101, 105-110, 120, 121, 123-134, 143 village – Janwa, Tehsil- Bara, District-Allahabad, state-UP (leased area- 17.75 ha) F.N. -967

Nodal Officer, SEIAA, UP told that the EC which is proposed to be transferred is still valid; has neither been cancelled by an order of any Court nor by SEIAA, UP nor by MoEFCC, GoI; and no litigation regarding this EC is pending in any court of law.

SEIAA noted that the above project was taken in its 495th meeting dated 29.09.2021 in which SEIAA noted that physical report of the above lease is not submitted as per Parivesh Portal and the area is also not mentioned in DSR. Hence SEIAA opined that the project proponent shall submit the same. The project proponent has submitted his reply vide letter dated 19.10.2021.

SEIAA reviewed the reply and also SEIAA gone through the letter of Mrs. Amita Gupta dated 08.06.2021 regarding transfer of Environmental Clearance to the above project issued vide letter no. 1803/ Parya SEAC/967/2011 TAM dated 11.11.2014. SEIAA gone through file and documents and noted that the Environmental Clearance was issued to Shri Kanhaiya Lal C/o Shri Dwarika Prasad Gupta 43/1 S.P. Marg Civil lines Allahabad. SEIAA gone through the deed of transfer of mining lease dated 01.07.2015 between the two parties, letter no. 3448/Khanan-2015-16 dated 07.08.2015, letter no. UP/Allahabad/SISD/MPLN/R-02/10-11 dated 02.05.2011 of IBM Central Zone and mining plan approval letter dated 10.06.2021. SEIAA opined to transfer Environmental Clearance issued vide letter no. 1803/ Parya/SEAC/ 967/2011TAM dated 11.11.2014 from Shri Kanhaiya Lal C/o Shri Dwarika Prasad Gupta 43/1 S.P. Marg Civil lines Allahabad to Smt. Amita Gupta W/o Shri Dwarika Prasad Gupta and Shri Abhilesh Kumar Gupta S/o Shri Dwarika Prasad Gupta, 43/1 S.P. Marg Civil lines Allahabad for 5 years and 12,500 m³ capacity. Rest all the content of Environmental Clearance letter no. 1803/Parya SEAC/967/2011 TAM dated 11.11.2014 shall remain same.

Area mentioned in the previous EC is being transferred only. If there is a change in geo-coordinates of the area then EC will be null and void.

With the permission of Chairman: -

1. IT Park at A-6, Sector-132, Noida, M/s Triune Global Solutions Pvt. Ltd. File No. 1767/Proposal No. SIA/UP/MIS/ 212123/2021.

SEIAA noted that the above project was taken in its meeting dated 29.09.2021 in which SEIAA noted that SEAC has recommended to extend the validity of the Environmental Clearance letter dated 12/10/2013 for 03 years i.e. 12/10/2020 to 11/10/2023 along with

general conditions as earlier prescribed by authority for the construction project in its meeting dated 23.07.2021. SEIAA gone through file and documents and opined that the project proponent shall submit certified compliance report of the previous EC. Further, as mentioned in the previous EC, the project proponent should submit approved plans and proposal incorporating the conditions specified in the Environment Clearance. The project proponent has submitted his reply vide letter dated 12.10.2021 After reviewing the reply SEIAA agreed with the recommendation of SEAC to extend the validity of the Environmental Clearance letter dated 12/10/2013 for 03 years i.e. 12/10/2020 to 11/10/2023 along with all the general and specific conditions prescribed earlier.
