| 5. Dr. Sanjay Kumar Pattnaik | - | Member |
| 6. Sri. J. K. Mahapatra | - | Member |
| 7. Sri. K. R. Acharya | - | Member |
| 8. Prof. (Dr.) B.K. Satpathy | - | Member |
| 9. Dr. K.C.S Panigrahi | - | Member |
| 10. Dr. Sailabala Padhi | - | Member |

A. CONSIDERATION OF MINOR MINERAL PROPOSALS (COMPLIANCE RECEIVED):

The committee verified 07 nos. of minor mineral proposals (compliance received) on the basis of MoEF&CC, Govt. of India OM no. F. No. L-I 1011/175/2018-IA-II (M), dated 12.12.2018. The case-wise proceedings and observations of the committee are detailed in Table as per **Annexure – A**. The proposals of following categories are:

Total no. of proposals	Type of proposals	No. of proposal	Decisions of the committee
07	Stone and others (05)	02	The SEAC considered the proposals as B2 category and recommended for Environmental Clearance.
		02	The SEAC decided to take decision on the proposal after receipt of clarification.
		01	The SEAC decided to return the proposal to SEIAA.
	River Sand (02)	01	The SEAC considered the proposals as B2 category and recommended for Environmental Clearance.
		01	The SEAC decided to return the proposal to SEIAA.

B. DECISION ON EC APPLICATIONS APPLIED IN PHYSICAL MODE FOR MINOR MINERAL PROPOSALS (0-5 HA.) PENDING WITH THE APPLICANT.

1. The EC applications of minor mineral extraction proposals (Sand mining and stone, morrum quarrying etc.) involving area less than or equal to 5 ha; i.e., B2 category proposals are all required to be submitted to SEIAA in the online mode. i.e. in the PARIVESH portal of the MoEF&CC, Govt, of India. But, on the plea that the prescribed application Form-IM is not getting generated in the said portal, the concerned Tahasildars were filing such applications in the offline mode using Form-I. Such applications were therefore processed by SEIAA and SEAC in the offline mode and offline ECs were issued in these cases. The MoEF&CC, Govt. of

India has taken exception to this practice, and offline receipt and handling of any such proposal has been prohibited.

2. The MoEF&CC, Govt. of India in its OM dated 06.10.2021 has made it mandatory to grant EC with 16-digit EC identification number along with e-signature and other required credentials. This functionality has since been added in the Parivesh Portal. Further, the MoEF&CC, Govt. of India in the said OM has directed all SEIAAs of the States that any new EC issued on or after 20.10.2021 for a project without EC identification number and e-signature shall be treated as invalid.
3. The MoEF&CC, Govt of India in a VC meeting held on 12.11.2021 has decided that for online processing of B2 Category Minor Mineral Proposals (area 0-5 ha) in the Parivesh Portal, the EC applications can be submitted to SEIAA in 'Form-2'. The SEIAA/SEAC are to process these proposals following the systemic steps in the said portal, and SEIAA may decide to grant EC and issue system generated EC letter.
4. The SEIAA vide letter no. 3497/SEIAA, dated 23.11.2021 has requested to the Director, Minor Minerals, Revenue & Disaster Management Department, Government of Odisha to instruct the concerned Tahasildars / Project Proponents to file the EC applications pending with the Tahasildars / Project Proponents online. The copy of such letter forwarded to the Secretary, SEAC vide memo no. 3498/SEIAA, dated 23.11.2021.
5. There are 93 physical EC applications are pending with the Tahasildars / Project Proponents to comply. List of such applications is enclosed as **Annexure-B**.

After detailed discussion, the SEAC decided to forward such 96 physical EC applications to SEIAA, Odisha with a request to instruct the concerned Tahasildars / Project Proponents to file the EC applications online.

C. CONSIDERATION OF TERMS OF REFERENCE FOR EIA STUDY FOR MINOR MINERAL PROPOSALS OF LEASE AREA 25 HA. OR LESS (INCLUDING THE CLUSTER APPROACH)

1. The SEAC in its meeting held on 17.11.2020 decided that the appraisal for issue of ToRs for the minor mineral proposals of lease area 25 ha. or less (including cluster approach) may be considered with specific ToRs as suggested by SEAC as well as standard ToRs based on merit of the proposal without presentation.
2. The SEIAA, Odisha has forwarded 10 online EC applications of minor mineral proposals of lease area 25 ha. or less (including cluster approach) as per **Annexure-C**.

After detailed discussion, the SEAC decided to forward such 10 online EC applications to SEIAA, Odisha with a request to issue specific ToRs as suggested by SEAC as well as standard ToRs to these to these 10 proposals for conducting EIA study.

SECRETARY, SEAC

Approved

CHAIRMAN, SEAC

TABLE
DECISION ON MINOR MINERAL PROJECTS WITH LEASE AREA LESS THAN 5 HA. ON 04.12.2021
(CLARIFICATION RECEIVED)

Sl. No	SEIAA File No.	Name & Address of the proponent	District	Type of Mineral	Name of the project	Clarification sought by the SEAC		Whether compliance furnished by the Tahasildar (Yes / No) With Remarks if any	Recommendation of the SEAC
						Date of meeting	Clarification		
1.	SIA/OR/MIN/236936/2021	Tahasildar Losingha (Owner) M/s. Magurbeda Stone Quarry At/Po/Ps – Losingha Dist – Balangir, Odisha	Balangir	Stone	Proposal of Environmental Clearance for Magurbeda Stone Quarry over an area of 3.00 acres or 1.214 ha. at village- Magurbeda, Tahasil- Losingha, Dist- Balangir of Tahasildar Losingha - EC	26.11.2021	Google map showing the present lease hold area with all sairat source within 500 meter boundary of the lease hold area be furnished.	Yes, Google map submitted.	The SEAC recommended to grant EC valid from the date of EC accorded upto the lease period with following additional condition. i) Consent / NoC shall be obtained from the concerned BDO for use of village road for transportation. The said road shall also be maintained by the lessee.
