The SEAC has referred to the 31 st October, 2019 Notification of MoEF&CC which creates a separate class among the projects based on their location within Critically Polluted Area (CPA) or within 5 kms of CPAs. All such cases were being treated as A category projects by being located in CPAs or in their vicinity. But in this Notification the MoEF&CC has allowed the category of such projects to remain unaltered; but B1 category projects which otherwise could be granted EC at SEIAA level are to be submitted to MoEF&CC for grant of EC. EC applications for B2 category cases within this class would be disposed of by SEIAA. Thus, while the requirement of addressing all EC applications to MoEF&CC in respect of projects located within or in the vicinity of CPAs has been dispensed with, B1 category projects which otherwise could be cleared at SEIAA level would be handled by the Ministry. The Mahua Flower Based Country Liquor Units being distilleries are B1 category projects, we may therefore ask the PP to apply for EC to MoEF&CC in accordance with the above Notification.

EC applications for B2 category cases within this class would be disposed of by SEIAA. Thus, while the requirement of addressing all EC applications to MoEF&CC in respect of projects located within or in the vicinity of CPAs has been dispensed with, B1 category projects which

										applicable) as per MoEF&CC, Govt. of India OM No. 22-23/2018-IA.III(pt), dated 31.10.2019.	otherwise could be cleared at SEIAA level would be handled by the Ministry. The Mahua Flower Based Country Liquor Units being distilleries are B1 category projects, we may therefore ask the PP to apply for EC to MOEF&CC in accordance with the above Notification.
23.	14.12.2019	Nil 16.12.2019 17.12.2019	48450/58 -IND2/12-2019	Industry -2	5(g)- Distilleries	Proposal for production of 6.0 KLD Mahua Flower Based Country Liquor Unit, M/s Siriapali Main Out Still Liquor Shop, at Siriapali, Dist: Jharsuguda (License period- 01.08.2019-31.03.2020)	Harihar Prasad Sahu	Jharsuguda	7767 / 27.01.2020	The SEAC in its meeting held on 20.02.2020 has considered the proposals as B2 category as these units are generating waste water less than 100 KLD and recommended to grant EC with modified conditions as recommended in the SEAC meeting held on 19.06.2018 with additional conditions incorporated for environment protection (as applicable) as per MoEF&CC, Govt. of India OM No. 22-23/2018-IA.III(pt), dated 31.10.2019.	The SEAC has referred to the 31 st October, 2019 Notification of MoEF&CC which creates a separate class among the projects based on their location within Critically Polluted Area (CPA) or within 5 kms of CPAs. All such cases were being treated as A category projects by being located in CPAs or in their vicinity. But in this Notification the MoEF&CC has allowed the category of such projects to remain unaltered; but B1 category projects which otherwise could be granted EC at SEIAA level are to be submitted to MoEF&CC for grant of EC. EC applications for B2 category cases within this class would be disposed of by SEIAA. Thus, while the requirement of addressing all EC applications to MoEF&CC in respect of projects located within or in the vicinity of CPAs has been dispensed with, B1 category projects which otherwise could be cleared at SEIAA level would be handled by the Ministry. The Mahua Flower Based Country Liquor Units being distilleries are B1 category projects, we may therefore ask the PP to apply for EC to MOEF&CC in accordance with the above Notification.
