

# Himachal Pradesh State Expert Appraisal Committee

## SEIAA Secretariat, Himachal Pradesh

Ministry of Environment Forest & Climate Change, Government of India,  
at Department of Environment Science Technology & Climate Change,  
Paryavaran Bhawan, Near US Club, Shimla-1  
Ph: 0177-2656559, 2659608, Fax: 2659609

No. HPSEAC/2008, 16-Vol-VII-

Dated: 7<sup>th</sup> January, 2025

### MINUTES OF THE 104<sup>th</sup> MEETING OF THE STATE EXPERT APPRAISAL COMMITTEE HELD IN CONFERENCE HALL, DEPARTMENT OF ENVIRONMENT, SCIENCE & TECHNOLOGY, SHIMLA, ON DATED 31<sup>ST</sup>, DECEMBER 2024

The 104<sup>th</sup> meeting of State Expert Appraisal Committee for appraisal of the project proposals received for Environmental Clearance was held on 31.12.2024 in the Conference Hall of Department of Environment, Science Technology & Climate Change, GoHP, Shimla. The following were present in the meeting:

#	Name	Designation	31/12/2024
1.	Dr. Sandeep Bhatnagar, IAS (Retd.)	Chairman	Attended virtually
2.	Dr. Ashwani Tapwal	Member	Attended virtually
3.	Dr. Satish Kumar Bhardwaj	Member	-
4.	Dr. Harish Sharma	Member	-
5.	Dr. R.C. Chauhan	Member	Attended virtually
6.	Dr. Ranbir Singh Rana	Member	Attended virtually
7.	Sh. Parveen Gupta, Addl. Director, DEST & CC	Member Secretary	Attended physically

The agenda item wise deliberations are as under:

#### ITEM NO. 1: CONFIRMATION OF MINUTES OF 104<sup>th</sup> MEETING OF SEAC,

The Committee confirmed the minutes of the 103<sup>rd</sup> meeting of SEAC held from 21.10.2024.

#### ITEM NO. 2: PROJECT PROPOSALS FOR RE-APPRAISAL

- 2.1 Sh. Ashok Kumar, S/o Sh. Hushan Lal, Prop. M/s Shekhri Stone Crusher & Screening Plant, VPO-Gondpur Jaichand Nichla, Tehsil-Haroli, District-Una, H.P.

##### Brief outline of the project:

- |    |  |  |
|----|--|--|
| a) | Proposal No.   | SIA/HP/MIN/286806/2022<br>HP SEIAA/2022-984  |
| b) | Project type   | Extraction/collection of Stone boulder, Sand & Bajri.  |
| c) | Project Location   | Khasra number 489 (00-01-98 ha), 490 (0-40-75 ha), 491 (0-40-31 ha), 1439 (0-59-12 ha), 1440 (0-58-80 ha), 1438 (0-85-18 ha), 1437(0-73-73 ha) & 517 (0-17-28 ha) falling in Mauza & Mohal-Gondpur Jaichand, Tehsil-Haroli, District-Una, H.P. |
| d) | Jamabandi  | Jamabandi for the year 2019-2020   |
| e) | Land Status  | Private land   |
| f) | Capacity   | 61,233 TPA.  |
| g) | Mining Area  | 3-77-15 hectare, Private land  |
| h) | Leases with in 500 meter from the periphery of the area applied. | No mining leases exist within 500 meters:  |
| i) | Letter of Intent   | Letter of Intent issued on dated 18.01.2022<br>(Valid for one year i.e. up to 17.01.2023) revised and valid upto 14/1/2025   |
| j) | EMP Cost   | Capital Cost- Rs. 8.86 Lakhs, Recurring Cost- Rs.1.44 Lakhs/PA   |
| k) | CER cost   | Capital Cost Rs. 16.00 Lakhs   |

The proposed project is Extraction/ Collection of Sand, Stone & Bajri. The PARIVESH link is as below:-

[https://environmentclearance.nic.in/state/FB\\_ECGeneral\\_Report.aspx?pid=209730&id=209730&status=New](https://environmentclearance.nic.in/state/FB_ECGeneral_Report.aspx?pid=209730&id=209730&status=New)

Online proposal for granting EC was submitted on dated 03/08/2022 and accepted by the SEIAA secretariat on dated 06/10/2022 and forwarded to SEAC secretariat.

The case was listed before the SEAC in its 88<sup>th</sup> Meeting.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, keeping in view the expiry of LOI two days before the meeting the SEAC decided to appraise the case. After detailed ppt decided to make final recommendation in next meeting after compliance of the following observations:

1. The project proponent shall submit valid Letter of Intent issued by Industry Department for the proposed Mining Project.
2. The project proponent shall submit map by defining buffer zone between river bed & terrace duly attested/ certified by the State Geologist.
3. The project proponent shall submit the revised CER plan.

The project proponent submitted the compliance to above observations on dated 7/11/2024.

The case was listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-SOmm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance reports being submitted by the project proponents.

4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.

## 2.2 Sh. Gagandeep Singh, Village-Gullarwala, P.O. Karuwana, Tehsil-Baddi, District-Solan, H.P.

### Brief outline of the project:

a)	Proposal No.	SIA/HP/MIN/428162/2023 HP SEIAA/2023-1082
b)	Processing fee	UTR no. UBIN24179870954 of Rs. 20,000/- dated 27.06.2024
c)	Project type	Extraction of Stone.
d)	Project Location	Khasra number 957, 962, 963, 964, 966, 965, 974, 1812/973 and 958 falling in Mauza/Mohal Bhatoli Kalan, Tehsil Baddi, Distt. Solan, HP.
e)	Jamabandi	Jamabandi for the year 2013-14
f)	Land Status	Private Land.
g)	Capacity	77,435 TPA.
h)	Mining Area	23-01 Bighas, 1.73 ha, Private land/hill slope.
i)	Leases within 500 meter from the periphery of the area applied.	No mining lease exist within 500 meters:
j)	Letter of Intent	Letter of Intent issued on dated 14/10/2020 (Valid for one year i.e. up to 13/10/2023)
k)	EMP Cost	Capital Cost Rs. 11.82 Lakhs and Recurring Cost Rs. 34.49 Lakhs for five years.
l)	CER cost	Rs. 8.00 Lakhs.

The proposed project is Extraction of Sand, Stone & Bajri. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/report/ec?proposalId=5111278>

Online proposal for EC was submitted on dated 09/05/2023 and accepted by the SEIAA secretariat on dated 26/06/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 28/04/2023.

The case was listed in 94<sup>th</sup> meeting of the SEAC held on 7<sup>th</sup> & 8<sup>th</sup> August, 2023. Approved/ Authorized consultant did not appear before the Committee, therefore, application was deferred.

The case was again listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. The case was again listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberation on the information submitted by the project proponent and considering the facts & site inspection report placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much stability of surrounding area will be affected due to proposed mining.
2. Sub Committee shall visit the proposed project site and submit its report to the SEAC, the subcommittee may consult the adjoining farm land owners for their view on proposed mining activities.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability, clarification from Project Proponent and Industry Department may be obtained once again apart from field level assessment by deputing a sub committee.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the

committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

According to observation a sub committee of SEAC along with Officers/ Officials from DEST&CC also visted the site on dated 22.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may devise a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-50mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.

6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

2.3 **Sh. Virender Bhateria, Joginder Singh, S/o Sh. Baljeet Singh and S/o Sh. Hari Singh, R/o Village-Gadiyara, P.O. Geeta Peeth and Village-Kutballa, P.O.Lambagoan, Tehsil Jaisinghpur, Distt. Kangra, Himachal Pradesh.**

**Brief outline of the project:**

a)	Proposal No.	SIA/HP/MIN/430677/2023 HP SEIAA/2023-1085
b)	Processing fee	UPI Transaction number 413236554265 dated 11.05.2024 of Rs. 15,000/-
c)	Project type	Extraction/collection of Sand, Stone & Bajri.
d)	Project Location	Khasra number 1386 falling in Mohal Kutballa, Mohal Lambagaon, Tehsil- Jaisinghpur, District-Kangra, HP.
e)	Jamabandi	Jamabandi for the year 2019-20
f)	Land Status	Private Land, River bed.
g)	Capacity	18,405 TPA.
h)	Mining Area	00-89-42 hectare, Private land/river bed.
i)	Leases with in 500 meter from the periphery of the area applied.	One mining lease exist within 500 meters: 1. Sh. Anil Sharma (2-97-25 Hect.)
j)	Letter of Intent	Letter of Intent issued on dated 20/02/2023 (Valid for one year i.e. up to 19/02/2024)
k)	EMP Cost	Capital cost: Rs 7.60 Lakhs and Recurring cost: Rs 1.44 Lakhs.
l)	CER cost	Rs 4.00 Lakhs.

The proposed project is Extraction/collection of Sand, Stone & Bajri. The PARIVESH link is as below:-  
<https://parivesh.nic.in/newupgrade/#/report/ec?proposalId=5599910>

Online proposal for EC was submitted on dated 01/06/2023 and accepted by the SEIAA secretariat on dated 26/06/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 21/06/2023.

The case was listed in 94<sup>th</sup> meeting of the SEAC held on 7<sup>th</sup> & 8<sup>th</sup> August, 2023.

After deliberating on the information submitted by the project proponent and considering the facts placed before the Committee, the SEAC decided to list the case in next meeting after compliance to the following observations:-

1. The project proponent shall submit clarification from the Mining Officer regarding illegal mining activities noticed in the drone video shown to the Committee.

Compliance to the above conditions were submitted by the project proponent, therefore, the case was listed before the SEAC in 96<sup>th</sup> meeting held on 29/11/2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the Committee, the SEAC decided to list the case in next meeting after compliance to the following observations:

1. The project proponent shall submit a certificate from the Director (Industries) to the fact that the proposed mining site is recommended/approved on the basis of the District Survey Report prepared & approved by SEIAA authorities in conformity with the SO No. 141 (E), SO No. 3611(E) and as per Sustainable Sand Mining Management Guidelines, 2016 and Enforcement & Monitoring Guidelines for Sand Mining, 2020 published by MoEF&CC, Gol.
2. The project proponent shall submit geo referenced land use change map depicting all the features.

The project proponent submitted the clarification and compliance to above observations on dated 06-12-2023.

After submission of compliance of the observations, the case was again listed in 98<sup>th</sup> meeting of the SEAC held on 6<sup>th</sup> January, 2024. After deliberating on the information submitted by the project proponent and considering the facts & compliance placed before the committee, the SEAC did not recommend the case for grant of EC in view of the MoEF&CC directions issued vide

F. No. IA3-22/11/2023-IA.III (E-208230) dated 28<sup>th</sup> April, 2023 w.r.t. Hon'ble NGT order dated 07.12.2022 passed in O.A.142 of 2022 in the matter of Jayant Kumar vs. MoEF&CC; to scrutinize and appraise the EC proposals based on the updated District Survey Report after five years, approved by SEIAA as per Ministry's Notification S.O 3611(E) dated 25.07.2018.

In view of the above, the SEAC decided to list the case of the proposed mining area after ascertaining the current status of mining area, in next meeting after submission of updated District Survey Report dully endorsed by SEIAA.

After submission of the compliance, the case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberating on the information submitted by the project proponent and considering the fact, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. The project proponent shall submit revised KML file of the proposed mining area indicating boundary pillar coordinates. The KML file of Sh. Sanjay Rana may also be submitted.

The proponent submitted the compliance to above observation on dated 16/9/2024.

The case was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-50mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scope under warranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
6. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

**2.4 Sh. Anchit Thakur, Prop: M/s Prem Stone Crusher, Village Nayagram, PO Jhajra, Tehsil Nalagarh, Distt. Solan, Himachal Pradesh.**

**Brief outline of the project:**

a)	Proposal No.	SIA/HP/MIN/434431/2023 HP SEIAA/2023-1093
b)	Processing fee	DD no. 002713 dated 29.04.2024 of Rs. 15,000/- HDFC Bank
c)	Project type	Extraction of Stone.
d)	Project Location	Khasra number 445 falling in Mauza/Mohal Dhalathon, Tehsil Nalagarh, District Solan, HP.
e)	Jamabandi	Jamabandi for the year 2017-18.
f)	Land Status	Private Land, Hill Slope.
g)	Capacity	11,228 TPA (including waste)
h)	Mining Area	05-07 Bighas, (0.40 ha) Private land/hill slope
i)	Leases with in 500 meter from the periphery of the area applied.	One mining lease exist within 500 meters: 1. Sh. Gulzar Mohammed (17-04 Bighas)
j)	Letter of Intent	Letter of Intent issued on dated 04/05/2023 (Valid for one year i.e. up to 03/05/2024)
k)	EMP Cost	Capital Cost: Rs. 6.83 Lakhs, Recurring Cost: Rs. 2.29 Lakhs annually.
l)	CER cost	nil.

The proposed project is for extraction of Stone. The PARIVESH link is as below:-  
<https://parivesh.nic.in/newupgrade/#/report/ec?proposalId=6313446>

Online proposal for EC was submitted on dated 21/07/2023 and accepted by the SEIAA secretariat on dated 22/07/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 26/07/2023.

The case was listed before the SEAC in 95<sup>th</sup> meeting held on 26/9/2023.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. The project proponent shall submit revised KML file of the proposed mining area indicating boundary pillar coordinates.
2. The project proponent shall submit the details of approach road (kh. No.s revenue record, agreement), with NOC of GP to use the existing road if any.

The project proponent has submitted the documents on dated 01-02-2024 to this office and during the appraisal process a representation was also received by villagers of Kundlu through Sh. Jagjit Singh Rana (Advocate), Chamber No. 36, Judicial Complex, Nalagarh, District Solan, H.P. for non issuance of Environment Clearance to Sh. Anchit Thakur, Partner M/s Prem Stone Crusher.

There after examining the matter by this office, the representation was forwarded on dated 03.11.2023 to the office of Pollution Control Board and Director Industries for their opinion about installation of stone crusher and grant of mining lease to M/s Prem Stone Crusher.

Now, this office has received a reply from HPPCB office on dated 08.01.2024 stating that State Board does not have any objections on installation and grant of mining lease to the unit subject to conditions as mentioned in the letter. And as per the reply received from Mining Officer, Solan through Director Industries, on dated 04.01.2024, it has been informed that the joint inspection committee has considered each and every aspect of both these proposed mining lease areas and hence recommended grant of mining lease in favour of Sh. Anchit Thakur, Partner M/s Prem Stone Crusher after completing all codal formalities.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC decided that:-

1. After deliberating on the information submitted by the project proponent and considering the facts & compliance placed before the committee, the SEAC did not consider the case at this stage for grant of EC in view of the MoEF&CC directions issued vide F. No. IA3-22/11/2023-IA.III (E-208230) dated 28th April, 2023 w.r.t. Hon'ble NGT order dated 07.12.2022 passed in O.A.142 of 2022 in the matter of Jayant Kumar vs. MoEF&CC; to scrutinize and appraise the EC proposals based on the updated District Survey Report after five years, approved by SEIAA as per Ministry's Notification S.O 3611(E) dated 25.07.2018.
2. In view of the above, the SEAC decided to list the case of the proposed mining area after ascertaining the current status of mining area, in next meeting after submission of updated District Survey Report duly endorsed by SEIAA.
3. Meanwhile the sub-committee of SEAC shall visit the site.

The sub committee of SEAC along with Officers/Officials from DEST&CC visited the site on dated 22.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal. DSR of district Solan was approved by the SEIAA.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating the information submitted by the project proponent and considering the facts placed before the committee, the SEAC decided to list the case in the next meeting after submission of the decision of the Hon'ble High Court.

2.5 **Sh. Anchit Thakur, Partner M/s Prem Stone Crusher, Village-Nayagram, P.O. Jhajra, Tehsil Nalagarh, Distt. Solan, Himachal Pradesh.**

**Brief outline of the project:**

- |    |   |   |
|----|---|---|
| a) | Proposal No.  | SIA/HP/MIN/434908/2023<br>HPSEIAA/2023/1092   |

| k) | EMP Cost  | Capital cost: Rs 9.99 Lakhs and Recurring cost: Rs 2.92 Lakhs.                            |
| l) | CER cost  | Nil.  |

The proposed project is for extraction of stone. The PARIVESH link is as below:-  
<https://parivesh.nic.in/newupgrade/#/report/ec?proposalId=6404506>

Online proposal for EC was submitted on dated 12/07/2023 and accepted by the SEIAA secretariat on dated 22/07/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 21/07/2023.

The case was listed before the SEAC in 95<sup>th</sup> meeting held on 26/9/2023.

After deliberating on the information submitted by the project proponent and considering the fact, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. The project proponent shall submit revised KML file of the proposed mining area indicating boundary pillar coordinates.
2. The project proponent shall submit NOCs from the competent authority w.r.t. electricity line and road crossing along the proposed mining area.
3. The project proponent shall submit the details of approach road (kh. NO.s revenue record, agreement), with NOC of GP to use the existing road if any.

The project proponent has submitted the documents on dated 01-02-2024 to this office and during the appraisal process a representation was also received by villagers of Kundlu through Sh. Jagjit Singh Rana (Advocate), Chamber No.36, Judicial Complex, Nalagarh, District Solan, H.P. for non issuance of Environment Clearance to Sh. Anchit Thakur, Partner M/s Prem Stone Crusher.

There after examining the matter by this office, the representation was forwarded on dated 03.11.2023 to the office of Pollution Control Board and Director Industries for their opinion about installation of stone crusher and grant of mining lease to M/s Prem Stone Crusher.

Now, this office has received a reply from HPPCB office on dated 08.01.2024 stating that State Board does not have any objections on installation and grant of mining lease to the unit subject to conditions as mentioned in the letter. And as per the reply received from Mining Officer, Solan through Director Industries, on dated 04.01.2023, it has been informed that the joint inspection committee has considered each and every aspect of both these proposed mining lease areas and hence recommended grant of mining lease in favour of Sh. Anchit Thakur, Partner M/s Prem Stone Crusher after completing all codal formalities.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC decided that:-

1. After deliberating on the information submitted by the project proponent and considering the facts & compliance placed before the committee, the SEAC did not consider the case at this stage for grant of EC in view of the MoEF&CC directions issued vide F. No. IA3-22/11/2023-IA.III (E-208230) dated 28th April, 2023 w.r.t. Hon'ble NGT order dated 07.12.2022 passed in O.A.142 of 2022 in the matter of Jayant Kumar vs. MoEF&CC; to scrutinize and appraise the EC proposals based on the updated District Survey Report after five years, approved by SEIAA as per Ministry's Notification S.O 3611(E) dated 25.07.2018.
2. In view of the above, the SEAC decided to list the case of the proposed mining area after ascertaining the current status of mining area, in next meeting after submission of updated District Survey Report dully endorsed by SEIAA.
3. Meanwhile the sub-committee of SEAC shall visit the site.

The sub committee of SEAC along with Officers/Officials from DEST&CC visted the site on dated 22.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal. DSR of district Solan was aprpved by the SEIAA.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating the information submitted by the project proponent and considering the facts placed before the committee, the SEAC decided to list the case in the next meeting after submission of the decision of the Hon'ble High Court.

## 2.6 Sh. Varun Sharma, S/o Sh. Ganesh Dutt Sharma, Vill. Talona, P.O. Kakkarhatti, Tehsil & District-Solan, H.P.

### Brief outline of the project: -

a) Proposal No.	SIA/HP/MIN/440916/2023 HP SEIAA/2023-1109
b) Processing fee	DD no. 002713 dated 29.04.2024 of Rs. 15,000/- HDFC Bank
c) Project type	Extraction of Stone.
d) Project Location	Khasra number 20 falling in Mauza Dhar Jokhari, Tehsil & District- Solan, H.P.
e) Jamabandi	Jamabandi for the year 2017-2018
f) Land Status	Private land/ hill slope.
g) Capacity	44,272 TPA.
h) Mining Area	02-50-36 Ha, 33-05-08 Bighas, Private land/hill slope.
i) Leases with in 500 meter from the periphery of the area applied.	No mining lease exists in 500 meters.
j) Letter of Intent	Letter of Intent issued on dated 08.12.2021 (Valid for one year i.e. up to 07.12.2023)
k) EMP Cost	Capital Cost- Rs.12.10 Lakhs, Recurring Cost- Rs.3.15 Lakhs annually.
l) CER cost	Nil.

The proposed project is Extraction of Stone. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/report/ec?proposalId=8096748>

Online proposal for granting EC was submitted on dated 21/08/2023 and accepted by the SEIAA secretariat on dated 18/11/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 21/09/2023.

The case was listed before the SEAC in 96<sup>th</sup> meeting held on 29/11/2023. As per the request from the project proponent, the SEAC decided to list the case in next meeting after compliance to the following observations:

1. The project proponent shall submit a certificate from the Director (Industries) to the fact that the proposed mining site is recommended/approved on the basis of the District Survey Report prepared & approved by SEIAA authorities in

conformity with the SO No. 141 (E), SO No. 3611(E) and as per Sustainable Sand Mining Management Guidelines, 2016 and Enforcement & Monitoring Guidelines for Sand Mining, 2020 published by MoEF&CC, Gol.

2. The project proponent shall submit a certificate from the Director (Industries) to the fact that no river bed mining lease exists in 5 k.m. radius from the periphery of the area applied.
3. The project proponent shall submit geo referenced land use change map depicting all the features.

The project proponent submitted the compliance to the above observations on dated 16/8/2024.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. The Committee observed that the proposed mining lease is in accordance with the DSR duly endorsed by the SEIAA.

After deliberation on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much stability of surrounding area will be affected due to proposed mining.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-80mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.

RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panelfunction	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

| i) | Leases within 500 meter from the periphery of the area applied. | No mining lease exist within 500 meters,  |
| j) | Letter of Intent  | Letter of Intent issued on dated 03.09.2015<br>Clarification letter no. Udyog-Bhu (Khani-4) Laghu-168/ 2013- 1676 dated 23-08-2023. |
| k) | EMP Cost  | Capital Cost Rs. 0.30 Lakhs and Recurring Cost Rs. 1.40 Lakhs annually.   |

I) CER cost Rs. 4.00 Lakhs.

The proposed project is Extraction/ Collection of Stone, Sand & Bajri. The PARIVESH link is as below:-  
<https://parivesh.nic.in/newupgrade/#/report/ec?proposalId=9898615>

Online proposal for granting EC was submitted on dated 14/09/2023 and accepted by the SEIAA secretariat on date 13/12/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 13/10/2023.

It was observed by the committee that the proponent was granted EC earlier at District level vide no. LRK-SDM/N/ Mine/ 2017-84 dated 05-01-2018 for a period of five years. But the pp could not get the grant order executed in his favor in this period and hence due to expiry of the EC has now reapplied for the renewal of EC at SEIAA level. The letter of Intent in this case has not been issued a fresh as clarified by Mining Department vide letter no. Udyog-Bhu(Khani-4) Laghu-168/ 2013- 1676 dated 23-08-2023.

The case was listed in 98<sup>th</sup> meeting of the SEAC held on 6<sup>th</sup> January, 2024.

The PP requested to defer the case for next meeting; therefore, the case appraisal was deferred by SEAC.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. The Committee observed that the proposed mining lease is in accordance with the DSR duly endorsed by the SEIAA.

After deliberation on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much stability of surrounding area will be affected due to proposed mining.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber

	etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-SOmm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scope under warranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

2.9 **Sh. Roshan Lal, Prop: M/s Bhagwati Stone Crusher, Village Banoh, P.O. Kakkarhatti, Tehsil Arki, Distt. Solan, Himachal Pradesh.**

**Brief outline of the project:-**

- |    |                  |   |
|----|------------------|---|
| a) | Proposal No.     | SIA/HP/MIN/450718/2023<br>HP SEIAA/2023/1120  |
| b) | Processing fee   | Transaction number 417714135996 dated 25.06.2024 of Rs. 20,000/-  |
| c) | Project type     | Extraction of Sand/stone.   |
| d) | Project Location | Khasra number 314/245, 315/245 & 243/5/2/1 falling in Mauza/Mohal-Banoh, Tehsil-Arki, District-Solan, HP. |
| e) | Jamabandi        | Jamabandi for the year 2017-18  |
| f) | Land Status      | Private Land, Hill slope.   |
| g) | Capacity         | 26,339 TPA.   |
| h) | Mining Area      | 19-02 Bighas, Private land.   |

- |    |  |   |
|----|--|---|
| i) | Leases with in 500 meter from the periphery of the area applied. | No mining lease exist within 500 meters:  |
| j) | Letter of Intent   | Letter of Intent issued on dated 25/04/2023<br>(Valid for one year i.e. up to 24/04/2024) |

| l) | CER cost   | Rs. 8.00 Lakhs.   |

The proposed project is Extraction of stone. The PARIVESH link is as below:-  
<https://parivesh.nic.in/newupgrade/#!/report/ec?proposalId=20814969>

Online proposal for EC was submitted on dated 30/10/2023 and accepted by the SEIAA secretariat on dated 25/11/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 18/11/2023.

The case application was listed before the SEAC in 97<sup>th</sup> meeting held on 7/12/2023. The SEAC decided to list the case in next meeting after compliance to the following observations:

1. The project proponent shall submit revised & approved mining plan indicating the correct approach road to the mining site.
2. The project proponent shall submit clarification from the Department of Industries, HP w.r.t. Notification issued by Deptt. of Industries, GoHP No. Ind-II(F)6-15/2020-I, dated 3/8/2021.
3. The project proponent shall submit a certificate from the Director (Industries) to the fact that the proposed mining site is recommended/approved on the basis of the District Survey Report prepared & approved by SEIAA authorities in conformity with the SO No. 141 (E), SO No. 3611(E) and as per Sustainable Sand Mining Management Guidelines, 2016 and Enforcement & Monitoring Guidelines for Sand Mining, 2020 published by MoEF&CC, Gol.

After submission of the compliance by the pp the case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberation on the information submitted by the project proponent and considering the facts & site inspection report placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much stability of surrounding area will be affected due to proposed mining.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The

Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)

- The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
- This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

2.10 Sh. Dev Dutt, Village-Lana Kasar, PO. Sarsoo, Narag, Tehsil-Pachhad, District Sirmaur, Himachal Pradesh.

**Brief outline of the project:**

- |    |                |  |
|----|----------------|--|
| a) | Proposal No.   | SIA/HP/MIN/450868/2023   |
|    |                | HP SEIAA/2023-1115   |
| b) | Processing fee | DD number 316405 dated 29.04.2024 of Rs. 25,000/- Canara Bank, Shimla. |
| c) | Project type   | Extraction of Stone.   |

d)	Project Location	Khasra number 117/76/3 falling in Mauza-Lana Kansar (Upsampada Lana KansarSarahan), Tehsil-Pachhad, District-Sirmaur, Himachal Pardesh.
e)	Jamabandi	Jamabandi for the year 2020-2021
f)	Land Status	Private land, hill slope.
g)	Capacity	40,000 MT/year.
h)	Mining Area	19-13 Bighas, 1.5483 ha, Private land/hill slope.
i)	Leases with in 500 meter from the periphery of the area applied.	No mining lease exists within 500 meters.
j)	Letter of Intent	The letter of Intent dated 14.08.2024 has been issued by Industries Deptt. in favour of Sh. Yashpal Chauhan.
k)	EMP Cost	Capital Cost Rs.10.00 Lakhs, Recurring Cost Rs. 2.8 Lakhs annually
l)	CER cost	Rs. 8.00 lakhs.

The proposed project is Extraction of Stone. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/report/ec?proposalId=21068869>

Online proposal for granting EC was submitted on dated 01/11/2023 and accepted by the SEIAA secretariat on dated 25/11/2023 and forwarded to SEAC secretariat.

The case application was listed before the SEAC in 97<sup>th</sup> meeting held on 7/12/2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the Committee, the SEAC decided to list the case in next meeting after compliance to the following observations:

1. The project proponent shall submit revised plan to construct about 450 meter length mashed retaining wall along the road side with budgetary provision.
2. The project proponent shall submit a certificate from the Director (Industries) to the fact that the proposed mining site is recommended/approved on the basis of the District Survey Report prepared & approved by SEIAA authorities in conformity with the SO No. 141 (E), SO No. 3611(E) and as per Sustainable Sand Mining Management Guidelines, 2016 and Enforcement & Monitoring Guidelines for Sand Mining, 2020 published by MoEF&CC, Gol.
3. The project proponent shall submit NOC from the competent authority regarding use of water for mining purpose.

Project proponent submitted the documents. It was also intimated by project proponent Sh. Dev Dutt that the said mining lease has been now transferred in the name of Sh. Yashpal Chauhan C/o Gitika Niwas, Parimahal, Shimla, Himachal Pradesh. The letter of Intent dated 14.08.2024 has been revised / reissued in favour of Sh. Yashpal Chauhan and mining plan has also been transferred on dated 14.08.2024 on same terms and conditions.

Committee observed that the online application is in the name of Sh. Dev Dutt and required to be refilled through a online request by the new owner, both the seller and buyer were present in the meeting during the presentation.

After submission of the compliance by the pp the case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>h</sup> to 21<sup>st</sup> August, 2024.

After deliberation on the information submitted by the project proponent and considering the facts & site inspection report placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much stability of surrounding area will be affected due to proposed mining.
2. The project proponent shall submit a certificate to the extent that there is no river bed mining lease in 5 km distance.

The application was placed before the SEAC in its 103<sup>rd</sup> meeting held on 21/10/2024. The SEAC after detailed delebration decided that:-

- The Mining Officer may give his report as how much stability of surrounding area will be affected due to proposed mining.
- The certificate to the extent that there is no river bed mining lease in 5 km distance shall also be placed in next meeting. The report of MO be placed before the SEAC for further decision.

In compliance to the observations of the the pp also submitted the reply apart from reply from Industry department in the matter.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-50mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scope under warranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

2.11 Sh. Rakesh Chander, S/o Sh. Kishori Lal, Village GharyaniTukralan, PO Lafran, Tehsil Dhatwal (Bijhar), District Hamirpur, H.P.

**Brief outline of the project:**

a)	Proposal No.	SIA/HP/MIN/451408/2023 HP SEIAA/2023-1114
b)	Project type	Extraction of Sand, Stone.
c)	Project Location	Khasra number 43falling in Mauza/Mohal Baroti, Sub Tehsil Kalol, District-Bilaspur, H.P
d)	Jamabandi	Jamabandi for the year 2020-2021
e)	Land Status	Private land, hill slope.
f)	Capacity	10,000 MT/year.
g)	Mining Area	04-17 Bighas, Private land/hill slope.
h)	Leases with in 500 meter from the periphery of the area applied.	No mining lease exists within 500 meters.
i)	Letter of Intent	LoI letter extension dated 25/6/2024 valid upto 19/3/2025.
j)	EMP Cost	Capital Cost- Rs.5.50 Lakhs, Recurring Cost- Rs.1.44 Lakhs annually
k)	CER cost	Rs. 4.00 Lakhs.

The proposed project is Extraction of Sand, Stone. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/report/ec?proposalId=22052626>

Online proposal for granting EC was submitted on dated 06/11/2021 and accepted by the SEIAA secretariat on dated 25/11/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 05/11/2023.

The case was listed before the SEAC in 96<sup>th</sup> meeting held on 29/11/2023. After deliberating on the information submitted by the project proponent and considering the facts placed before the Committee, the SEAC decided to list the case in next meeting after compliance to the following observations:

1. The project proponent shall submit a certificate from the Director (Industries) to the fact that the proposed mining site is recommended/approved on the basis of the District Survey Report prepared & approved by SEIAA authorities in conformity with the SO No. 141 (E), SO No. 3611(E) and as per Sustainable Sand Mining Management Guidelines, 2016 and Enforcement & Monitoring Guidelines for Sand Mining, 2020 published by MoEF&CC, Gol.
2. The project proponent shall submit a certificate from the Director (Industries) to the fact that no river bed mining lease exists in 5 k.m. radius from the periphery of the area applied.
3. The project proponent shall submit geo referenced land use change map depicting all the features.
4. The project proponent shall submit ground water and drainage map of the proposed mining site.

The project proponent submitted the clarification and compliance to above observations on dated 27-12-2023.

After submission of compliance of the observations, the case was again listed in 98<sup>th</sup> meeting of the SEAC held on 6<sup>th</sup> January, 2024. After deliberating on the information submitted by the project proponent and considering the facts & compliance placed before the committee, the SEAC did not recommend the case for grant of EC in view of the MoEF&CC directions issued vide F. No. IA3-22/11/2023-IA.III (E-208230) dated 28<sup>th</sup> April, 2023 w.r.t. Hon'ble NGT order dated 07.12.2022 passed in O.A.142 of 2022 in the matter of Jayant Kumar vs. MoEF&CC; to scrutinize and appraise the EC proposals based on the updated District Survey Report after five years, approved by SEIAA as per Ministry's Notification S.O 3611(E) dated 25.07.2018.

In view of the above, the SEAC decided to list the case of the proposed mining area after ascertaining the current status of mining area, in next meeting after submission of updated District Survey Report duly endorsed by SEIAA.

After submission of the compliance, the case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024.

After deliberation on the information submitted by the project proponent and considering the facts & site inspection report placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much stability of surrounding area will be affected due to proposed mining.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.

Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-50mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scope under warranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

2.12 Sh. Atul Sharma, S/o Sh. M.D. Sharma, Village-Sainj, P.O. Kirti, Tehsil-Kumarsain, District-Shimla, Himachal Pradesh.

**Brief outline of the project:**

- |    |   |  |
|----|---|--|
| a) | Proposal No.  | SIA/HP/MIN/453395/2023<br>(HP SEIAA/2023-1126)   |
| b) | Processing fee  | UPI transaction number 41696880995 dated 14.05.2024  |
| c) | Project type  | Extraction of Sand, Stone & Bajri.   |
| d) | Project Location  | Khasra number 5681 falling in Mauza/ Mohal-Nithar Himri, Sub-Tehsil-Nithar, District-Kullu, HP.  |
| e) | Jamabandi   | Jamabandi for the year 2019-2020   |
| f) | Land Status   | Private Land   |
| g) | Capacity  | 10,014 MT/year   |
| h) | Mining Area   | 05-00 Bighas, Private land.  |
| i) | Leases within 500 meter from the periphery of the area applied. | Three other mining lease exists within 500 meters:-<br>1. Sh. Rakesh Verma, 8-02 Bighas.<br>2. Sh. Veer Singh, 6-05 Bighas<br>3. Sh. Atul Sharma, 20-11 Bighas |
| j) | Letter of Intent  | LOI extension issued on 2/7/24 valid upto 2/4/25   |

k)	EMP Cost	Capital cost: Rs 8.25 Lakhs and Recurring cost: Rs 1.44 Lakhs annually.
l)	CER cost	Rs. 4.00 Lakhs.

The proposed project is Extraction of Sand, Stone & Bajri. The PARIVESH link is as below:-  
<https://parivesh.nic.in/newupgrade/#/report/ec?proposalId=26875827>

Online proposal for EC was submitted on dated 26/11/2023 and accepted by the SEIAA secretariat on dated 13/11/2023 and forwarded to SEAC secretariat. The hard copy was submitted on dated 30/11/2023.

The case was listed in 98<sup>th</sup> meeting of the SEAC held on 6<sup>th</sup> January, 2024.

The PP requested to defer the case for next meeting; therefore, the case appraisal was deferred by the SEAC. Now, pp has requested to list the case in next meeting of SEAC.

After submission of the compliance, the case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024.

After deliberation on the information submitted by the project proponent and considering the facts & site inspection report placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much stability of surrounding area will be affected due to proposed mining.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades

Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-SOmm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panelfunction	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

## PARIVESH-II

**2.13 Smt. Kuldeep Kaur, W/o Sh. Ram Kumar, Village-Haripur Sandoli, Tehsil-Baddi, District Solan, H.P.**

### Brief outline of the project:

- |    |                  |   |
|----|------------------|---|
| a) | Proposal No.     | SIA/HP/MIN/463766/2024<br>HP SEIAA/2023/1188  |
| b) | Processing fee   | DD number 144487 dated 26.04.2024 of Rs. 15,000/- State Bank of India, Shimla.      |
| c) | Project type     | Extraction/collection of Sand, Stone & Bajri.                                       |
| d) | Project Location | Khasra number 434/2 falling in Mauza/Mohal-Moolbari, Tehsil & District-Shimla, H.P. |
| e) | Jamabandi        | Jamabandi for the year 2011-2012.   |

f)	Land Status	Private land, hill slope.
g)	Capacity	31,510 MT/year.
h)	Mining Area	00-70-61 Hectare, Private land/hill slope
i)	Leases with in 500 meter from the periphery of the area applied.	One mining lease exists within 500 meters. 1. Smt. Kuldeep Kaur (01-12-81 Ha)
j)	Letter of Intent	Letter of Intent issued on dated 28.07.2023 (Valid for one year i.e. up to 27.07.2024)
k)	EMP Cost	Capital Cost- Rs.6.00 Lakhs, Recurring Cost- Rs.1.44 Lakhs annually
l)	CER cost	Rs.- 4.00 Lakhs.

The proposed project is Extraction/collection of Sand, Stone & Bajri. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F463766%2F2024&proposal=49057142>

Online proposal for granting EC was submitted on dated 02/03/2024 and accepted by the SEAC on dated 29/04/2024. The hard copy was submitted by Project proponent on dated 29/04/2024.

The case was listed in 100<sup>th</sup> meeting of SEAC held on dated 30<sup>th</sup> April to 1<sup>st</sup> May, 2024. The Committee also examined the project site on the DSS tool provided on PARIVESH 2.0 portal with all relevant & important features located in and around the project site.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. The project proponent shall submit a certificate from the Director (Industries) to the fact that the proposed mining site is recommended/approved on the basis of the District Survey Report prepared & approved by SEIAA authorities in conformity with the SO No. 141 (E), SO No. 3611(E) and as per Sustainable Sand Mining Management Guidelines, 2016 and Enforcement & Monitoring Guidelines for Sand Mining, 2020 published by MoEF&CC, Gol.
2. The project proponent shall submit plantation plan with the species (fruit plants, dadu, etc.).

After submission of the compliance by the pp on dated 29/4/2024 and deposit of fee on dated 26/4/2024 the case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024.

After deliberation on the information submitted by the project proponent and considering the facts & site inspection report placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the case application to SEAC for re-examination as per the following observations:

1. The SEIAA observed that there are trees in the proposed mining area while looking at drone video footage and kml file of the site. It was also observed that there were clear images of muck rolling down from the adjacent mining area.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may devise a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-50mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scope under warranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).

8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

**2.14 Sh. Sanyog Kumar, Village-Thaleen, P.O. & Tehsil-Nithar, District-Kullu, Himachal Pardesh.**

**Brief outline of the project:-**

a)	Proposal No.	SIA/HP/MIN/459980/2024, Parivesh 2.0 HP SEIAA/2024-1172
b)	Processing fee	DD number 236692 dated 29.04.2024 of Rs. 25,000/- State Bank of India, Kasumpti.
c)	Project type	Extraction of Sand, Stone and Bajri.
d)	Project Location	Khasra number 4093/3 & 4096 falling in Mauza & Mohal Palehi Kothi, Tehsil-Nithar, District-Kullu, H.P.
e)	Jamabandi	Jamabandi for the year 2016-2017
f)	Land Status	Private land.
g)	Capacity	2,945 MT/year.
h)	Mining Area	03-10 Bighas, Private land.
i)	Leases with in 500 meter from the periphery of the area applied.	One mining lease exists with in 500 meter, 1. Sh. Atul Sharma, Shimla, 18-10 Bighas.
j)	Letter of Intent	Letter of Intent issued on dated 11.10.2023 (Valid for one year i.e. up to 10.10.2024)
k)	EMP Cost	Capital Cost- Rs. 5.50 Lakhs, Recurring Cost- Rs.1.44 Lakhs /PA
l)	CER cost	Rs. 4.0 Lakhs

The proposed project is Extraction of rough slab slate for open sale. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F459980%2F2024&proposal=41557053>

Online proposal for granting EC was submitted on dated 02/02/2024 and accepted by the SEAC on dated 04/03/2024.

The case was listed in 100<sup>th</sup> meeting of SEAC held on dated 30<sup>th</sup> April to 1<sup>st</sup> May, 2024. The Committee examined the facts extracted from the pre-feasibility report, approved mining plan & Lol etc. submitted by the project proponent and observed that the proposed project is neither river bed nor hill slope type and is proposed on terrace sites which does not involve any replenishment process after the exhausting of the mineral as per approved mining plan. Such sites are to be closed with restoration through agricultural/ plantation activities.

The SEAC also examined the written complaint received from villages of nearby village Gothna Katog, Noa, Shmathala, Nithar, Kullu regarding illegal mining carried out around the proposed mining area.

The Committee also examined the project site on the DSS tool provided on PARIVESH 2.0 portal with all relevant & important features located in and around the project site.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee in 100<sup>th</sup> meeting, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. In view of the written complaints received from the surrounding resident/ villagers the SEAC decided to conduct a site visit by sub-committee of SEAC and submit its report prior to any decision in the matter.
2. The project proponent shall submit Jamabandi (in original) duly signed by the competent authority indicating the name of the project proponent.
3. The project proponent shall submit copy of Joint Inspection Report duly attested from the State Geologist, Deptt. of Industries, with the clearcut clarification that the proposed project is Hill slope mining or Terrace mining.
4. The project proponent shall submit muck management plan with muck dumping location coordinates & khasra numbers.

The project proponent had submitted the documents on dated 28.06.2024. After submission of the compliance by the PP the case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024.

After deliberating on the information submitted by the project proponent and considering the fact that the site visit has not been undertaken and only other compliances have been reported, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. A subcommittee of SEAC shall visit the proposed mining site and submit its report to the SEAC for further appraisal.

According to observation a sub committee of SEAC along with Officers/ Officials from DEST&CC also visited the site on dated 06.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may devise a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-50mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more

Scope under warranty	All the spares & repair work including labor
----------------------	--

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

**2.15 Sh. Surinder Jishtu, S/o Sh. Arjan Dass, Village-Lauga, PO-Thanedhar, Tehsil-Kumarsain, Shimla, Himachal Pradesh.**

**Brief outline of the project:-**

- |  |  |
|--|--|
| a) Proposal No.  | SIA/HP/MIN/465555/2024<br>HP SEIAA/2024-1183   |
| b) Processing fee  | DD number 456534 dated 12.03.2024 of Rs. 15,000/- Punjab and Sindh Bank, Shimla, Himachal Pradesh    |
| c) Project type  | Extraction of Sand, Stone & Bajri.   |
| d) Project Location  | Khasra number 5 falling in Mauza/Mohal-Bhoot, Tehsil- Kumarsain, District- Shimla, Himachal Pradesh. |
| e) Jamabandi   | Jamabandi for the year 2019-2020   |
| f) Land Status   | Private Land, hill slope.  |
| g) Capacity  | 7,200 MT/year  |
| h) Mining Area   | 00-46-68 Hectare, Private land/hill slope.   |
| i) Leases within 500 meter from the periphery of the area applied. | No mining leases exist within 500 meters.  |
| j) Letter of Intent  | Letter of Intent issued on dated 02/12/2023<br>(Valid for one year i.e. up to 01/12/2024)            |
| k) EMP Cost  | Capital cost: Rs. 8.00 Lakhs, Recurring cost: Rs. 1.44 Lakhs/ PA                                     |
| l) CER cost  | Rs. 4.00 Lakhs.  |

The proposed project is Extraction of Sand, Stone & Bajri. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F465555%2F2024&proposal=52471641>

Online proposal for EC was submitted on dated 09/03/2024 and accepted by the SEAC on dated 29/04/2024. The hard copy was submitted by Project proponent on dated 12.03.2024

The case was listed in 100<sup>th</sup> meeting of SEAC held on dated 30<sup>th</sup> April to 1<sup>st</sup> May, 2024. The Committee examined the project site on the DSS tool provided on PARIVESH 2.0 portal with all relevant & important features located in and around the project site.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. The project proponent shall submit a certificate from the Director (Industries) to the fact that the proposed mining site is recommended/approved on the basis of the District Survey Report prepared & approved by SEIAA authorities in conformity with the SO No. 141 (E), SO No. 3611(E) and as per Sustainable Sand Mining Management Guidelines, 2016 and Enforcement & Monitoring Guidelines for Sand Mining, 2020 published by MoEF&CC, Gol.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024.

After deliberation on the information submitted by the project proponent and considering the facts & site inspection report placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to the prior submission of certificate from the Industries department that the LOI has been issued as per the approval of DSR by SEIAA.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much stability of surrounding road, adjacent area will be affected due to proposed mining.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-SOmm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.

RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panelfunction	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

| l) | CER cost   | Rs. 20.00 Lakhs.  |

The proposed project is Extraction of Sand, Stone & Bajri. The PARIVESH link is as below:-

The project proponent has been granted Environment Clearance vide no. DEIAA/Una/EC/2017/1299 dated 13.09.2017 for an area 4-61-11 hectare having capacity 60,000 TPA.

Online proposal for EC was submitted on dated 06/03/2024 and accepted by the SEAC on dated 29/04/2024. The hard copy was submitted by Project proponent on dated 12.03.2024

The case was listed in 100<sup>th</sup> meeting of SEAC held on dated 30<sup>th</sup> April to 1<sup>st</sup> May, 2024. The Committee examined the compliance submitted to the earlier conditions imposed in EC letter issued by DEIAA, Una using drone videos, photographs, kml file submitted. The Committee also examined the project site on the DSS tool provided on PARIVESH 2.0 portal with all relevant & important features located in and around the project site.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. The Committee observed that the project proponent has not fully complied earlier EC terms & condition, therefore, decided to conduct a site visit by sub-committee of SEAC and submit its report.

After submission of the compliance, the case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberating on the information submitted by the project proponent and considering the fact, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

- A sub-committee of SEAC shall visit the proposed mining site and submit its report to the SEAC for further appraisal.

According to observation a sub committee of SEAC along with Officers/ Officials from DEST&CC also visited the site on dated 21.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-SOmm

Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panelfunction	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

The proposed project is Extraction of Stone and Bajri. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F462277%2F2024&proposal=45305774>

Online proposal for granting EC was submitted on dated 09/02/2024 and accepted by the SEAC on dated 17/08/2024.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberating on the information submitted by the project proponent and considering the fact, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. A sub committee of SEAC shall visit the proposed mining site in view of the green cover visible in the drone video clip and submit its report to the SEAC for further appraisal.

According to observation a sub committee of SEAC along with Officers/ Officials from DEST&CC also visited the site on dated 21.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. Before issuance of EC, the project proponent shall submit the NOC from owner of the road proposed for approaching the mining site.
2. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
3. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-50mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.

Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panelfunction	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

4. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
5. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
6. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
7. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
8. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
9. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
10. The project proponent shall obtain prior NOC of Forest Department and State Bio Diversity Board w.r.t. cutting of different species tree before start of Mining activities under FCA and Biodiversity Act.
11. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

2.18 Sh. Pawan Kumar, S/o Sh. Chint Ram, M/s New Mahadev Stone Crusher, R/o Ward no. 1, Village & P.O. Mawasindhiyan, Tehsil-Ghanari, District-Una, Himachal Pradesh.

**Brief outline of the project:-**

- |    |  |  |
|----|--|--|
| a) | Proposal No.   | SIA/HP/MIN/480155/2024<br>HP SEIAA/2024/1134   |
| b) | Processing fee   | Cheque number 309363 dated 10.06.2024 of Rs. 20,000/- PNB Gagret, Una. Having NEFT/RTGS Transaction ID no. PUNBK24162688574 dated 10.06.2024.    |
| c) | Project type   | Extraction of Sand, Stone & Bajri.   |
| d) | Project Location   | Khasra number 1164 (01-12-89 ha) & 1180/2 (0-89-32 ha) falling in Mohal Mandwara, Mauza Marwari, Tehsil-Ghanari, District-Una, Himachal Pradesh. |
| e) | Jamabandi  | Jamabandi for the year 2019-2020   |
| f) | Land Status  | Private Land, hill slope.  |
| g) | Capacity   | 62,460 MT/year.  |
| h) | Mining Area  | 02-02-21 Hectare, Private land/hill slope.   |
| i) | Leases with in 500 meter from the periphery of the area applied. | No mining leases exist within 500 meters.  |
| j) | Letter of Intent   | Letter of Intent issued on dated 05/03/2024 and valid for one year i.e. 04/03/2025.  |
| k) | EMP Cost   | Capital cost: Rs. 13.60 Lakhs and Reccuring Cost: Rs. 3.64 Lakhs annually.   |
| l) | CER cost   | Rs. 12.00 Lakhs.   |

The proposed project is extraction of Sand, Stone & Bajri. The PARIVESH link is as below:-

Online proposal for EC was submitted on dated 10/06/2024 and accepted by the SEAC on dated 08/08/2024. The hard copy was submitted by Project proponent on dated 12/06/2024.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberation on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much stability of surrounding area will be affected due to proposed mining.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-SOmm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP

Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panelfunction	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

2.19 M/s Naina Stone Crusher, Prop: Sh. Mahender Kumar, Village-Gassour, P.O. Jukhala, Tehsil- Sadar, District-Bilaspur, H.P.

**Brief outline of the project:**

- |    |  |  |
|----|--|--|
| a) | Proposal No.   | SIA/HP/MIN/455473/2023, Parivesh 2.0<br>HP SEIAA/2023-1165   |
| b) | Processing fee   | RTGS No. HPSCN34125004013 dated 4/5/24 Rs. 20,000/-  |
| c) | Project type   | Extraction of Stone.   |
| d) | Project Location   | Khasra number 468 falling in Mauza/Mohal-Bholi/Bholi, Tehsil-Sadar, District-Bilaspur, H.P             |
| e) | Jamabandi  | Jamabandi for the year 2015-2016   |

| g) | Capacity   | 74,800 TPA.  |
| h) | Mining Area  | 23-19-00 Bighas, Private land/hill slope.  |
| i) | Leases with in 500 meter from the periphery of the area applied. | No mining lease exists within 500 meter.   |
| j) | Letter of Intent   | Extension of Letter of Intent issued on dated 16.12.2023<br>(Valid for one year i.e. up to 12.10.2024) |
| k) | EMP Cost   | Capital Cost- 7.25 Lakhs, Recurring Cost- 1.44 Lakhs annually.   |
| l) | CER cost   | Rs. 8.00 Lakhs   |

The proposed project is Extraction of stone. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F455473%2F2023&proposal=31516469>

Online proposal for granting EC was submitted on dated 16/12/2023 and accepted by the SEAC on dated 08/08/2024. The hard copy was submitted by Project proponent on dated 01/01/2024.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberating on the information submitted by the project proponent and considering the fact, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. A sub committee of SEAC shall visit the proposed mining site and submit its report to the SEAC for further appraisal.

According to observation a sub committee of SEAC along with Officers/ Officials from DEST&CC also visited the site on dated 18.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-SOmm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	

Duration	12 months or more
Scope under warranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

The proposed project is collection/extraction of Sand, Stone & Bajri. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F483564%2F2024&proposal=78287837>

Online proposal for EC was submitted on dated 09/07/2024 and accepted by the SEAC on dated 14/08/2024. The hard copy was submitted by Project proponent on dated 15/07/2024.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberation on the information submitted by the project proponent and considering the facts & site inspection report placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the proposal to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video footage and kml file observed that mining in proposed site may lead to destabilization of stable slope and environmental degradation, the SEAC may re-examine the facts.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-50mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more

Scope under warranty	All the spares & repair work including labor
----------------------	--

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

| k) CER cost  | 4.00 Lakhs.  |

The proposed project is Extraction of Rough Slab Slates. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F451676%2F2023&proposal=22549536>

Online proposal for EC was submitted on dated 25/11/2023 and accepted by the SEIAA secretariat on dated 17/08/2024 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 26/10/2023.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024.

After deliberation on the information submitted by the project proponent and considering the facts & site inspection report placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA, subject to fulfillment of conditions annexed at Annexure-I with following special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may devise a plan for this purpose as per CER guidelines.
2. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on

12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much stability of surrounding area will be affected due to proposed mining.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
3. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
4. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
5. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
6. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
7. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

2.22 M/s Sarahan Blues, Partnership Firm (Partners Sh. Himender Anand, Lakshay Anand & Paramarthi Dutt), R/o Shop-I, The Sarahan Blues Building, Near New Bus Stand, P.O. Sarahan, Tehsil Pachhad, District Sirmour, Himachal Pradesh.

| b) | Project type | Extraction of Sand.  |

c)	Project Location	Khasra number 1246/1040/844/1 falling in Mohal/Mauza Mangarh, Tehsil-Pachhad, District-Sirmour, HP.
d)	Jamabandi	Jamabandi for the year 2018-19, verified on 12.12.2022
e)	Land Status	Private Land.
f)	Capacity	50,000 TPA.
g)	Mining Area	25-04 Bighas, 2.1242 ha, Private land.
h)	Leases with in 500 meter from the periphery of the area applied.	One mining lease exist within 500 meters:
i)	Letter of Intent	1. M/s Sarahan Blues (08-03 Bighas) Letter of Intent issued on dated 28/09/2022 (Valid for one year i.e. up to 27/09/2023)
j)	EMP Cost	Capital Cost Rs.8.92 Lakhs and Recurring Cost Rs. 4.15 Lakhs annually.
k)	CER cost	Nil.

The proposed project is Extraction of Sand. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F459018%2F2024&proposal=39211650>

Online proposal for EC was submitted on dated 05/05/2023 and accepted by the SEIAA secretariat on dated 26/06/2023 and forwarded to SEAC secretariat. The hard copy was submitted by Project proponent on dated 24/05/2023.

The case was appraised in 94<sup>th</sup> meeting of the SEAC held on 7<sup>th</sup> & 8<sup>th</sup> August, 2023 with following observations:

1. A Sub Committee of members of SEAC, DEST&CC, Mining Officer, concerned Patwari shall visit & examine the site keeping in view all environmental aspects and submit its report for further decision.

The site was visited on 21.09.2023 by SEAC sub-committee and the site inspection report was placed before the Committee in its 95<sup>th</sup> meeting held on 26/9/2023.

After deliberating on the information submitted by the project proponent & report submitted by the sub-committee the SEAC decided to initiate the process for case of violation and list the case in next meeting after completion of the process.

The project proponent had submitted the information w.r.t. violation case registered against M/s Sarahan Blues vide registration number 1/2023 dated 20.11.2023 before District Court, Sirmaur, Himachal Pradesh.

After submission of compliance of the observations, the case was again listed in 98<sup>th</sup> meeting of the SEAC held on 6<sup>th</sup> January, 2024. After deliberating on the information submitted by the project proponent and considering the facts & compliance placed before the committee, the SEAC directed the project proponent to withdraw the application of TOR in view of Hon'ble Supreme Court Orders dated 2/1/2024 to stay operation of the OM dated 7/7/2021 and 28/1/2022 issued by MoEF&CC.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC did not recommend the case for grant of EC in view of the MoEF&CC directions issued vide F. No. IA3-22/11/2023-IA.III (E-208230) dated 28<sup>th</sup> April, 2023 w.r.t. Hon'ble NGT order dated 07.12.2022 passed in O.A.142 of 2022 in the matter of Jayant Kumar vs. MoEF&CC; to scrutinize and appraise the EC proposals based on the updated District Survey Report after five years, approved by SEIAA as per Ministry's Notification S.O 3611(E) dated 25.07.2018.

In view of the above, the SEAC decided to list the case of the proposed mining area after ascertaining the current status of mining area, in next meeting after submission of updated District Survey Report duly endorsed by SEIAA.

The project proponent had again applied for Environment Clearance vide proposal number SIA/HP/MIN/458994 (EC) on dated 17/01/2024 and accepted on dated 17/08/2024.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberation on the information submitted by the project proponent and considering the facts & site inspection report placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much of surrounding area has been affected due to illegal mining and seek restoration plan from the proponent.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-50mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scope under warranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

2.23 Sh. Sanjeev Mehta, S/o Sh. Sardari Ram, Prop. M/s Satya Surya Shiv Shakti Stone Crusher, Village-Suld, P.O. Thanedhar, Tehsil-Kumarsain, District-Shimla, Himachal Pradesh.

**Brief outline of the project:-**

a)	Proposal No.	SIA/HP/MIN/456425/2023, PARIVESH 2.0 HP SEIAA/2024-1163
b)	Processing fee	DD number 236691 dated 30.04.2024 of Rs.15,000/- State Bank of India, Kasumpti, HP
c)	Project type	Extraction/collection of Stone.
d)	Project Location	Khasra number 494/480/33/1 and 477/33/3 falling in Mauza-Pashada, Tehsil-Rampur, District-Shimla, Himachal Pradesh.
e)	Jamabandi	2021-2022
f)	Land Status	Govt. land/hill slope.
g)	Capacity	21,250 TPA
h)	Mining Area	0-82-02 hectare, Govt. land/hill slope.
i)	Leases with in 500 meter from the periphery of the area applied.	One mining lease exists within 500 meters:- 1. Sh. O.P. Mehta, 01-10-78 hectare.
j)	Mining plan	The pp has been granted approval of mining lease vide letter no. Udyog-Bhu (khani-4) Laghu-70/2014-5316 dated 31.08.2023.
k)	EMP Cost CER cost	Capital Cost-8.62 Lakhs, Recurring Cost-2.46 Lakhs annually. Rs. 4 lakhs

The proposed project is Extraction/Collection of Stone. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F456425%2F2023&proposal=33136225>

Online proposal for granting EC was submitted on dated 22/12/2023 and accepted by the SEIAA secretariat on dated 14/08/2024 and forwarded to SEAC secretariat.

The project proponent replied to online EDS on dated 10-08-2024.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. The Committee observed that the proposed mining lease is in accordance with the DSR duly endorsed by the SEIAA.

After deliberation on the information submitted by the project proponent and considering the facts & site inspection report placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing eco sensitivity of the area and fact that how much stability of surrounding area will be affected due to proposed mining.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-SOmm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.

Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scope under warranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

The proposed project is extraction of Sand, Stone & Bajri. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F465482%2F2024&proposal=52210953>

Online proposal for EC was submitted on dated 09/03/2024 and accepted by the SEAC on dated 14/08/2024. The hard copy was submitted by Project proponent on dated 14/05/2024.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberating on the information submitted by the project proponent and considering the fact, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. The project proponent shall submit jamabandi & revenue record with name of owner/lease holder.
2. The project proponent shall submit muck management plan mentioning management of top soil extracted from the mining site.
3. A sub committee to visit the proposed mining site.

According to observation a sub committee of SEAC along with Officers/ Officials from DEST&CC also visited the site on dated 22.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the

committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-SOmm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panelfunction	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

2.26 Sh. Rajinder Singh (GPA holder), M/s Santokh Stone Crusher, Village-Berson, P.O. Manjholi, Tehsil-Nalagarh, District-Solan, Himachal Pradesh.

**Brief outline of the project:-**

a)	Proposal No.	SIA/HP/MIN/465554/2024 HP SEIAA/2024/1194
b)	Processing fee	DD number 417097 dated 29.04.2024 of Rs.15,000/-IDFC First Bank Limited.
c)	Project type	Extraction of Sand, Stone & Bajri.
d)	Project Location	Khasra number 261 falling in Mohla& Mauza-Jhidan, Tehsil-Nalagarh, District-Solan, Himachal Pradesh.
e)	Jamabandi	Jamabandi for the year 2018-2019
f)	Land Status	Private Land, hill slope
g)	Capacity	16,811MT/year.
h)	Mining Area	7-03 Bighas, Private land/hill slope.
i)	Leases with in 500 meter from the periphery of the area applied.	No mining leases exist within 500 meters:-
j)	Letter of Intent	Letter of Intent issued on dated 09/05/2023 and valid for one year
k)	EMP Cost	Capital cost: Rs. 5.0 Lakhs and Recurring Cost: Rs. 1.44 Lakhs for five years.
l)	CER cost	Rs. 4.00 lakhs.

The proposed project is extraction of Sand, Stone & Bajri. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F465554%2F2024&proposal=52471636>

Online proposal for EC was submitted on dated 09/03/2024 and accepted by the SEAC on dated 14/08/2024. The hard copy was submitted by Project proponent on dated 30/04/2024.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberating on the information submitted by the project proponent and considering the fact, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. The project proponent shall submit jamabandi& revenue record with name of owner/lease holder.
2. The project proponent shall submit muck management plan mentioning management of top soil extracted from the mining site.
3. A sub committee to visit the proposed mining site.

According to observation a sub committee of SEAC along with Officers/ Officials from DEST&CC also visted the site on dated 21.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the pp and Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-50mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scope under warranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

**Brief outline of the project:-**

a)	Proposal No.	SIA/HP/MIN/459558/2024 HP SEIAA/2024/1146
b)	Processing fee	UPI transaction number 419703125367 dated 15.07.2024 of Rs.20,000/-
c)	Project type	Extraction of Stone.
d)	Project Location	Khasra number 33/2, 34/2, 125/35, 126/35, 36 & 37 falling in Mohla & Mauza-Badog, Tehsil-Kasauli, District-Solan, Himachal Pradesh.
e)	Jamabandi	Jamabandi for the year 2017-2018
f)	Land Status	Private Land, hill slope
g)	Capacity	96,250 TPA as per DEIAA letter and 96,000MT/year.
h)	Mining Area	35-13 Bighas, 2.6827 ha, Private land/hill slope.
i)	Leases within 500 meter from the periphery of the area applied.	No mining leases exist within 500 meters.
j)	Grant of Mining Lease	Grant issued on dated 23/09/2017
k)	EMP Cost	Capital cost: Rs. 6.50 Lakhs and Recurring Cost: Rs. 1.44 Lakhs for five years.
l)	CER cost	Rs. 12.00 lakhs.

The proposed project is extraction of Stone. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F459558%2F2024&proposal=40539249>

Online proposal for EC was submitted on dated 09/03/2024 and accepted by the SEAC on dated 14/08/2024. The hard copy was submitted by Project proponent on dated 22/07/2024.

The project proponent has been granted Environment Clearance by DEIAA, Solan vide file no. SDM/SLN/Mine/2017-13-16 dated 21.06.2017.

The project proponent explained that the site was earlier operated by other proponent and he has not done anything on the site so far and has purchased recently. He committed that the site will be restored on his own expenses as per the condition of Committee and the committee may visit after six months and verify the improvements on site.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. The Committee observed that the proposed mining lease is in accordance with the DSR duly endorsed by the SEIAA.

After deliberation on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

- The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much stability of surrounding area will be affected due to proposed mining.
- The copy of LOI submitted by the proponent is not readable and ink signed.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of

material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per ≤ ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may devise a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-SOmm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panelfunction	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

2.28 Sh. M. G. Mehta, M/s M.G. Mehta & Associates, Village Sainj, P.O. Kirti, Tehsil- Kumarsain, District-Shimla, Himachal Pradesh.

**Brief outline of the project:**

a) Proposal No.	SIA/HP/MIN/459212/2024 (Re-appraisal of EC issued by DEIAA) HP SEIAA/2024/1198
b) Processing fee	DD Number: 236690 dated 29.04.2024 of Rs. 25,000/- State Bank of India, Shimla.
c) Project type	Extraction of Stone.
d) Project Location	Khasra number 31, 32, 280/33/2, 34, 36, 37, 38, 282/39 & 284/42 falling in village-Chamor of Tehsil-Kumarsain, District-Shimla, Himachal Pradesh.
e) Jamabandi	Jamabandi for the year 2017-2018
f) Land Status	Private Land, hill slope.
g) Capacity	55,000 MT/year.
h) Mining Area	04-64-99 Hectare, Private Land, hill slope.
i) Leases with in 500 meter from the periphery of the area applied.	No mining leases exist within 500 meters, Latest certificate is required.
j) Grant order	Grant order issued on dated 04/10/2017 for a period of 15 years.
k) EMP Cost	Capital cost: Rs. 6.25 Lakhs and Recurring Cost: Rs. 1.44 Lakhs annually.
l) CER cost	Rs. 18.00 Lakhs.

The proposed project is extraction of Stone. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F459212%2F2024&proposal=39502464>

Earlier, the Environment Clearance was granted by DEIAA, Shimla vide letter no. SML-SDM-SDK/(Mining)/2017-496-505 on dated 21/09/2017.

Online proposal for re-appraisal of EC was submitted on dated 19/01/2024 and accepted by the SEAC on dated 17/8/2024. The hard copy was submitted by Project proponent on dated 14/05/2024.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberating on the information submitted by the project proponent and considering the fact, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. The project proponent shall submit jamabandi & revenue record with name of owner/lease holder.
2. The project proponent shall submit muck management plan mentioning management of top soil extracted from the mining site.
3. A sub committee to visit the proposed mining site.

According to observation a sub committee of SEAC along with Officers/ Officials from DEST&CC also visited the site on dated 05.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the pp and Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may devise a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-50mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.

9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

**2.29 Sh. Adamya Singh Rathore, S/o Sh. Kameshwar, Village-Kalontha, P.O. Dhar, Tehsil-Jubbhal, District-Shimla, Himachal Pradesh.**

**Brief outline of the project:-**

a)	Proposal No.	SIA/HP/MIN/492909/2024 HP SEIAA/2024/1208
b)	Processing fee	Transaction number 422968603493 dated 16.06.2024 of Rs. 20,000
c)	Project type	Extraction of Sand, Stone & Bajri
d)	Project Location	Khasra number 4356/2 falling in Mauza & Mohal-Palehi, Kothi Himri, Sub Tehsil-Neethar, District-Kullu, Himachal Pradesh.
e)	Jamabandi	Jamabandi for the year ....
f)	Land Status	Hill slope, terrace deposit
g)	Capacity	46,995 TPA
h)	Mining Area	17-04-00 Bighas, Private land
i)	Leases within 500 meter from the periphery of the area applied.	-
j)	Letter of Intent	Letter of Intent dated 26.07.2024.
k)	EMP Cost	-
l)	CER cost	-

The proposed project is extraction of Sand, stone and Bajri. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F492909%2F2024&proposal=93631562>

Online proposal for EC was submitted on dated 15.08.2024 and accepted by the SEAC on dated 20.8.2024. The hard copy was submitted by Project proponent on dated 19/08/2024.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. The Committee observed that the proposed mining lease is in accordance with the DSR duly endorsed by the SEIAA.

After deliberation on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC recommended the case application for consideration of grant of environmental clearance by the SEIAA.

The matter was listed before SEIAA in its 70<sup>th</sup> meeting held on 30/9/2024. After detailed deliberations the SEIAA decided to refer back the application to SEAC for further re-examination as per the following observations:

1. The SEIAA while looking at the project site using drone video and kml file observed that the SEAC may reexamine the application assessing how much stability of surrounding area will be affected due to proposed mining.

In compliance to the observations of the SEIAA, the case was again placed before SEAC in its 103<sup>rd</sup> meeting for reexamination on dated 21-10-2024.

The SEAC reexamined the proposal and reviewed the case application as per advice from the SEIAA. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The Industry department also stated that the Geological Wing of the Department of Industries, Himachal Pradesh is ensuring that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease is granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may devise a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-50mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.

9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

**2.30 Sh. Lakhwinder Singh, Prop. M/s Lakhwinder Singh Stone Crusher & Screening Plant Unit-I, Mohal Joddian Kuthar beet, Mauza Kuthar beet of Tehsil Haroli, District Una, H.P.,**

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F465739%2F2024&proposal=52835789>

Online proposal for EC was submitted on dated 01/08/2024 and accepted by the SEAC.

The project Proponent was granted earlier EC by DEIAA, Una under file no. DEIAA/Una/EC/2017/1297 dated 12.09.2017.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberating on the information submitted by the project proponent and considering the fact, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

- The sub-committee of the SEAC shall visit the project site, check the muck dumping along the mining site

According to observation a sub committee of SEAC along with Officers/ Officials from DEST&CC also visted the site on dated 21.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may device a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-80mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40

Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panelfunction	Overload Protection, Short Circuit protection, Tower light, Limit switch for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scopeunderwarranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.
10. This Environmental Clearance shall become operational only after demarcating the proposed mining area from the competent authority and installation of permanent boundary pillars.

**2.39 M/s Lakhwinder Singh Stone Crusher Unit-1, Prop: Sh. Lakhwinder Singh, S/o Sh. Jagmail Singh, HIG 824, Phase-II, Mohali (Punjab).**

**Brief outline of the project:-**

- |  |   |
|--|---|
| a) Proposal No.  | SIA/HP/MIN/489982/2024<br>HP SEIAA/2024/1151  |
| b) Processing fee  | UTR number N214243180350854 dated 01/08/2024 of Rs. 10,000.   |
| c) Project type  | Collection/extraction of Sand, Stone & Bajri.   |
| d) Project Location  | Khasra number 1203 (00-90-71 ha), 1232 (01-07-37 ha), 1202 (01-07-21 ha), 1204 (00-44-14 ha) & 1205 (0-40-51 ha) falling in Mauza Kutharbeet, Mohal Joddian, Tehsil-Haroli, District-Una, Himachal Pradesh. |
| e) Jamabandi   | Jamabandi for the year 2021-2022  |
| f) Land Status   | Private Land, hill slope.   |
| g) Capacity  | 54,000 MT/year.   |
| h) Mining Area   | 03-89-94 Hectare, Private land/hill slope.  |
| i) Leases within 500 meter from the periphery of the area applied. | No mining leases exist within 500 meters.   |
| j) Grant of mining lease   | Grant of Mining lease issued vide letter no. Udyog-Bhu(khani-4) Laghu-76/2016-7987 dated 12.10.2017 for a period of 15 years.   |
| k) EMP Cost  | Nil.  |
| l) CER cost  | nil.  |

The proposed project is collection/extraction of Sand, Stone & Bajri. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHPP%2FMIN%2F489982%2F2024&proposal=88052013>

Online proposal for EC was submitted on dated 02/08/2024 and accepted by the SEAC.

The project Proponent was granted earlier EC by DEIAA, Una under file no. DEIAA/Una/EC/2017/1296 dated 12.09.2017. The project proponent has also submitted approval of Mining Plan letter from Industry Deptt. dated 19.01.2023.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberating on the information submitted by the project proponent and considering the fact, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. The sub-committee of the SEAC shall visit the project site, check the muck dumping along the mining site.

According to observation a sub committee of SEAC along with Officers/ Officials from DEST&CC also visited the site on dated 21.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal. The SEAC observed that the application was dealt and recommended after examining all technical aspects, however, in order to further ensure that the mining activities doesn't affect the surrounding area environment and stability clarification from Project Proponent and Industry Department may be obtained once again.

The point wise clarification/ reply received from the Deptt. of Industries, Himachal Pradesh vide letter Dated 14/11/2024 vide which Industry department informed that the proposal has been recommended after completing all codal formalities by the committee headed by SDO(C) after joint inspection of the site. All aspects of environmental sustainability have been taken into consideration, if the pp work according to the approved mining plan there will be no impact on stability of surrounding area.

The case application was again listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

After deliberating on the information submitted by the project proponent and considering the facts placed before the committee, the SEAC again recommended the case application for consideration of grant of environmental clearance by the SEIAA subject to the fulfillment of conditions annexed at Annexure-I with following additional special condition that:

1. The capital cost (@ Rs. 4.00 lacs per  $\leq$  ha.) under CER, shall be deposited in the form of Demand Draft/ transfer of funds in the bank account number mentioned in EC letter to the office of Director (DEST&CC), GOHP. The Director (DEST&CC) may devise a plan for this purpose as per CER guidelines.
2. The project proponent shall provide one plastic waste shredder machine to DEST& CC, Shimla within one month from the date of issuance of EC letter, for further distribution under CER. The machines will be purchased from authorised/ approved sources and CMC/AMC will be assured with supplier for at least three years from date of installation. The Project proponent shall be responsible for functioning of the machines. The size of the shredded plastic shall be less than 2.36 mm. Technical specifications of the plastic waste shredder are as under:

Plastic Waste Shredder specifications (250Kg/Hr.)	
PARAMETER	SPECIFICATION
Mechanism type	Double shaft with rotating blades
Application	Shredding of RDF waste (Plastic bags, polythene, rags, leather, rubber etc. found in the Municipal Waste)
Shredder capacity	250-300 Kg/hr
Machine Size	Height- 4.5 ft, Length- Any & Width- Any.
Blade MOC	WP 45/ENOS (Harden)
Minimum height of hook above shaft & disc	70-80mm
Output shredded material size	<2.36 mm
Working chamber	300mm X 380 mm
Motor HP	7.5HP
Total motor	1 Nos.
RPM of shafts	30-40
Motor make	Havells/ Crompton
Motor rating	IE2
Total gearbox	1Nos.
Hopper size	500mm X 350mm
Structure & cover & Hopper MOC	MS with paint
Extrafeatures	Cladding total body
Supply	3 Phase 440V- 50Hz.
Panel	
Panel function	Overload Protection, Short Circuit protection, Tower light, Limit switch

	for safety (when machine front cover open machine to stop working)
Warranty	
Duration	12 months or more
Scope under warranty	All the spares & repair work including labor

3. The project proponent shall sensitize and create awareness among people working within the project area as well as its surrounding area on the ban of SUP in order to ensure the compliance of Notification published by MoEF& CC on 12/08/2021. A report, along with photographs, on the measures taken shall also be included in the six monthly compliance report being submitted by the project proponents.
4. The project proponent shall ensure that mining is carried out strictly in accordance with the approved mining plan failing which strict action under Environment (Protection) Act, 1986 will be initiated against the proponent and environmental compensation shall be imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
5. The Department of Industries, Himachal Pradesh shall ensure that the mining is carried out strictly as per the Terms & Conditions of the Environment Clearance.
6. The Geological Wing of the Department of Industries, Himachal Pradesh and Project proponent shall ensure that the mining outside the riverbed on Patta Land/ Khatedari Land be granted when there is possibility of replenishment of material. In case, there is no replenishment then mining lease shall only be granted when there is no riverbed mining possibility within 5 KM of the Patta Land/ Khatedari land.
7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.
10. This Environmental Clearance shall become operational only after demarcating the proposed mining area from the competent authority and installation of permanent boundary pillars.

**2.40 M/s J.B.B Stone Crusher & Screening Plant, Prop. Sh. Madan Jaswal, VPOJadlaKoeri, Tehsil-Ghanari, Distt. Una, HP.**

**Brief outline of the project:-**

a) Proposal No.	SIA/HP/MIN/491388/2024 HP SEIAA/2024/1153
b) Processing fee	UTR number 4215112187383 dated 02.08.2024 of Rs. 10000/-
c) Project type	Collection/extraction of Sand, Stone & Bajri.
d) Project Location	Khasra number 2314, 2316, 2337, 2347 & 2361 falling in Mauza & Mohal Koeri, Tehsil-Ghanari, District-Una, Himachal Pradesh.
e) Jamabandi	Jamabandi for the year 2018-2019
f) Land Status	Private Land, river bed.
g) Capacity	93,300 MT/year (4,66,500 MT for five years)
h) Mining Area	04-61-12 Hectare, Private land/river bed.
i) Leases with in 500 meter from the periphery of the area applied.	No mining leases exist within 500 meters:
j) Letter of Intent	Letter of Intent issued on dated 31/05/2017.
k) EMP Cost	Nil.
l) CER cost	nil.

The proposed project is collection/extraction of Sand, Stone & Bajri. The PARIVESH link is as below:-

<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FMIN%2F491388%2F2024&proposal=90963683>

Online proposal for EC was submitted on dated 08/08/2024 and accepted by the SEAC.

The project Proponent was granted earlier EC by DEIAA, Una under file no. DEIAA/Una/EC/ dated 29.05.2017.

The case was listed in 102<sup>nd</sup> meeting of SEAC held on dated 19<sup>th</sup> to 21<sup>st</sup> August, 2024. After deliberating on the information submitted by the project proponent and considering the fact, the SEAC decided to appraise the case in next meeting after compliance of the following observations:

1. The sub-committee of the SEAC shall visit the project site, check compliance of all EC conditions granted a the level of DEIAA and submit its report to the SEAC.

According to observation a sub committee of SEAC along with Officers/ Officials from DEST&CC also visted the site on dated 21.12.2024 to verify the facts and submitted site inspection report before SEAC Committee for appraisal. 7. The Midterm review of hill slope mining activity shall be undertaken in case of any deviation from terms and conditions of EC/ Mining plan the EC shall be withdrawn along with environmental compensation imposed as per orders of Hon'ble NGT dated 19.02.2019 in the matter of OA No. 593/2017 (W.P.) (Civil) No. 375/2012).
8. The project proponent will ensure that no harm to the adjoining land or environmental degradation is caused due to mining activities and the mining activities are undertaken strictly as per approved mining plan.
9. This Environmental Clearance shall become operational only after receiving formal Forest Clearance (FC) under the provision of Forest Conservation Act, 1980, if applicable to the Project.

**2.43 M/s. ADS Spirits Private Limited O/o FF-2, Harmony Apartment, 52/78, Punjabi Bagh West, Delhi-110026.**

**Brief outline of the project:-**

- |    |  |   |
|----|--|---|
| a) | Proposal No.   | SIA/HP/IND2/513416/2024 (TOR's)<br>HP SEIAA/2024/1258   |
| b) | Processing fee   | UPI Reference Id: PUNB524352512469 dated 17.12.2024 of Rs.2,00,000/-  |
| c) | Project type   | Distilleries Item 5 (g) of the schedule of EIA notification   |
| d) | Project Location   | Khasra no. 60/20 falling in village-Phandi Boriwala, Tehsil-Paonta Sahib, District-Sirmaur, Himachal Pradesh.   |
| e) | Jamabandi  | Jamabandi for the year 2018-2019  |
| f) | Land Status  | Private Land.   |
| g) | Status of land   | The land is already under the possession of Company and is for the purpose of setting up industry. Topography of the proposed site is flat with minor undulations and mountainous for maximum of the study area. Out of the total plant area, 33% of total plant area i.e., 3.54 ha will be developed under greenbelt & Plantation. |
| h) | Essentiality Certificate   | The Essentiality Certificate was issued by Department of Industries vide letter No. EC/12/59176/2024 dated 28.05.2024.  |
| i) | Permission to purchase land under Section 118 of H.P. Tenancy and Land Reforms Act, 1972 | Permission has been obtained in dated 23 <sup>rd</sup> September 2024 from Deptt of Revenue.  |
| j) | Letter of Intent   | LOI has been obtained from Commissioner of State Taxes & Excise, Himachal Pradesh on dated 27.09.2024.  |
| k) | Capacity   | Proposed 30 KLPD Malt Spirit Distillery & Bottling Plant for IMFL/CL (60 Lacs   |

		cases Annually) along with 1.5 MW Co-generation Power Plant at Village Phandi Boriwala, Tehsil Paonta Sahib, District Sirmaur, Himachal Pradesh by M/s. ADS Spirits Private Limited.
l)	Proposed Area	Total Plot Area 10.7 ha (132.08 Bighas)
m)	Fresh water requirement	600 KLPD
n)	Power requirement	The total power requirement for the proposed malt spirit Distillery will be 1.5 MW, which will be sourced from Proposed 1.5 MW Captive Co-generation Power Plant.
		Fuel for Co-generation power plant: Biomass & Coal Fuel for D.G. Sets: HSD
o)	Fly ash	Fly ash (max 16 TPD) generated from the biomass and coal fired boiler will be supplied to brick manufacturers for brick manufacturing
p)	Cost of project	63 Crores.
q)	EMP Cost	Capital Cost: Rs. 2.0 Crores Recurring Cost: Rs. 0.4 Crores/annum
r)	CER cost	-

The proposed project is Malt Spirit/Grain Spirit Plant under Category 5(g) i.e. Distilleries. The PARIVESH link is as below:-  
<https://parivesh.nic.in/newupgrade/#/trackYourProposal/proposalDetails?proposalId=SIA%2FHP%2FIND2%2F513416%2F2024&proposal=113990413>

The application for issuance of TORs by M/s. ADS Spirits Private Limited was listed in 104<sup>th</sup> meeting of SEAC held on dated 31/12/2024.

The Committee observed that:

1. The project proponent has been granted approval for setting up 30 KLPD Malt Spirit Distillery & Bottling Plant for IMFL/CL (60 Lacs cases Annually) however the proponent has applied for setting up 30 KLPD Malt Spirit Distillery & Bottling Plant for IMFL/CL (60 Lacs cases Annually) along with 1.5 MW Co-generation Power Plant at Village Phandi Boriwala, Tehsil Paonta Sahib, District Sirmaur, Himachal Pradesh by M/s. ADS Spirits Private Limited, As such the proponent could n't place on record the approval for setting up of Co-generation plant in Essentiality Certificate it was advised that either revised approval may be submitted or the application form may be refilled by the proponent for issuance of TOR.

In view of the above observations the SEAC suggested the project proponent to amend the proposal and resubmit.

The meeting ended with vote of thanks to and from the Chair.
