No. HPSEAC/2008, 16-Vol-VII-

Dated: 9/6/2023

MINUTES OF THE 93rd MEETING OF THE STATE EXPERT APPRAISAL COMMITTEE HELD IN CONFERENCE HALL, DEPARTMENT OF ENVIRONMENT, SCIENCE TECHNOLOGY & CLIMATE CHANGE, SHIMLA, ON 7th JUNE, 2023.

The 93rd meeting of State Expert Appraisal Committee for appraisal of the project proposals received for Environmental Clearance was held on 7th June, 2023 in the Conference Hall of Department of Environment, Science Technology & Climate Change, GoHP, Shimla. The following were present in the meeting:

Sr. #	Name	Designation	07.06.2023
1.	Dr. Sandeep Bhatnagar, IAS (Retd.)	Chairman	✓
2.	Dr. Satish Kumar Bhardwaj	Member	Attended Virtually
3.	Dr. Harish Sharma	Member	x
4.	Dr. R.C. Chauhan	Member	Attended Virtually
5.	Dr. Ashwani Tapwal	Member	Attended Virtually
6.	Dr. Ranbir Singh Rana	Member	Attended Virtually
7.	Sh. Parveen Gupta, Addl. Director, DEST&CC	Secretary	✓

The agenda item wise deliberations are as under:

ITEM NO. 1: CONFIRMATION OF MINUTES OF 92nd MEETING OF SEAC

The Committee confirmed the minutes of the 92nd meeting of SEAC held from 29th April, 2023.

ITEM NO. 2: PROJECT PROPOSALS FOR GRANT OF ENVIRONMENT CLEARANCE

2.1 Sh. Manjeet Singh, S/o Sh. Punjab Singh, Prop: M/s S. S. Stone Crusher, Village Haleran, PO Heeran, Tehsil-Haroli, District-Una, HP.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/410268/2022 - HP SEIAA/2022-1020
b)	Project type	Extraction of Sand, Stone & Bajri.
c)	Project Location	Khasra number 2643, 2636, 2635, 2633, 2626, 2627, 2625, 2624, 2632, 2629, 2623/1, 2738, 2739, 2741/1, 2752, 2743, 2747, 2751, 2754, 2757 & 2634 falling in Mauza-Pubowal, Mohal-Haleran, Tehsil-Haroli, Distt. Una, HP.
d)	Jamabandi	Jamabandi for the year 2017-2018
e)	Land Status	Private Land.
f)	Capacity	52,572 TPA (Excluding waste)
g)	Mining Area	03-52-62 Hect., Private land.
h)	Leases with in 500 meter from the periphery of the area applied.	No mining leases exist within 500 meters:
i)	Letter of Intent	Extension of Letter of Intent issued on dated 03.04.2023 (Valid for one year i.e. up to 17.01.2024)
j)	EMP Cost	Capital Cost- Rs.10.40 Lakhs, Recurring Cost- Rs.1.44 Lakhs/PA
k)	CER cost	Rs. 17.50 Lakhs.

The proposed project is Extraction of Sand, Stone & Bajri.

Online proposal for granting EC was submitted on dated 12/12/2022 and accepted by the SEIAA secretariat on dated 22/11/2022 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 15/12/2022.

The case was listed & appraised in 90th meeting of the SEAC held on 23-24th March, 2023 with the following observations:

1. The project proponent shall submit copy of valid Letter of Intent.
2. The project proponent shall submit kml file of land, with revenue records, ownership details proposed for undertaking plantation under EMP for monitoring purpose.

The case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. **The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.**
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance reports being submitted by the project proponents.

2.2 Sh. Manjeet Singh, S/o Sh. Punjab Singh, Prop: M/s S. S. Stone Crusher, Village Haleran, PO Heeran, Tehsil Haroli, District Una, HP.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/410238/2022 - HP SEIAA/2022-1021
b)	Project type	Extraction/collection of Sand, Stone & Bajri.
c)	Project Location	Khasra number 1968/1489, 1489, 1512 & 1513/2 falling in Mauza-Pubowal, Mohal Aujley, Tehsil-Haroli, Distt. Una, HP.
d)	Jamabandi	Jamabandi for the year 2018-2019
e)	Land Status	Private Land.
f)	Capacity	1,74,150 TPA (Excluding waste)
g)	Mining Area	04-26-01 Hect., Private land.
h)	Leases with in 500 meter from the periphery of the area applied.	No mining leases exist within 500 meters:
i)	Letter of Intent	Extension of Letter of Intent issued on dated 03.04.2023 (Valid for one year i.e. up to 17.01.2024)
j)	EMP Cost	Capital Cost- Rs.10.40 Lakhs, Recurring Cost- Rs.1.44 Lakhs/PA.
k)	CER cost	Rs. 21.50 Lakhs.

The proposed project is Extraction/ Collection of Sand, Stone & Bajri.

Online proposal for granting EC was submitted on dated 13/12/2022 and accepted by the SEIAA secretariat on dated 22/12/2022 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 15/12/2022.

The case was listed & appraised in 90th meeting of the SEAC held on 23-24th March, 2023 with the following observations:

1. The project proponent shall submit valid Letter of Intent.

The case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. **The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.**
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.

2.3 Sh. Satish Chand Katoch, S/o Sh. Milap Chand, VPO-Bhawarna, Tehsil-Palampur, District-Kangra, Himachal Pradesh.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/236387/2021 (HP SEIAA/2021-894)
b)	Project type	Extraction of Sand, Stone & Bajri.
c)	Project Location	Khasra number 1188 & 1189 falling in Mauza & Mohal Panapar, District Kangra, HP.
d)	Jamabandi	Jamabandi for the year 2014-15
e)	Land Status	Government Land, river bed.
f)	Capacity	40,500 TPA.
g)	Mining Area	02-24-60 Hectare, Government land.
h)	Leases with in 500 meter from the periphery of the area applied.	No mining lease exist within 500 meters:
i)	Letter of Intent	Extension of Letter of Intent dated 17.12.2022 (Valid for two year's i.e. up to 01/12/2023)
j)	EMP Cost	Capital Cost Rs.13.30 Lakhs and Recurring Cost Rs. 2.06 Lakhs /PA
k)	CER cost	Rs. 12.00 Lakhs.

The proposed project is Extraction of Sand, Stone & Bajri.

Online proposal for EC was submitted on dated 29/10/2021 and accepted by the SEIAA secretariat on dated 01/11/2021 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 28/04/2023.

The case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the Committee, the SEAC decided to list the case in next meeting after compliance to the following observations:

1. Before consideration of the case application the project proponent shall submit Forest Clearance under FCA as per joint inspection committee observation.

2.4 Sh. Jitender Singh, Prop. M/s Singh Stone Crusher, Village-Katha, P.O. & Tehsil-Baddi, District-Solan, HP.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/423865/2023 (HP SEIAA/2023-1063)
b)	Project type	Extraction of Sand, Stone & Bajri.
c)	Project Location	Khasra number 1668/1, 1669/1 & 1714/1 falling in Mauza/ Mohal-Bhatoli kalan, Tehsil Baddi, Distt. Solan, HP.
d)	Jamabandi	Jamabandi for the year 2013-14
e)	Land Status	Government Land.
f)	Capacity	60,750 TPA.
g)	Mining Area	61-06 Bighas, 4.6129 ha, Government land/river bed.
h)	Leases with in 500 meter from the periphery of the area applied.	No mining lease exists within 500 meters.
i)	Letter of Intent	Letter of Intent issued vide letter no. Udyog - Bhu(khani-4) Laghu-445/89-6337 on dated 21/09/2022 (Valid for one year i.e. up to 20/09/2023)
j)	EMP Cost	Capital cost Rs. 9.70 Lakhs and Recurring Cost Rs. 3.05 Lakhs annually.
k)	CER cost	Rs. 21.50 Lakhs.

The proposed project is Extraction of Sand, Stone & Bajri.

Online proposal for amendment in EC was submitted on dated 29/03/2023 and accepted by the SEIAA secretariat on dated 29/03/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 10/04/2023.

The case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. The capital cost (@ Rs. 4.00 lacs per \leq ha.) under CER, shall be deposited in the form of Demand Draft/ Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director

(DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.

2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.

2.5 Sh. Ravinder Kumar, S/o Sh. Karam Singh, Prop: M/s Saraswati Stone Crusher & Screening Unit, Village & PO-Haroli, Tehsil-Haroli, District Una, HP.

Brief outline of the project:

- | | | |
|----|--|--|
| a) | Proposal No. | SIA/HP/MIN/423462/2023 - HP SEIAA/2023-1062 |
| b) | Project type | Extraction/Collection of Stone & Bajri. |
| c) | Project Location | Khasra number 4 falling in Mauza/ Mohal Bhadauri of Tehsil-Haroli, District-Una, Himachal Pradesh. |
| d) | Jamabandi | Jamabandi for the year 2019-2020, Latest verified in September, 2022 |
| e) | Land Status | Private land, hill slope. |
| f) | Capacity | 1,76,081 MT for five years. |
| g) | Mining Area | 01-90-71 Ha, Private land, hill slope |
| h) | Leases with in 500 meter from the periphery of the area applied. | No mining leases exist within 500 meters: |
| i) | Letter of Intent | Letter of Intent issued on dated 15.07.2022 (Valid for one year i.e. up to 16.07.2023) |
| j) | EMP Cost | Capital Cost- Rs. 9.20 Lakhs, Recurring Cost- Rs.3.05 Lakhs annually. |
| k) | CER cost | Rs. 9.50 Lakhs. |

The proposed project is Extraction/collection of Stone & Bajri.

Online proposal for granting EC was submitted on dated 28/03/2023 and accepted by the SEIAA secretariat on dated 01/05/2023 and forwarded to SEAC secretariat.

The case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. **The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.**
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.

2.6 Sh. Sandeepan Sharma S/o Sh. Sant Ram Sharma, Village & P.O. Badhera, Tehsil-Nadaun, District-Hamirpur, H.P.

Brief outline of the project:

- | | | |
|----|------------------|--|
| a) | Proposal No. | SIA/HP/MIN/423786/2023(EC) HP SEIAA/2023-1065
SIA/HP/MIN/63734/2021(ToR) HP SEIAA/2021-843 |
| b) | Project type | Extraction of Sand, Stone & Bajri. |
| c) | Project Location | Khasra No. 1361/1 falling in Mohal Badhera, Mauza-Badhog, Sub-Tehsil-Galore, Distt.-Hamirpur, HP |
| d) | Jamabandi | Jamabandi for the year 2012-2013 |
| e) | Land Status | Private land, River Bed. |

- | | | |
|----|--|--|
| f) | Capacity | 1, 01, 250 TPA. |
| g) | Mining Area | 04-80 Ha, Private land. |
| h) | Leases with in 500 meter from the periphery of the area applied. | Two mining leases exist.
1. Sh. Anmol Kumar (21-16-08)
2. Smt. Kailash Thakur (03-42-76) |
| i) | Letter of Intent | Letter of Intent issued on dated 06.04.2021
(Valid for one year i.e. up to 01.06.2021), Extension granted on dated 27/3/2023 valid upto 1/6/2023. |
| j) | EMP Cost | Capital Cost- Rs. 6.61 Lakhs, Recurring Cost- Rs.2.65 Lakhs P/A |
| k) | CER cost | Rs. 21.50 Lakhs |

The proposed project is Extraction of Sand, Stone & Bajri from River bed.

Online proposal for *Terms of Reference* was submitted on dated 09/06/2021 and accepted by the SEIAA secretariat on dated 17/06/2021 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 14/07/2021.

The case was listed in 54th meeting of SEIAA, where the project proponent was granted ToR's vide this office letter number HPSEIAA-2021-843 on dated 24/09/2021.

Online proposal for granting EC was submitted on dated 29/03/2023 and accepted by the SEIAA secretariat on date 31/03/2023 and forwarded to SEAC secretariat.

After completion of EIA report, the proponent through SPCB hold the public hearing (PH) on dated: 20/07/2022 for said project being B1 category project.

The case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. **The capital cost (@ Rs. 4.00 lacs per \leq ha.) under CER, shall be deposited in the form of Demand Draft/ Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.**
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall comply with all the terms and conditions, commitments made during the public hearing with local communities.
5. The muck generated shall be stored within own land.
6. The project proponent shall construct 30 check dam structures to retain and save the adjoining land.

2.7 Sh. Narender Kumar Justa, Village Chamera, PO-Rawlakai, Tehsil-Kotkhai, District Shimla, HP.

Brief outline of the project:

- | | | |
|----|--|--|
| a) | Proposal No. | SIA/HP/MIN/243191/2021 - HP SEIAA/2021-921 |
| b) | Project type | Extraction of Stone. |
| c) | Project Location | Khasra number 431, 432/2, 283 & 284 falling in Mauza & Mohal-Melth, Tehsil-Kotkhai, Distt. Shimla, HP. |
| d) | Jamabandi | Jamabandi for the year 2011-2012 |
| e) | Land Status | Private Land. |
| f) | Capacity | 32,500 MTPA. |
| g) | Mining Area | 01-08-54 Ha, Private land. |
| h) | Leases with in 500 meter from the periphery of the area applied. | One mining lease exist within 500 meters:-
1. M/s Ambika Stone Crusher (0-74-66 ha) |
| i) | Letter of Intent | Letter of Intent issued on dated 03.05.2021
(Valid for one year i.e. up to 02.05.2022) |
| j) | EMP Cost | Capital Cost Rs.7.54 Lakhs, Recurring Cost- Rs.2.98 Lakhs/PA |

k) CER cost Rs. 9.50 Lakhs

The proposed project is Extraction of Stone will be done.

Online proposal for granting EC was submitted on dated 06/12/2021 and accepted by the SEIAA secretariat on dated 26/09/2021 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 23/10/2021.

The case was listed before the SEAC in its 84th meeting. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC decided to list the case in next meeting after compliance of the following.

1. Sub Committee of the SEAC shall conduct the site visit and submit inspection report in the next meeting.
2. The project proponent shall submit the compliance to the conditions imposed in the Environment Clearance granted for mining of adjoining area in the name of the project proponent.

The site inspection was carried on 13.05.2023. The inspection report is placed before the SEAC for further necessary action.

The case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. **The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.**
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent to undertake restoration work of earlier mining site as per subcommittee recommendations.

2.8 Sh. Naveen Goyal, Partner M/s Ramsons Stone Crusher, Village and P.O. Manpura, Tehsil Baddi, District-Solan, HP.

Brief outline of the project:

a) Proposal No.	SIA/HP/MIN/423873/2023 - HP SEIAA/2023-1064
b) Project type	Extraction of Sand, Stone & Bajri.
c) Project Location	Khasra number 1560/364/1 falling in Mauza & Mohal Manpura, Tehsil-Baddi, Distt.-Solan, HP.
d) Jamabandi	Jamabandi for the year 2015-2016
e) Land Status	Government Land, River bed.
f) Capacity	49,500 TPA.
g) Mining Area	58-01 Bighas (4.3683 Ha.) Govt. land/river bed
h) Leases with in 500 meter from the periphery of the area applied.	No mining lease exist within 500 meters:
i) Letter of Intent	Letter of Intent issued on dated 21/09/2022 (Valid for one year i.e. up to 20/09/2023)
j) EMP Cost	Capital Cost Rs. 9.20 Lakhs and Recurring Cost 3.05 Lakhs annually.
k) CER cost	Rs. 21.50 Lakhs.

The proposed project is Extraction of Sand, Stone & Bajri.

Online proposal for EC was submitted on dated 29/03/2023 and accepted by the SEIAA secretariat on dated 29/03/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 28/04/2023.

The case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand / Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP.. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.

2.9 Sh. Amit Chandel, M/s Ruhani Stone Crusher, Village-Nayagram, P.O. Jhajra, Tehsil-Nalagrah, District-Solan, H.P.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/54564/2020 (TOR) SIA/HP/MIN/77772/2020 (EC) - HP SEIAA/2020-751
b)	Project type	Extraction/collection of Sand, Stone & Bajri.
c)	Project Location	Khasra number 285/2 falling in Mauza-Androla Nichla, Tehsil-Nalagarh, District-Solan, HP
d)	Jamabandi	Jamabandi for the year 2017-2018
e)	Land Status	Leased Land by State Govt.
f)	Capacity	5,85,000 MT for the leased period of five year .
g)	Mining Area	7.6831 ha, 102-02 Bighas, Private land, hill slope.
h)	Leases with in 500 meter from the periphery of the area applied.	No other leases exist within 500 meter radius from the periphery of the area applied.
i)	Letter of Intent	Extension of LOI dated 10.06.2020 Further extended on 29/3/23 and valid upto 21-4-2024
j)	EMP Cost	Capital Cost Rs. 6.76 Lakhs and Recurring Cost Rs.3.31 Lakhs /PA
k)	CER cost	Rs. 35.00 Lakhs.

The proposed project is extraction/collection of Sand, Stone & Bajri from river bed. As proposed the mining activities will be carried out from Kundlu khad, a primary tributary of Satluj khad.

Online proposal for granting TOR was submitted on dated 10/07/2020 and accepted by the SEIAA secretariat on dated 10/08/2020 and forwarded to SEAC secretariat.

The SEAC in 74th meeting recommended the standard ToR with the following additional conditions:

- 1) *The project proponent shall include the detailed analysis of GLC-2.5 with air modeling and shall prepare the wind-rose diagram of the site to plan the installation of PCDs.*
- 2) *The project proponent shall submit affidavit to erasure that, after ceasing mining operations, undertake-re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora, fauna etc.*

The SEIAA issued TOR letter on 06.10.2020 after approval in its 49th meeting held on 26th Sept., 2020.

The online proposal for granting Environment Clearance was submitted on dated 29/07/2022 and accepted by the SEIAA secretariat on dated 14/09/2022 and forwarded to SEAC secretariat.

After completion of EIA report, the proponent through SPCB hold the public hearing (PH) on dated: for said project being B1 category project and proceedings of PH were received on 15-09-2022 from the Director DEST.

The case was listed before the SEAC in its 88th Meeting.

The project proponent informed about death of Smt. Roshni Devi and placed on record the Death Certificate. The legal heir / representatives informed that the revised LOI has been issued in their name by the Industry Department and Mining Plan etc. are being transferred to present legal heir. The SEAC observed that TOR letter has not been transferred in the name of legal heir, therefore, it was decided to list the case in next meeting after compliance of the following observations:

1. The project proponent shall submit application for transfer of TOR letter in favour of present applicant with relevant documents i.e. NOC from transferees & transferors, letter of transfer of mining plan, mining lease/ Lol etc. for further necessary action.

The case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. **The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand / Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.**
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance reports being submitted by the project proponents.
4. The project proponent shall increase the number of retaining structures/Check dams from 5 to 15 numbers in view of the large area.

2.10 Sh. Jagdish Thakur, S/o Sh. Hem Raj, House No. 18, Ward No. 10, Gandhinagar, Tehsil & District-Hamirpur, HP.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/72482/2022 - HP SEIAA/2022-934 (ToR) SIA/HP/MIN/423940/2023 - HP SEIAA/2023-1066 (EC)
b)	Project type	Extraction of Sand, Stone & Bajri.
c)	Project Location	Khasra number 888/2 falling in Mauza & Mohal Tika Taap & Lagwalti, Tehsil Tauni Devi, Distt. Hamirpur, HP.
d)	Jamabandi	Jamabandi for the year 2016-2017
e)	Land Status	Auctioned by State Government
f)	Capacity	1,30,387 MT/ year.
g)	Mining Area	198-07 kanals, 07-60-27 Ha,
h)	Leases with in 500 meter from the periphery of the area applied.	Two mining leases exist within 500 meters: 1. Bakker Khad-II (07-77-12 Ha) (EC not granted) 2. Bakker Khad-V (7-79-54 ha)
i)	Letter of Intent	Extension of Letter of Intent issued on dated 28.08.2021 (Valid for one year i.e. up to 07.03.2022), Letter of Intent extended on dated 6/6/2023 valid upto 7/3/2024
j)	EMP Cost	Capital Cost- Rs. 11.5 Lakhs, Recurring Cost- Rs. 2.45 Lakhs/PA
k)	CER cost	Rs. 35.00 Lakhs.

The proposed project is Extraction of Sand, Stone & Bajri from river bed.

Online proposal for granting TOR was submitted on dated 19/01/2022 and accepted by the SEIAA secretariat on dated 28/12/2021 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 01/07/2022.

The case was listed in 58th meeting of SEIAA, where, the project proponent was granted ToR's vide this office letter no. HPSEIAA/2022-94 dated 03/08/2022.

Online proposal for granting EC was submitted on dated 30/03/2023 and accepted by the SEIAA secretariat on date 31/03/2023 and forwarded to SEAC secretariat.

After completion of EIA report, the proponent through SPCB hold the public hearing (PH) on dated: 17/03/2023 for said project being B1 category project.

The case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft / Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance reports being submitted by the project proponents.
4. The project proponent shall increase the number of retaining structures/Check dams from 5 to 20 numbers.

2.11 Sh. Rajeev Kumar, S/o Sh. Kundan Lal, Village & PO Sukabain (Kilang), Tehsil-Chachyot, District-Mandi, H.P.

Brief outline of the project:

- | | | |
|----|--|---|
| a) | Proposal No. | SIA/HP/MIN/222399/2021 - HP SEIAA/2021-860 |
| b) | Project type | Extraction of cut stone for open sale. |
| c) | Project Location | Khasra number 447 falling in Mauza Badhu/Pabo, Tehsil Chachyot, District-Mandi, H.P. |
| d) | Jamabandi | Jamabandi for the year 2016-2017 |
| e) | Land Status | Private land, Hill Slope. |
| f) | Capacity | 9,227 TPA. |
| g) | Mining Area | 03-14-10 Bighas, 0.3014 Ha, Private land. |
| h) | Leases with in 500 meter from the periphery of the area applied. | No mining lease exists within 500 meters. |
| i) | Letter of Intent | Letter of Intent issued on dated 21.11.2020 further extended and valid upto 25.08.2023. |
| j) | EMP Cost | Capital Cost: Rs. 2.5 Lakhs, Recurring Cost: Rs. 0.87 Lakhs /PA |
| k) | CER cost | Rs. 5.50 lakhs |

The proposed project is extraction of cut stone from hill slope for open sale.

Online proposal for granting EC was submitted on dated 01/07/2021 and accepted by the SEIAA secretariat on dated 09/08/2021 and forwarded to SEAC secretariat.

The case was listed before the SEAC in its 81st meeting but the project proponent did not appear before the Committee; therefore, it was decided to list the case in next meeting.

The case was again appraised by the SEAC in its 82nd Meeting with following observations:

1. The project proponent shall propose and submit clearly depict the correct details in the presentation and mining plan as per the observations of the Committee w.r.t. method of mining on the same has not been mentioned in the mining plan, approach road.
2. The project proponent shall also obtain & submit valid Letter of Intent.
3. The Committee observed that the clarification w.r.t. above points may also be obtained from the 'Geological Wing', Department of Industries, HP why these details are not incorporated in the Mining Plan and why it should not be rejected on technical grounds.

The project proponent submitted compliance to the above observations on dated 15-09-2022. Accordingly, the case was listed before the SEAC in its 88th meeting.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC observed that the reply submitted by the proponent was not tenable and hence decided to list the case in next meeting after submission of the revised reply/information.

After submission of desired information, the case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand / Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director

(DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.

2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance reports being submitted by the project proponents.
4. The project proponent shall increase the number of retaining structures/Check dams from 5 to 10 numbers.

2.12 Sh. Hitesh Kumar, Prop: Aar Ess Stone Crusher, VPO Gondpur- Bulla, Tehsil-Haroli, District-Una, HP.

Brief outline of the project:

- | | | |
|----|---|--|
| a) | Proposal No. | SIA/HP/MIN/290641/2022 - HP SEIAA/2022-985 |
| b) | Project type | Extraction/collection of Sand, Stone & Bajri. |
| c) | Project Location | Khasra number 19, 20, 21, 1090, 1092, 1094, 1097 & 1105 falling in Mauza /Mohal Gondpur- Bulla, Tehsil Haroli, Distt. Una, HP. |
| d) | Jamabandi | Jamabandi for the year 2018-2019 |
| e) | Land Status | Private Land. |
| f) | Capacity | 1,75,800 MT. |
| g) | Mining Area | 4-10-69 Hectare, Private land. |
| h) | Leases within 500 meter from the periphery of the area applied. | As per the certificate issued by the Deptt. of Industries dated 4/6/2022 no mine exists within 500 meter from the periphery of the area applied. |
| i) | Letter of Intent | Letter of Intent issued on dated 22.04.2022
(Valid for one year i.e. up to 21.04.2023) |
| j) | EMP Cost | Capital Cost- Rs.24.83 Lakhs, Recurring Cost- Rs.18.21 Lakhs/PA |
| k) | CER cost | Capital Cost Rs. 1.86 Lakhs. |

The proposed project is Extraction/ Collection of Sand, Stone & Bajri.

Online proposal for granting EC was submitted on dated 29/08/2022 and accepted by the SEIAA secretariat on dated 06/10/22 and forwarded to SEAC secretariat.

The case was listed before the SEAC in its 88th meeting decided to list the case in next meeting after compliance of the following observations:

1. The project proponent shall submit the details of environment protection activities and restoration work carried out after completion of previously granted mining site with photographs from the previously approved mining site.
2. The details of all existing mining sites with coordinates (latitude and longitude) located in adjoining area of the proposed mining site shall be asked for from the Mining Department.
3. The Mining Officer to revisit the 500 meter distance certificate and shall give the exact position.
4. A subcommittee of SEAC shall visit the site to ascertain the exact position and shall submit the report w.r.t. same.

The project proponent submitted the compliance to above observations, the case was again listed in 93rd meeting of the SEAC held on 7th June, 2023.

After deliberating on the information submitted by the project proponent and considering the facts placed before the Committee, the SEAC decided to list the case in next meeting after compliance of the following observations:

1. The sub Committee to submit the inspection report after conducting the site visit before the SEAC in next meeting.

2.13 M/s Giri Yamuna Stone Crusher, Prop: Sh. Ravi Dogra, House No. 172/3, Ward No. 11, Tehsil Paonta Sahib, District Sirmour, HP.

Brief outline of the project:

|----|------------------|--|
| a) | Proposal No. | SIA/HP/MIN/420886/2023
HP SEIAA/2023-1044 |
| b) | Project type | Extraction of Sand, Stone & Bajri. |
| c) | Project Location | Khasra number 475/188 & 476/188 falling in Mauza & Mohal Mohakampur Nawada, Tehsil-Paonta Sahib, Distt. Sirmour, HP. |
| d) | Jamabandi | Jamabandi for the year 2017-18 |

e)	Land Status	Private Land.
f)	Capacity	75,863 TPA.
g)	Mining Area	03-37-17 Hectare, 40-12 Bighas, Private land/river bed.
h)	Leases with in 500 meter from the periphery of the area applied.	Two mining leases exist within 500 meters: 1. Sh. Gajender Pal Singh (10.41 Ha) 2. M/s Guru Nanak Stone Crusher (5.3215 Ha)
i)	Letter of Intent	Letter of Intent issued on dated 22/03/2022 (Valid for one year i.e. up to 21/03/2023)
j)	EMP Cost	-
k)	CER cost	-

The proposed project is Extraction of Sand, Stone & Bajri. The pp has applied for ToR.

Online proposal for ToR was submitted on dated 11/03/2023 and accepted by the SEIAA secretariat on dated 14/03/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 27/04/2023.

The case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of Standard ToR issued by the MoEF&CC, Gol for preparing EIA/EMP report with following additional ToRs:

- 1) The project proponent shall include the detailed analysis of GLC-2.5 with air modeling and shall prepare the wind-rose diagram of the site to plan the installation of PCDs. The air, water etc. sampling and analysis to be recorded and to be submitted to SEIAA with records.
- 2) The project proponent shall submit affidavit to erasure that, after ceasing mining operations, undertake-re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora, fauna etc.
- 3) The project proponent shall make provision of depositing capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, in the form of Demand Draft/ Transfer of funds in mentioned A/c No. to the office of Director (DEST&CC), GOHP.

2.14 Sh. Anmol Kumar, S/o Sh. Jai Chand, Flat No. 8, Ward No. 7, Housing Board Colony, Hamirpur, H.P.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/43405/2019 - HP SEIAA/2019-556 (TORs) SIA/HP/MIN/413280/2023 - HP SEIAA/2023-1069 (ECs)
b)	Project type	Extraction/collection of Sand, Stone & Bajri.
c)	Project Location	Khasra number 672 falling in Mauza & Mohal-Patyahu & Jangal, Tehsil-Nadaun, District-Hamirpur, HP.
d)	Jamabandi	Jamabandi for the year 2015-2016.
e)	Land Status	Govt. land. (Leased land)
f)	Capacity	3,70,170 TPA
g)	Mining Area	21-16-08 hectare
h)	Leases with in 500 meter from the periphery of the area applied.	No mining lease exist within 500 meter radius from the periphery of the area applied.
i)	Letter of Intent	Extension of Letter of Intent issued on dated 16.12.2022 (Valid for one year i.e. up to 07.08.2023)
j)	EMP Cost	Capital Cost Rs. 9.19 Lakhs and Recurring Cost Rs. 3.81 Lakhs/PA
k)	CER cost	Rs. 91.00 Lakhs.

The proposed project is extraction/collection of Sand, Stone & Bajri. The entire mining lease area is part of Kunah khad a tributary of Beas River. As proposed the mining will be carried out manually. The project proponent applied for TORs through online portal on dated 23/9/2019 and submitted hard copy of application on 18/10/2019.

The case was listed in 53rd meeting of SEAC, where the project proponent was granted ToR's on dated 15/07/2021

Online proposal for granting EC was submitted on dated 31/03/2023 and accepted by the SEIAA secretariat on date 17/04/2023 and forwarded to SEAC secretariat. The hard copy was submitted on 28.04.2023.

After completion of EIA report, the proponent through SPCB hold the public hearing (PH) on dated: 15/10/2022 for said project being B1 category project.

After submission of desired information, the case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the

committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. The capital cost (@ Rs. 4.00 lacs per \leq ha.) under CER, shall be deposited in the form of Demand Draft/ Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance reports being submitted by the project proponents.
4. The project proponent shall increase the quantity of retaining structures/Check dams from 5 to 48 numbers.
5. The project proponent shall plant trees including fruit trees along the haul road.

2.15 Sh. Pratap Singh, Village-Koron, P.O. Kumarhatti, Tehsil & District-Solan, H.P.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/282191/2022 - HP SEIAA/2022-964
b)	Project type	Extraction/collection of Sand
c)	Project Location	Khasra number 343/1, 344/1, 345/1 & 346/1 falling in Mohal Koron, Tehsil & Distt. Solan, HP.
d)	Jamabandi	Jamabandi for the year 2014-2015
e)	Land Status	Private Land/hill slope.
f)	Capacity	42,964 TPA.
g)	Mining Area	12-00 Bighas, Private land/hill slope.
h)	Leases with in 500 meter from the periphery of the area applied.	One mining leases exist within 500 meters: 1. Sh. Amit Sharma, khasra no. 331 & 332 having area 15-04 Bighas.
i)	Letter of Intent	Letter of Intent issued on dated 09.08.2021 further extended and valid up to 08/08/2023.
j)	EMP Cost	Capital Cost- Rs.4.59 Lakhs, Recurring Cost- Rs.1.44 Lakhs/PA
k)	CER cost	Rs. 5.50 lakhs

The proposed project is Extraction/ Collection of Sand. As proposed the mining operation will be manual. Online proposal for granting EC was submitted on dated 08/07/2022 and accepted by the SEIAA secretariat on dated 13/07/22 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 19/07/2022.

The case was listed before the SEAC in its 88th meeting with the following observations:

1. Since the proposed mining site is quite close to the local school premises, the state geologist shall certify and impose conditions that the project proponent shall not carry/ transfer mining material during working hours of existing school, and proper restriction is imposed for vehicles movement.
2. The project proponent shall resubmit copy of Joint inspection report duly signed by the competent authority i.e. SDM (C) concerned.
3. The project proponent shall submit map of haul road, check dams as per the kml shown during the appraisal. Revised KML should match with the revenue records.
4. The project proponent shall propose plantation plan including natural local/ native species.

After submission of desired information, the case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. The capital cost (@ Rs. 4.00 lacs per \leq ha.) under CER, shall be deposited in the form of Demand Draft/ Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.

3. The project proponent shall adhere to the revised proposal of haul road and shall include the same in mining plan within 15 days.
4. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance reports being submitted by the project proponents.

2.16 Smt. Veena Sharma, W/o Sh. Sandeep Sharma, Village-Banoi Ram Singh, P.O Kot-Beja, Tehsil Kasauli, District Solan, HP.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/291308/2022 HP SEIAA/2022-981
b)	Project type	Extraction of Stone.
c)	Project Location	Khasra number 93/5 falling in Mohal/Mauza-Banoi Ram Singh, Tehsil-Kasauli, Distt.-Solan, HP.
d)	Jamabandi	Jamabandi for the year 2016-2017
e)	Land Status	Private Land.
f)	Capacity	2, 63, 820 TPA (ROM)
g)	Mining Area	02-50-18 hect, Private land/hill slope.
h)	Leases with in 500 meter from the periphery of the area applied.	No mining lease exist within 500 meters.
i)	Letter of Intent	Letter of Intent issued on dated 20.07.2022 (Valid for one year i.e. up to 19.07.2023)
j)	EMP Cost	Capital Cost- Rs. 3.20 Lakhs, Recurring Cost- Rs.24.68 Lakhs for five years.
k)	CER cost	Rs. 13.50 lakhs

The proposed project is Extraction of Stone. Online proposal for granting EC was submitted on dated 02/09/2022 and accepted by the SEIAA secretariat on dated 19/09/2022 and forwarded to SEAC secretariat.

The case was listed before the SEAC in its 89th Meeting on dated 16/2/23. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC decided to list the case in next meeting after compliance to the following observations:

1. The Director (DEST) shall take an enquiry in view of the fact that it was the case of violation as the illegal mining has already been carried out at proposed site by the project proponent.

After submission of desired information i.e. details from the Deptt. of Industries, HP, the case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. **The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.**
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance reports being submitted by the project proponents.

2.17 M/s Mahadev Stone Crusher, Prop: Sh. Bhadur Singh, S/o Sh. Didar Singh, Village & P.O. Nangal Khurd, Tehsil Haroli, District Una, HP.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/401954/2022 HP SEIAA/2022-989
b)	Project type	Extraction/Collection of Sand, Stone & Bajri.
c)	Project Location	Khasra number 86 (1-74-81 ha) & 100 (1-15-97 ha) falling in Mauza /Mohal-

		Nangal Khurad, Tehsil-Haroli, Distt.-Una, HP.
d)	Jamabandi	Jamabandi for the year 2018-2019
e)	Land Status	Private Land, hill slope.
f)	Capacity	40,000 MT/year.
g)	Mining Area	02-90-78 Hectare, Private land.
h)	Leases with in 500 meter from the periphery of the area applied.	One mining lease exist within 500 meters: 1. M/s Mahadev Stone Crusher (1-36-30 ha)
i)	Letter of Intent	Extension of Letter of Intent issued on dated 29.04.2023 (Valid for one year i.e. up to 28.04.2024)
j)	EMP Cost	Capital Cost- Rs.6.27 Lakhs, Recurring Cost- Rs.1.44 Lakhs/PA
k)	CER cost	Rs. 13.50 Lakhs

The proposed project is Extraction/Collection of Sand, Stone & Bajri. Online proposal for granting EC was submitted on dated 01/10/2022 and accepted by the SEIAA secretariat on dated 12/10/2022 and forwarded to SEAC secretariat. The case was listed in 90th meeting of the SEAC held on 23-24th March, 2023 with the following observations:

1. The project proponent shall submit legible copy of flora and fauna.
2. The project proponent shall submit clarify the reason of different khasra numbers in Joint Inspection Report and Letter of Intent letters.
3. The project proponent to submit details of compliance of terms and conditions of earlier EC granted in favour of Mahadev Stone Crusher. (1.36.30 ha).
4. The project proponent shall submit kml file of land, with revenue records, ownership details proposed for undertaking plantation under EMP for monitoring purpose.

After submission of desired information, the case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. The capital cost (@ Rs. 4.00 lacs per \leq ha.) under CER, shall be deposited in the form of Demand Draft/ Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.
3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance reports being submitted by the project proponents.

2.18 Sh. Manvinder Singh, Village-Tikker, P.O.-Durgapur, Tehsil & District-Shimla, 171203.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIS/169817/2020 HP SEIAA/2020-764
b)	Project type	Group housing project namely "Auramah Valley Phase-III" by Club One Estate. Building and construction project, Housing colony (category 8-a).
c)	Project Location	Khasra number 180, 183/1 & 192 at Mohal-Tikkar and Khasra number no. 53/2, 54 to 61, 66, 74 and 75 at Mohal Prahani, Tehsil-Shimla, District-Shimla, H.P.
d)	Total Plot area	29,978m ²
e)	No. of blocks	26
f)	Built up area	50,557.62 m ²
g)	Cost of project	90.78 lakhs
h)	EMP Cost	Capital Cost: Rs.185 lakhs; Recurring cost: Rs.11.22 lakhs (operation Phase)
i)	CER Cost	Rs.

The proposed project is construction of residential apartment in Himachal Pradesh. As proposed the existing land is grassland with some shrubs. During Clearance topsoil shall be removed and kept separately for plantation purposes. No cutting of tree is proposed.

The project envisages the construction of 1 Units of Type A Blocks, 1 Units of Type B Blocks, 1 Unit of Type C Block, 1 Unit of Type D, 6 Unit of Type E, 14 Unit of Type F, 1 Club house and 1Shop. The total Fresh Water Requirement will be 57.5 KLD and treated water will be used for gardening purposes. Total 71 KLD of wastewater will be generated, which will be treated in

STP of 130 KLD. The 64 KLD recycled water will be generated from the STP which will be used for plantation and flushing purpose.

Online proposal for granting Environment Clearance was submitted on dated 26/08/2020 and accepted by the SEIAA secretariat on dated 15/09/2020. The hard copy submitted by the project proponent on dated 02/11/2020.

The case was listed before the SEAC in its 79th meeting with following observations:

1. The Sub-Committee shall visit proposed project site to analyze all existing and proposed construction project and submit its report accordingly.
2. The PP to submit the clarification on implication of orders of NGT for Shimla Planning Area and Deemed planning area if any w.r.t. proposed project in view of draft notification from TCP Department.
3. The project proponent shall resubmit complete plantation plan w.r.t. plant species proposed to be planted in the project site as per site conditions.
4. The project proponent shall also revise details of population including floating population for seminars, workshops and events etc. and its management plan.
5. The project proponent shall submit complete waste water management plan, water demand and supply for construction and operational phases separately.
6. The project proponent shall submit revised legible maps and lay out site plans, drawings w.r.t. STP design, layout plan etc.
7. The PP shall undertake study on impacts on ground water/ springs in D/s villages of the project site.
8. The project proponent shall submit correct kml file according to site layout plan.
9. The project proponent shall submit complete muck management plan with swelling factors and giving all dimensions.
10. The project proponent shall re submit complete duel plumbing plan.
11. The project proponent shall submit structure safety assessment study report and certificate.
12. The project proponent shall quote/provide references of standard norms used for developing the environment management plans & other reports.
13. The project proponent shall submit DMP for both construction and operational phase.
14. The project proponent shall submit drip irrigation layout plan to contain moisture and propose use of geo matting techniques for left out area.
15. The project proponent shall submit RWH plan and also calculate RWH water potential with latest data instead of data base of year 2009.
16. The project proponent shall follow and give point wise compliance to NGT 12 point guidelines.
17. The project proponent shall undertake vehicle flow/ flux load study for the construction and operational phase and propose the action plan.
18. The project proponent shall assess the solid waste management requirements of nearby communities/ villages and shall propose to develop a common SWM facility.
19. The project proponent shall propose the solar passive design for building.
20. The project proponent shall prepare the water and energy conservation plan.
21. The project proponent shall submit permission from the concerned authority to draw water from the location proposed under
22. The project proponent shall submit water bills of IPH for use of water from existing connection.
23. The project proponent shall submit cumulative effect of the all three phase projects.
24. The project proponent shall submit permission regarding use of existing road to the proposed project site.
25. The project proponent shall submit energy conservation/saving calculation.
26. The project proponent shall submit solid waste management plan.

The project proponent has submitted the documents as per observations. The site was visited on dated 01.12.2021 by the SEAC members. Now, SEAC shall appraise the same.

The case was listed before the SEAC in its 84th Meeting with following observations:

2. The Project Proponent shall be present in person before the committee in the next meeting so as to take decision within discussion during the meeting itself.
3. The project proponent shall submit certificate of competent authority of TCP Department with certificate that the orders of Hon'ble NGT are not applicable to the proposed project.
4. The project proponent shall submit the letter of approval issued from the competent authority not less than AGM, SJPNL for water supply to the project for pre and post phases.
5. The project proponent shall resubmit the plan for installation of STP with the latest available technology with sludge dewatering system with 95% efficiency for 100% occupancy of residents.
6. The project proponent shall tie up with MC shimla for collection and disposal of non biodegradable municipal waste.
7. The project proponent shall tie up with DEST for safe disposal of municipal solid biodegradable wastes to be jointly disposed of at proposed Kufri biomethanation plant. The Project proponent shall submit the undertaking to financially support the proposed project through DEST under EMP / CER provisions.

8. The project proponent shall submit the proposal for improvement in the existing road with streetlights, drainage, rain shelters etc.
9. The project proponent shall submit detailed storm water management plan for the entire area with flow breaking structures.
10. The project proponent shall adhere to ECBC codes and propose the building plans accordingly.
11. The project proponent shall submit the energy and water balance plans.

After submission of desired information, the case was listed in 93rd meeting of the SEAC held on 7th June, 2023.

The project proponent did not attend the meeting, therefore, the case application was deferred for next meeting.

2.19 Sh. Bhupesh Sharma, S/o Sh. Jeeva Nand Sharma, Village-Narhali, PO-Gohar, Tehsil Chachyott, District-Mandi, H.P.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/225177/2021 HP SEIAA/2021-867
b)	Project type	Extraction of Sand, Stone & Bajri.
c)	Project Location	Khasra number 1363 falling in Mauza & Mohal Har & Jaladi, Tehsil Kangra, District-Kangra, H.P
d)	Jamabandi	Jamabandi for the year 2017-2018
e)	Land Status	Government land.
f)	Capacity	72,596 TPA.
g)	Mining Area	4-81-07 ha, Government land, river bed.
h)	Leases with in 500 meter from the periphery of the area applied.	No mining lease exists within 500 meters.
i)	Letter of Intent	Extension of Letter of Intent dated 13.07.2022 (Valid for one year i.e. up to 23.06.2023)
j)	EMP Cost	Capital Cost: Rs. 2.80 Lakhs, Recurring Cost: Rs. 11.85 Lakhs for 5 years.
k)	CER cost	Rs. 23.00 lakhs

The proposed project is extraction of Sand, Stone & Bajri from Baner Khad. Online proposal for granting EC was submitted on dated 20/08/2021 and accepted by the SEIAA secretariat on dated 31/08/2021 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 29/07/2021.

The case was appraised by the SEAC in its 81st meeting with the following observation:

1. The project proponent shall construct boundary pillars in the proposed mining area.
2. The project proponent shall submit copy of complaint filed before the competent authority regarding illegal mining activities visible in the videography shown to the Committee during the appraisal of the case for proposed mining area.
3. The project proponent shall submit NOC from the competent authority/department regarding impact of mining activities to adjoining Hydro-Power Project i.e. Yogendra Power.
4. The project proponent shall also submit clarification from the office of State Geologist for not mentioning the adjoining Hydro-Power Project in the joint inspection report.
5. The project proponent shall submit affidavit to provide five plastic waste shredders, five plastic waste compactor & five baling machines to the concerned ULBs/ PRIs through Department of Environment, Science & Technology, GoHP.
6. The project proponent shall provide 10 solar lights through Department of Environment, Science & Technology, GoHP.

The project proponent submitted compliance to the above observations on dated 15-09-2022. Accordingly, the case was listed before the SEAC in its 88th meeting.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC observed that the reply submitted by the project proponent and comments furnished by the Mining Department are not tenable and hence decided to list the case in next meeting after submission of the revised reply by the project proponent as per discussion with revised mining plan clearly restricting the mining area, defining adequate buffer zone so that no damage is caused to existing HEP. The project proponent submitted the compliance to above observation on dated 22-03-2023.

After submission of the compliance, the case was relisted in 90th meeting of the SEAC held on 23-24th March, 2023.

After deliberating on the information submitted by the project proponent and considering the facts placed before the Committee, and in view of the fact that the project proponent was not present, the SEAC decided to list the case in next meeting after compliance to the following observations:

1. The project proponent in person shall be present before the Committee in next meeting with all relevant records.

2. The project proponent shall submit kml file of land, with revenue records, ownership details proposed for undertaking plantation under EMP for monitoring purpose.

After submission of desired information, the case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and examining the reply to observations of 81st meeting, it was observed by the committee that comments furnished by the Mining Department are not tenable.

The project proponent did not submitted revised mining plan. Hence decided to list the case in next meeting after submission of the revised reply by the project proponent as per discussion with revised mining plan clearly restricting the mining area, defining adequate buffer zone so that no damage is caused to existing HEP.

- 2.20 Sh. Dalip Kumar Bera, DGM-Environment, Vedanta Limited (Cairn Oil & Gas) DLF Atria, Phase-2, Jacaranda Marg, DLF City, Gurgaon, 122002, Haryana.

Brief outline of the project:

- | | | |
|----|---------------------------|--|
| a) | Proposal No. | SIA/HP/IND2/176745/2020 (HPSEIAA/2020/771) |
| b) | Project type | Offshore and Onshore oil and gas exploration, development & production, under category 1(b) |
| c) | Project Location | Plot/Survey/Khasra number H43E13, H43E14, H43E15, at District Mandi & Bilaspur. |
| d) | Bounded Latitudes (North) | FROM 31.52930028 To 31.70930889 |
| e) | Bounded Latitudes (East) | FROM 76.95361111 To 76.95792222 |
| f) | Capacity/area | 1. Block Area : 666 km ²
2. The exploratory (including appraisal) drilling for 7 wells.
3. Setting up of Early Production Units (EPUs)/ Quick Production Units (QPU) for produced well fluid processing (oil & gas and produced water separation) and early production of up to 4,000 BOPD & associated natural gas of 0.6 MMSCFD |
| h) | Cost of project | Rs. 201.835 Crores |
| i) | EMP cost | Capital Cost: Rs. 3.02 crores; Recurring cost: Rs. 0.25 crores/PA |
| j) | CSR cost | Rs. 10 lakhs |

Online proposal for granting Environment Clearance was submitted on dated 30/09/2020 and accepted by the SEIAA secretariat on dated 04/11/2021 and forwarded to SEAC secretariat. The hard copy was submitted by the project proponent on dated 28/01/2021.

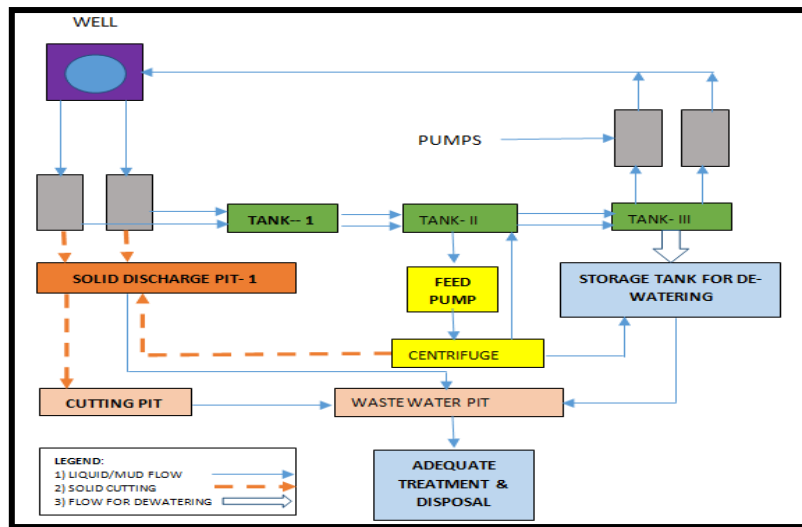

The case was listed in 82nd meeting of SEAC, where committee deferred the case in view of the fact that the project proponent did not appeared before the committee. The Committee decided to ask the proponent to submit online applicant requesting to list the case again for appraisal. Thereafter, the case was listed in 83rd meeting of SEAC, where committee deferred the case and decided to list the case in next meeting. The case was again listed before the SEAC in its 86th meeting held on 15-16 Sept., 2022.

The SEAC was apprised that the project proposal is Onshore Oil and Gas Exploration, Appraisal and Early Production in Block HF-ONHP-2017/1 in Mandi & Bilaspur Districts, Himachal Pradesh. Vedanta Limited proposed to drill & appraisal wells within the present block boundary HF-ONHP-2017/1. The basic objective of exploratory drilling will be as follows:-

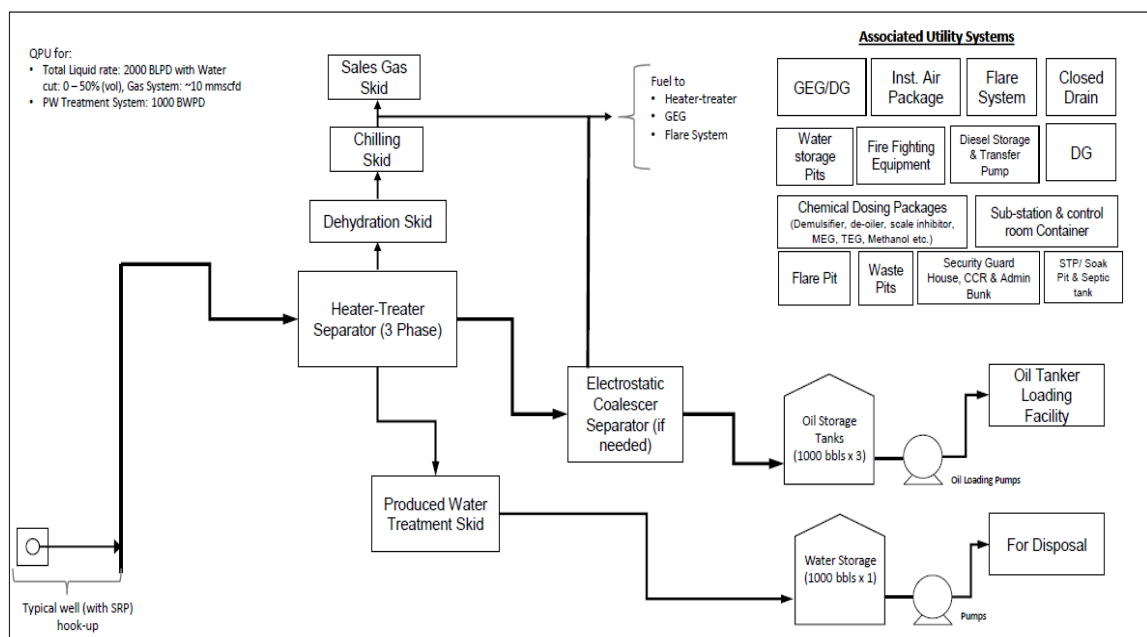

1. To determine the presence of potential hydrocarbons.
2. To appraise discovered oil & gas.

It was informed that as per MOEFCC OM dated 16th January 2020, Onshore Oil and Gas Exploration and appraisal in Block HF-ONHP-2017-1 project is B2 category, therefore, the public hearing was not required. As proposed the exploratory & appraisal wells will be drilled. The typical area required for each well pad (drill site) will be approx. 300m x 300m. RoU of 30 m (approx.) width for accommodating suitable access roads connecting to well pads (drill sites), OHL and other utilities in future. The Drilling mud will be treated onsite for maximum reuse. The spent WBM drilling mud (approx. 250 to 500 m3 per well) and drill cuttings associated with WBM (approx. 250 to 750 Tons per well) & SBM (approx. 500 to 1500 Tons per well) will be temporarily stored in HDPE lined impervious pits at the well pads. All drill cuttings, spent mud and used oil and other hazardous waste will be disposed as per Hazardous and Other Wastes (Management and Tran-boundary Movement) Rules, 2016.

Following process is involved in the project as presented before SEAC by the project proponent:

The project proponent explained about the Quick Production Unit/ Early Production Unit (2000 BFPD) as under before SEAC:

Following environmental aspects/ components of the project were also explained before the Committee:

Water Consumption/day: 87 KLD during drilling per well and 15 -18 KLD for each early production location.

Source of water: Would be sourced by Water Tankers from locally approved/ authorized sources.

Permission from CGWA or any other agency: NA. No Ground Water Wells shall be drilled for extraction water specifically for this project as the water requirement is very minimal and only for short period.

Energy Consumption: For drilling: 2950 kVA for drilling of each well and will be made available from D.G. Sets For Early Production: Gas Engine Generator (GEG) - 1 MW and 1X500 KVA DG Set for emergency use Kind of Fuel used: HSD, Natural Gas in early production Quantity of fuel used: Approx. 20 KLD for drilling

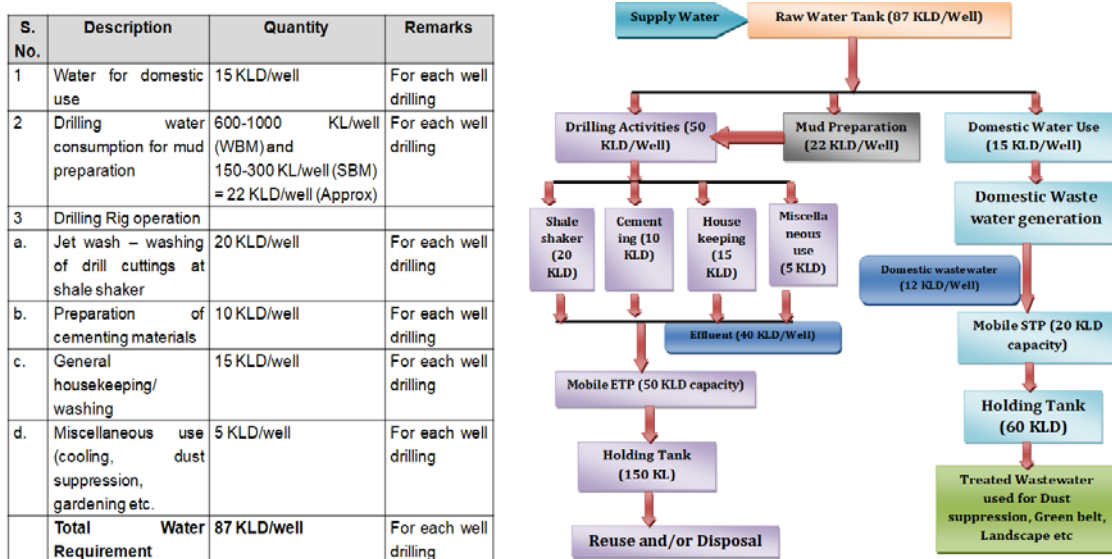

Wastewater Generated/day: 52 KLD (12 KLD Domestic, 40 KLD from drilling operation) during drilling of each well. During operation of EPUs/QPUs, approximately 225 KLD of produced water and other wastewater (Washing etc) 10 KLD will be generated along with 5 KLD domestic wastewater from each early production location.

Waste water Treatment facility has been proposed as follow:

For drilling: ETP (consisting of physicochemical treatment, Ultra filtration (UF) & RO (if needed) of 50 KLD capacity and the treated water would be used for drilling mud preparation, housekeeping, dust suppression, toilet flushing, and other misc. use. Domestic wastewater during drilling 12 KLD will be treated in STP (of 20 KLD capacity) which will be reused for plantation/ green Belt, etc.

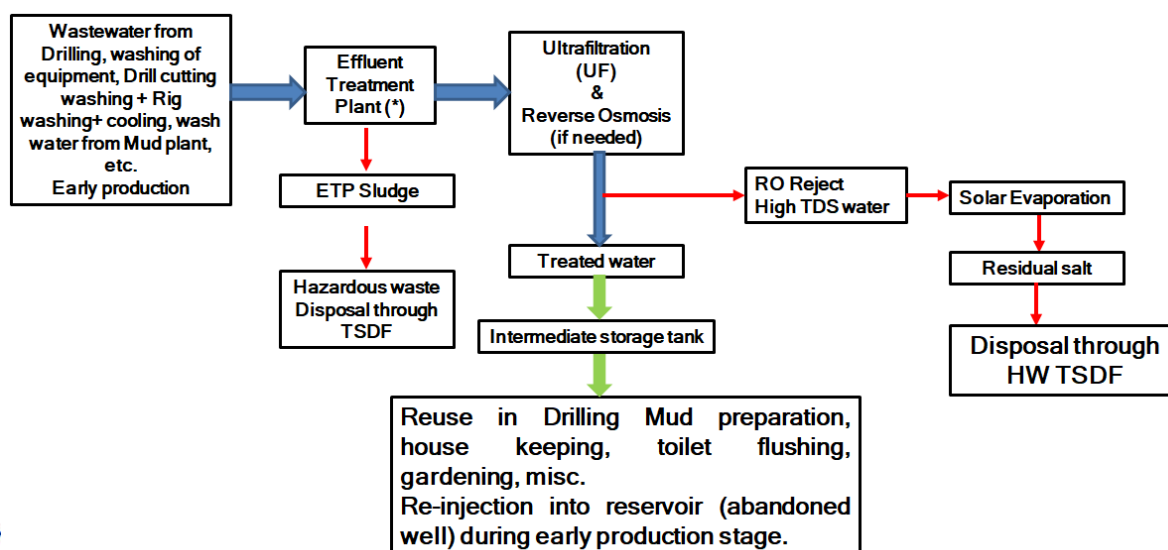

For Early Production: Wastewater (Produced water, other wastewater from washing etc) from Early Production stage will be treated in ETP (consisting of Physicochemical treatment, ultra filtration (UF) & RO (if needed) of 250 KLD Capacity) and the treated water would be used for dust suppression, green belt etc. and also reused for injection into other purposes and the excess quantity will be disposed through abandoned deep dump well or other suitable onshore disposal medium
Mode of discharge: No Discharge to the surface. In principle, ZLD concept will be implemented.

Water requirement and water balance assessment were also presented by the project proponent before SEAC as under:

Water requirement for each Early Production Unit location: Approx. 18 KLD.

The project proponent Proposed Wastewater/ Effluent Treatment, Disposal & Reuse as per following features:

Over all Waste Management & Disposal during Early Production would be as under:

#.	Nature of waste	Hazardous Waste Category	During Early Production	Mode of Disposal
1	Oily sludge/ residues from Well work over, crude storage tank bottom cleaning	2.2	20 Ton/Year	Will be disposed as per Hazardous Waste Rules, 2016
2	Waste oil (Slop oil) from Well work over, crude storage tank bottom cleaning	4.3	2 Ton/Year	Will be disposed as per Hazardous Waste Rules, 2016
3	ETP sludge from ETP operation	34.2	120 Ton/Year	Will be disposed as per Hazardous Waste Rules, 2016
4	Used oil/spent oil from DG sets maintenance and	5.1	1 KL/Year	Used oil will be sent HPPCB authorized

	other misc.			recyclers.
5	Oil contaminated filters, cottons, rags, gloves, etc. from Misc. maintenance	3.3 33.2	0.3 Ton/Year	Will be disposed as per Hazardous Waste Rules, 2016
6	Waste/residues containing oil	5.2	0.5 KL/Year	Will be disposed as per Hazardous Waste Rules, 2016
7	Spent Chemicals	--	0.6 Ton/Year	Will be disposed as per Hazardous Waste Rules, 2016
8	Spent carbon	36.2	3 Ton/Year	Will be disposed as per Hazardous Waste Rules, 2016
9	Discarded containers/barrels/liners contaminated with hazardous waste	33.1	50 nos./Year	Will be disposed as per Hazardous Waste Rules, 2016

For the project the proponent has proposed Environment Management Plan proposed as follows:

S. No.	Particulars		Approx. budget/ well (INR) in Lakh	
			Capital cost (INR) in Lakh	Recurring cost (INR) in Lakh
1.	AAQ & emission monitoring		-	3.5
2.	Noise monitoring		-	0.75
3.	Surface & Ground Water monitoring		-	2.0
4.	Soil monitoring		-	0.75
5.	Waste management		-	2.5
6.	Greenbelt/ Plantation		-	0.5
			Total	10.0 Lakhs
7.	EMP cost for wastewater treatment			
	Installation of ETP	It is short term exploratory drilling activity and only for short period of time i.e. 60 days, so permanent installation of ETP is not feasible. Mobile ETP would be deployed at drilling site on rental basis.	Operation & Maintenance of ETP	
	Installation of STP	It is short term exploratory drilling activity and only for short period of time i.e. 60 days, so permanent installation of STP is not feasible. Mobile STP would be deployed at drilling site on rental basis.	Operation & Maintenance of STP	
			Total	10.0 Lakhs

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC decided to list the case in next meeting after compliance of the following observations:

1. The project proponent shall submit NOC from concerned Gram/Nagar Panchayat.
2. The project proponent shall submit drone video of the proposed project area(s)/ locations.
3. The HPSEIAA may take clarification from MoEF&CC, GoI, New Delhi on early production.
4. The project proponent shall submit NOC from concerned local authority regarding water availability.
5. The project proponent shall submit revised map in KML file format depicting the proposed project area with map boundary.
6. The project proponent shall submit location wise plan for well earth cutting and drill cutting mud management plan.
7. The project proponent shall submit location wise NOC from Jal Shakti Vibhag, CWGA Himachal Pradesh regarding use of water for proposed project.
8. The project proponent shall submit NOC from concerned agriculture land owners of land involved in the project locations.
9. The project proponent shall invite objections or suggestions from public residing around/ in the vicinity of project locations.

The case was listed in 90th meeting of the SEAC held on 23-24th March, 2023. The PP did not appear before SEAC, therefore, the SEAC decided to defer the case.

After submission of desired information, the case was listed in 93rd meeting of the SEAC held on 7th June, 2023. The SEAC decided to list the case in next meeting after receipt of all documents as are desired/ requested in last meeting observations by SEAC.

2.21 Sh. Mast Ram, S/o Sh. Rulla Ram, Village & P.O. Deoli, Tehsil-Sadar, District-Bilaspur, HP.

Brief outline of the project:

- | | | |
|----|--|---|
| a) | Proposal No. | SIA/HP/MIN/421527/2023
HP SEIAA/2023-1054 |
| b) | Project type | Extraction of Sand, Stone & Bajri. |
| c) | Project Location | Khasra number 114/107 falling in Mauza/ Mohal Sarad, Tehsil Sadar, Distt. Bilaspur, HP. |
| d) | Jamabandi | Jamabandi for the year 2016-17 |
| e) | Land Status | Private Land. |
| f) | Capacity | 9000 TPA. |
| g) | Mining Area | 6-13 Bighas, Private land/hill slope. |
| h) | Leases with in 500 meter from the periphery of the area applied. | No mining lease exist within 500 meters: |
| i) | Letter of Intent | Letter of Intent issued vide letter no.Udyog-Bhu(khani-4) Laghu-998/2021-839 dated 29/04/2022
(Valid for one year i.e. up to 28/04/2023)
Extension of LOI 04.05.2023 (valid up to 20.04.2024) |
| j) | EMP Cost | Capital Cost Rs. 6.00 Lakhs and Recurring Cost Rs. 1.44 Lakhs/PA |
| k) | CER cost | Rs. 4.00 Lakhs. |

The proposed project is Extraction of Sand, Stone & Bajri. Online proposal for amendment in EC was submitted on dated 10/03/2023 and accepted by the SEIAA secretariat on dated 17/03/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 10/04/2023.

After submission of desired information, the case was listed in 93rd meeting of the SEAC held on 7th June, 2023. The SEAC decided to list the case in next meeting after site inspection by the sub-committee of SEAC.

2.22 Sh. Anuj Chabra, Prop: M/s Bhakra Stone Crusher, Village Gondpur, P.O. Dulehar, Tehsil Haroli, District Una, Himachal Pradesh.

Brief outline of the project:

- | | | |
|----|--|---|
| a) | Proposal No. | SIA/HP/MIN/431468/2023 - HP SEIAA/2023-1072 |
| b) | Project type | Extraction of Sand, Stone & Bajri. |
| c) | Project Location | Khasra number 34 & 35 falling in Mohal/Mauza Dulehar uperla, Tehsil Haroli, District Una, HP. |
| d) | Jamabandi | Jamabandi for the year nil. |
| e) | Land Status | Private Land. |
| f) | Capacity | 97,000 TPA. |
| g) | Mining Area | 4-42-38 Hectare, Private land. |
| h) | Leases with in 500 meter from the periphery of the area applied. | Mining leases exist within 500 meters:
No information attached. |
| i) | Letter of Intent | Letter of Intent issued on dated 12/09/2022
(Valid for one year i.e. up to 11/09/2023) |
| j) | EMP Cost | Capital cost Rs 0.60 Lakhs and Recurring cost Rs. 1.35 Lakhs annually. |
| k) | CER cost | Rs 23.00 Lakhs |

The proposed project is Extraction of Sand, Stone & Bajri. Online proposal for EC was submitted on dated 30/05/2023 and accepted by the SEIAA secretariat on dated 06/06/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated nil.

After submission of desired information, the case was listed in 93rd meeting of the SEAC held on 7th June, 2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ Transfer in the Bank Account Number mentioned in EC letter; to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) shall device a plan for this purpose within one month for that area in consultation with project proponent.
2. The project proponent shall provide one *Pattal & Duna* making machines within 15 days from the date of issuance of EC letter to DEST&CC, Shimla for further distribution under CSR. Pattal & Duna Machines will be

purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three year from date of installation. The Project proponent shall be responsible for functioning of the machines.

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF&CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance reports being submitted by the project proponents.

2.23 Sh. Gopal Chand, S/o Sh. Sadhu Ram, Village Khoronwala, Tehsil Paonta Sahib, District Sirmour, Himachal Pradesh.

Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/432258/2023 - HP SEIAA/2023-1073
b)	Project type	Extraction of Sand, Stone & Bajri.
c)	Project Location	Khasra number 589/477/188 & 635/613/590/188 falling in Mohal/Mauza Mohkampur Nawada, Tehsil Paonta Sahib, District Sirmour, HP.
d)	Jamabandi	Jamabandi for the year 2017-18
e)	Land Status	Private Land.
f)	Capacity	51,520 TPA.
g)	Mining Area	30-00 Bighas, Private land.
h)	Leases with in 500 meter from the periphery of the area applied.	Mining leases exist within 500 meters: No information attached.
i)	Letter of Intent	Letter of Intent issued on dated 27/11/2021 (Valid for one year i.e. up to 26/11/2023)
j)	EMP Cost	Nil.
k)	CER cost	Nil.

The proposed project is Extraction of Sand, Stone & Bajri.

Online proposal for ToR was submitted on dated 05/06/2023 and accepted by the SEIAA secretariat on dated 06/06/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated nil.
