SCREENING AND SCOPING OF COUNTRY LIQUOR PROPOSALS:

The owners / representatives of the 11 country liquor units attended the SEAC meeting with checklist and documents. The committee verified the documents furnished along with checklist of 11 nos. of country liquor proposals. The owner of one country liquor unit did not attend the meeting. The committee decided to defer the proposal of 06 country liquor units as the representatives of owner of the units could not able to reply to queries of the committee. The case-wise proceedings and observations of the committee are detailed in Table as per **Annexure - I**. The recommendations of the committee are as follows:

No. of proposal	Recommendation of the committee
05	The committee considered the proposals as B2 category as these units are generating waste water less than 100 KLD and recommended for Environmental Clearance.
06	The committee decided to defer the proposal of the country liquor unit as the representatives of owner of the unit could not ^{be} able to reply to queries of the committee.
01	The committee decided to defer the proposal as the proponent did not attend the meeting.
